

MESSAGE FROM THE STERLING COMMUNITY CENTER BOARD

We want to thank everyone for coming out to our meeting and showing your support for Sterling. At our meeting last night, we heard many positive comments and words of support for our community and our community center.

We also heard very clearly that a large percentage of us do NOT want more taxes, we get it! We are listening.

Our goal is very simple; It has always been to keep our center running efficiently, keep our bills paid and our maintenance up on our building. We want to keep our beautiful center available for emergency response, community events, weddings, celebrations of life, voting, recreation for our youth and a welcoming place of gathering for Sterling.

There is not an “us” and a “them”, just Sterling residents, trying to work together. There is not a “white elephant” in the room, there is NOT anything to hide, our budget and expenditures are always available to the public.

After hearing all the positive comments, and feedback from many Sterling residents about how more of you want to support the center and do not want your taxes to go up, we asked the assembly to take the Sterling Recreation Service Area off of the table and to not introduce the Sterling Recreation Area at the meeting.

We still need help, so we are asking you, our Sterling neighbors to, donate some of your time, and energies to help us help the community. Let us know what skill you have and what you can contribute. Please contact Loma at 907-262-7224 and leave your name and number so we can get you plugged in to help. It is up to all of us that live here in Sterling to work together, PLEASE HELP US KEEP THE LIGHTS ON AND THE DOORS OPEN. We love Sterling and we are looking forward to working together with all of you to make this work for all of us.

Thank You

Sterling Community Center Board of Directors
