**Subject:** Planning Commission re-appointment

Hi Mike,

Well, my term on the commission is coming to a close at the end of July and I am writing this note to let you know that I would be interested in continuing to serve in this capacity. I feel that I now understand what the role of planning commissioner is and how to do this job. I guess it has been surprising for me to learn how much it entails and how much it is necessary to know in this position. Please consider re-appointing me to the Planning Commission for another term.

Thank you for your time and consideration in this matter.

Sincerely,

Rob Ernst
