Subject: 19 LEPC Official Notice

The SERC Finance Committee has approved the levels of funding for the 19 LEPC grant. **The Kenai Peninsula Borough** will be awarded **\$20,100.00**. The performance period begins July 1, 2018 to June 30, 2019. Please use this email as official notice and retain in your records. I'm working on getting the official award letter and obligating document for each subrecipient drafted and routing this week for signature. They should be mailed out to you end of next week.

Thanks,

Christine Stroda
