Staff Report given by Max Best

PC Meeting: 1/8/18

Purpose as stated in petition: The existing right-of-way to be vacated only serves as access to the deed parcel dedicated in BK 99 PG 719, HRD. The lot lines of this property are going to be removed and the owners don't want an unnecessary right-of-way extending across their property.

Petitioners: Steven A. Tilbury, Patricia E. Tilbury, George Lindholm of Ninilchik, AK.

KPB River Center: The property is not within a mapped flood hazard zone. The property is affected by the Anadromous Habitat Protection District.

KPB Roads Department: No comments.

Staff Discussion:

If the proposed vacation is approved, it will be finalized by recording the plat McCorison Subdivision. McCorison Subdivision is scheduled for review by the Plat Committee on January 22.

Comments from GCI were not available when the staff report was prepared.

Willy Avenue does not adjoin the 160-acre Ninilchik Native Association (NNA) or 80-acre Cook Inlet Region, Inc. (CIRI) parcels to the east; however, it is aligned for future extension to the NNA parcel and CIRI parcels.

The CIRI parcel fronts a 100-foot wide section line easement, and the existing travel way extended off Brody Road crosses the CIRI parcel.

The NNA parcel fronts a section line easement on its southern boundary, but the Ninilchik River separates the northwestern portion of the NNA parcel from the rest of the property. The northwestern portion of the NNA parcel does not front a section line easement or constructed road.

Staff prepared a 4-foot contour map of the subject property and the adjoining parcels to the north and east. Contours indicate the northwestern portion of the NNA parcel is significantly affected by slopes greater than 20 percent. It appears part of the NW1/4 of the NNA parcel may be developable; however, KPB GIS mapping indicates it isolated from the rest of the parcel by slopes greater than 20 percent and the Ninilchik River.

Findings:

1. If the proposed vacation is approved, it will be accomplished by recording the plat McCorison Subdivision.
2. McCorison Subdivision combines two tracts and a deed parcel into one tract containing approximately 107 acres.
3. The 112-acre privately owned parcel to the north fronts Willy Avenue west of Brody Road and Brody Road and has been issued a Brody Road address.
4. The owner of the 112-acre privately owned parcel to the north signed the vacation petition.
5. The 80-acre Cook Inlet Region, Inc. (CIRI) parcel to the northeast fronts 100-foot wide section line easements and the existing travel way that extends off Brody Road.
6. The 160-acre Ninilchik Native Association (NNA) parcel adjoins another NNA parcel that contains 385 acres.
7. The 385-acre NNA parcel fronts River View Drive and Bishop Street.
8. The NNA property fronts dedicated right-of-way and 66-foot wide section line easements.
9. Per the submittal, the right-of-way proposed for vacation is not in use for access.
10. Per the submittal, the right-of-way proposed for vacation has not been constructed.
11. ENSTAR and Homer Electric Association submitted written statements of no comments or objections.
12. KPB Roads Department submitted a written statement of no comments.
13. Parcels affected by the proposed vacation range in size from 80 to 160 acres.
14. KPB GIS mapping shows the parcels affected by the proposed vacation are subject to slopes greater than 20 percent, riverine, kettle, discharge slopes, drainage ways, and the Ninilchik River.
15. The Ninilchik River is protected by KPB 21.18.
16. KPB GIS mapping shows slopes greater than 20 percent, low wet areas, and the Ninilchik River limit areas for practical right-of-way dedications.

STAFF RECOMMENDATION: Based on the above findings, staff recommends approval of the vacation as petitioned, subject to:

1. Consent of the proposed vacation by the KPB Assembly.
2. No written objection to the proposed vacation from Cook Inlet Region, Inc.
3. No written objection to the proposed vacation from Ninilchik Native Association.
4. No objection from the utility providers.
5. Grant the utility easements requested by the utility providers.
6. Submittal of a final plat in accordance with KPB Title 20 within a timeframe that will allow recordation

of the plat within one year of vacation consent.
