Subject: KPB Ordinance 2014-20 Vote by Mail Written Testimony

I am opposed to vote by mail. The system is not broken and does not need to be fixed. Any deviation from the current system is fertile ground for dangerous minds to exploit for personal gain. Make voters prove who they are before voting. We don't need dead people voting in KPB elections!

Thank you,

Mike McBride
North Kenai

PS, please distribute to the assembly and mayor
