RE: Ordinance 2026-_____, Authorizing the Lease of a Material Site Owned by the Kenai Peninsula Borough by Competitive Lease Offering Through Sealed Bid Procedures (Mayor)

The Eagle Lake Material Site is located approximately 3 miles from mile 19 East End Road. The Kenai Peninsula Borough (KPB) Land Management Division has previously managed the site through a now-expired Concessionaire's Agreement. It is important to East End Road communities for the site to produce gravel products needed for development and infrastructure maintenance.

A lease has been prepared for public offering which would provide for the production of gravel for sale to local markets. A lease additionally provides greater opportunities for gravel business development through a broader set of choice making available under a lease, given fewer requirements and greater autonomy to pursue opportunities.

A sealed bid offering format will be used based on annual rent (a 12-month period). Because the initial period extends to December 31, 2026, the initial period will be prorated by the actual number of months that the lease is in place during the year. Lease rent will adjust with a 3% increase annually on January 1st of each year of the lease. The lease sets a minimum (15,000 cubic yards) and a maximum (25,000 cubic yards) yearly gravel quantities that are tied to the rent and performance requirements. A royalty provision sets a \$3.25/cubic yard rate for gravel volumes that are in excess of the 25,000 cubic yard volume included in the rent each year. The proposed lease to be offered is for an initial term to end December 31, 2030, with a 5-year renewal provision. The lease premises is 86.75 acres, more or less, and contains the active material site and area for exploration and expansion. The lease requires a materials mining and reclamation plan, to be approved by the Land Management Officer.

A minimum bid amount representing the fair market rental value for a 12-month period, is proposed based upon land and resource values included in rent and considering the performance requirements necessary to produce the material, which includes operational maintenance of a mile long access road to the site's 1900' elevation, thick overburden removal, material qualities, and reclamation.

RE: O2026-____

The Sealed Bid receipt deadline is proposed for 4 p.m. April 28, 2026, with all bids to be received at the Land Management Division front desk located within the George A. Navarre Borough Building in Soldotna. A brochure will identify the lease being offered and provide instructions for participation and describe the subsequent lease award and closing process. Notice of the Sealed Bid Lease Offering will be published on the KPB Land Sale Hub at www.kpb.us/landsales along with a brochure, in addition to posting in three public places, in accordance with KPB 1.08.180.

The KPB Planning Commission will hold a public hearing regarding the proposed land sale on March 16, 2026, and will forward its recommendation to the Assembly.

Your consideration is appreciated.

20. Environmental Liability Baseline.

- 1.1. Responsibility for Ascertaining Environmental Condition of Property. Lessee has the sole responsibility under this Agreement to ascertain the environmental condition and presence of contamination in, on, and under the surface of the Property, and is conclusively presumed to have caused or to have materially contributed to any contamination of, or originating on, the Property except as identified in an Environmental Liability Baseline. If known contamination is on the Property that has been closed out under alternate cleanup levels approved by ADEC, Lessee is responsible for following all restrictions set by ADEC including, but not limited to, notifying any assignee of this Agreement in writing of ADEC's restrictions.
- 1.2. Financial Responsibility for Contamination on the Property and on any Affected Property. Lessee assumes financial responsibility to the Borough for any contamination in, on, and under the Property, except for contamination that is identified in an Environmental Liability Baseline. This is without prejudice to Lessee's right to seek contribution or indemnity from either prior lessees of the Property, or other potentially responsible parties except for the Borough.
- 1.3. Establishing an Environmental Liability Baseline
 - a. If Lessee wants to establish an Environmental Liability Baseline for any or all portions of the Property, Lessee must provide the Borough with an Environmental Assessment for that portion of the Property prior to its use.
 - b. If Lessee discovers contamination in, on, or under the surface of the Property, for any portion of the contamination to be considered for inclusion in the Environmental Liability Baseline, Lessee must demonstrate by reasonable evidence to the satisfaction of the Borough that the contamination proposed for inclusion was not caused or materially contributed to by Lessee or Lessee's operations or activities nor assumed by Lessee. Contamination caused or materially contributed to by activities of Lessee's sublessees, contractors, and guests on the Property are deemed to have been materially contributed to by Lessee.
 - c. Only that portion of contamination not caused or materially contributed to by Lessee or Lessee's operations or activities must be included in the Environmental Liability Baseline.
- 1.4. Adding to an Existing Environmental Liability Baseline
 - a. If, after an Environmental Liability Baseline is established for any portion of the Property, Lessee discovers contamination in, on, or under the surface of that portion of the Property having an Environmental Liability Baseline, which contamination Lessee or Lessee's operations or activities did not cause, or to which Lessee or Lessee's operations did not materially contribute, and which Lessee did not assume by reason of assignment, Lessee may, at its own cost, submit an additional Environmental Assessment reflecting that information to the Borough for the Borough's consideration to add to the Environmental Liability Baseline. Lessee's additional Environmental Assessment must demonstrate by reasonable evidence to the satisfaction of the Borough which portion of the additional contamination on the Property was not caused by Lessee or Lessee's activities, or to which Lessee or Lessee's activities did not materially contribute.
 - b. Only that portion of contamination not caused by Lessee or Lessee's operations, or to which Lessee or Lessee's operations did not materially contribute, may be added to the

existing Environmental Liability Baseline.

- 1.5. The Borough's Acceptance or Rejection of Lessee's Environmental Assessment. When the Borough receives Lessee's Environmental Assessment to establish an Environmental Liability Baseline or to add to an existing Environmental Liability Baseline, the Borough, in its sole discretion, may do one of the following:
 - a. Perform additional environmental testing at Lessee's expense to verify the environmental condition of that portion of the Property being assessed. If the results of the Borough's tests conflict with Lessee's Environmental Assessment, the Borough and Lessee will negotiate in good faith an Environmental Liability Baseline or an addition to the existing Environmental Liability Baseline for that portion of the Property being assessed; or
 - b. Accept the findings of Lessee's Environmental Assessment and any other relevant documents to establish an Environmental Liability Baseline for that portion of the Property being assessed or to add to the existing Environmental Liability Baseline; or
 - c. Reject the findings of Lessee's Environmental Assessment for that portion of the Property being assessed and offer Lessee the opportunity to perform additional environmental testing if the Borough determines in writing that the findings of the Environmental Assessment are inadequate to establish an Environmental Liability Baseline or to add to an existing Environmental Liability Baseline. The Borough's written rejection of the Lessee's Environmental Assessment will be based on failure of Lessee's Environmental Assessment to either:
 - (1) Follow generally accepted professional practices in determining the environmental condition of the Property and the presence of Contamination in, on, or under the surface of the Property; or
 - (2) Demonstrate the portion of the contamination that was not caused by Lessee or Lessee's operations, or to which Lessee or Lessee's operations did not materially contribute.
- 1.6. Amending the Environmental Liability Baseline to Delete Contamination Caused or Assumed by Lessee, or to which Lessee Materially Contributed.
 - a. If, after the Environmental Liability Baseline for any portion of the Property is established, it is discovered that the presence of contamination identified in the Environmental Liability Baseline was caused or assumed by Lessee or Lessee's operations, or to which Lessee or Lessee's operations materially contributed, the Environmental Liability Baseline may be amended to delete that portion of the Contamination that was caused by Lessee or Lessee's operations, or to which Lessee or Lessee's operations materially contributed.
 - b. The Borough will have the burden of proof to establish that Lessee or Lessee's operations or activities caused or materially contributed to the contamination.
 - c. If it is discovered that contamination identified in the Environmental Liability Baseline was caused by Lessee or that Lessee or Lessee's operations materially contributed to the contamination, the Parties will agree upon an amendment to the Environmental Liability Baseline within a reasonable time.

21. NON-EXCLUSIVITY. Lessor acknowledges and agrees that, except as may be disclosed to Lessee in writing prior to the execution hereof, or reserved herein, there are no prior existing rights, uses, or authorization granted to third parties. Upon at least sixty (60) days prior written notice to Lessee, Lessor reserves the right to grant rights or authorization for third parties to locate improvements or uses in, over, below or in proximity to the Leased Premises to the extent such rights or authorizations do not unreasonably interfere with Lessee's equipment, operations or expansion. Lessor further expressly reserves the right to use,

and grant rights or authorizations for third parties to use the Access Road extending from Basargin Road to and along the east boundary of the lease premises.

22. LESSEE LIABILITIES. In addition to other liabilities under this Agreement, Lessee has the following liabilities and agrees:

(a) That Lessee assumes all risk of loss, damage, or destruction to Lessee's improvements on the Leased Premises;

(b) That Lessee will comply with all applicable federal, state, and local laws or regulations, including relevant environmental laws, as well as public health and safety laws and other laws relating to the siting, permitting, construction, operation and maintenance of any facility, improvement or equipment on the Leased Premises;

(c) That Lessor has no duty, either before or during the lease Term, to inspect the Leased Premises or warn of hazards and if Lessor inspects the Leased Premises, it will incur no additional duty nor any liability for hazards not identified or discovered through such inspections. This Section will survive the termination or revocation of this Agreement, regardless of cause; and

(d) That Lessee has an affirmative duty to protect from damage the Property and interests of Lessor related to this Agreement.

23. INDEMNIFICATION. Lessee agrees to defend, indemnify, and hold harmless Lessor, its employees, public officials, and volunteers, with respect to any action, claim, or lawsuit arising out of (1) a breach of this Agreement or (2) the use and occupancy of the Leased Premises or the Property by the Lessee. This agreement to defend, indemnify, and hold harmless includes all losses and liabilities without limitation as to any damages resulting from judgment, or verdict, and includes the award of any attorney's fees even if in excess of Alaska Civil Rule 82. The obligations of Lessee arise immediately upon notice from Lessor of any action, claim, or lawsuit. Lessor will notify Lessee in a timely manner of the need for indemnification but such notice is not a condition precedent to Lessee's obligation and may be waived where Lessee has actual notice. This agreement applies and is in full force and effect whenever and wherever any action, claim, or lawsuit is initiated, filed, or otherwise brought against Lessor relating to Lessee's use and occupancy of the Leased Premises or the Property. Notwithstanding the foregoing, Lessee's duty to indemnify, defend, and hold harmless Lessor as set forth above shall not apply to the extent a claim arises from the negligence or willful misconduct of Lessor, its employees, public officials, and volunteers.

24. INSPECTION. Lessor reserves the right to enter upon and inspect the Leased Premises at any time to assure compliance with the conditions of this Agreement. Except in case of emergency, Lessor will provide Lessee with at least forty-eight (48) hours' prior written notice of Lessor's intention to enter upon and inspect the Leased Premises. Lessee reserves the right to have a representative present at all times during Lessor's inspection.

25. FORCE MAJEURE. The time for performance by Lessor or Lessee of any term, provision, or covenant of this Agreement will be deemed extended by time lost due to delays resulting from acts of God, strikes, civil riots, floods, material or labor restrictions by governmental authority, and any other cause not within the control of Lessor or Lessee, as the case may be.

26. DEFAULT. The failure of Lessee or Lessor to perform any of the covenants of this Agreement will constitute a default. The non-defaulting Party must give the other written notice of such default, and the defaulting Party must cure such default within thirty (30) days after receipt of such notice. In the event any such default cannot reasonably be cured within such thirty (30) day period, the defaulting Party must provide

prompt notice of inability to cure and provide a plan to cure the default within a time frame provided. The time for curing a default will be extended for such period of time as may be necessary and reasonable; however, in no event will this extension of time to cure be in excess of ninety (90) days, unless agreed upon in writing by the non-defaulting Party.

27. REMEDIES. Should the defaulting Party fail to cure a default under this Agreement, the non-defaulting Party will have all remedies available either at law or in equity, including the right to terminate this Agreement.

28. ACKNOWLEDGEMENT OF NON-EXCLUSIVITY. Lessee hereby acknowledges and understands, that the KPB is the owner of adjacent and other lands in the same geographic region in which the lease premises operates in gravel materials markets. The existence of this lease in no way implies exclusive rights to produce and sell materials within the geographic region. The KPB may at its sole discretion develop, or offer to be developed, new material site locations that may act in direct competition with the materials produced through this lease.

29. LESSEE MORTGAGES.

(a) Lessor consents to the granting by Lessee of a lien and security interest (each, a Lessee Mortgage) in Lessee's interest in this Agreement and all of Lessee's personal property and fixtures attached to the real property described herein to one or more lenders (any such lender, and any successor, assign, designee or nominee of such lender, hereinafter a Lender) only to the extent and amount necessary to develop and maintain improvements on the Leased Premises. The Lessee may not encumber the leasehold interest or the Leased Premises to finance projects or improvements outside of the Leased Premises. Lessor agrees to recognize Lender as Lessee hereunder upon any such exercise by Lender of its rights of foreclosure. Any such encumbrance will be subordinate to Lessor's rights and interest in the Leased Premises and the Property. Any such encumbrance will be limited to the Lessee's interest in the Leased Premises. It is a material breach of this Agreement for Lessee to attempt to encumber any interest in Lessor's title to or interest in the Leased Premises or the Property.

(b) Lessor acknowledges that nothing contained herein will be deemed or construed to obligate Lender to take any action hereunder, or to perform or discharge any obligation, duty or liability of Lessee under this Agreement. No Lender may become liable under the provisions of this Agreement unless and until such time as the Lender assumes ownership of the leasehold estate created hereby and agrees to comply with the terms and conditions of this Agreement and any extensions and modifications thereof.

29. MISCELLANEOUS.

(a) Survival. If any term of this Agreement is found to be void or invalid, such invalidity will not affect the remaining terms of this Agreement, which will continue in full force and effect.

(b) Non-waiver. Failure of a Party to insist on strict performance of any of the conditions or provisions of this Agreement, or failure to exercise any of a Party's rights hereunder, will not waive such rights.

(c) Governing Law and Jurisdiction. This Agreement will be governed by and construed in accordance with the laws of the State of Alaska, without regard to conflict of law principles. Any lawsuits filed in connection with this Agreement must be filed and prosecuted in the Third Judicial District, State of Alaska, at Kenai, Alaska.

(d) Bind and Benefit. This Agreement is binding upon and will inure to the benefit of the Parties

hereto and their respective heirs, legal representatives, successors, and assigns.

(e) Memorandum. A short-form Memorandum of Lease may be recorded at Lessor's or Lessee's option in the form as depicted in Exhibit 4, attached hereto. Lessor will promptly execute any Memorandum of Lease or Memorandum of Amendment to Lease, or corrective amendments thereto, upon written request of Lessee.

(f) W-9. As a condition precedent to payment, Lessor agrees to provide Lessee with a complete IRS Form W-9, or its equivalent, upon execution of this Agreement.

(g) Counterparts. This Agreement may be executed in counterpart, each of which when so executed and delivered will be considered an original and all of which when taken together will constitute one and the same instrument.

(h) Amendment. This Agreement may be amended in writing upon mutual agreement of the Parties.

(i) Entire Agreement. This Agreement and its Exhibits, Appendices or incorporated attachments hereto, constitute the entire agreement and will supersede all prior offers, negotiations and agreements with respect to the subject matter of this Agreement.

APPENDIX A

LEASE PROVISIONS REQUIRED BY KPB 17.10

(1) **Accounts Current.** Lessee shall not be delinquent in the payment of any tax, debt or obligation owed to KPB prior to execution of the Agreement.

(2) **Assignment.** Lessee may assign the lands upon which it has an agreement only if approved by the KPB Mayor or Land Management Officer when applicable. Applications for assignment shall be made in writing on a form provided by the Land Management Division. The assignment shall be approved if it is found that all interests of KPB are fully protected.

(3) **Breach of Agreement.** In the event of a default in the performance or observance of any of the Agreement terms or conditions, and such default continues thirty (30) days after written notice of the default, KPB may cancel the Agreement or take any legal action for damages or recovery of the property. No improvements may be removed during the time which the contract is in default.

(4) **Cancellation.** This Agreement, if in good standing, may be cancelled at any time upon mutual written agreement of the Parties.

(5) **Entry or Re-entry.** In the event the Agreement is terminated, canceled or forfeited, or in the event of abandonment of the Leased Premises by Lessee during the Term, KPB, its agents, or representatives, may immediately enter or re-enter and resume possession of the Leased Premises. Entry or re-entry by KPB shall not be deemed an acceptance of surrender of the Agreement.

(6) **Fire Protection.** Lessee shall take all reasonable precautions to prevent, and take all reasonable actions to suppress destructive and uncontrolled grass, brush, and forest fires on the Property under the Agreement, and comply with all laws, regulations and rules promulgated and enforced by the protection agency responsible for forest protection within the area wherein the Property is located.

(7) **Hazardous Waste.** The storage, handling and disposal of hazardous waste shall not be allowed on the Leased Premises.

(8) **Modification.** The Agreement may not be modified orally or in any manner other than by an agreement in writing signed by the Parties or their respective successors in interest.

(9) **Notice.** Any notice or demand, which under the terms of the Agreement or under any statute must be given or made by the parties thereto, shall be in writing, and be given or made by registered or certified mail, addressed to the other Party at the address shown on the Agreement. However, either party may designate in writing such other address to which such notice of demand shall thereafter be so given, made or mailed. A notice given hereunder shall be deemed received when deposited in a U.S. general or branch post office by the addressor.

(10) **Notice of Default.** Notice of default will be in writing as provided in Paragraph 9 Notice.

(11) **Removal or Reversion of Improvements Upon Cancellation of Purchase Agreement or Lease.**

(a) Improvements on Leased Premises owned by Lessee shall, within thirty (30) calendar days after the termination of the Agreement, be removed by Lessee; provided, such removal will not cause injury or damage to the land; and further provided, that the KPB Mayor or Land Management Officer when applicable may extend the time for removing such improvements in cases where hardship is proven. The Lessee may, with the consent of the KPB Mayor or Land Management Officer when applicable, dispose of its improvements to the Sublessee or Assignee, if applicable.

(b) If any improvements and/or chattels having an appraised value in excess of ten thousand dollars, as determined by a qualified appraiser, are not removed within the time allowed, such improvements and/or chattels shall, upon due notice to Lessee, be sold at public sale under the direction of the KPB Mayor and in accordance with the provisions of KPB Chapter 5. The proceeds of the sale shall inure to the former Lessee who placed such improvements and/or chattels on the lands, or its successors in interest, after paying to KPB all moneys due and owing and expenses incurred in making such a sale. In case there are no other bidders at any such sale, the KPB Mayor is authorized to bid, in the name of KPB, on such improvements and/or chattels. The bid money shall be taken from the fund to which said lands belong, and the fund shall receive all moneys or other value subsequently derived from the sale of leasing of such improvements and/or chattels. KPB shall acquire all the rights, both legal and equitable, that any other purchaser could acquire by reason of the purchase.

(c) If any improvements and/or chattels having an appraised value of ten thousand dollars or less, as determined by the KPB Mayor, are not removed within the time allowed, such improvements and/or chattels shall revert and absolute title shall vest in KPB. Upon request, Lessee shall convey said improvements and/or chattels by appropriate instrument to KPB.

(12) **Rental for Improvements or Chattels not Removed.** Any improvements and/or chattels belonging to Lessee or placed on the Property and remaining upon the premises after the termination of the Agreement shall entitle KPB to charge a reasonable rent therefor.

(13) **Re-rent.** In the event that the Agreement should be terminated, canceled, forfeited or abandoned, KPB may offer said lands for lease or other appropriate disposal pursuant to the provisions of KPB 17.10 or other applicable regulations.

(14) **Responsibility for Location.** It shall be the responsibility of Lessee to properly locate improvements on the Leased Premises.

(15) **Rights of Mortgage or Lienholder.** In the event of cancellation or forfeiture the Agreement for cause, the holder of a properly recorded mortgage, conditional assignment, or collateral assignment will have the option to acquire the lease for the unexpired term thereof, subject to the same terms and conditions as in the Agreement. Any party acquiring the lease agreement must meet the same requirements as Lessee.

(16) **Sanitation.** Lessee shall comply with all regulations or ordinances which a proper public authority in its discretion shall promulgate for the promotion of sanitation. The Leased Premises under the Agreement shall be kept in a clean and sanitary condition and every effort shall be made to prevent any pollution of the waters and lands.

(17) **Shore Land Public Access Easement.** As established by AS 38.05, KPB lands sold or leased may be subject to a minimum 50-foot public access easement landward from the ordinary high-water mark or mean high water mark.

(18) **Subleasing.** No lessee may sublease lands or any part thereof without written permission of the KPB Mayor or Land Management Officer when applicable. A sublease shall be in writing and subject to the terms and conditions of the original lease.

(19) **Violation.** Violation of any provision KPB 17.10 or of the terms of the Agreement may expose Lessee to appropriate legal action including forfeiture of purchase interest, termination, or cancellation of its interest in accordance with state law.

(20) **Written Waiver.** The receipt of payment by KPB, regardless of knowledge of any breach of the purchase agreement by the purchaser, lessee or permittee, or of any default on the part of the purchaser, lessee or permittee in observance or performance of any of the conditions or covenants of the agreement, shall not be deemed to be a waiver of any provision of the agreement. Failure of KPB to enforce any covenant or provision therein contained shall not discharge or invalidate such covenants or provision or affect the right of KPB to enforce the same in the event of any subsequent breach or default. The receipt by KPB of any payment of any other sum of money after notice of termination or after the termination of the agreement for any reason, shall not reinstate, continue or extend the agreement, nor shall it destroy or in any manner impair the efficacy of any such notice of termination unless the sole reason for the notice was nonpayment of money due and payment fully satisfies the breach.
