RE: Ordinance 2016-~~32~~ Amending KPB 22.40.80 and 22.40.090 to Transition the Invocation to a Moment of Silence

The borough is made up of people with divergent religious beliefs. A number of these beliefs are extremely incompatible and good members of the public can be offended by each other's religion. A moment of silence allows for silent prayers and removes possibility of discord, paving the way for everyone to join together for the many issues of borough government.

Your consideration is appreciated.
