Subject: Hospital Boundary

Dear Assembly Members:

I am writing in favor of the measure being proposed to move the hospital service area boundary from its present location south to the area of Banta drive at approximately mile 135 which is the half way point between hospitals.

Thank you in advance for considering this proposal.

Kenai Peninsula Borough Assembly Members,

I own a home at mile 121. This is a little over 1 mile south of the Clam Gulch tower. Ordinance 2016-22 on redrawing the hospital service area boundary makes sense. Please pass this ordinance!!
