### MEMORANDUM

**TO:** Blaine Gilman, Assembly President  
Kenai Peninsula Borough Assembly Members

**FROM:** Dale Bagley, Assembly Member *DLB*

**DATE:** July 14, 2016

**RE:** Resolution 2016-*044* A Resolution Requesting the Kenai Peninsula Economic Development District Reduce the Number of Required Borough Seats on its Board of Directors from Two to One (Bagley)

---

The Kenai Peninsula Borough played an important role in the creation and development of the Kenai Peninsula Economic Development District, Inc. (KPEDD). This organization is designed to foster economic growth in the entire borough. The borough's involvement has been pursuant to its nonareawide economic powers. The KPEDD board currently has 13 filled seats including two members from the borough, one member from each of the city governments, and numerous other members. In my view the borough's interests can be adequately represented with one designated seat on the board instead of two. Accordingly I propose this resolution to ask the KPEDD to reduce the required borough seats on its board from two to one.

Your support of this resolution would be appreciated.
