RE: Resolution 2021-[053](#) Authorizing the Mayor To Sign A Certificate Of Support For The Cooper Landing Volunteer Ambulance, Inc. Purchase Of A Pumper Truck (Carpenter)

Cooper Landing Emergency Services, Inc. has determined that it needs to obtain a new pumper truck to support its mission to provide emergency services. In order to help it qualify for tax exempt financing for this purchase, the Internal Revenue Code requires that it must be approved by the applicable elected representative of a governmental unit in which it is located after a public hearing.

This resolution would authorize the mayor to sign the accompanying Certificate of Support as he is a qualifying elected official of the borough.

Your consideration of this resolution is appreciated.
