SUBJECT: Request for Sole Source for Physio-Control, Inc.

CES is requesting sole source for the purchase of a preventative maintenance contract with Physio-Control, Inc. for our Physio-Control LIFEPAK15/AED Cardiac-EKG monitors. Physio-Control brand is the only Cardiac EKG Monitors that CES uses. Due to proprietary software inherit to the machines, Physio-Control is the most cost effective method to achieve service updates and maintenance. This is a renewal for a three-year (3) contract for service and maintenance on 12 units.

The contract is for three-years (3) for a total of \$37,859.70, paid annually in FY17 at \$12,619.90

Funds are available in 211.51610.43720
