**SUBJECT:** Resolution 2016-031, A Resolution Classifying 29 +/- Acres of Borough Land in the Seldovia Area as Recreational (Mayor)

Pursuant to KPB 17.10.080 classification provides direction on how the borough should manage its land. The Seldovia Sportsmen's Club has submitted an application for the negotiated lease of a 29.79 acre parcel for the development of an organized shooting facility for the community along with a petition to classify the land Recreational. The location of the borough parcel is 1.5 miles south of Seldovia along Rocky Road. Taking together a review of the Seldovia Sportsmen's Club Development Plan with the location and characteristics of the land, a recreational classification would set a viable management direction for this land and allow for the leasing of the property for a community shooting facility.

The attached resolution would establish a Recreational classification for the 29.79 acre parcel which the Seldovia Sportsmen's Club seeks to lease. Your consideration of the resolution is appreciated.
