We Shot a Moose, Class. There Will Be a Quiz.

A small group of Alaskan middle-schoolers gets a hands-on lesson in hunting and processing food from the land.

Read in app

In Nikiski, Alaska, an educational moose hunt brought students of Jesse Bjorkman's outdoor-explorations class face to face with their food. Ash Adams for The New York Times

Operation Updates: Early Release, COVID-19, Assessments

Kenai Peninsula Borough School District

Friday Early Release Days

Kenai Peninsula Borough School District
COVID-19 POSITIVE
Monitor, Mask and Return Protocol

Monitor. Mask. Return to school or work.

Staff and students who test positive for COVID-19 and have not experienced any symptoms of illness, or if symptoms are resolved for 24 hours without taking medication, may choose to end isolation and return to work or school on Day 6. Staff and students must follow the KPBSD Monitor, Mask and Return Protocols to return to school or work.

ISOLATE Days 0-5
Return to school or work on Day 6 if you've not experienced symptoms, or if symptoms are resolved for 24 hours without taking medication by Day 6. Day 0 is the day of symptom onset or a positive COVID-19 test.
If any symptoms of illness begin to develop on days 6-10, you must stay home and the 5-day isolation should start over.

FACE COVERINGS
Wear a well-fitted face covering in school at all times on Days 6-10.
If any symptoms of illness develop, you must stay home and isolate. When you cannot wear a face covering (i.e., when eating or drinking) you should maintain a minimum of six feet of distance from other individuals to every extent possible.

RETURN to School Days 6-10
On Day 6 you may return to work or school if you never had symptoms, or symptoms have been resolved for 24 hours without medication. Strictly follow the Monitor, Mask and Return protocol.
Athletes: In addition to continue to participate in school sponsored co-curricular activities athletes must also continue Daily Symptom Check Protocols.

Do you have symptoms and a positive COVID-19 test?
KPBSD staff and students who have COVID-19 and symptoms that have not resolved by Day 5 should continue to isolate through Day 10, or whenever symptoms are resolved without medication for 24 hours.

KPBSD is continuing to work with public health and may make revisions to this protocol in the next few weeks.

CLOSE CONTACT
Monitor, Test, and Stay Protocol

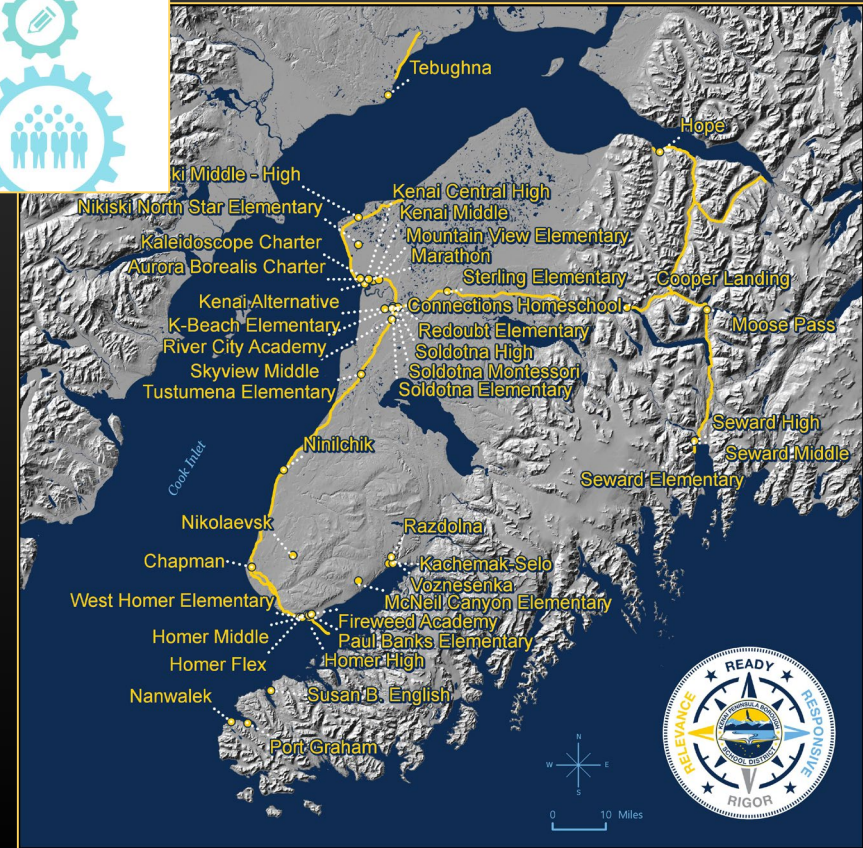

Monitor. Test. Stay in school.

Staff and students who are identified as a close contact have an option to continue attending school or work in the KPBSD if they are symptom free from illness, and follow the KPBSD Monitor, Test, and Stay Protocol

SYMPTOM FREE
Be symptom free from illness (asymptomatic) through Day 10, and isolate at home if symptoms develop.
Athletes: In addition, to continue to participate in school sponsored co-curricular activities athletes must also continue Daily Symptom Check Protocols.

FACE COVERINGS
Wear a face covering in school at all times through Day 10.
Unvaccinated, vaccinated, and people who have tested positive for COVID-19 in the past 90 days.
When close contacts cannot wear a face covering (i.e., when eating or drinking) they should maintain a minimum of 3 feet of distance from others.

TEST
Two negative COVID-19 tests
Get an approved Covid-19 test on Day 1 or the first day of return to school, and a second test during Day 5-7.
Covid-19 tests can be administered by KPBSD but will require parental consent.

Enrollment, Staffing, KPB and KPBSD

February 1, 2022:
Joint Assembly and
Board of Education
Finance worksession
