Johni,

The 40' x 60' building in the as-built is the correct building, It is "tract b" of the Fort Morgan subdivision as shown.

The acknowledge form does show the correct license number of 10650, and does show the correct cultivation facility type of, Limited.

Thank You, for your time and attention to detail.

James,

The Kenai Peninsula Borough Clerk's office received your revised public notice regarding an application for a Marijuana Establishment License on June 27, 2016. Your original site development plan and acknowledgement form are attached for your review. Please make any appropriate changes, if there are none, a simple reply statement to that fact would be great.

Please let me know if you have any questions.

Thank you,

Johni Blankenship, MMC
