Borough Clerk's Office  
Kendall Peninsula B

Dec 15<sup>th</sup> 2021

Concerning the ordinance for paving  
the Windage estates and South Bend  
Bluff. We are against this proposal.  
We feel as kindowners it is a large  
amount to absorb if we hold or sell  
property. The value on this property  
does not reflect this proposal. Our  
properties have done just as well with  
no paving. We are writing in because  
we will be gone for hearing. We own  
lot 15 across from duplexes.

Thank you for your time.
