

State Senator-Elect
Jesse J Bjorkman
PO Box 8293
Nikiski, AK 99635

December 6, 2022

Assembly President
Brent Johnson
144 N Binkley
Soldotna, AK 9966

President Johnson,

It truly has been my honor to represent the people of Nikiski on the Kenai Peninsula Borough Assembly. I am thankful to have worked with you, other assembly members, and our amazing Borough staff as we push toward a more prosperous future for Kenai Peninsula residents.

I am proud that as an Assembly we stand for common sense. We have improved public safety by hiring more firefighters and paramedics, advocated for wildland fire safety, prioritized our senior centers, appropriately funded our schools, improved election security, supported the 2nd Amendment rights of Alaskans, advocated for investigative grand juries, and worked to ensure that our Assembly oversees local government that is responsive and trustworthy.

Now a new chapter is unfolding. The people of Senate District D have chosen me as their State Senator. In order to fully commit to what that position requires, I must resign my seat on the Kenai Peninsula Borough Assembly. My resignation from the Borough Assembly is effective January 16, 2023 at 11:59 p.m. I hope that whoever replaces me will be a trusted and respected member of our community. Our new member should be dedicated to honoring the history of our area, while looking for opportunities to promote economic growth in both resource production and recreation.

I look forward to continuing to work with you all from my new role in the State Senate. Please have a Merry Christmas and an excellent New Year filled with taking courageous action toward a prosperous future.

Sincerely,
State Senator-Elect
Jesse J Bjorkman
