BOROUGH MAYOR

MEMORANDUM

TO: Dale Bagley, Assembly President
Members, Kenai Peninsula Borough Assembly

FROM: Kelly Wolf, Assembly Member

DATE: November 25, 2014

SUBJECT: Resolution 2014-019, A Resolution Acknowledging the Kenai Peninsula Borough Assembly's Support to the Formation of the K-Beach High Water Drainage Task Force

The good people of the K-Beach area have come together to address the high water problems occurring in that area. During a recent meeting they expressed the desire to form a task force to study and discover solutions, concepts and funding sources, and to begin with a feasibility study. The State of Alaska Department of Natural Resources ("DNR") has significant expertise in this area and the Kenai Peninsula Borough is the local government for this area.

This resolution requests the DNR to form a task force including representatives from the DNR, the borough, private residents and other members with expertise to research the problem and identify potential solutions. As representatives of the people the Assembly should support this action of the people as we represent the people's government.
