SUBJECT: Resolution 2019-011, Accepting a Thirty Cubic Yard Roll-off Container from Kenai Peninsula College (Mayor)

This resolution will authorize the borough to accept a 30 cubic yard roll-off container from Kenai Peninsula College (KPC). The container was part of the KPC recycle program; however, KPC has reduced their recycle program and no longer needs the large container.

KPC has listed the current value of the container at \$8,000. The borough's Solid Waste Department previously purchased a similar container in 2010 for \$13,720. This resolution formally accepts the container and provides documentation for recording the in-kind contribution as a borough asset.
