RE: Amendment to Ordinance 2016-12, Amending KPB 7.30.020 To Change The Way Minimum Distances Are Measured Between Marijuana Establishments And Schools, Churches And Correctional Facilities, And Imposing Minimum Distances Between Marijuana Establishments And Local Option Zoning Districts

I would like to amend ordinance 2016-12 to clarify that Local Option Zones may be formed within 500 feet of an existing marijuana establishment as follows:

- Amend Section 1 paragraph B.4. by inserting the bold and underlined new language as follows:

SECTION 1. That KPB 7.30.020(B) is hereby amended as follows:

B. Marijuana establishments shall not:

...

4. be located within 500 feet of an existing local option zoning district, the distance of which, shall be measured by the shortest distance between the proposed marijuana establishment property line and the nearest edge of the local option zoning district.
This restriction shall not prohibit the formation of a local option zoning district within 500 feet of an existing marijuana establishment.

Your support would be appreciated.
