Animal Care Specialist

Community Service:

Religious Volunteer at Wildwood
Women's Group Facilitator at Kenai Christian Church

Statement (reproduced exactly as submitted):

Dear Kenai Peninsula Borough Members,

My name is Jill Craig and I seek to be a conservative voice for our community. As a firm believer in fiscal responsibility, individual freedom, and local government, I will work to ensure our borough remains a place of opportunity, prosperity, and rational governance.

My family and I moved to Alaska in 2009, when my husband was stationed at Eielson AFB. We took one year off in 2014 to try the lower 48 but returned in 2015 to relocate to Soldotna. Living in the area has solidified my devotion to our community, I am home! You will find me committed to listening, advocating, and making decisions which reflect our community values. With a focus on responsible budgeting, growth, and protecting our Alaskan way of life, I will advocate for policies that benefit businesses, families, and future generations.

My goal is to make a meaningful difference. I stand for transparency, accountability, and practical solutions that keep our borough strong. Together, we can ensure our community remains a place where hard work is rewarded, traditions are honored, and our freedom is protected.

Sincerely,

Jill Craig
