Please forward a copy of this to all Assembly members and the Mayor.

Dear Kenai Peninsula Borough Mayor and Assembly,

I am writing today to express my deep concern over the proposed lack of funding/cuts to both tourism and education in the Borough.

Alaska must diversify from it's reliance on fossil fuel and embrace new endeavors in addition to supporting and cultivating other existing lines of business, such as tourism. I can't believe this even needs to be said! If there is a problem with the KPTMC that's one thing, but funding tourism needs to continue to be a focus of the Borough.

I am shocked that there are proposed cuts to Education! What we are seeing in America right now is the result of years of cuts to education. We have a dumbed down American population and you want to continue the trend so we have further dumbed down Alaskans??!! Shocking and unacceptable!

Get your priorities straight please. Neither of these cuts/vetoes are acceptable.

Thank you.

Sincerely,  
Lynda Paquette
