**KENAI PENINSULA BOROUGH
RESOLUTION 2019-056**

**A RESOLUTION AUTHORIZING THE KENAI PENINSULA BOROUGH TO JOIN
THE ALASKA REMOTE SELLER SALES TAX COMMISSION FOR THE PURPOSE
OF DEVELOPING, IMPLEMENTING, AND ENFORCING A REMOTE SELLER
SALES TAX CODE AND DESIGNATING THE COMMISSION REPRESENTATIVE**

WHEREAS, the inability to effectively collect sales tax on sales of personal property, products or services transferred or delivered into Alaska by a remote seller in response to orders placed electronically by local consumers is eroding the sales tax base of Alaska communities and resulting in revenue losses that are causing imminent harm to residents through the loss of critical funding for local education; and

WHEREAS, the harm from the loss of revenue is especially problematic in Alaska because the state has no broad-based sales tax, and sales tax revenues are essential in funding the provision of services by local governments; and

WHEREAS, the failure to collect tax on remote sales creates artificial market distortions and competitive advantages for remote sellers by perpetuating tax shelters for businesses that limit their physical presence in the state or its municipalities but still sell goods and services to local consumers without collecting sales tax, something that becomes easier and more prevalent as technology continues to advance; and

WHEREAS, the structural advantages for remote sellers, including the absence of point-of-sale tax collection, combined with the general growth of online retail, means that the erosion of the sales tax base is a growing problem that will only worsen in the near future if the borough is not able to legally collect remote seller sales tax within the framework of current United States Supreme Court case law; and

WHEREAS, the recent decision by the United States Supreme Court in *South Dakota v. Wayfair* allows for the amendment of the sales tax code to account for remote sellers who do not have a physical presence in either the State of Alaska or within the Kenai Peninsula Borough, but do have a taxable connection with those jurisdictions; and

WHEREAS, the decision in *South Dakota v. Wayfair* provided guidance that included the defensibility of a single-level statewide administration of remote sales tax collection and remittance; and

WHEREAS, remote sellers who make a substantial number of deliveries into or have large gross revenues from Alaska benefit extensively from the Alaska market, affecting the economy generally, as well as local infrastructure; and

WHEREAS, modern computing and software options ensure that it is neither unusually difficult nor a substantial burden for remote sellers to collect and remit sales taxes associated with sales into Alaska taxing jurisdictions; and

WHEREAS, in order to implement a single-level statewide sales tax administration, it is the intent of numerous local taxing jurisdictions within Alaska to establish an intergovernmental entity known as the Alaska Remote Seller Sales Tax Commission (the “Commission”); and

WHEREAS, the function and powers of the Commission will be set forth in the Alaska Intergovernmental Remote Seller Sales Tax Agreement (the “Agreement”), a cooperative agreement between Commission members; and

WHEREAS, under the terms of the Agreement, in order to maintain membership in the Commission, the borough will be required to adopt certain uniform code provisions for the collection and remittance of municipal sales tax applicable to sales made by remote sellers; and

WHEREAS, the uniform remote sales tax code will be presented to the assembly for consideration once adopted by the Commission to comply with guidance found in the *Wayfair* decision; and

WHEREAS, if adopted, the administration of remote sales tax collection and remittance will be delegated to the Commission; and

WHEREAS, the intent of the Agreement is to enable Alaska’s taxing jurisdictions to levy their municipal sales tax as now allowed by federal constitutional doctrines; and

WHEREAS, Article X, Section 13 of the Alaska Constitution authorizes local government to enter into agreements for the cooperative or joint administration of any function or power, unless otherwise prohibited by law or charter;

WHEREAS, in addition AS 29.35.010(13) provides authority for the borough to enter into intergovernmental cooperative agreements for the joint administration of a borough function or power;

WHEREAS, a purpose of being an early member of the Commission is to have a voice during the formation process while not committing to any future obligation or action; and

WHEREAS, a member will be able to withdraw from the Commission if the adopted bylaws, uniform code, or fees are not acceptable to the member municipality;

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

SECTION 1. The mayor is authorized to negotiate, execute, and submit all necessary documents to obtain and maintain membership in the Alaska Remote Seller Sales Tax Commission, including the Alaska Intergovernmental Remote Seller Sales Tax Agreement included as Attachment A.

SECTION 2. The borough finance director or designee is designated as the borough's representative on the Commission.

SECTION 3. That this resolution takes effect immediately upon its adoption.

ADOPTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS 5TH DAY OF NOVEMBER, 2019.

Alaska Intergovernmental Remote Seller Sales Tax Agreement

FINAL

October 11, 2019

Alaska Intergovernmental Remote Seller Sales Tax Agreement

This Agreement is made and entered into by the signatories representing Alaska's cities and boroughs to enable them to implement single-level, statewide administration of remote sales tax collection and remittance. The provisions of the Agreement do not apply to administration and collection of sales taxes for the sales of goods and services originating from within the boundaries of a member municipality nor does this Agreement restrict how a member municipality administers and collects sales tax on such sales, nor on sales made by those retailers with a physical presence in the municipality. The authority to set rates and exemptions is maintained by the member municipality.

Article I. Background Principles.

1. The signatories wish to enable local governments to benefit from opportunities for collection of existing sales tax on sales made by remote sellers. Remote sellers are sellers who sell, often through the internet, products or services in a taxing jurisdiction without having a physical presence in the taxing jurisdiction.
2. The collection of remote sales tax provides a level playing field for local businesses and strengthens the ability of local governments to provide public services and infrastructure.
3. The signatories are particularly mindful of the specific holding in, and implications of, the Supreme Court's *South Dakota v. Wayfair* decision, which provides guidance relative to nexus and the legal defensibility of a single-level statewide administration that reduces or removes potential burdens to interstate commerce.
4. Alaska's local governments have the authority to enter into intergovernmental agreements and applicable taxing authority has been delegated to organized boroughs and cities.
5. The signatories desire to establish an intergovernmental entity to enable cooperative centralized administration of sales tax collection, remittance, and enforcement on sales made by remote sellers.

Article II. Purpose.

The purpose of this Agreement is to:

1. Enable cooperative centralized administration of sales tax collection, remittance, and enforcement on sales made by remote sellers using a single statewide intergovernmental entity;
2. Provide for and promote reasonable uniformity and compatibility in significant components of local sales tax levy and collection on sales made by remote sellers and marketplace facilitators in order to facilitate streamlined joint administration; and
3. Facilitate taxpayer and tax collector convenience and compliance in the filing of tax returns, the payment of tax, and in other phases of tax administration of sales made and services provided by remote sellers and marketplace facilitators.
