

Kenai Peninsula Borough
Nikiski Fire Service Area

MEMORANDUM

TO: Charlie Pierce, Borough Mayor *CP for CP*
THRU: John D. Hedges, Purchasing & Contracting Department *JH*
FROM: Trent Burnett, NFSA Fire Chief *TB*
DATE: August 30, 2022
RE: River & Sea Marine Supply – Snowmachines Sole Source Waiver

Nikiski Fire Department is in the process of replacing two aging emergency response snowmachines. The two machines that are being replaced are both 2007's and parts are becoming unavailable. Due to their age and size/weight, they have become obsolete for emergency rescue response. We have contacted all dealerships within the state of Alaska as well as four dealerships in Washington to get price quotes for two Tundra LT 600 ACE snowmachines. River & Sea Marine Supply were the only dealership to supply us with these machines. Due to supply chain issues, these are the only two machines left to purchase in the near future.

Please see the attached quote for the replacement snowmachines.

Your approval is hereby requested. Funding for this project is \$22,496.00 and in account number 441.51110.23413.~~48814~~ 48514.
