City of Kenai-Kenai Senior Services
Progress Report
1st Quarter Report ending September 30, 2014

This quarter, the Director attended 2 City Council meetings, 1 Wellness Academy Workshop, facilitated 2 Council on Aging meetings, attended 6 City Department Head meetings, 3 Senior Connection, Inc. fundraising meetings, participated in the Color Run for United Way and attended one area-wide Director's Meeting. The Director assisted 35 seniors with various senior issues, assisted two family with end of life issues. She completed year end State reports.

The Director assisted Kenai Senior Connection, Inc. in coordinating their 4th of July Booth Fundraiser. At this fundraiser, the seniors sell hot dogs, soda, coffee, and homemade biscuits and gravy, as well as senior's homemade strawberry-rhubarb pies. It was a very successful fundraiser. September was the planning month for the October Mystery Dinner Theater fundraiser. The fundraiser is a partnership between Kenai Senior Connection, Inc. and Frontier Community Services.

Being this quarter was mostly the summer months, that kept the Activity-Volunteer Coordinator involved in the regular activities at the senior center but also, planning events outside the facility so seniors could get outside in the outdoors. As we tallied up various activities over the quarter, we realized we continue to increase numbers of seniors that participated and the member activities increased. Our seniors enjoy the activities planned by the activity-volunteer coordinator. This quarter there were 132 volunteers who provided 2,105 hours of volunteer service. Besides willing volunteers, there were opportunities for MASST employment to 4 seniors who were 55 and older. This is a federal government program where seniors age 55, income based, who have been out of the work environment for a period of time can "train" in a position to brush up on work skills, with the end goal being unsubsidized work. The seniors who are in this program work in the kitchen, reception desk, activity department and drive a senior van. Each MASST trainee works 20 hours a week. During the 20 hours of training each week they complete resumes, practice interviews and apply for regular jobs.

We had many senior trips this quarter. We had two Cooper River Raft Trips, 22 seniors participated, 12 seniors hiked the Russian River Trail, there were 3 Mystery Drives with 13 seniors participating, 12 seniors participated in the Ninilchik Fair; 6 performed bells, and 5 line danced, and one went along to just plain have a good time! 11 seniors participated in the two-day train trip to Seward. A volunteer drove a senior van to Anchorage, seniors spent the night, and the following day boarded the train to Seward. The volunteer bus driver drove to Seward picked up the seniors and back to Kenai. Another special event was a drawing for a Kenai Peninsula airplane ride. Those that wanted to go on the airplane ride, paid \$50.00 to be in the drawing. Five people were drawn, and they took a 2 hour scenic airplane ride around the Kenai Peninsula.

The outreach worker, is a retired fine arts instructor. She and the activity-volunteer coordinator planned a senior juried art show. We had 10 entries. The art show was

displayed for a two months. We had an opening and closing with prizes to best show, runner up and honorable mention. We had various mediums of art, i.e. sculpture, quilts, needlepoint, fiber art, creative sewing, various paintings, drawings, and jewelry exhibited. It was a success and we are already planning our next art show to happen next summer.

The Kenai Senior Services sponsored the "Button Box Gang" from Anchorage who played accordion button box polka music. 73 seniors attend. After that event, the seniors suggested we get rid of the carpe, put a dance floor all over the dining room so there would be plenty of room to polka!

During the quarter, we have had various themed special luncheons. The "Old Timers" Luncheon served and fed 233 seniors. Two homesteaders plan the program and coordinate the dinner. It was enjoyed by all and many a time you hear comments such as, "I haven't seen that person in years. I am so glad I came." OR you may have heard, "It was my first time at this shindig, I will be back next year!! It was loads of fun and I saw many people I haven't seen in years."

We also other themed luncheons, i.e. "Bring Your Bear to Lunch" Day, 53 seniors attended that lunch, and 56 seniors attended the "Cow Day". Two cows were brought to the center. A few seniors tried their hand at milking a cow! 54 seniors participated in, "Talk like a Pirate Day." Each month we celebrated birthdays. There were 3 Birthday luncheons with a total of 156 seniors in attendance.

The wellness activities remain very popular. During the past quarter, 10 seniors participated in "Brain Fitness" Class, 9 seniors participated in 39 aerobics classes, 40 participated 29 times in the "Strong Bodies," 13 participated 27 times in Tai-Chi, 6 participated 28 times in Golden Zumba, 58 seniors participated in twice weekly blood pressure checks. Of those 58 seniors 15 were referred to their physicians, of those 15, 3 were placed on blood pressure medications, and others were requested to continue to monitor their blood pressure.

We continue to have a great group playing bells. 11 seniors participated 13 times in practicing as well as entertaining at Heritage Place and Forget Me Not Adult Day Service Program. The line dancers are 9 seniors strong and they too entertained at the above agencies. Both groups provide a lot of joy to other seniors. Forget Me Not Clients have come once a month to the senior center for lunch. During this time, Forget Me Not Band comes and entertains, then we provide an activity, invite their caregivers to come and participate in the support group this provides support for the caregiver that their loved one is being cared for. The caregiver can get the support and take a breather from caregiving, if only for an hour or so.

Card games are very popular. Bridge meets at the senior center twice a week. This quarter, 23 seniors played 14 times during the quarter, Pinochle is played twice a month with 29 seniors participating 24 times during the quarter. Tripoli was played 13 times with 8 seniors participating.

Various classes were held. 10 seniors learned about "How to Avoid Scams," 61 attended the class on KPB Senior Assessment, 5 attended the "TOPS" class, and 8 attended 12 Spanish classes.

Early in the morning, 7 seniors go twice a week go to the Nikiski Pool to water walk. This is an activity the seniors planned on their own, a senior volunteer drives one of the senior center vans to the pool and back to the center on Tuesday and Thursday mornings. This is a great exercise, great initiative on the senior's part to plan it, find the seniors that wanted to swim, and request this wellness activity.

A volunteer couple begun an "I Pad" class. 10 seniors participated. The seniors have requested this class, a senior couple that are knowledgeable, have the skill and were willing to teach the class. Two "I Pad" classes were held this quarter. It has been a very successful quarter with seniors wanting to participate in activities, wanting to volunteer to teach and or participate in various classes. It is wonderful to see seniors empowered to want to make a difference through teaching a class or a desire to learn a new skill.

This past quarter, we have had to advertise for a driver and a cook's assistant. Both positions are being advertised and hopefully in the next two weeks both positions will be filled.

We rented the facility 4 times for weddings, provided space for one 90th birthday party, 3 senior memorial services, and 1 city employee retirement party.

This last quarter, we served 3,886 congregate meals and we delivered 6,698 home meals. We provide home meals to Kasilof once a week. We have seen this route grow from 2 seniors to 17 seniors. We provide one hot meal on the day we travel to Kasilof and frozen meals for the rest of the senior's week. For a lot of our home meal clients, many of these seniors do not have family and or regular visitors. Many times, our volunteer driver is the only person the senior sees each week. The Kasilof clients look forward to seeing the home meals driver. He has had to request two "Wellness Checks" from the state troopers to make sure the home meals client was safe. The volunteer driver always states, "It is a worthwhile service I provide to Kasilof."

The Seward Senior Center provided 510 meals on wheels, 1807 meals in dining room services, 700 one way rides in unassisted transportation, 265 health promotion classes including: weight and strength training, tai chi, core balance, and wii bowling. Staff perform as Medicare, Social Security, and Medicaid counselors, which provides seniors with accessible information and access to benefits otherwise gone without, due to lack of information or technology. The center relies on other community human resource agencies to assist supporting the senior community of Seward.

We are encouraged by the KPB efforts in supporting senior services across the Peninsula and strive to provide unduplicated and essential services to those in the greatest need in our senior community.

Thank you!

We continue to serve the Sterling area with home delivered and congregate meals for seniors and disabled residents that are in need of the service. We have had the democratic party meeting on Tuesdays with no cost as a community service and AA is meeting here on Sunday nights.

We have paid the above expenses in this first quarter of the grant period so I am submitting for reimbursement up to the amount \$26,491 granted.

We have served a greater number of seniors a hot lunch this past quarter than the same period last summer. In this period we served 571 individuals 2589 meals compared to last year's 508 individuals 2505 meals. Participation is solid for activities at the Center as well.

We have a growing number of seniors over 85 years of age who are so grateful for the food and socialization. What our Senior Center is able to provide in helping seniors with aging issues is allowing many to stay within their community of rural Ninilchik. This senior center is a foundation block in our community. We deeply appreciate the support of the Kenai Peninsula Borough to help us operate.
