KENAI PENINSULA BOROUGH RESOLUTION 2015-038

A RESOLUTION TO FORM THE DISTRICT AND PROCEED WITH THE IMPROVEMENT OF THE DIAMOND VIEW ESTATES UTILITY SPECIAL ASSESSMENT DISTRICT FOR A NATURAL GAS MAIN LINE

- WHEREAS, on June 2, 2015, the assembly adopted Resolution 2015-029, A Resolution Approving the Petition Application for the Formation of the Diamond View Estates Utility Special Assessment District (USAD) for Construction of a Natural Gas Main Line; and
- WHEREAS, the petition was timely submitted by the sponsor, and the borough clerk has determined that the petition received bears sufficient signatures as described in KPB 5.35.107; and
- WHEREAS, the borough clerk gave notice of the public hearing for this resolution by certified mail, return receipt requested, mailed not less than 35 days before the date of the hearing, to each record owner of a parcel in the proposed district; and
- WHEREAS, the clerk further gave notice by publication once a week for two consecutive weeks in a newspaper of general circulation in the borough, with the first publication appearing not less than 30 days before the date of the hearing; and
- WHEREAS, more than 30 days have passed since the mailing of the notice of the public hearing to each record owner of a parcel in the proposed district, and no written objections to the necessity of formation of the district have been filed with the borough clerk; and
- **WHEREAS,** KPB 5.35.110, in accordance with AS 29.46.020, requires the assembly to make a finding that the improvement is necessary and should be made;

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

- **SECTION 1.** That this resolution is supported by the information in the following attached exhibits which are incorporated by reference as if fully set forth herein:
 - 1) The clerk's certification of the petition, dated July 24, 2015;

- The estimated assessment roll for the proposed USAD containing the tax parcel identification number, legal description, assessed value, estimated assessment per parcel, owners name and mailing address, the assessed value before and after the proposed improvement, the value-to-cost ratio (which does not exceed 50 percent), maximum assessment and any prepayment needed, whether the property owners have approved the proposed district, and any tax delinquencies. The assessment roll further specifies the total costs for the proposed USAD, the number of parcels and cost of the improvement per parcel;
- 3) A map of the proposed district showing the benefited parcels, which benefited parcels are improved, and the proposed course of the mainline;
- 4) The petition form information sheet which explained to petitioners the nature of the project, its total and per-parcel estimated cost, filing and signature deadlines and requirements, the approved withdrawal prohibition, and the filing fee;
- A commitment letter and map of the proposed main line from Enstar Natural Gas dated April 2, 2015, stating that \$236,602.00 is Enstar's total estimated cost of the improvement, the total linear feet of the project, cost per linear foot, and that it is prepared to construct the proposed improvement during the 2015 season at the stated construction rate;
- 6) Memo from the borough Finance Director dated May 18, 2015, stating that internal financing will be used and setting forth the number and frequency of payments.
- **SECTION 2.** That the proposed Diamond View Estates USAD is necessary because natural gas provides a safe, economical heating alternative, and has been shown to increase the value and marketability of parcels.
- **SECTION 3.** That the estimated cost of the project of \$246,731.51, which includes direct costs of \$236,602.00 and indirect administrative costs of \$10,129.51, is approved.
- **SECTION 4.** That the attached Estimated Assessment Roll, Exhibit 2, which includes properties within the district to be properly included and subject to an assessment of \$4,181.89 per parcel for the improvement, is incorporated by reference herein and adopted.
- **SECTION 5.** That the mayor is authorized to negotiate and execute such documents as are determined to be in the best interests of the borough to proceed with construction of the improvement and to accomplish this project.

SECTION 6. That the borough clerk shall cause a copy of this resolution and the estimated assessment roll to be recorded in the State of Alaska Recorder's office for the Homer District.

SECTION 7. That this resolution shall take effect immediately upon its adoption.

ADOPTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS 1ST DAY OF SEPTEMBER, 2015.

Dale Bagley, Assembly Presiden

JOHNI BLANKENSHIP, MMC BOROUGH CLERK

KENAI PENINSULA BOROUGH CERTIFICATION OF PETITION

Diamond View Utility Special Assessment District

A petition for formation of the Diamond View Utility Special Assessment District (approved by Assembly Resolution 2015-029) was received in the Office of the Borough Clerk on July 23, 2015. I hereby certify the petition as sufficient. Signatures of property owners of 36 parcels (60% of 59 parcels) were required. Signatures of property owners of 39 parcels (66.10 %) were validated.

A Check in the amount of \$1,000.00 was received with the petition.

Dated this 24th day of July, 2015.

Johni Blankenship, MMC

Borough Clerk

cc: Boyd Walker, 40920 Solstice Drive, Homer, AK 99603 (Petitioner)
Marie Payfer, KPB USAD Coordinator

KPB Assembly President Bagley and Members of the Assembly

KPB Mayor Mike Navarre

UTILITY SPECIAL ASSESSMENT DISTRICT INFORMATION SHEET

DIAMOND VIEW ESTATES USAD

This petition proposes a utility special assessment district (USAD) be formed for the purpose of providing natural gas to the area of Diamond Ridge, including that portion of Diamond Ridge Road, Kay Court, Solstice Drive, and that portion of Belnap Drive. A map showing the parcels to be assessed is attached.

The project proposes to lay approximately 9,090 feet of 2-inch gas line. The proposed method of cost allocation is by equal assessment to each of the 59 benefited parcels. The total estimated project cost is \$246,731.51 which includes Enstar's 2015 construction cost of \$236,602.00 (installation cost of \$205,070.00 and additional cost of \$31,532.00 for non-standard construction cost items for extensive brushing, two bores, and a Storm Water Pollution Preventive Plan (SWPPP)), plus the Kenai Peninsula Borough administrative cost of \$10,129.51. The allocated cost per parcel is estimated at \$4,181.89. The final assessment will be determined after the project is completed.

This estimated assessment will only cover the cost to install the extension of the utility's main line of services, KPB 5.35.020. Property owners will need to contact the utility company for any additional costs associated with the service connection from the utility's main line to their private structures or facilities on the benefited parcels. Private hookups or service connections costs are NOT included in the assessment.

This cost will be assessed in the form of a lien on the benefited parcel, KPB 5.35.150(A). It will be payable over a ten (10) year period. At your option, it may be paid at any time prior to the ten (10) year period. Failure to pay the assessment during any assessment year will be cause for foreclosure proceedings. Interest will be added to any assessments not paid within 30 days of the assessment statement. The rate of interest will be equal to the prime rate at the date of assessment plus 2%.

The legal description of parcels within the proposed district as of the date of the assembly's approval of the petition application, on June 2, 2015, established the parcels for assessment. No further subdivision, reversion of acreage, or lot line adjustment will be recognized for USAD assessment purposes.

This petition proposes to assess all of the benefited parcels. In order to qualify, the petition must have the signatures of (a) owners of record of at least 60% of the total number of parcels subject to assessment within the proposed district, and (b) the owners of at least 60% in value of the property to be benefited, KPB 5.35.107(C). Approval of the project is signified by properly signing the petition signature page. Failure to secure enough signatures to meet these thresholds will cause the petition to fail.

All signatures must be dated and the petition must be filed with the assessing department within 45 days of the date on which the assessing department distributes the petition to the sponsor, KPB 5.35.107(B). For lots with joint ownership, each owner of record must sign and date the petition. If

the joint owner is deceased, a copy of the death certificate must be provided. If the owner is a trust, copies of articles of the trust must be included verifying signature authority. If the owner is a corporation or other business entity, the borough will only accept the signature(s) of those with the authority to bind the business entity. If signatures are signed with Power of Attorney, notarized verification must be provided verifying signature authority. Signature by Proxy will not be accepted. Please see the 2nd page of the Petition Signature Page for additional information.

A signature on a petition may be withdrawn only by written notice from the signer submitted to the assessing department prior to the final filing of the petition signatures by the sponsor. A withdrawal is effective only if notice of the withdrawal is submitted before the completed petition is filed, KPB 5.35.107(E). Note that this restriction does not preclude the property owner(s) from filing an objection to the necessity of formation of the district as provided in KPB 5.35.110(D).

A non-refundable filing fee in the amount listed in the most current KPB Schedule of Rates, Charges and Fees must be paid at the time the sponsor submits this petition to the assessing department. This filing fee is for the whole project, not a per parcel fee.

This petition consists of:

- (1) Petition Signature Page;
- (2) this Petition Information Sheet;
- (3) a map of the geographic area encompassing the benefited parcels;
- (4) ENSTAR's commitment letter to construct the gas main line, dated April 2, 2015;
- (5) an estimated assessment roll spreadsheet which includes:
 - (a) the total estimated cost of the improvement and total number of parcels included in the district;
 - (b) details on each respective parcel including the name of the record owner(s), tax parcel number, legal description, assessed valuation, estimated amount to be assessed, and other special assessments liens;
 - (c) parcels which exceed the 50% lien limit on the fair market value of the property, and parcels which violate the percentage restrictions for tax delinquency of 10% of the total estimated costs of the improvement; and
- (6) a memo from the Finance Director stating method of financing, interest rate to be paid and setting forth the number and frequency of payments.

Only the Petition Signature Page needs to be returned to the petition sponsor(s). Signatures may be original or electronic (via email or fax, for example).

Submit signed petitions to:

Boyd Walker, Petition Sponsor

RE: Diamond View Estates Utility Special Assessment District

Dear Ms. Payfer:

The Diamond View Estates engineering estimate has been completed. The project design requires 9,090 feet of 2-inch pipe. ENSTAR's 2015 construction rate for 2-inch pipe is \$22.56 per foot; therefore the cost to install the main line will be \$205,070. The project will also require a number of Nonstandard construction cost items. There will be some extensive brushing, two bores, as well as, a SWPPP at a total cost of \$31,532. ENSTAR's total estimated cost for pipe installation in 2015 would be \$236,602.

This is a non-refundable project and a Contribution in Aid Agreement will be used for this project. The cost of service lines to individual lots is not included in this estimate. Service lines are to be paid by individual property owners, as they desire service.

In the event the Diamond View Estates Utility Special Assessment District is approved by the Kenai Peninsula Borough on or before September 8, 2015, ENSTAR will construct the project in 2015. If the project is delayed and is constructed in 2015, the rate will increase to an undetermined 2016 construction rate.

Please do not hesitate to call should you need any assistance or have any questions.

Respectfully,

Charlie Pierce Southern Division Manager

MIKE NAVARRE BOROUGH MAYOR

TO:

Dale Bagley, Assembly President

Members of the Kenai Peninsula Borough Assembly

THRU:

Mike Navarre

Kenai Peninsula Borough Mayor

FROM:

Craig Chapman, Finance Director Chapman

DATE:

May 18, 2015

SUBJECT: Diamond View Estates Utility Special Assessment District ("USAD") Financing

The Borough plans to provide the funds necessary to finance the Diamond View Estates USAD from internal sources. KPB 5.10.040 allows the investment of borough monies in special assessment districts that are authorized under KPB 5.35. The total of such investments is limited to not more than \$5,000,000 at the end of any fiscal year. As of April 30, 2015, the borough has \$1,406,938 invested in special assessment districts. If approved, the \$246,732 projected for the Diamond View Estates USAD will increase the total special assessment district investment to approximately \$1,896,313.

The owners of property located within the USAD will be required to make principal and interest payments each year for a ten-year period to retire the indebtedness to the borough. The rate of interest will be equal to the prime rate (currently 3.25%) plus 2% or 5.25%. Property owners can avoid or reduce the interest charge by making accelerated payments on the principal. Penalties will not be imposed for accelerated payments. The assessment constitutes a lien on each parcel within the district.

Kenai Peninsula Borough
