RE: Code Blue FY24

Dear Jason,

The Code Blue FY24 equipment request submitted by your agency for consideration has gone through a rigorous review process. There have been multiple review steps along the way, which include Southern Region staff, Board of Directors Equipment Review Committee, the Southern Region Board of Directors, and finally the Statewide Code Blue Steering Committee.

During these steps, items have been considered based on many established criteria, including whether they are essential EMS equipment as defined in the statewide Code Blue manual (e.g., items for patient care/transport, EMS education, etc.), whether they meet minimum criteria, reasonableness of the request, application to the community setting, documentation of need, costs, how they fit into regional and statewide priorities, medical direction, and a host of others. In addition, there are always more requests than can ultimately be funded, so some simply do not make the list or their funding is capped.

The portion of funding we receive from the State via the Governor's Capital Equipment bill was approved. We have received funding and need a current quote, need the following information:

- 1) if you still need the items,
- 2) if you still have the community match available.
- 3) 3 quotes for each item. Ensure that shipping is included. If the item is only available from one vendor you will need to obtain a "sole-source" letter from that Vendor

If your item is listed below as **Approved**, your project(s) are on the State Code Blue Equipment list and pending grant processes. If it is **Changed**, it was altered within the review process and an explanation will be detailed below. If it is listed as **Not Funded**, it will not be considered in this Code Blue phase and an explanation will be detailed below.

Item	Status	Local Match*	STATE	Unmet*	Total
Sapphire Multitherapy Infusion device X6	Approved	\$1,050.00	\$9,450.00	\$0	\$10,500.00

Thank you for all you do for EMS in Alaska. At Southern Region, we are working hard to support you in every way that we can.

Sincerely,

Michael M. Forcier, CEO
