Madam President and Borough Assembly,

Just a quick note throwing my voice behind tomorrow night's agenda item re. allocating a portion of the KPB CARES funding, post-haste, towards Individual/Household relief. I for one live just outside of the Homer City Limits and am ineligible for Homer City relief funding. A freelance videographer and editor, my work the past 7 months is off by about 80%. I have been unable to qualify for other programs and am truly living 'on the edge' here. And, I know I am not alone. Whatever relief the Borough could provide for Individuals and Households would, I think, be both appropriate and a great help.

Thank you for your kind consideration, and for all of your hard work these past months in what is truly a remarkable, challenging and unprecedented time.

Respectfully,

Brian Smith
