**RE:** Resolution 2023-*055* Authorizing Distribution of Previously Appropriated State and Local Fiscal Recovery Funds for the Seward Middle School Repair Project (Mayor)

---

This Resolution is brought forward pursuant to Ordinance 2022-19-13, at Section 5, providing that State and Local Fiscal Recovery Grant funds distributed for specific school-based critical infrastructure projects may only be distributed upon Assembly approval, by resolution.

In the November 30, 2018, 7.0 Cook Inlet earthquake event the masonry veneer associated with the building exterior walls at Seward middle school was compromised. The conditions have subsequently degraded to a point that it is causing a safety concern and the critical infrastructure needs to be repair. Design detail for the necessary repairs and prevention of future issues have been completed and an invitation to bid is ready for release.

All other priority projects identified for the use of these funds have been or are soon to be completed and are not anticipated to need any additional funds.

Your consideration is appreciated.
