Greetings,

Thank you for this opportunity to comment on the need for KPB's continued financial support of Kenai Peninsula College.

KPC provides many services for KPB residents. Without the financial support from KPB, programs such as the JumpStart Program would not exist. I have heard time and time again from parents and JS students how grateful they are for this wonderful program.

High school students (Seward High, Connections & IDEA) in the community of Seward along with their parents thank you in advance for your continued funding of the JumpStart Program in this next funding cycle.

Respectfully,

Jackie Marshall
