RE: Amendment to Resolution 2020-021, Extending the Deadline for Submission of the Anadromous Waters Habitat Protection Work Group's Final Report (Mayor)

Due to the postponement of all future meetings of the Anadromous Waters Habitat Protection Work Group ("AWHPWG") and general uncertainty regarding when its work will resume, it appears unrealistic that the AWHPWG will be able to complete its work by July 13, 2020 as proposed in Section 1 of Resolution 2020-021. This amendment memo recommends amending Section 1 to insert a deadline of October 13, 2020.

(Please note the underlined bold language is new and the bold strikethrough language in brackets is to be deleted.)

➤ Amend Section 1, as follows:

Section 1. The deadline for the final report of the AWHPWG to the planning commission is extended to **October 13, 2020**. [~~**July 13, 2020**~~.]
