RE: 2016 Local Emergency Planning Committee Grant
State Program Number: 20LEPC-GY16

Certified Mail #: 9171 9690 0935 0076 7841 46

Dear Mayor Navarre:

The Division of Homeland Security and Emergency Management (DHS&EM) received funds from the State of Alaska to support Local Emergency Planning Committee (LEPC) activities.

The State Emergency Response Commission (SERC) Finance Committee approved the State Fiscal Year (SFY) 2016 Baseline Award of \$23,693.00 for the Kenai Peninsula Borough LEPC. The SERC Finance Committee will periodically examine all LEPC budget executions during the fiscal year. An LEPC which fails to submit timely reports, execute its budget, attend the biannual Local Emergency Planning Committee Association (LEPCA) meeting, or otherwise comply with the award agreement risks losing part or all of the award. The SERC Finance Committee may reallocate funds from underspent LEPC budgets or noncompliant LEPCs to meet other non-funded LEPC/SERC program requests.

Eligible expenditures include:

- Management: This category supports the day-to-day sustainment of the committee.
- Outreach: This category supports the committee's baseline goals of public involvement in the emergency planning process, community right-to-know, all-hazards awareness, and promoting LEPC membership.
- Preparedness: This category supports the LEPC's baseline goals of Tier II report monitoring, increasing awareness of and planning for chemical and all-hazards events, and helping communities prepare and mitigate through planning and preparedness for potential events.

Additional guidance and eligible activities are available in the *Local Emergency Planning Committee Grant Program Guidance* document available on DHS&EM's website, <http://ready.alaska.gov/grants>. The above categories are not all inclusive.
