RE: Nikiski Advisory Planning Commission Ord. 2022-41

Chair Chesley,

Upon introduction of ordinance 2022-41, the creation of a Nikiski Advisory Planning Commission (APC), committee discussion focused on the appropriate size for an APC and comparative analysis was provided for existing APCs. In consideration of the size and extent of the petitioned APC for Nikiski, this memo provides suggested amendment language consistent with the Planning Commission's recommendation to create the boundary as petitioned minus Cook Inlet and the Westside should a member wish to amend the ordinance.

Amend the 7th Whereas to read:

WHEREAS, at its meeting held on August 22, 2022, the KPB Planning Commission recommended approval as amended for an alternative smaller area; and

Add an 8th Whereas to read:

WHEREAS, the alternative includes all the petitioned land on the Kenai Peninsula, excluding Cook Inlet and the West side of the Kenai Peninsula Borough and encompasses 307,410 acres, more in-keeping with existing Advisory Planning Commission size.

Amend Section 1 to read as follows:

SECTION 1. That the Kenai Peninsula Borough Code of Ordinances is hereby amended by adding a new section to be numbered 21.02.230, which shall read as follows:

21.02.230. Nikiski Advisory Planning Commission.
