**SUBJECT:** Resolution 2014-070, A Resolution in Support of the Alaska Maritime Workforce Development Plan

The Alaska Maritime Workforce Development Plan is a five-year plan that begins in 2015. It was developed by the State of Alaska, the University of Alaska and representatives from the Alaska fisheries, seafood and maritime industries with the intention of increasing the number of Alaska residents working in maritime careers. The maritime industry is critical to the economy of the City of Homer as well as other areas in the borough. This resolution is submitted at the request of the City of Homer to support the maritime sector. Your support would be appreciated.
