The legislative power of the Kenai Peninsula Borough is vested in an assembly of nine members. This assembly meets in regular session every first and third Tuesday of the month in the Assembly Chambers located in the Borough Administration Building at 144 North Binkley Street, Soldotna, Alaska.

Office of the Borough Mayor

144 N. Binkley Street, Soldotna, Alaska 99669 • (907) 714-2150 • (907) 714-2377

Charlie Pierce
Borough Mayor

DATE: June 4, 2019

TO: Wayne Ogle, Assembly President
Kenai Peninsula Borough Assembly
Residents of the Kenai Peninsula Borough
Other Users of Borough Financial Information

We are pleased to present the Kenai Peninsula Borough Budget for Fiscal Year 2020 (FY2020). It is submitted in accordance with the Borough Code and Alaska State Statutes. The budget includes operating and capital plans for FY2020 as well as projections for the Borough's operational funds through Fiscal Year 2023 and capital plans through Fiscal Year 2024.

Key Budget Principles

The FY2020 budget is based on policies developed to maintain the stewardship of public funds and reflects the Borough's commitment to prudent financial planning. The principles that guided development of the budget are:

- Basic services will be maintained at current levels and will be adequately funded
- Program cost will be developed to reflect a true picture of the cost of operations
- Revenues are estimated at realistic to guarded optimistic levels
- Fees for services will be adjusted based on the cost of service provision
- The recommended budget will comply with provisions of Alaska Statutes and Borough Code

Goals & Objectives

The Borough's major budgetary goals for FY2020 include:

- The highest level of local educational funding borough residents can reasonably afford and sustain
- A high quality capital and operational maintenance program ensuring the continued use and economic value of borough assets
- Support for the needs of the Borough Service Areas as communicated by service area residents and their elected boards
- A sufficient level of funding for borough departments to ensure their continued ability to meet the needs of borough residents, visitors, and the communities served
- A balancing of revenue sources in the Borough's General Fund
- Stabilization of the borough's financial condition including compliance with the borough's fund balance policy

Major budget issues/highlights

- The most significant factor in the development of the Borough's FY2020 proposed budget was the Governor's proposed FY2020 State budget. The Borough proposed budget reflects Dunleavy's proposed elimination of the FY2020 State Aid for School Construction which reimburses the Borough 70% of the debt service on voter approved school bonds. This reduction is \$2,654,392 and the Borough proposed budget utilizes fund balance to fund this reduction. The Borough proposed budget also reflects a reduction in anticipated fish tax receipts of \$750,000 from the State of Alaska, as this program is also facing elimination based on the Governor's proposed State budget.
- Operational funding for the School District. The largest component of the budget is the contribution the Borough makes to fund the Kenai Peninsula Borough School District. The Borough's local contribution is governed by AS 14.17.410. This statute outlines the minimum and maximum amounts that can be contributed to the school district. The **required minimum local contribution** is estimated to be **\$27,492,488** and the maximum amount is **\$52,537,091**. The amount the Borough has appropriated for FY2020 is **\$51,512,091**, or 98% of the maximum allowed by statute.

The projected number of students for FY2020 is 8,681 and the Borough's funding per student is approximately **\$5,934**. For comparative purposes for FY2020, the Fairbanks North Star Borough's estimated contribution per student is \$3,677 and the Mat-Su Borough's estimated contribution per student is \$3,181.

Total funds provided for school purposes are \$57,555,977; the Borough portion is \$57,555,977 and the State of Alaska is forecasted to provide \$0.00 for debt reimbursement. Funding provided by the Borough, net of the State's contribution for debt service, for school purposes is equivalent to 6.79 mills. Sales tax revenue is expected to cover \$32,272,462; the balance of funding of \$25,283,515 (equivalent to 2.98 mills) comes from property taxes, federal revenue, and other sources. Total funding provided for schools (not including post-secondary education funding) represents an amount equal to 68% of the Borough's General Fund budget.

- Quality public services require adequate facilities that are suitable for their use. The proposed budget includes a continued effort to address the Borough's major maintenance and capital facility needs. The proposed FY2020 budget provides a \$250,000 transfer to the general government capital project fund and an additional \$1 million to the school facilities capital project fund bringing the capital transfer for school facilities to \$2,250,000 to address the Borough facilities' (including school district buildings, all of which the Borough owns) major maintenance and capital replacement needs.

- Funding for the Borough’s solid waste program. A majority of the FY2020 increase is related to the closure and post-closure requirements of the solid waste facilities and an increase to the contribution to capital projects. The General Fund contribution for FY2020 is budgeted at \$7,797,970, an increase of \$491,469 from FY2019. The General Fund contribution to the Solid Waste program represents an amount equal to approximately 9.25% of total General Fund expenditures. The equivalent of .92 mills of the Borough’s General Fund mill rate of 4.70 mills goes to support the Borough’s solid waste program.
- Since FY2009, the Borough has received over \$25,000,000 in funding from the State of Alaska for road improvements. These funds are being spent to upgrade numerous roads in the Borough. The FY2020 budget includes funding for the RSA Capital Project Fund of \$2,000,000. In FY2020, the Roads Service Area Capital Project Fund will appropriate local funds, as we anticipate all of the grant funds received from the State of Alaska are expected to be fully expended in FY2019.
- Positions that were added or deleted when compared to last year’s budget are as follows. In the General Fund, deletions include .5 FTE in the Print Shop. The Road Service Area increased the Director’s position back to FT with a .6 FTE increase and decreased 1.5 FTE. Maintenance is reinstating the Director’s position back to FT with a .4 FTE increase and decreased 1.5 FTE. During the past 10 fiscal years, the General Fund has had a net decrease of 7.35 FTE’s, while Service Areas and Special Revenue Funds have increased 10.45 FTE’s.

Financial Condition Summary

In the October 2013 Borough elections, Borough voters approved increasing the residential exemption on real property from \$20,000 to \$50,000, effective January 1, 2014, impacting FY2015 and future years. This reduced taxable assessed values by approximately \$290,000,000. Based upon the mill rates in effect for FY2020, the fiscal impact to Borough’s revenues is a reduction of approximately \$2.5 million; the general fund impact is approximately \$1.3 million.

For FY2020, real and personal taxable assessed values increased 3.6%, compared to FY2019 which decreased .08%. Oil and gas property is assessed by the State of Alaska under AS 43.56, and is subject to significant fluctuations in value and plays a vital role in the Borough’s economy, although the players are changing. Large national and multi-national companies have been replaced by independents. A tax credit program from the State of Alaska helped fuel a resurgence in exploration and production. This has led to new wells in the Anchor Point and Kenai area, a jack up rig being used in Cook Inlet, along with increased exploration in other areas of the Borough, resulting in an increase in assessed value for oil and gas properties. During 2016, large investments by Blue Crest and Furie resulted in an increase in oil and gas properties for FY2017 and FY2018. Assessed values for oil and gas properties have increased from \$699 million for 2012, to 1.56 billion in 2020. Given current market conditions, the out year projection forecasts a slight decrease in assessed oil and gas values. The State of Alaska legislature in 2017 reduced the tax credit program that will impact the oil and gas companies doing business in the Borough. Increased oil and gas exploration has also had an impact on the Borough’s unemployment rate.

Unemployment			Unemployment		
Year	Rate	Increase (Decrease)	Year	Rate	Increase (Decrease)
2011	9.50	-	2015	7.80	(0.10)
2012	8.60	(0.90)	2016	8.50	0.70
2013	8.00	(0.60)	2017	8.30	(0.20)
2014	7.90	(0.10)	2018	7.70	(0.60)

The Borough has been selected as the site of a natural gas liquefaction plant as part of the Alaska LNG Project. The Alaska LNG project would be among the world's largest natural gas development projects. The project is anchored by the Prudhoe Bay and Point Thomson fields and is expected to handle approximately 3.3 billion cubic feet of natural gas per day. The Alaska LNG Project includes a natural gas liquefaction plant and storage facilities and an export terminal at Nikiski on the Kenai Peninsula, an 800-mile gas pipeline from southcentral Alaska to the North Slope, a gas treatment plant and transmission lines connecting the project to gas producing fields. The project has an estimated cost of \$45 billion and approximately \$25 billion of the project would be located in the Borough. The project is currently in the preliminary engineering stage and early regulatory review. Given current market conditions, this project does not appear to be feasible in the next five years.

Sales tax revenue for FY2019 are expected to come in approximately \$1.1 million more than originally budgeted due to an increase in local retail sales.

During FY2016, the Borough increased funding to the Kenai Peninsula Borough School District by \$4,238,432, the equivalent of .5 mills. During FY2017 funding remained flat at \$48,238,432 and in FY2018 and FY2019 the Borough funding increased to \$49,738,432. For FY2020 the funding to the Kenai Peninsula Borough School District increased to \$51,512,091.

Financial Plans

General Fund

Revenues and other financing sources of \$79,970,611 support the FY2020 general fund budget. This total consists of \$41,560,533 in property tax revenue, \$32,272,462 in sales tax revenue, \$1,035,672 in state revenue, \$3,740,000 in federal revenue, and \$1,361,944 in other revenues and financing sources. Expenditures exceed projected revenues by \$4,322,762; net of a projected lapse, the projected change in fund balance is a decrease of \$3,380,258.

Overall expenditures increased \$3,589,504 when compared to the original FY2019 approved budget. Factors impacting the budget for FY2020 are as follows:

- The total amount appropriated for school purposes is \$57,555,977, a \$2.8 million increase when compared to FY2019. Local educational funding for FY2020 includes \$51,512,091 for school district operations, \$3,793,886 for school related debt service, and \$2,250,000 for capital projects. It should be noted that the Borough expects to receive \$0.00 from the State of Alaska under the school debt reimbursement program.
- Increase in personnel cost of \$62,781; which includes the reduction of ½ time position at the Homer Annex, Human Resources Department offset by the Collective Bargaining Agreement increase for FY20. The Homer Annex leased space was closed and the services are now housed at the Homer Maintenance Facility, for better utilization of available space and reduced overhead costs.
- Supplies are down by approximately 2.6% as departments are trying to do more with less.
- Services are down by approximately .04%; which includes reductions in transportation and subsistence due to restricted out of state travel and training as well as postage, advertising, printing and economic development.
- The General Fund's contribution to the Solid Waste department increased \$491,469, most of which is related closure and post-closure requirements of the solid waste facilities and increased to the provide future capital project funding.

The FY2020 general fund tax rate remained at 4.70 mills. Sales tax revenue for FY2020 is expected to have a slight increase from the revised FY2019 estimate. Sales tax revenue generates the equivalent of 3.81 mills in property tax revenue. A voter initiative exempting non-prepared foods during the months of September through May went into effect January 1, 2009. The impact to sales tax revenue in FY2015 was approximately \$3,500,000; the revenue loss equivalent of a reduction in the mill rate of .41 mills. A similar impact is forecasted for FY2020.

State revenues include \$830,672 for revenue sharing, a reduction of \$202,032 from FY2019, \$0.00 for school debt reimbursement, \$0.00 for fish tax, \$50,000 for facility rental and \$155,000 from co-op distributions. Federal revenues consist of \$3,600,000 for PILT receipts and a civil defense grant of \$140,000.

Service Areas and Special Revenue Funds

As a whole, the FY2020 service area budgets are comparable to FY2019. Selected individual funds are as follows:

Nikiski Fire Service Area

The Nikiski Fire Service Area (NFSA) expenditure budget is up \$6,571 or 0.13% when compared to the prior year. The increase in expenditures is primarily related to one-time operational items proposed for a new station approved in FY19 and additional personnel costs anticipated for the operations of the new fire station, proposed to be built in FY19-20. With increased assessed values, the Service Area has increased their FTE's by 1.75 positions since FY2014. Oil tax revenues, the largest revenue source for the Service Area, have increased approximately 122% since FY2012. This increase in assessed values also allowed the Service Area to decrease their mill rate from 3.00 mills in FY2013 to 2.90 mills FY2014, then to 2.8 in FY2015, then to 2.70 in FY2018.

Anchor Point Fire and Emergency Medical Service Area

The Anchor Point Fire and Emergency Medical Service Area (Anchor Pt) expenditure budget is up \$10,436 or 0.86% when compared to FY2019 due to slight increases to contractual obligations and a 25% increase to the transfer to the capital project fund in order to fund future capital requirements.

Central Emergency Services

The Central Emergency Service Area (CES) expenditure budget is up \$735,494 or 7.74% when compared to FY2019 due to a one-time increase in the transfer to the capital project fund in order to fund the purchase of land, identified as the site for the new fire station, replacing the current station originally built in 1957. In FY2015, CES saw a decrease in revenue of \$350,000 due a voter approved increase in the property tax exemption. For FY2016, CES made a number of changes to their budget to address these revenue reductions, including a reduction in staffing. In FY2016, CES voter approved the issuance of debt for the purchase of fire apparatus. The FY2017 budget had a mill rate increase of .07 mills to provide the funding necessary for the new debt. In FY2018, due to an increase in assessed values, the mill rate was reduced .12 mills. In an effort to improve public safety and properly staff all stations of the Central Emergency Service Area, 3 engineer-EMT/Paramedics were added in FY2019 with a mill rate increase of .25 mills in order to provide sustainable funding for the positions.

Kachemak Emergency Service Area

The Kachemak Emergency Service Area expenditure budget is down \$5,099 or 0.42% when compared to FY2019 primarily due to the FY2019 accelerated payoff of the interfund loan between the General Fund and Kachemak Emergency Service Area for the purchase of a Quint apparatus in FY2015.

Solid Waste

The Solid Waste expenditure budget is up \$496,696 when compared to FY2019 primarily due to an increase in the transfer to the capital projects fund to provide for future capital requirements, an increase to the annual closure and post-closure regulated requirements, and cyclical increased in the payment schedules for replacement of large capital equipment at the solid waste facilities. The Borough’s General Fund continues to provide the majority of the funding necessary to operate the landfill. For FY2020, this amount is \$7,797,970 or approximately 89% of the revenue necessary to fund the solid waste program; this is equal to .92 mills or 9.25% of the General Fund budget.

Road Service Area

The Road Service Area expenditure budget is up \$131,374 or 1.58% when compared to FY2019 primarily due to an increased transfer of \$2 million to the capital project fund to support future capital requirements. The increased capital transfer was anticipated and has been consistently growing for the last several years in an effort to prepare for anticipated decreases in state grant funding that had previously supported the Road Service Area capital projects. In FY2020, the Roads Service Area Capital Project Fund will appropriate local funds, as we anticipate all of the grant funds received from the State of Alaska are expected to be fully expended in FY2019 and we do not anticipate the receipt of new grants for this purpose.

Capital Projects

The FY2020 Capital Budget includes \$2,250,000 for school district major maintenance projects, an increase of \$1,000,000 when compared to FY2019. Many of the Borough's schools are more than 25 years old and are in need of increased maintenance to maintain their useful life.

Service Area capital budgets include funding for facility improvements and equipment purchases of \$350,000 at Nikiski Fire Service Area for an approved major medical devices and equipment storage, \$60,000 at Anchor Point Fire and Emergency for a commend vehicle, \$10,820 at Bear Creek Fire to purchase turnout gear, \$1,150,000 at Central Emergency Services for new station land acquisition and an ambulance, \$957,000 at North Peninsula Recreation Service Area for equipment, furniture and a boiler and HVAC replacement, and \$3,002,714 at South Peninsula Hospital for medical equipment.

Tax Rates

The Borough Code of Ordinances, section 5.12.010 (A), establishes a maximum 8.00 mill tax levy for operations of the Borough general government, including the local effort for education. Per the Code, the maximum is increased for the tax equivalent of the local payments for voter approved debt, or to meet an emergency threatening the public peace, health, or safety. The maximum mill rate that could be levied for FY2020 is 8.597 mills. It is our goal to keep the general fund mill rate at or below the current level unless borough voters authorize significant additional debt.

The General Fund property tax rate for FY2020 remained at 4.70 mills. With; service area tax rates are staying at their FY2019 levels.

Summary Data - Governmental Functions

The following schedule is a summary of the FY2020 estimated revenues for the General Fund, special revenue funds, debt service funds, capital projects funds, and internal service funds including the amount and increases or decreases in relation to the original FY2019 budget.

Revenues:	FY2019 Original Revenues	FY2020 Estimated Revenues	Increase (Decrease)
General Property Taxes	\$ 71,930,134	\$74,426,621	\$2,496,487
Sales Tax	30,578,706	32,272,462	1,693,756
Intergovernmental:			
Federal	3,013,743	4,000,340	986,597
State	4,440,064	1,035,672	(3,404,392)
Other Revenue	27,991,064	29,903,412	1,912,348
Fund Balance Appropriated, net	2,982,421	7,156,879	4,174,458
	<u>\$140,936,132</u>	<u>\$148,795,386</u>	<u>\$7,859,254</u>

Property and sales tax revenues are up by a combined 4.09% and represents approximately 75.33% of total revenues (not including fund balance), this compares to 74% for FY2019 and 72.7% for FY2018. Other information is as follows:

- Property taxes are projected to increase approximately \$2,496,487 due to slight increases in both real and oil and gas assessed values increased during the year. Since 2015, oil and gas assessed property has increased 37%. With lower oil prices being forecast for the next few years, the Borough does not expect this trend to continue.

- Sales tax revenue is expected to increase 5.5% from the prior year original budget. Sales tax revenue continues to be impacted by the voter approved initiative that exempted non-prepared food from sales tax during the period September through May of each year. The annual impact is approximately \$3,500,000, equivalent to .42 mills. This has impacted the mill rate. School funding has increased approximately \$7.5 million since FY2015, while sales tax revenue has only grown \$2.1 million since FY2015. With sales tax growing at a slower rate than Local School funding, property taxes have picked up a greater share of funding for schools.
- State revenues are expected to decrease 77% from the prior year due to anticipated decreases in school debt reimbursement and fish tax.
- The use of fund balance as a revenue source increased for the General Fund primarily due to increased school funding. Increased use of fund balance for the Service Area's was primarily due to the Roads Service Area local capital appropriation.

The following schedule presents a summary of the General Fund, special revenue funds, debt service funds, capital project funds, and internal service funds appropriations for FY2020. Please note that the FY2019 amounts are based on the original assembly approved budget and do not include encumbrances and certain contingency balances carried forward from the prior year, or supplemental appropriations.

Expenditures:	FY2019 Original Appropriation	FY2020 Proposed	Increase (Decrease)
General Government	\$ 18,771,613	\$ 19,367,743	\$ 596,130
Solid Waste	8,162,205	9,129,426	967,221
Public Safety	23,878,529	21,094,659	(2,783,870)
Recreation	2,418,903	3,006,681	587,778
Education	55,884,422	58,616,317	2,731,895
Road Maintenance	6,355,211	8,922,760	2,537,549
Hospitals	13,076,978	15,225,257	2,148,279
Internal Service	12,358,271	13,432,543	1,074,272
	<u>\$ 140,936,132</u>	<u>\$ 148,795,386</u>	<u>\$ 7,859,254</u>

Total FY2020 appropriations are up 5.58% when compared to the FY2019 original budget. For comparative purposes, the FY2019 budget was up 3.33% when compared to the original FY2018 budget. The primary drivers of this change include:

- Solid waste operational costs have increased due to required closure and post-closure expenditures and an increase to the transfer to capital projects. Solid Waste capital costs have increased due to scheduled replacement of heavy equipment for the solid waste facilities.
- Public safety decreases are due to a \$3.2 million one-time large capital expenditures appropriated in FY19 for a new fire station.
- Education costs indicate an increase of approximately \$2.7 million. This increase is due to an increase to the local contribution of \$1,773,659 and increased capital contribution of \$1,000,000.
- Road Maintenance has increased due to an additional transfer to the capital project fund and a local capital appropriation for the first time in several years.
- Hospital expenditures have increased due to an increase to the proposed capital projects for South Peninsula Hospital.
- Internal Services have increased due to increased claim projections for both healthcare and property, liability and workers compensation.

The Future

In reviewing the department and service area budget requests, the Mayor considered carefully the thoughts of the management staff, service area boards, and the assembly and borough citizens. In the end, relatively few changes were made to the budgets as submitted. We believe that this budget is consistent with the Mayor's budget priorities that include:

- Delivery of Borough services at a standard of excellence.
- The highest level of local educational funding borough residents can reasonably afford and sustain.
- Providing consistent and reliable emergency services throughout the Borough.
- A high quality capital and operational maintenance program that ensures the continued use and economic value of borough assets.
- Support for the needs of borough service areas as communicated by service area residents and their elected service area boards.
- A budget that can be supported by the borough's current area-wide revenues.
- Maintenance of the borough's financial condition.

Acknowledgement

Credit is given to those who have participated in the preparation of the FY2020 budget. Service area boards, department heads, and their staffs have all worked hard to develop department/service area budgets that will provide residents with a high level of service at a reasonable cost. Finance Department staff deserving recognition include: Financial Planning Manager Penny Pickarsky (who coordinated this year's budget process), and Finance Department Administrative Assistant Barbara Prestwick. All have put in long hours preparing this document.

We look forward to working with the borough assembly, the borough business community and all residents of the borough in making the Kenai Peninsula a great place to live, work, visit and conduct business.

Respectfully submitted,

Charlie Pierce
Borough Mayor

Brandi Harbaugh, CPA CPFO
Director of Finance

Kenai Peninsula Borough FY2020 Budget

User Guide

This user guide is a tool to guide you through the budget document. It provides some basic information about the area and its government structure. It explains the formatting of individual departmental budget sections, and the process of creating and adopting the Borough's primary planning and policy tool - the annual budget.

The user guide has been developed to answer some of the more commonly asked questions regarding the Kenai Peninsula Borough's budget and other topics.

- Under what type of government structure does the Borough operate?
- What are the Borough's areas of responsibilities or powers?
- How does the Borough and School District interrelate?
- When is the budget prepared, and how does the budget cycle operate?
- What is the Borough's basis of budgeting?
- How is the budget data organized?

Brief Introduction to the Borough

The Kenai Peninsula Borough was incorporated in 1964 as a second-class borough. It occupies a geographic area of approximately 25,600 miles and is located in the south central part of the state of Alaska. Per the State of Alaska, Department of Commerce, Community and Economic Development, the borough's population for July 2018 was 58,471.

Structure

The Borough operates under an assembly-mayor form of government. Policy-making and legislative authority are vested in a governing assembly consisting of nine members. The assembly is responsible, among other things, for passing ordinances, adopting the budget, and appointing committees. The mayor is the Borough's executive officer and is responsible for carrying out the policies and ordinances of the Borough, for overseeing the day-to-day operations of the government, and for appointing the heads of the various departments. The assembly and mayor are elected on a non-partisan basis. Assembly members serve three-year staggered terms, with 3 members elected each year and are elected by district. The mayor is elected at large and serves a three-year term.

Powers/Areas of Responsibilities

State of Alaska law mandates that second-class boroughs provide certain services on an areawide basis to all taxpayers. Initially, the Borough exercised three mandatory powers; assessment and tax collection, schools, and zoning. All other services must be approved by a majority of voters who are to receive the services. This gives taxpayers control over the type and level of services they receive and pay for.

Currently, the Borough has the following powers: (see page 23 for more detail)

- Areawide powers: assessment and collection of property taxes and sales tax collection for the Borough and cities within the Borough, planning, solid waste disposal, education, post secondary education, 911 emergency communications, emergency management and general administrative services.
- Nonareawide services provided by the Borough include fire protection, hospital services, emergency medical and ambulance services, recreation, senior citizen funding, road maintenance, economic development, tourism promotion, and special assessment authority for utility extensions and road improvement districts.
- The Borough also has nonareawide powers of port and harbor that are authorized but not exercised.

School District

The Kenai Peninsula Borough School District is a component unit of the Borough. The School District has its own elected board which is responsible for setting policy and expenditure appropriations. More information regarding the School District is available at their website, www.kpbsd.k12.ak.us or can be obtained from them at 148 North Binkley St., Soldotna, AK 99669.

The Borough does assume various funding responsibility for the School District. State of Alaska statutes require the Borough to contribute to the School District a minimum contribution in an amount equal to 2.65 mills of the full and true assessed value of property. The State has also established a maximum contribution, which is equal to the minimum contribution plus 23% of basic need. Basic need is defined as total of the adjusted average daily membership times the base student allocation. For FY2020, the Borough's proposed contribution is \$51,512,091; the cap amount is \$52,537,091. The Borough's sales tax revenue is estimated to fund \$32,272,462 of that amount; the balance or \$19,239,629 will come from other sources including property taxes and interest earnings.

The Borough is also responsible for the construction and capital improvement of all facilities used by the School District as well as the issuance and repayment of school construction debt.

Total funding for borough schools for FY2020 is \$57,555,977; an amount equal to 68.23% of the Borough's General Fund budget.

Basis of Accounting & Budgeting

The basis of budgeting is explained here to assist readers of the budget document, and to provide a bridge between the budget presentation in this document and the accounting presentation in the Comprehensive Annual Financial Report (CAFR).

The Borough's governmental funds consist of the General Fund, Special Revenue Funds, Debt Service Funds, and Capital Project Funds. Governmental fund budgets are developed using the modified accrual basis of accounting. Under this basis, revenues are estimated for the fiscal year if they are susceptible to accrual, e.g. amounts can be determined and will be collected within the current period. Principal and interest on general long-term debt are budgeted as expenditures when due, whereas other expenditures are budgeted for liabilities expected to be incurred during the current period.

The Borough's budgets are prepared and adopted on a basis consistent with Generally Accepted Accounting Principles (GAAP) for all governmental funds and proprietary funds except capital project funds, which are adopted on a project length basis and the Solid Waste Special Revenue Fund, which is prepared on a budgetary basis. The Borough utilizes encumbrance accounting for its governmental fund types under which purchase orders, contracts and other commitments are recorded in order to set budget aside for that specific use. Encumbrances lapse and are automatically reappropriated and reencumbered as part of the subsequent year's budget. Encumbrances are recognition of commitments that will subsequently become expenditures when the goods or services are received.

The Proprietary Funds (Internal Service) budgets use a different budgetary basis from their accounting basis. Proprietary Funds use the accrual basis of accounting; however, their budgets more closely follow the modified accrual method used for governmental funds. For example, the proprietary fund budgets include capital outlay amounts for the initial purchase of fixed assets, but do not include budget amounts for depreciation of those fixed assets. For the CAFR, capital outlays are not recognized but depreciation is.

Budget Process

The annual budget, which includes both operating and capital budgets, is the mechanism through which the Borough Assembly establishes the appropriations for the Borough. Ordinance 2019-19, a copy of which is included on pages 31 - 34, authorizes spending for the operating and capital budgets indicated in this document. The appropriations are by the fund level for operating funds and at the project level for capital funds.

The budget process begins in January with a meeting of all department heads and service area representatives. The Mayor makes a presentation on the financial condition of the Borough and a projection for the coming year, considering the economy and the legislature. The Mayor outlines his general budget policies and goals at this time, and budget preparation packets are distributed to the departments.

Throughout the remainder of January and February, the Finance Director, Controller, or Financial Planning Manager attends the various service areas budget workshop meetings and present related information. Completed department and capital budget requests are then submitted to the finance department in late February or early March. After draft budgets are prepared, budget review meetings are held with the Mayor, the Finance Director, and the appropriate department head or service area representatives. A proposed budget is then prepared and submitted to the assembly in May.

The ordinance setting the level of appropriation for the fiscal year is introduced at the first Assembly meeting in May; the resolution setting the mill rates for the General Fund and the Service Areas is presented at the first meeting in June. After holding public work sessions, the Borough Assembly approves the budgets and set the tax rates for the General Fund and Service Areas prior to June 15th.

Mill Levy

A resolution setting the mill rates is submitted to the assembly at the first Assembly meeting in June for approval as mill rates must be established prior to June 15th in accordance with Alaska Statutes. The Borough voters have approved a tax cap of 8.0 mills not including the amount needed for debt service or to meet an emergency threatening public peace, health or safety. The maximum mill rate calculation for FY2020 is 8.60 mills. The mill rate proposed for FY2020 is 4.70 mills.

Amending the Budget

After the budget has been established, the Assembly may transfer appropriations between major classifications or departments by resolution; however, transfer of appropriations between funds must be done by ordinance. The Borough Mayor has the authority to transfer amounts within a department. Supplemental appropriations, except emergency appropriations, may be made by ordinance only after public hearings and Assembly approval has taken place. Emergency appropriations may be done by Assembly ordinance without a public hearing, but are only effective for 60 days. Extensions of such appropriations must go through the public hearing process.

Budget Presentation and Fund Structure

The budget document is divided into various sections: Introduction, Overview, Individual Fund detail, and the Appendix.

- The introduction section includes the table of contents, the transmittal letter, a user guide, major financial policies, the budget calendar, an organizational chart, Kenai Peninsula Borough departmental staff chart, and the appropriating ordinance.
- The overview section includes data on the Borough as a whole.
- The Fund section includes individual budgets for the General Fund, the Special Revenue Funds, Capital Project Funds, Debt Service Funds, and Internal Service Funds. The Special Revenue Funds include Service Area Funds and other special revenue funds that are established when there are legal requirements restricting specific revenue sources to expenditures for specific purposes, which are not appropriately budgeted elsewhere.
 - Operating budgets for the General Fund, Service Area Funds, Debt Service Funds, and Internal Service Funds present detailed expenditure plans. These plans contain a mission/program description, major long term issues and concerns, current year objectives, and previous year accomplishments and performance measures. Expenditure detail is provided for each division and in summary for each department. All detail pages contain historical data for the current year budget and two prior fiscal years.
 - Capital Project budgets include detailed expenditure plans that include general objectives, a description of the current year projects that have been authorized including a brief description of the impact on future operating budgets, and a five-year plan of expenditures.
- The appendix section includes data on salary schedules, full-time equivalent employees, a glossary of terms and acronyms, various analytical data, and a schedule of fees.

Powers of the Kenai Peninsula Borough

The Assembly of the Kenai Peninsula Borough has provided funding for the services and programs it has determined to be a priority in this budget. The left hand column (title Power) provides some sources of the legal authority for the governing body to exercise its appropriation and prioritization authority. The right hand column (titled Department), are the departments where the appropriation amount and the expenditure authority can be found that reflect the governing body's priorities. Most additional optional powers may be found in Title 29 of the Alaska Statutes and in a few additional statutes outside of Title 29.

Power	Date of Acquisition	Statutory Reference	Method of Acquisition	Department(s)

Fund Structure

The accounts of the Borough are organized on the basis of funds and account groups, each of which is considered a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures, or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped in this report into six generic fund types and three broad fund categories as follows:

GOVERNMENTAL FUNDS

General Fund (100): The General Fund is the general operating fund of the Borough. This fund accounts for all transactions not recorded in other funds and receives financial support from such sources as general property taxes, sales taxes, fees and intergovernmental revenues. Expenditures are authorized in the general budget and include such areas as administration, assessing, emergency management, river center, senior citizen funding, and planning and zoning.

Special Revenue Funds (200-299, 600-601): Special revenue funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. State grants, education, fire and emergency medical service areas, a road service area, two road improvement funds, two recreation service area funds, the Land Trust Fund, the School Fund, the Nikiski Senior Service Area Fund, the 911 Communication Fund, the Central Kenai Peninsula Hospital Service Area, and the South Kenai Peninsula Hospital Service Area are included in the special revenue funds.

Debt Service Funds (300-399): The debt service funds are used to account for the payment of principal and interest on general obligation debt incurred to finance construction. Each bond issue is accounted for in a separate fund, but these separate funds are included in the budget document as one fund since the appropriation is for the single purpose of debt service on general obligation bonds.

Capital Projects Funds (400-499): Capital projects funds account for financial resources used for the acquisition or construction of capital projects.

PROPRIETARY FUNDS

Internal Service Funds (700-799): The Borough's internal service funds (Insurance and Litigation Fund, Health Insurance Reserve Fund and the Equipment Replacement Fund) are used to account for the financing of goods and services provided to other departments of the Borough. The Insurance and Litigation fund provides the insurance requirements of the Borough and is financed through interfund charges. The Equipment Replacement Fund is used to finance the major purchases of user departments. The departments are charged an annual fee over the expected life of the vehicle or piece of equipment. This manner of financing major purchases eliminate the substantial impact such purchases would otherwise have on annual operating budgets.

FIDUCIARY FUNDS

Agency Funds (800-899): The Borough maintains two Agency Funds. One of the funds, the Tax Agency Fund, is used to account for resources received by the Borough as an agent for other governmental units. The Borough is responsible for the collection and disbursement of taxes levied by the cities located within the Borough. These cash receipts and disbursements are recorded in the Tax Fund. The second agency fund, Special Assessment Agency Fund, was established to account for monies collected from property owners by the Borough for the construction of natural gas pipeline distribution systems and road improvements, which benefits these property owners.

FUNDS OMITTED FROM THE BUDGET

Funds that are included in our audited financial statements but not included in this budget document are the Fiduciary Funds, the Environmental Protection Program Fund, the Disaster Relief Fund, Land Trust Investment Fund, and the Miscellaneous Grants Fund as they are budgeted on a project length basis and funding is usually dependent on outside agencies or events.

Financial Policies

The financial policies establish the framework for overall fiscal planning and management and sets forth guidelines for both current and long-term planning. These policies are reviewed annually to assure the highest standards of fiscal management. The Mayor and the Department Director's have the primary role of reviewing financial actions and providing guidance on financial issues to the Borough Assembly.

Overall Goals

The overall financial goals underlying these policies are:

1. **Fiscal Conservatism:** To ensure that the Borough is in a solid financial condition at all times. This can be defined as:
 - A. Cash Solvency – the ability to pay bills
 - B. Budgetary Solvency – the ability to balance the budget
 - C. Solvency – the ability to pay future costs
 - D. Service Level Solvency – the ability to provide needed and desired services
2. **Flexibility:** To ensure that the Borough is in a position to respond to changes in the economy or new service challenges without an undue amount of financial stress.
3. **Adherence to the Highest Accounting and Management Practices:** As set by the Government Finance Officers' Association (GFOA) standards for financial reporting and budgeting, the Governmental Accounting Standards Board, and other professional standards.

Based on the overall goals listed above the following Financial Policies are provided:

1. Operating Budget Policies

The budget is a plan for allocating resources. The objective is to enable service delivery with allocated resources. Services must be delivered to the citizens at a level that will meet real needs as efficiently and effectively as possible.

- The Borough's goal is to pay for all recurring expenditures with recurring revenues and to use non-recurring revenues for non-recurring expenditures.
- It is important that a positive undesignated fund balance and a positive cash balance be shown in all governmental funds at the end of each fiscal year.
- When deficits appear to be forthcoming within a fiscal year, spending during the fiscal year must be reduced sufficiently to create a positive undesignated fund balance and a positive cash balance.
- The budget must be structured so that the Assembly and the general public can readily establish the relationship between expenditures and the achievement of service objectives.
- The individual department budget submissions must be prepared with the basic assumption that the Assembly will always attempt to maintain the current tax rates.
- The budget will provide for adequate maintenance of capital plant and equipment and for its orderly replacement.
- The Borough will develop and annually update a long-range (three to five years) financial forecasting system, which will include projections of revenues, expenditures, and future costs and financing of capital improvements that are included in the capital budget.
- A balanced budget is defined as revenues, including the use of fund balance as a revenue source, equaling expenditures as long as fund balance remains within fund balance policy limits.

2. Debt Policies

- The Borough will not fund current operations from the proceeds of borrowed funds.
- The Borough will consider short-term borrowing or lease/purchase contracts for financing major operating capital equipment when the Finance Director, along with the Borough's Financial Advisor, determines that this is in the Borough's best financial interest. Lease/purchase decisions should have the concurrence of the appropriate operating Manager.
- When the Borough finances capital projects by issuing bonds, it will repay the debt within a period not to exceed the expected useful life of the project.
- The Borough will maintain good communication about its financial condition with bond and credit institutions.
- The Borough will follow a policy of full disclosure in every annual financial statement and bond official statement.
- The Borough will avoid borrowing on tax anticipation and maintain an adequate fund balance.
- The Borough will endeavor to maintain a minimum bond rating for all debt issues of A or better by Moody's and Standard & Poor's rating agencies. Credit enhancements will be used to achieve higher ratings when there is an economic benefit.
- The Borough does not have a debt limit.

3. Revenue Policies

- The Borough will try to maintain a diversified and stable revenue structure to shelter it from short-run fluctuations in any one-revenue source.
- The Borough will attempt to maintain a diversified and stable economic base by supporting policies that promote tourism, agriculture, commercial, and industrial employment.
- The Borough will estimate its annual revenues by an objective, analytical process.
- The Borough, where possible and reasonable, will institute user fees and charges for specialized programs and services. Rates will be established to recover operational, as well as capital or debt service costs.
- The Borough will regularly review user fee charges and related expenditures to determine if pre-established recovery goals are being met.
- The Borough should routinely identify governmental aide funding possibilities. However, before applying for and accepting intergovernmental aide, the Borough will assess the merits of a particular program as if it were funded with local tax dollars. Local tax dollars will not be used to make up for losses of intergovernmental aide without first reviewing the program and its merits as a budgetary increment.

4. Investment Policies

- The Borough will maintain an investment policy based on the Government Finance Officers Association (GFOA) model investment policy.
- The Borough will conduct an analysis of cash flow needs on an ongoing basis. Disbursements, collections, and deposits of all funds will be scheduled to ensure maximum cash availability and investment potential.
- The Borough will invest public funds in a manner that will best meet the objective specified in Chapter 5.10.010 of the Borough code of Ordinances. The relative order of importance are as follows; safety of principal, maintaining sufficient liquidity to meet the borough's cash flow requirements, and achieving a reasonable market rate of return.

5. Accounting, Auditing and Reporting Policies

- The Borough will establish and maintain a high standard of accounting practices in conformance with Generally Accepted Accounting Principals (GAAP).
- The accounting system will maintain records on a basis consistent with accepted standards for government accounting according to the Government Accounting Standards Board (GASB).
- An independent firm of certified public accountants will perform an annual financial and compliance audit and will publicly issue an opinion, which will be incorporated into the Comprehensive Annual Financial Report (CAFR).
- The Borough will annually strive for the GFOA Certificate of Achievement for Excellence in Financial Reporting and the GFOA Distinguished Budget Presentation Award.

6. Capital Budget Policies

- The Borough will make all capital improvements in accordance with an adopted capital improvements program.
- The Borough will develop a multi-year plan for capital improvements that considers its development policies and links the development process with the capital plan.
- The Borough will enact an annual capital budget based on the multi-year capital improvements program.
- The Borough will coordinate development of the capital improvement budget with development of the operating budget. Future operating costs associated with new capital projects will be projected and included in operating budget forecasts.
- The Borough will maintain all its assets at a level adequate to protect its capital investments and to minimize future maintenance and replacement costs.

7. Fund Balance Policy

- The Borough will maintain the fund balances and retained earnings of the various Borough operating funds at levels sufficient to maintain the borough's creditworthiness, liquidity needs, and to provide financial resources for unforeseeable emergencies.
- The Borough will not approve an appropriation from the general fund that would cause the unrestricted general fund balance to be less than the minimum unrestricted fund balance, except in an emergency expenditure or a major capital purchase.

FY2020 Budget Calendar

October 2018						
S	M	T	W	T	F	S
	1	2	3	4	5	6

**KENAI PENINSULA BOROUGH
 ORDINANCE 2019-19**

AN ORDINANCE APPROPRIATING FUNDS FOR FISCAL YEAR 2020

WHEREAS, Alaska Statute 29.35.100 and KPB 05.04.020 require that the mayor present a budget proposal to the assembly for the next fiscal year during or prior to the eighth week preceding the first day of the fiscal year; and

WHEREAS, the assembly is empowered with making appropriations for the General Fund, the Special Revenue Funds, the Debt Service Funds, the Capital Projects Funds, the Enterprise Funds, the Internal Service Funds of the borough and setting the fee schedule;

NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

SECTION 1. That \$84,293,373 is appropriated in the General Fund for the fiscal year beginning July 1, 2019 and ending June 30, 2020 as follows:

General Government Operations	\$17,136,445
Transfer to School District for Operations and In-kind Services	51,512,091
Transfer to School Debt Service	3,793,886
Transfer to Special Revenue Funds:	
Solid Waste	7,797,970
Post-Secondary Education	800,000
911 Communications Fund	350,000
Nikiski Senior Service Area	52,981
Eastern Peninsula Highway Emergency Service Area	350,000
Transfer to Capital Projects Funds:	
School Revenue	2,250,000
General Government	250,000

SECTION 2. The following is appropriated to the School Fund from local sources for operations purposes and in-kind services:

A. Local Effort	\$40,463,667
B. Maintenance	7,773,247
C. School District Utilities	90,000
D. School District Insurance	2,970,178
E. School District Audit	95,790
F. Custodial Services	119,209
Total Local Contribution per AS 14.17.410	<u>\$51,512,091</u>

SECTION 3. Disbursements from Section 2 item (A) shall be made monthly, and only as needed to supplement other revenues available and received by the school district to fund the operations portion of the school district budget. Any available balance remaining at the end of the fiscal year shall then be disbursed to the school district, provided that the total amount disbursed shall not exceed the amount allowed under AS 14.17.410 as determined after actual enrollment numbers are known.

SECTION 4. That the appropriations for the Special Revenue Funds for the fiscal year beginning July 1, 2019 and ending June 30, 2020 are as follows:

Nikiski Fire Service Area	\$5,250,018
Bear Creek Fire Service Area	681,018
Anchor Point Fire and Emergency Medical Service Area	1,218,767
Central Emergency Service Area	10,241,832
Central Peninsula Emergency Medical Service Area	8,113
Kachemak Emergency Service Area	1,199,672
Eastern Peninsula Highway Emergency Area	411,683
Seward Bear Creek Flood Service Area	379,104
911 Communications	2,413,929
Kenai Peninsula Borough Road Service Area	8,464,585
Engineer's Estimate Fund	12,000
North Peninsula Recreation Service Area	2,837,169
Seldovia Recreational Service Area	62,512
Post-Secondary Education	800,000
Land Trust	1,833,098
Nikiski Senior Service Area	398,200
Solid Waste	8,708,901
Central Kenai Peninsula Hospital Service Area	9,743,625
South Kenai Peninsula Hospital Service Area	4,178,918

SECTION 5. That \$4,054,226 is appropriated in the School Debt Service Fund for the fiscal year beginning July 1, 2019 and ending June 30, 2020.

SECTION 6. That \$446,938 is appropriated in the Central Emergency Services Debt Service Fund for the fiscal year beginning July 1, 2019 and ending June 30, 2020.

SECTION 7. That \$94,520 is appropriated in the Bear Creek Fire Service Area Debt Service Fund for the fiscal year beginning July 1, 2019 and ending June 30, 2020.

SECTION 8. That \$9,474,875 is appropriated in the Central Kenai Peninsula Hospital Service Area Debt Service Fund for the fiscal year beginning July 1, 2019 and ending June 30, 2020.

SECTION 9. That \$2,227,819 is appropriated in the South Kenai Peninsula Hospital Service Area Debt Service Fund for the fiscal year beginning July 1, 2019 and ending June 30, 2020.

SECTION 10. That \$1,063,500 is appropriated in the Solid Waste Service Area Debt Service Fund for the fiscal year beginning July 1, 2019 and ending June 30, 2020.

SECTION 11. That appropriations for the Capital Projects Funds for the fiscal year beginning July 1, 2019 and ending June 30, 2020 are as follows:

School Revenue	\$2,250,000
Solid Waste	670,525
911 Communications	175,000
Service Areas:	
Nikiski Fire	350,000
Bear Creek Fire	10,820
Anchor Point Fire & EMS	60,000
Central Emergency Services	1,150,000
Kachemak Emergency Service Area	20,000
North Peninsula Recreation	957,000
Road Service Area	2,558,175
South Kenai Peninsula Hospital	3,002,714

SECTION 12. That appropriations for the Internal Service Funds for the fiscal year beginning July 1, 2019 and ending June 30, 2020 are as follows:

Insurance and Litigation	\$4,528,420
Health Insurance Reserve	8,254,123
Equipment Replacement	650,000

SECTION 13. That the FY2020 budget of the Kenai Peninsula Borough, as submitted to the assembly on May 7, 2019, is incorporated as a part of this ordinance to establish the appropriations assigned to the various departments and accounts and the positions authorized therein.

SECTION 14. That funds reserved for outstanding encumbrances as of June 30, 2019 are reappropriated for the fiscal year beginning July 1, 2019 and ending June 30, 2020.

SECTION 15. That the fee schedule presented in the budget document is approved.

SECTION 16. That this ordinance takes effect at 12:01 a.m. on July 1, 2019.

ENACTED BY THE KENAI PENINSULA BOROUGH ASSEMBLY THIS 4th DAY OF JUNE, 2019.

Wayne Ogle, Assembly President

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**Kenai Peninsula Borough
Alaska**

For the Fiscal Year Beginning

Christopher P. Morill

Executive Director

DISTINGUISHED BUDGET PRESENTATION AWARD

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the Kenai Peninsula Borough, Alaska, for its annual budget for the fiscal year beginning July 1, 2017.

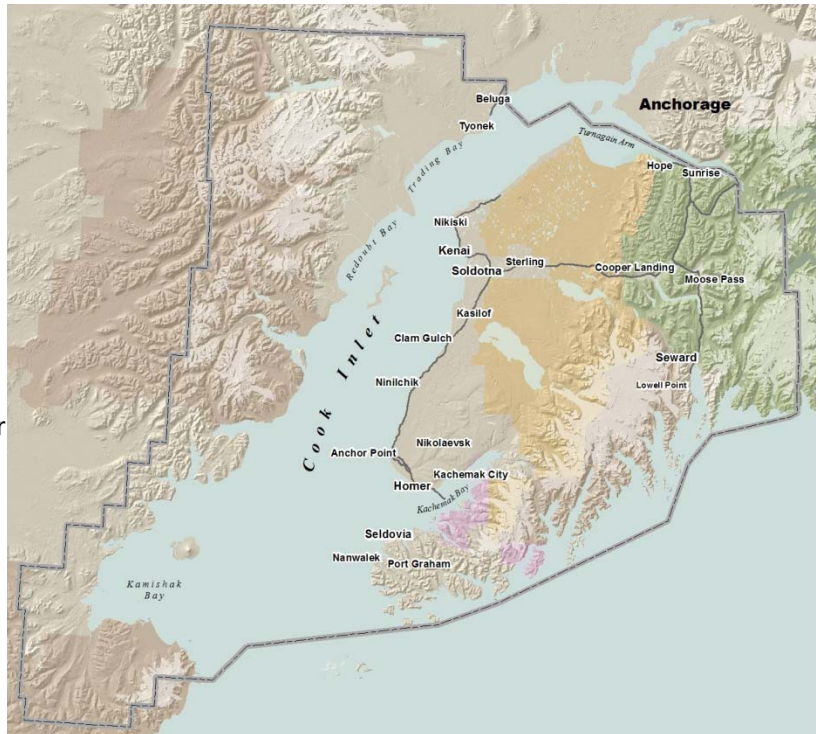

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a operations guide, as a financial plan, and as a communications device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Total Projected Government Revenues Sources - FY2020 \$141,638,507

Total Government Estimated Expenditures FY2020 - By Object \$148,795,386

Note: The above graph reflects the following Interdepartmental Appropriations:

General Fund:	(\$1,438,707)
Special Revenue Funds:	\$ 224,305
Capital Project Funds:	<u>\$1,150,486</u>
Other Funds*	(\$ 63,916)

*Included in the interdepartmental charges are charges to other funds that are project length or grant funded and are not included in this budget document.

Total Government Estimated Expenditures FY2020 - By Function \$148,795,386

Major Revenue Sources

OVERVIEW

Revenue projections are based on 3 methods of determination. Those methods are 1) advice/information received from an expert or department head; 2) analysis of trends and economic forecasts; 3) estimates from the State of Alaska and the various Federal Government Agencies.

PROPERTY TAXES

Real, Personal and Oil Property Taxes: The Borough's authorization to levy a property tax is provided under Alaska State Statutes 29.45. Under this section, the State requires the assessor to assess property at full and true value as of January 1 each year. The full and true value is the estimated price that the property would bring in an open market between a willing seller and a willing buyer. The total estimated taxable assessed value for the Borough for FY2020 is \$8,471,856,000.

The rate of levy is to be fixed by resolution, determined annually before June 15, per AS 29.45.240.

The State of Alaska also requires a number of property exemptions that municipalities must exempt when taxing property (AS 29.45.030). Two of the most significant exemptions in terms of dollars are the Senior Citizen and ANSCA native exemptions. In FY2020 (not including governmental property that has been exempted), these exemptions represent approximately \$9.8 million in property tax not collected in the General Fund, borough wide the estimated amount is \$16.9 million. In addition, the Borough has granted optional exemptions. In FY2020, these optional exemptions represent approximately \$4.8 million in property tax not collected for the General Fund; borough wide the estimated amount is \$8.7 million. See page 47 for the estimated exemption amount for the Borough's General Fund.

Penalty and Interest on Taxes Receivable: A.S. Title 29.45.250 and Kenai Peninsula Borough Code of Ordinances 05.12.080 outline the deadlines for payment and the rates of penalty and interest for late or nonpayment of taxes. Each service area of the Borough earns the interest on delinquent payments due its service area; however, the General Fund retains all penalties to offset costs involved with collections.

Motor Vehicle Tax: A.S. Title 28.10.431 and Kenai Peninsula Borough Code of Ordinances 05.12.245 authorizes the State of Alaska to collect personal property tax on registered motor vehicles based on a schedule outlined within A.S. 28.10.431, or an amount imposed by the municipality through passage of an ordinance. The tax is collected at the time of vehicle registration by the Department of Public Safety Motor Vehicle Division and remitted to the Borough monthly, less an administrative fee of 8%.

SALES TAX

A.S. Title 29.45.650 - 29.45.710 and Kenai Peninsula Borough Code of Ordinances 05.18.100 - 05.18.900 authorize the Borough and each of the five cities within the Borough to levy and collect sales tax on all retail sales, rents, and services made or rendered within the Borough based on the gross sales of the seller. The current Borough rate is 3% and is collected on sales, rentals and services made or rendered within the Borough, subject to the exemptions that have been provided by code. The sales tax shall be applied only to the first \$500 of each separate sale. During the October 7, 2008 municipal election, voters passed an initiative which exempts all sales of non-prepared food items from the Borough Sales Tax from September 1 to May 31 of each year. This initiative took effect January 1, 2009.

The Borough also collects sales tax on behalf of the cities within the Borough, which have various rates from 2% - 4.85%, and remits the tax that has been collected to them monthly.

Interest and penalty are assessed on delinquent sales taxes. The interest rate is set at 10% per annum, and penalty is assessed at 5% of the taxes due per month, up to a maximum of 10%.

FEDERAL REVENUES

Payment in Lieu of Taxes: A pro rata payment for federally-owned entitlement land is authorized by Chapter 69, 31 USC, Section 6902, based on the number of acres of federal lands within the Borough and the Borough population. However, the payment may not exceed a statutory limit. Funds received may be used for any governmental purpose. The estimated amount for FY2020 is \$3,600,000.

Civil Defense: A.S. Title 26.20.030 authorizes reciprocal aid agreements between the State of Alaska and other governments. In cooperation with the Federal government, the State and the Borough have established procedures to provide protection should a disaster occur. Reimbursement up to \$140,000 for operations is received from the Federal government through the Alaska Department of Military and Veterans Affairs.

National Forest Receipts: In accordance with 43-CFR 1881.1-2, funds flow from the Federal government through the State of Alaska to municipalities for in-lieu-of-taxes on national forest lands. Payments are allocated on the basis of a formula. Funds have not been included in the FY2020 budget pending funding of the program by Congress.

STATE REVENUES

School Debt Reimbursement: A.S. Title 14.11.100, State Aid for Retirement of School Construction Debt, outlines the procedure by which the Alaska Department of Education will reimburse the Borough for expenditures on school debt. For Borough bonds issued after April 30, 1993, the reimbursement rate is 70%. For FY2020 the Borough's entitlement for debt reimbursement is projected to be \$0.00, based on the uncertainties of the State of Alaska's FY2020 budget; compared to FY2019 debt reimbursement receipt of \$2,654,392.

Community Assistance Program (CAP) formerly called Community Revenue Sharing: During FY17 the State of Alaska legislature passed SB 210 which changed the Community Revenue Sharing Program to the Community Assistance Program. The FY2020 budget includes estimated funding of \$830,672 for the CAP program, which is equal to the FY2019 amount received for Community Assistance Program. Funding of this programs past FY2019 is uncertain.

Fisheries Taxes: A.S. Title 43.75.015 refunds to local governments a portion of the taxes levied on the fishing industry. Fishery businesses are those which take, purchase or otherwise acquire a fishery resource. This revenue sharing is based on 50% of the amount of taxes collected in the Kenai Peninsula Borough outside cities and 25% of the taxes collected within the cities of the Borough; the Borough's projected share for FY2020 is \$0.00 based on the uncertainties of the State of Alaska's FY2020 budget.

Electric and Telephone Cooperative: A.S. Title 10.25.570 refunds to the Borough the gross revenue taxes collected from the electric and telephone cooperatives of the Borough for activities outside cities of the Borough, less an administrative fee for collection.

OTHER REVENUES

Other revenues include service charges and fees for foreclosure, recording fees, election judge services, data processing charges, plat filing fees, fire service training seminars, ambulance service fees, recreation program admissions, and land sales and leases. In the internal service funds, other revenue includes amounts received from other funds for insurance premiums and repayment for equipment purchases.

E911 service charges are authorized by the Alaska legislature as a surcharge on local telephone exchange lines for operation of the enhanced 911 system.

Solid waste disposal fees are those fees collected at each of the Borough landfill sites for certain commercial/business waste.

Miscellaneous revenues are those that may be nonrecurring receipts for cash received, and are generally insignificant amounts.

Interest is primarily interest on investments and land sales. Kenai Peninsula Borough Code of Ordinances 5.10.010 - 5.10.120 established the investment policies of the Borough; and through the use of pooled funds, the interest earned from those investments is allocated on an equity basis to special revenue funds, special revenue capital projects funds, enterprise funds, and internal service funds.

OTHER FINANCING SOURCES

Sale of Fixed Assets: This revenue is derived from the sale of fixed assets by sealed bid or at public auction.

Transfers from Other Funds: This source of funding includes interfund transfers for services provided by one fund to another fund and transfers from special revenue operating funds to capital projects and debt service funds. Major transfers from the General Fund include those made for school operations, debt service, solid waste operations, and capital improvements.

Interdepartmental charges represent the cost of services provided by a department or division to another department or division. The Borough's policy is to budget 100% of staff time within each oversight department and then charge/allocate the cost of work done to the respective department receiving the service. Included in the interdepartmental charges are charges to other funds that are project length or grant funded and are not included in this budget document.

This page intentionally left blank.

General Fund

The General Fund is the general operating fund of the Borough. It is used to account for all financial resources except those that must be accounted for in another fund. The General Fund accounts for the normal activities such as general government, assessing, finance, legal, planning, along with funding for schools, solid waste, etc. These activities are funded primarily by property taxes, sales taxes and intergovernmental revenues.

Mission:

The Mission of the Kenai Peninsula Borough Assembly and Staff is to provide the community quality public service in partnership with its citizens, schools, other government agencies and business community by providing a full range of municipal services, and to formulate policies and ordinances to guide the orderly development and administration of the Borough.

Major Long Term Issues and Concerns:

- Provide sufficient levels of funding for Borough departments to ensure their continued ability to meet the needs of Borough residents.
- Provide local educational funding borough residents can reasonably afford and sustain.
- Provide a high quality capital and operational maintenance program ensuring the continued use and economic value of Borough assets.
- Providing a solution for the underfunded Alaska Public Employees' Retirement System (PERS) / Alaska Teachers' Retirement System (TRS).

FY2019 Accomplishments:

- Implemented an Invocation Policy in compliance with court ruling.
- Officially named the Kenai Peninsula Borough Assembly Chambers in honor of Betty J. Glick
- Ongoing participation in the Material Site Work Group.
- Ongoing participation in the AK LNG Project Advisory Committee.
- Ongoing in participation in the Election Stakeholders Group.
- Successfully transitioned the Anchor Point, Kachemak Emergency and Seldovia Recreational Service Area Board from elected boards to appointed boards.
- Successfully amended boundary lines between the Central and South Peninsula Hospital Service Areas which provided for expansion in both hospital service area boundaries.

Line-Item Explanations

40120 Temporary Wages. Includes regular monthly compensation for Assembly Members and stipends paid to Board of Equalization members.

43011 Contractual Services. Radio broadcasts - based on regular meetings and additional funding for off-site and special meetings, if required (\$12,000), catering (\$9,000), and miscellaneous items including Assembly photos, plaques, hearing transcripts, etc. (\$1,000).

43012 Audit Services. Borough and service area audits, which includes the state and federal single audit. Compliance audits, as well as financial audits, are required of the Borough and all component units.

43019 Software Licensing. "For the Record" software used to record hearings, Planning Commission, Roads Service Area, and School Board meetings. Legistar, Media Manager, Live Manager, In-Site and Vote Cast and Boards & Commissions software used to administer Assembly meetings, legislation, capture audio/video live and on demand streaming, public facing website and administer board and commission vacancies, eComment and security camera software renewal.

43210 Transportation/Subsistence. Assembly travel within the borough, including mileage and subsistence and for borough assembly meetings. Travel and meal costs for Board of Equalization hearings.

43215 Travel Out of State. Outside of State travel to National Association of Counties (NACo) legislative conference in Washington D.C. (up to \$1,750 reimbursed by Alaska Municipal League for WIR Representative).

43216 Travel In State. Outside of Borough travel to Alaska Municipal League (AML) annual conference, AML legislative committee meetings, and legislative lobbying trips to Juneau.

43920 Dues and Subscriptions. Includes Alaska Municipal League and National Association of Counties.

48710 Minor Office Equipment. Personal electronic tablet and accessories (keyboard cases and chargers, etc.).

Assembly - Clerk

Mission

To professionally conduct the Office of the Borough Clerk in a manner that ensures an effective link between the community and government through quality administrative support and the dissemination of information.

Program Description

The Borough Clerk’s office is comprised of the Borough Clerk (“Clerk”), the Deputy Borough Clerk, Borough Clerk Assistant and Borough Clerk Secretary. The Clerk serves as the Clerk of the Assembly. The Clerk serves as the parliamentarian to the Borough Assembly members and advises other borough boards on parliamentary procedures. The Clerk provides public access to records, administration to the Assembly, and the administration of the policy-making process. The Clerk directs the Borough’s records management program. The Clerk codifies the Code. The Clerk preserves the legislative history of the Borough. The Clerk serves as the custodian of the Municipal Seal and official Borough documents. The Clerk serves as a conduit between the Assembly, administration, and the public. The Clerk coordinates Assembly meetings and work sessions, produces meeting packets, and provides records of the proceedings. The Clerk administers all Borough Elections. The Clerk also prepares petitions and verifies signatures for initiatives, referendum, and recall elections.

Major Long Term Issues and Concerns:

- Consistently seeking new procedures and technology to realize efficiencies within the work product and a transparent public process. Ensure the very best in customer service.

FY2019 Accomplishments:

- Staffed 100+ meetings (regular and special), committees, hearings, and work sessions, including the Material Site Work Group (14), AK LNG Project Advisory Committee (10) and the Election Stakeholders Group.
- Utilized the Borough’s Facebook page to provide notice of, and promote, Assembly meetings and committee meetings and to disseminate election information, including board vacancies.
- Processed 54 Liquor Licenses (new/renewal/transfers).
- Processed 60 Marijuana License (new/renewal/transfers).
- Assisted with updating and amending service area bylaws (APFEMSA, SRSA, CES and RSA).
- Recipient of the 2018 Soldotna Chamber of Commerce Excellence in Government and Civic Affairs award.
- Worked with administration to create an ADA Compliance Program and added the additional responsibility of acting as the ADA Compliance Coordinator for the Borough.
- Created new invocation request submission form to comply with new policy.

FY2020 New Initiatives:

- Ongoing review of notification requirements to ensure effectiveness, efficiency and fiscal responsibility.
- Organize internal document structure and create and update procedure manuals.
- Ongoing staff education and professional development.
- Implementation of Boards and Commission Suite in Granicus for member tracking and appointment process.
- Create electronic internal process for routing and handling Public Record Requests.

Assembly - Elections

Mission:

To establish and increase public confidence in the electoral process by conducting voter registration and elections with the highest level of professional election standards, integrity, security, accuracy, and fairness.

Program Description:

The Borough Clerk is responsible for programming and processing municipal elections including elections of the cities of Kenai, Soldotna, and Seward and assisting the State of Alaska with Primary and General Elections.

Major Long Term Issues and Concerns:

- Federal laws that affect state and local elections require constant monitoring.
- Recruiting competent election workers for the October Borough, Cities of Kenai, Soldotna and Seward Elections.
- Work to get Federal and State election laws passed that enhance the election process while protecting the rights of citizens.
- Monitor and review Alaska Statutes on election laws making changes to the Borough's process as needed.
- Conduct efficient and litigation free elections.
- The optical scan units that are currently used to conduct our elections are owned by the State of Alaska. These machines have passed their effective life and either need to be replaced and all options for conducting election need to be considered.

FY2019 Accomplishments:

- Administered Regular Borough Election without challenge.
- Programed ballots for the Borough and Cities of Kenai, Soldotna and Seward.
- Maintained up to date website to accurately reflect candidate and election information.
- Coordinated with Cities within the borough to produce a comprehensive voter pamphlet for the October regular municipal election.
- Assisted the Cities of Soldotna and Seward with Special Elections.
- Successfully transitioned three service area boards from elected boards to appointed boards.

FY2020 New Initiatives:

- To provide cost effective approaches to the conduct of borough elections:
 - Consideration of elected v. appointed service area board members in some areas.
 - Review of the Informational Brochure (voter pamphlet) content and future distribution process.
 - Participate in the Election Stakeholders Group and present a recommendation to the Assembly for consideration regarding the future of election administration in the borough.
 - Provide for accessible voting experiences for all eligible voters.

Line-Item Explanations

40120 Temporary Wages. Wages for election poll workers, absentee voting officials and the canvass board.

40130 Overtime Wages. For clerk's office employees and other borough personnel who assist at the receiving center on election night.

43011 Contractual Services. By-mail precincts, ballot insertion and handling.

43019 Software Licensing. Licensing and maintenance agreement for elections software (5% annual increase per contract).

43110 Communications. Monthly service charge for accessing state voter registration records through VREMS and fees for modem lines used to upload election results on election night.

43140 Postage and Freight. USPS permits and postage for by-mail precinct ballots, absentee ballots and mailing of voter pamphlet.

43210 Transportation/Subsistence. Advanced election training for clerk and election worker training. Delivery of election materials and equipment, meetings with city clerks throughout the borough in preparing for the October election. Training absentee voter officials in remote areas of the borough.

43310 Advertising. Publication of election notices as required by law.

43410 Printing. Printing of ballots, election pamphlets, envelopes for ballots, and election forms.

Assembly – Records Management

Mission

To develop, implement, and manage a borough-wide, comprehensive, integrated, systematic Records and Information Management (RIM) Program designed to comply with federal, state and local requirements.

Program Description

Records Management is a division of the Borough Clerk’s Office. The Borough Clerk is responsible for the borough-wide records management program. This program is administered by the Deputy Borough Clerk (Records Manager) and has 1.5 record technicians.

The program serves to safeguard the Borough’s official records and informational assets (both paper and electronic) by guiding the management, access, retention, storage, protection, and disposition of those assets; and to provide consultative and operational assistance to all divisions and departments concerning their records management, retention, disposition, and secure information management practices.

Major Long Term Issues and Concerns:

- Audit entries in our records management software program in order to verify good data will be migrated to the new software when purchased.
- Internal increased demand for electronic/scanned/microfilmed records may require increasing ½ time position to full-time.
- Ongoing training of records staff to adhere/administer Generally Accepted Recordkeeping Principals (GARP).

FY2019 Accomplishments

- Destruction of 358 boxes for FY2019; 176 that met their mandated retention and 182 that were transferred to microfilm and/or electronic images.
- In collaboration with the Legal Department, donated 44 boxes of state statutes and administrative code to the State Law Library.
- Quarterly updates to the Borough’s retention schedule to mirror current business practices, while adhering to borough, state and federal laws.
- Conducted annual training and assisted record custodians from each department in utilizing the automated records management system and updated the user manual.
- Developed 8 records and archiving procedures to assist with implementing a detailed and thorough records management program.
- Completed RFP for new records management software.

FY2020 New Initiatives:

- Continue efforts in maintaining a current and updated retention schedule.
- Continue to hold quarterly meetings with department record custodians and conduct an annual training event.
- Per KPB 2.52.060 continue collaboration with the administration to implement the Borough “branding project”.
- Data migration to new records management software.

Dept 11210

Mayor

Mission:

The mission of the Office of the Mayor is to effectively and efficiently administer ongoing operations and functions of the Borough, advocate for the best interest of the citizens, facilitate economic growth, and provide community direction and leadership. As the Administrative Officer, the Mayor's powers and duties include, but are not limited to: (1) appointment of administrative officials; (2) supervision of the enforcement of municipal law and directives of the Borough Assembly; (3) preparation, submission, and execution of an annual budget; (4) Provide direct oversight for all finances and operations throughout the Borough.

Major Long Term Issues and Concerns:

- Balance the budget without increasing local taxes.
- Maintain the same level of services with reduced state revenues.
- Ensure KPB is well represented with the AK LNG project.
- Look for ways to reduce the cost of employee healthcare.
- Improve the Borough's economic development.
- Provide local tax incentives for new business development.
- Support all local fish groups at the state and federal levels.
- Advocate common sense changes to anadromous streams code of ordinances.
- Reduce workers comp claims with improved safety programs.

FY2019 Accomplishments:

- Reduced the KPB operational budget by 5.7%.
- Overall 47% reduction in recordable safety incidents.
- Formed an LNG Advisory Committee.
- Upgraded the KPB Emergency Alert System.
- Created the KPB Land Trust Investment Account.
- Remodeled IT and upgraded boiler system at reduced cost.
- Managed four emergency declarations for floods/earthquake.
- Collective Bargaining Agreement 1-year extension.

FY2020 New Initiatives:

- Submit a balanced FY2020 budget with reduced state revenue.
- Provided security upgrades for KPB and the School District.
- Secure K-Selo school grant funding and work on construction solutions.
- Lower workers comp claims through improved safety programs and awareness.
- Increase land sales for development and agricultural incentives.
- Complete the Kenai Spur North Road Expansion.
- Develop and implement a waste to energy project with the Municipality of Anchorage.

Dept 11227

Purchasing & Contracting

Mission

The mission of the Purchasing and Contracting Department is to provide procurement support and service to the various entities of the Borough whose objectives are to obtain materials, equipment and contracted services in a timely, cost effective manner, and at the best value to the Borough and to provide value-added construction management services to departments and service areas of the Borough.

Program Description

The objectives of the Purchasing and Contracting Department are to ensure appropriations are used wisely and in the best interest of the Borough, while preserving the integrity and fairness of the competitive process; to provide guidance to all departments and service areas as it pertains to purchasing policies and procedures; to dispose of surplus tangible property of the Borough, School District and Service Areas; and to provide administration for major and minor capital improvement projects for schools, roads, Borough hospitals, solid waste, and various service area improvement projects, which includes concept evaluation, cost estimation, and engineering criteria review.

Major Long Term Issues and Concerns:

- Long term issues and concerns include improving inventory and supply chain management and purchasing support to departments and service areas.
- Identifying efficiencies to improve Borough's internal business process.
- Continue to work in modernizing the procurement process and updating procurement documentation and contracts.
- Reduction in state and federal grants and overall reduction of capital improvement projects across the Borough.
- Alignment of project funds with project management time on the projects.

FY2019 Accomplishments:

Purchasing Administration:

- Implemented and administered an online auction process for the disposal of surplus tangible property and netting approximately \$26,000 in two (2) online auctions. Another auction is scheduled for Spring 2019.
- Supported the Borough in the acquisition of approximately \$97 million worth of goods and services.
- Successfully implemented last phase of e-bidding process with inclusion of Requests for Proposals that will provide increased efficiency in the department and easier proposal submission for proposers. It opened bidding pool to wider range of outside bidders for professional services.

- Maintained efficient levels of inventory and consumables for maintenance warehouse and overall cost of inventory and time management.
- Continued improved efficiency in open purchase order management for Maintenance Department.
- Continued integration and internal business practices for Purchasing and Contracting Department, updated contractual and bidding documentation for large service contracts.

Capital Projects

- Provided drawing and document support to the Maintenance Department allowing for improved Maintenance Department efficiency on small projects.
- Provided Land Management building and property evaluation support for property acquisitions.
- Improved project coordination and communications with Borough departments.
- Successfully integrated Road Service Area capital improvement projects into department responsibility and with that completed alignment of all capital improvement projects now being managed under the single department. This provided increased efficiencies across the departments and contract management.

FY2020 New Initiatives:

- Continue in Borough wide review of KPB procurement processes with the intent of developing and implementing strategies for improvement and efficiency and adjustment of procurement Code of Ordinances.
- Expand annual inspection and identification of department and service area facilities for CIP and deferred maintenance needs for non-school facilities.
- Continue to review service and supply agreements across the Borough to identify potential cost savings.
- Complete improvement of aligning efficiency in contracts and purchasing administration in combined department and integration and roads capital improvement projects.
- Improve alignment of internal business practices for more efficient project management across the Borough.
- Develop successful and more efficient process for micro-purchasing across the Borough.

Major projects in design:

CES Training Site Phase 2 Expansion, Homer Solid Waste Facility Landfill Closure Phase II, Nikiski Community Recreation Center Remodel, Funny River Upgrades. Road Projects: Flintock Lane, Bidarki Drive, Bridger Road; Hutler Road; Glenn Road, Kipling Circle; Tern Circle, JacNJil Circle, Jitney Circle; Tim Avenue, Muir Street, Creek View Road.

Major projects in progress:

CPH OB CATH Lab, Kenai Spur Highway Extension, Nikiski Fire Station #3, Nikiski Fire Station Engine Exhaust Removal, Nikiski Fire Station #1 Parking Lot Repairs, NPRSA Pool Fire Alarm System Replacement, Central Peninsula Landfill C&D Cell Expansion Phase II, Nikiski Fire Station Boiler Replacement. Road Projects: Heights Lane and Hillside Drive; Huskey and Betty Lou; Myra Avenue, David Avenue, Peggy Drive & Sharon Street; Jacobs Ladder.

Major projects completed:

IT Department Remodel, CPL Cell 3 & Cell C&D expansion, CES Station #4 Painting and Siding, CES Station #3 Painting and Concrete Sealing, CES Lighting Improvements Phase 3, 911 Public Safety Comm. Center, Bear Creek Multi-Use Facility, Borough Administrative Building Boiler Replacement, North Pen Rec and Nikiski Fire station 1 septic tank replacements, Homer Middle School Gym Floor, Seward Bear Creek Flood SA-Upper Salmon Creek. SPH Medical Center, SPH HVAC OR Project. Road Projects: Kilcher Road; Morning Circle; Morrison Drive; Wyoh Way, Laghus Street South, Maria Road & Cana Court.

Purchasing:

Priority/Goal: Procurement

Goal: To provide procurement support and services to various entities of the Borough.

Objective: To obtain the best value and business efficiencies while preserving the integrity and fairness of the procurement process.

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Staffing History	4	4	4	4
Contracts/Agreements (long form)	62	32	30	40
Contracts/Agreements (short form)	182	195	200	225
Formal Solicitations	61	61	55	60
Number of Appeals/affirmed appeals	0	0	0	0
Supplier/Contractor Contacts	1,516	1,516	1,428	1,451

Capital Projects:

Priority/Goal: Staffing

Goal: Efficient and effective project management

Objective: Determine staffing level based on project load balanced with project value. Keep concurrent project ratio between 1:5 and 1:7. (Consider project size, location and complexity.)

Measures:

	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Project Manager to Project Ratio	1:7	1:8	1:8	1:8	1:8
Staffing history (prorated based upon FTE equivalents during the year)		6	6	4	4

Priority/Goal: Schedule

Goal: To provide timely service to Service Areas and Departments in scheduling and completion of projects.

Objective: To complete all projects within the grantor's funding time requirements.

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Projects completed within funding time requirements	100%	100%	100%	100%

Office of Emergency Management

Mission

The Office of Emergency Management has the primary day-to-day area-wide responsibility for natural and human-caused disaster management, community preparedness and mitigation planning programs and activities.

Program Description

The objectives for OEM include disaster preparedness, mitigation efforts, response coordination and recovery effort coordination, including at the citizen preparedness and responder level.

Major Long Term Issues and Concerns:

- The OEM model requires staffing from other Borough departments to form an Incident Management Team (IMT) to adequately respond and recover from emergencies and disasters. Support for a fully staffed and trained team has not been present in the past several years, and is diminishing our response capacity.

FY2019 Accomplishments

- Performed two successful incident responses: 2018 Seward Flood and November 2018 Earthquake.
- Participated in transportation feasibility planning for major earthquakes that may affect transportation routes in Southcentral Alaska with military and civilian leadership.

- Completed first phase of backup communications system installation with ultimate goal of establishing resilient KPB-wide communications in all communities.
- Fully staffed OEM office and implemented new approach to Community Emergency Response Team (CERT) volunteers and team organization.
- Participated in several emergency exercises including organizing several full-scale events including the statewide Alaska Shield 2019 exercise.

FY2020 New Initiatives:

- Increase involvement in the Seward/Bear Creek community and provide more continuity and management to KPB functions in the east peninsula.
- Utilize the whole-community approach to emergency management by bringing voluntary and other community organizations together for planning and coordination during emergency events, specifically addressing volunteers, sheltering, and donation management. Grant funds were awarded to assist with staffing to complete this project and work is expected to continue through the first half of FY2020.
- Provide a greater focus on our cities and unincorporated communities by establishing a better system for operational coordination during an emergency. This initiative is a direct result of lessons learned during events in 2018.

Performance Measures

Priority/Goal: Emergency Preparedness.

Goal: Provide outreach to residents to encourage and enhance preparedness for natural and man-made disasters to reduce loss during disasters and to support area wide disaster recovery; promote self-sufficiency for 7 or more days.

Objective: Public presentations, lectures and media interviews and interagency coordination.

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Number of declared disaster responses	1	1	2	2
Number of Public presentations, lectures and media interviews	12	16	24	26
Number of exercise and/or responses conducted	8	7	8	8

Budget Detail**

Fund 100

Department 11250 - Emergency Management - Administration

Line-Item Explanations

40110 Regular Wages. Staff includes: Emergency Management Senior Manager, Administrative Assistant, Technical Assistant, and Program Coordinator.

42120 Computer Software. Ongoing software needs and upgrades for business operations, mobile data, and disaster response.

42250 Uniforms. Purchase uniforms for public presentations, outreach, and field work to readily identify OEM and Incident Management Team staff.

42310 Repair/Maintenance Supplies. Supplies and parts for building maintenance, warning siren components, generator parts, and other repair supplies.

42360 Motor Vehicle Repair Supplies. Parts for mobile command vehicle, trailers, and operational vehicles.

42410 Small Tools. Increase to purchase tools for radio maintenance and programming.

43011 Contractual Services. Flood warning stations (\$77,200), KPB alerts system (\$12,500), janitorial services (\$3,900), radio and repeater system maintenance (\$12,000), Emergency Alert System (EAS) annual fee (\$700), South Peninsula communications site installation (\$8,000), Federal Signal siren upgrades (\$8,500), and employment background checks (\$130).

43019 Software Licensing. Incident Management Software annual fee (\$1,600), security camera licensing (\$193), and annual fee for warning siren software (\$900).

43110 Communications. Connectivity for ERC, long distance, cable, mobile phones, satellite phones, circuits for warning sirens, mobile data for field software.

43210 Transportation/Subsistence. Siren maintenance/repair in remote communities including across Kachemak Bay, CERT classes in various KPB communities, and Emergency Management Institute training (FEMA subsidized).

43260 Training. Includes coursework for two-way radio training for program manager to enable more radio work to be brought in-house rather than contracted.

43780 Building / Grounds Maintenance. Grounds maintenance, snow plowing and sanding, elevator, boilers, HVAC, and other building system maintenance, warning siren preventative maintenance and repairs. Includes maintenance and testing for five emergency generators. Increase due to siren maintenance scheduled for this FY.

43920 Dues and Subscriptions. International Association of Emergency Managers (\$190), Emergency Management Accreditation Program (\$450), Association of State Floodplain Managers (\$160), vehicle registrations (\$40), and Peninsula Fire Chiefs Association (\$50).

43999 Disaster Response Contingency. Contingency funds available for initial response in the event of an disaster within the Kenai Peninsula Borough.

48710 Minor Office Equipment. Replace 3 Incident Management laptops (\$3,549), purchase 1 new desktop computer (\$827), replace 2 conference room display screens (\$1,600), and replace tablet (\$400).

48710 Minor Office Furniture. Sit/stand desk (\$400) and replacement office chairs (\$400).

48750 Minor Medical Equipment. Replace shelter supplies include cots, blankets, linens, and other mass care supplies used during disaster response and recovery that is at end of life (\$1,500).

---	---

Mission

The mission of the Office of Human Resources is to lead the successful development of employees and employment relationships through effective hiring, policy development, labor and employee relations, training and related support services.

Program Description

The Office of Human Resources provides employee relations, talent management, recruitment, hiring, retention, training and the administering of benefits for employees, ensures regulatory and statutory compliance, develops policies and procedures and administers labor relations for the Borough.

Major Long Term Issues and Concerns:

- Continuing to operate in an ever expanding role with limited budget and personnel.
- Creating overdue critical policies where potential liability on the Borough is of concern.
- Capture all Borough Policies under one umbrella for ease and accountability.
- Providing meaningful training to the HR team to be able to provide a high level of support from a knowledgeable staff.
- Continued pursuit of electronic HR solutions in a challenging fiscal environment.
- Strategic recruitment with a budget that does not permit competitive wages in a restricted candidate pool.

FY2019 Accomplishments:

- Implemented the ID Badge Policy.
- Negotiated a new life insurance policy for all Borough employees.
- Consulted departments and administration regarding restructuring efforts and planning.
- Offered executive board-level participation in health care coalition to ensure KPBS voice in upcoming policy changes statewide.
- Collaborated with KPBSD on compensation concerns to raise awareness and increase affirmative actions for prevention.

FY2020 New Initiatives:

- Review GEMS and NEOGOV to determine their capabilities as an HRMS or research alternatives.
- Update identified personnel policies and procedures to support administration initiatives.
- Revise organizational design as required to support administrative changes and direction.
- Analyze opportunities for additional cost savings and support mechanisms for health care programs.
- Implement a drug testing policy focused on maintaining high standards for our new hires and appropriately monitor existing staff.
- Create an easily accessible repository for all Borough policies.
- Increase background checks for most new hire applicants.

Performance Measures

Priority/Goal: Human Resources

Goal: Voluntary, regrettable turnover under 10%

- Objective:**
1. Low turnover signifies a healthy employee environment.
 2. Low turnover equates to less time and money training new employees.
 3. Low regrettable turnover indicates positive employee morale and may result in higher productivity.

Measures:

Turnover	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Voluntary Turnover Ratio	5%	5%	4%	4%

Fund 100 Dept 11230	Department Function General Fund Human Resources – Administration - Continued
--	--

Priority/Goal: Human Resources

Goal: Grievances not resolved by Step 3, under 1 per year

- Objective:**
1. Unresolved grievances may signify poor employer/employee relations.
 2. High volume of filed grievances may signify management issues within a department.

Measures:

Grievances	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Grievances Unresolved by Step 3	0	0	0	0

	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Staffing History	3.5	3.5	3.5	4.0

Commentary

The KPB Human Resources team reconstitutes its efforts to focus on the areas of benefits and compensation, compliance, efficiency with an effort to move from paper processes to modern, industry standard, electronic methods in a budget minded administration.

This team and specifically the Director must be effective in engaging at the senior level on the strategic efforts.

We will focus on restructuring and training the Team to be able to meet the challenges of increasing responsibilities and more regulatory demands.

We will add additional drug testing requirements for most prospective new hires as a pre-employment process. This is more than a process but a complete program.

As in previous years, compliance with changing healthcare law and rising health care costs – especially in Alaska - continues to be a challenge for employers. Managing these frequent changes and demands, while controlling costs in our health plan, continues to be a focus for the HR team and the Borough.

Human Resources - Homer and Seward Annex

Mission

The mission of the annexes is to provide as near-to-full Borough service as possible to the Homer and Seward communities.

Program Description

The Borough Annex offices in Homer and Seward provide information to the public so that residents do not have to physically present themselves to the main offices in Soldotna.

Major Long Term Issues and Concerns:

- Balancing community needs with availability and access.
- Providing automation, access and training to improve efficiency and effectiveness of annex service delivery.
- Ensure that the secretaries are fully embraced as an important part of General Services.

FY2019 Accomplishments

- Coordination with KPB Clerk’s office on borough-wide elections activities within their communities.
- Moved Homer Annex to the Maintenance facility saving over \$16,000 in future lease payments starting in FY2020.
- Restructured the Homer Secretary position to incorporate Maintenance administrative responsibilities so as to gain cost efficiencies.

FY2020 New Initiatives

- Review Seward Secretary location to be more efficient.
- Review the possibility of restructuring the Seward Secretary position.

Performance Measures

Priority/Goal: Homer and Seward Annexes

Goal: Provide Borough departmental service for the residents of those areas as effectively as possible.

- Objective:**
1. Train the personnel covering those annexes in those areas where they can perform the service.
 2. If they are unable to perform the service, train the personnel on how to properly service the resident; i.e., obtaining information, referral to department personnel, etc.
 3. Continue to educate the public on the services available.

Measures:

Average number of residents served per month	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Homer	240	240	280	200
Seward	40	40	40	30

	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Staffing History	1.5	1.5	1.5	1.0

Commentary

The Annex offices remain an integral part of the Boroughs presence in our more removed locations. Consolidation of responsibilities among staff are intended to gain efficiencies without removing or reducing the Borough’s presence and support to those communities.

Fund 100

Department 11230 - Human Resources - Administration

Line-Item Explanations

40110 Regular Wages. Staff includes: Director of Human Resources, HR Specialist, HR Generalist, HR Assistant, 1/2 time Secretary-Homer, and 1/2 time Secretary (Seward Annex).

Increase HR Assistant position from 1/2 time to full time.
Decrease full-time secretary (Homer Annex) to 1/2 time.

42410 Small Tools & Minor Equipment. Phone replacement for HR Director, HR Specialist, HR Generalist according to IT replacement schedule.

43011 Contractual Services. Background/driving checks through Liberty Screening Services (\$1,500), annual State of Alaska FICA administrative fee (\$700), document shredding (\$520), pre-employment drug testing (\$1,100), miscellaneous small contracts(\$180), and contingency for labor negotiations which are expected to get underway toward the latter part of January (\$5,000).

43019 Software Licensing. Annual fee for on-line recruitment license, subscription, maintenance and tech support NEOGOV (\$8,368) and, security camera software renewal (\$140).

43140 Postage & Freight. Increase due to significant number of certified confidential mailings.

43210. Transportation/Subsistence. Travel out-of-state for continuing education units to maintain Bar Association credentials for HR Director, travel for HR Director to attend monthly Society of Human Resources meetings in Anchorage, travel for training seminars in Anchorage to benefit the overall knowledge base of the Human Resources team.

43260 Training. Training associated with continuing education units to maintain credentials, certifications and to enhance knowledge base and skills of the Human Resources team.

43270 Employee Development. The Collective Bargaining Agreement, effective for the period 7/1/19 through 6/30/20, set the fiscal year amount at \$10,000.

43410 Printing. Decrease due to absorption of printing needs done in house.

43720 Equipment Maintenance. Increase based on average cost from FY18 & FY19 and incremental increase in costs per copy.

43810 Rents and Operating Leases. Decrease due to closure of Homer Annex.

43920 Dues and Subscriptions. Annual dues for the Society for Human Resource Management (\$209); annual Attorney Bar Assoc. dues (\$350).

48710 Minor Office Equipment. Purchase of PC for HR Specialist according to IT replacement schedule (\$827).

Human Resources- Print/Mail

Mission

The mission of the print/mail shop is to provide efficient and cost effective print and mail services to the Borough, service areas and school district.

Program Description

The print room function provides printing services of routine and special publications of the Borough, service areas and school district, which includes binding, laminating, collation and copying. The mail room function involves the metering, sorting and delivery of Borough, service area and school district mail, including the folding, stuffing, sealing and mailing of bulk mailings such as sales tax forms, tax billings, school district payroll and assessment notices.

Major Long Term Issues and Concerns:

- Maintaining efficiencies and cost effectiveness in an often time-sensitive environment.
- Maintaining proper inventory for customer needs.
- Communications between the Directorates and the Print show to establish priorities in an effort to maintain a more continuous work flow and reduce unscheduled time sensitive demands.

- Controlling maintenance costs and out-of-service delays.
- Maximizing our use of available technology; reducing paper where possible.

FY2019 Accomplishments

- Completed workflow evaluation to ensure maximum efficiency outside of calendared events (e.g. check printing, quarterly mailings).
- Support rebranding efforts of KP.B.

FY2020 New Initiatives:

- Ongoing support of rebranding efforts of KP.B.
- Restructure the staffing to reduce the presence in the afternoons while still providing the same level of support for print operations.
- Continued to evaluate equipment replacement and improvement needs against new efficient technology options.
- Create a workflow assessment to assist in determining peak workloads.

Performance Measures

Priority/Goal: Print/Mail Room

Goal: Provide timely and accurate response to our departments, school district and service areas on all print and mail job requests. To assist/serve the employees of the borough, service areas and school district in providing high quality service to the residents.

- Objective:**
1. Meeting deadlines on mail and print requests which will allow our departments, school districts and service areas to better serve the residents.
 2. Timely responses to requests are economically beneficial to the departments, school district and service areas.

Measures:

Line-Item Explanations

40110 Regular wages. Staff includes: 3/4 time lead mail-copy technician.

Delete: 1/2 time Mail/Copy Clerk

42210 Operating Supplies. Decrease due to average cost for FY18 & FY19.

42410 Small Tools & Equipment. Decrease due to one-time purchase of an oval die for the coil binder and 2 adjustable work tables during FY18.

43110 Communications: Increase due to average cost for FY18 & FY19.

43210 Transportation/Subsistence. Decrease due to reduction in staff.

43720 Equipment Maintenance. Annual maintenance agreement on the folder, stuffer, mail processor and peripheral components include a 15% increase based on correspondence with vendor.

43812 Equipment Replacement Payments. Scheduled replacement of equipment per following list.

48710 Minor Office Equipment. Purchase shredder to replace failed shredder (\$175).

Equipment Replacement Payment Schedule

Mission

Provide effective, courteous, and responsive end user support for the Kenai Peninsula Borough’s computing systems. Implement and maintain a reliable, robust network, which serves as the delivery mechanism for computing services. Provide direction, consultation, and guidance regarding future planning as it relates to the Kenai Peninsula Borough’s computing and information management needs.

Program Description

The IT Department implements and supports all computing and networking, and the majority of telephony infrastructure for the Kenai Peninsula Borough. Additionally, the IT Department provides support for mission critical business applications, and provides application and integration development for all KPB business units.

Major Long Term Issues and Concerns:

- Changing technology and required cost to maintain systems.
- Ongoing training required by constantly changing IT landscape.
- Streamlining IT support to handle increasing IT scope without staffing increases.

- Electronic document management/classification/retention being brought up to the standards applied to permanent records such as microfilm/microfiche and paper.
- Increasing cost of software licensing.

FY2019 Accomplishments

- Developed and implemented KPB-wide timekeeping application in conjunction with Finance Department.
- Developed and implemented updated public facing website (www.kpb.us) utilizing ‘responsive design’ framework.
- Completed IT Department remodel.

FY2020 New Initiatives:

- Develop KPB-wide document/process routing application.
- Develop KPB-wide budgeting application.
- Complete a general IT security assessment.

Performance Measures

Priority/Goal: Customer Service

Goal: Timely resolution of desktop computing issues.

Objective: Reduce average time to close on medium and high priority issues.

Measures:

Average Incident Closed Time by Priority	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
High priority incident response time	4 hours	1.17 Hours	1.08 Hours	1.38 Hours	<4 Hours
Medium priority incident response time	8-12 hours	6.23 Hours	7.46 Hours	8.47 Hours	8 Hours
Low priority incident response time	48 hours	24 Hours	20 Hours	24 Hours	24 Hours

Priority/Goal: Customer Service

Goal: Timely resolution of desktop computing issues.

Objective: Increase percentage of incidents closed within 1 business week.

Measures:

Percentage of Incidents Closed	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
% of incidents closed within 120 Hours	96.4%	96.4%	94.8%	95.0%

Department 11231 - Information Technology - Continued

Line-Item Explanations

40110 Regular Wages. Staff includes: Director, 4 Enterprise Applications Developers, 2 Network/IT Administrator, 1 Senior Information Helpdesk Technicians, 2 Information Helpdesk Technician, 1 Information Helpdesk Supervisor and 1/2 IT Clerk.

42120 Computer Software. Developer software development kits, mobile apps, minor software updates, additional backup licensing.

42310 Repair/Maintenance Supplies. Parts for repairing and maintaining desktop computers, server equipment and network infrastructure.

42410 Small Tools & Equipment. Hand tools, computer accessories, additional UPS.

43011 Contractual Services. Software modifications (\$4,000), SSL certificates (\$799), and hosted code repository (\$408).

43019 Software Licensing. Reduction due to reclassification of GEMS to Finance Department in FY2020, CommVault support (\$27,649), WebHelpdesk (\$2,099), End user remote access (\$3,768), Unisys (\$33,971), McAfee (\$3,554), Microsoft Office (\$60,284), Cisco SmartNET (\$15,000), VOIP System (\$9,737), VoiceMail System (\$4,012), Planet Press (\$3,262), VMWare support (\$12,512), Equallogic SAN support (\$6,500), Quantum LTO rapid renewal (\$2,649), misc. (\$3,796), data loss prevention and SPAM filtering (\$14,000).

43110 Communications. Internet connection, Borough Administration building TLS circuit.

43210 Transportation and Subsistence. Decrease in training-related travel due to completing more training online.

43260 Training. Ongoing internet based technical training/courses for developers, system administrators and helpdesk staff.

43780 Buildings/Grounds Maintenance. Server room A/C preventative maintenance.

43812 Equipment Replacement Payments. To purchase information technology equipment. See schedule below.

43920 Dues & Subscriptions. Safari books online subscriptions (\$2,095).

48710 Minor Office Equipment. High end desktop (\$1,233), development workstation (\$4,000), scheduled replacement of 4 distribution switches (\$2,500 each), mid range and unmanaged switches (\$3,600), tape drive (\$4,000).

Dept 11310

Legal Department

Mission

To provide legal services for the Borough and School District in an ethical, timely, professional, and cost-effective manner. As this promotes legal, fiscally responsible, and respectful municipal government, it furthers the general government mission statement.

Program Description

The legal department serves the assembly, the borough administration including all borough boards, commissions, and departments, and the school district. Services provided include routine legal advice, issuing legal opinions, document drafting and review, preparation and/or review of ordinances and resolutions, and representing our clients in litigation.

Major Long Term Issues and Concerns:

- Updating the borough code for clarification, to eliminate inconsistencies and incorrect references, and to improve processes.
- Conduct regular training of public officials.
- Continue moving towards paperless work environment.

FY2019 Accomplishments

- Advised BOE in 20 hearings and drafted all decisions resulting in zero superior court appeals.

- Updated bylaws for several service areas with clerk's office.
- Advised Nikiski Senior Service Area board re issues.
- Advised school board in 2 expulsion hearings, drafted decisions.
- Finalized settlement with MTA and ITC.
- Advised Material Site Workgroup.
- Updated Legal Department's webpage with IT assistance.
- Advised AK LNG Project Advisory Committee.
- Continued converting many research files to digital format.
- Advised staff in three administrative appeals from Planning Commission decisions.
- Worked with staff to enter stipulated enforcement orders and agreements to resolve several code violations without hearing.

FY2020 New Initiatives:

- Short form contracts updated.
- Revise General Conditions for standard agreements.
- Align code notice provisions for Planning Dept. actions.
- Assist with AML project re sales tax of internet sales.
- Assist with Landfill Gas to Energy Project.
- Revise Title 21.29 using task force recommendations.
- Draft new code chapter identifying borough powers.
- Advise election stakeholder group.

Performance Measures

Priority/Goal: In a timely manner review and prepare high quality documents for the borough and school district, and skillfully research and respond to requests for legal advice and assistance.

Measures:

	Finance - Administration

Mission
 Provide overall administration and accountability of the financial activities of the Borough by ensuring that Borough financial practices are in compliance with Borough, state and federal laws and reflect best practices within public sector for financial management.

Program Description

- Administration of the Borough’s finance department.
- Management of the Borough’s investment pool.
- Serve as advisor to the Mayor and the Assembly.

Major Long Term Issues and Concerns:

- Changes in financial reporting due to Government Accounting Standards Board (GASB) proposed changes to accounting practices and reporting.

FY2019 Accomplishments

- Developed and issued RFP for investment management services for the Land Trust Investment Fund (LTIF.)
- Received GFOA Certificate of Achievement for Excellence in Financial Reporting for the FY2018 CAFR, 40th consecutive year.
- Received GFOA Certificate of Achievement for Popular Annual Financial Reporting for the FY2018 CAFR, 5th consecutive year.
- Received GFOA Distinguished Budget Presentation Award for the FY2019 budget document, 27th year.

FY2020 New Initiatives:

- Earn GFOA Certificate of Achievement for Excellence in Financial Reporting.
- Earn GFOA Certificate of Achievement for Excellence in Popular Annual Financial Reporting.
- Earn GFOA Distinguished Budget Presentation Award.

Performance Measures

Priority/Goal: Effective Governance
Goal: Maintain external validation of the Budget and Comprehensive Annual Financial Report (CAFR)
Objective: Obtain GFOA Certification of Excellence in Financial Reporting and GFOA Distinguished Budget Presentation Award

Measures:

Finance – Financial Services

Mission

Provide accounting services for all departments and service areas of the Borough. Maintain the Borough’s chart of accounts; conduct sales tax audits of businesses selling goods and services in the Borough to ensure compliance with sales and personal property tax ordinances; monitor, prepare, and submit financial reports for all Borough grants; and assist in the preparation of the Borough’s Comprehensive Annual Financial Report and annual budget document.

Program Description

The Financial Services Division provides a variety of financial services to the Assembly, Borough Employees and the general public. Services include accounts payable, payroll, financial analysis, budget reporting, grant management, sales tax audits, and tax compliance reporting.

FY2019 Accomplishments:

- Negotiated contract and initial phases of Innoprise financial software implementation. This is a borough wide effort that effects all Departments and Service Areas of the borough.
- Completed implementation of an in-house developed electronic interface allowing for electronic timesheets until the full product can be purchased and implemented after phase II of Innoprise.

FY2020 New Initiatives:

- Complete implementation of Innoprise financial system and refine processes to be more efficient and stream line.
- Begin review process and contract negotiations to implement the second phase of the Innoprise system, related to payroll and human resources.

Performance Measures

Priority/Goal: Operations

Goal: To provide timely and accurate payment to vendors and employees.

- Objective:**
1. Produce direct deposits and W-2’s for all employees.
 2. Process invoices and provide timely payment to vendors.

Measures:

Process	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Payroll checks and direct deposits issued	11,152	10,752	11,000	11,000
W-2’s issued	784	716	750	750
Ratio of PR checks issued to voided/reissued checks	1,115:1	2,150:1	1,833:1	1,833:1

Finance – Property Tax and Collections

Mission

Property Tax and Collections Division is committed to serving the public, businesses and government customers by collecting and distributing taxes and information properly and accurately in the most courteous, professional, innovative and cost effective manner, in addition to meeting all Borough and State legal requirements and supporting a positive work environment for employees and constituents.

Program Description

It is the responsibility of the Property Tax and Collections Division to calculate the annual mill levies, bill, mail, collect and disburse annual property tax and related penalty and interest for all Borough taxing authorities, services areas and 6 cities located within the Borough in accordance with the KPB Code of Ordinance ensuring accurate recording of property taxes and other revenue. The department is responsible for the collection of delinquencies from sales tax, leasehold property, mobile homes, personal and real property tax which includes the foreclosure proceedings mandated by Alaska State Statutes. This division collects and posts all revenue that comes into the borough as well as research and reviews all liquor license applications for compliance.

Major Long Term Issues and Concerns

- Per a settlement the State of Alaska has entered into with the three consumer reporting agencies, we are no longer able to report certain debts making collection efforts even tougher and more complicated than in the past.

FY2019 Accomplishments

- Online payments of property taxes totaled \$6.05 million in calendar year 2018, which continues to increase yearly by over 20%.
- Implemented the Interactive Voice Response (IVR) system to allow payments over the phone.
- Temporary personnel were not needed to help in the foreclosure process.
- Increased filing of Sales Tax Liens and Small Claims.

FY2020 New Initiatives:

- Streamline the procedures of issuing Tax Certificates.
- Continue to increase small claims actions against debtors for unpaid personal property and sales tax.
- Move the Special Assessments to the Aumentum Module to allow for more efficient billing, data retrieval, electronic payments, and centralized parcel information.
- Working with the IT Department to make the Tax Adjustment Request (TAR) process automated.

Performance Measures

Priority: Effective Governance

Goal: Collect at least 99.9% of real property tax prior to taking clerks deed.

Objective: To contact as many owners for payment of delinquent taxes prior to obtaining clerk's deed avoiding taxpayers having to repurchase property.

Measures:

Documents processed	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Real Property Tax Bills Produced	65,553	65,684	65,834	65,900
Foreclosure Notices Sent	1,627 (1)	1,860	1,705	1,800
Number of Properties with Foreclosure Judgment	931	1,181	970	1,026
Clerk's Deed filed (foreclosure process completed)	43	40	30	32
% of property tax collected	99.9%	99.9%	99.9%	99.9%

(1) Initial decrease in notices due to code change of minimum foreclosure amount due from \$20.00 to \$200.00.

Department Function**Fund 100****General Fund****Dept 11441****Finance – Sales Tax****Mission**

Collection and distribution of Borough and Cities' sales tax as defined within the Borough Sales Tax Code section 5.18.100, while remaining in compliance with Borough policies and Alaska State Statutes.

Program Description

Sales Tax Division is responsible for processing sales tax returns, registering new businesses, and issuing tax exempt cards, resale cards and owner/builder cards. Division compiles and provides accurate and timely sales tax information to the general public and various government officials. Make recommendations regarding policies and ordinances related to sales tax. Maintain special assessment program and administer annual billing cycle. Monitor and maintain land sale escrows and land leases.

Major Long Term Issues and Concerns:

As municipalities and organizations within the Borough look to boost revenues to cover increased operating expenses, changes to local tax structure are routinely considered. These potential changes to local tax structures, including sales tax, put a burden on Borough resources as we are charged with the administration of sales taxes within the Borough, including the five cities that have sales tax. The state also is considering a statewide sales tax as a part of their future revenue sources.

FY2019 Accomplishments

- Implemented upgrade of sales tax system in November 2018; e-tax component to be complete by May 2019.
- Provided Final Assessment notice for Silver Weed/Daisy Road Improvement District.
- Reviewed existing sales tax policies and updated as needed.
- Exploring enhancements of new sales tax software upgrade to assist with sales tax efficiencies.
- Implemented software changes and process updates related to 2 sales tax changes made by the cities.
- Implemented PayDirect Interactive Voice Response, enabling tax payers to pay USAD/RIAD's electronically, reducing phone activity and processing paper transactions.

FY2020 New Initiatives:

- Effective use of e-tax component for sales tax, implement efficiencies to reduce expenses and continue to provide acceptable level of service to business owners.
- Education of the public of the e-tax program, encouraging use to business owners, reducing filing errors.
- Continue efficiencies with special assessments; two expected billing cycles on new special assessments in 2020.
- Continue review of converting Special Assessment to Aumentum Special Assessment module, utilizing modernized technology, allowing more efficient billing, data retrieval, and centralized parcel information.

Performance Measures**Priority/Goal:** Effective Governance**Goal:** Process incoming sales tax returns in timely manner. Provide accurate sales tax information to interested parties.**Objective:** Comply with Borough sales tax code, policies and Alaska State Statutes.**Measures:**

---	---

Mission

To maintain accurate ownership, legal and physical description of all real and personal property borough-wide, enabling accurate assessment of all taxable property within the borough in compliance with State and Borough requirements.

Program Description

Handle transfers of ownership, administer exemption programs, enter inspection data, and respond to all public inquiries. Provide accurate and timely information to the public, user departments, and other government agencies. Prepare the annual assessment rolls.

Major Long Term Issues and Concerns:

Recent departure/retirement of tenured staff has left gap in jurisdictional experience and institutional knowledge.

FY2019 Accomplishments:

Implemented changes to property classification and TAGs for hospital boundary change, created 3 new TAGS and reclassified 2,500 parcels and 2 new service area tiers for reporting certified values.

FY2020 New Initiatives:

Continue working with IT toward moving paper processes to paperless SharePoint workflows (subdivisions and tax adjustments).

Performance Measures

Priority/Goal: Public Service

Goal: Administer Exemption Programs

- Objective:**
1. Notify new property owners of exemption programs and eligibility requirements.
 2. Audit ownership information to ensure that exemptions are removed when residents move or sell property.

Measures:

Exemption Program Counts	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Assessment year	2016	2017	2018	2019
50K Residential Applications approved (new)	935	811	885	850
Senior Citizen Applications approved (new)	645	481	570	600
Disabled Veteran Applications approved (new)	144	61	51	50
Disabled Resident Tax Credit Applications approved (all)	317	309	300	300
Other exemption applications approved (all)	738	362	225	300
Parcels with exemption of any type	38,937	34,917	36,990	35,700

Priority/Goal: Public Service

Goal: Maintain accurate records of parcels including ownership and legal descriptions

- Objective:**
1. Create and retire parcels to identify newly platted parcels.
 2. Review recorded documents to determine ownership interest of parties.
 3. Maintain address information for all taxable real and personal property accounts.

Measures:

Parcel and Change Counts	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Assessment year	2016	2017	2018	2019
Parcel count – real property	65,942	65,996	66,073	66,200
Parcel count – oil & gas accounts	239	238	204	215
Personal Property count	6,764	6,793	7,055	7,100
Ownership changes	6,412	6,479	6,515	7,500
Address Changes	4,160	5,417	5,838	5,200

<p>Fund 100</p> <p>Dept 11520</p>	<p>Department Function</p> <p>General Fund</p> <p>Assessing Appraisal</p>
---	--

Mission
 Perform equitable, fair, and uniform real and personal property assessments borough-wide in a timely and courteous manner, while adhering to all applicable state and local laws.

Program Description
 Appraisal division staff conduct field inspection of property within the borough to ensure all records are accurate and properties are uniformly described in accordance with department guidelines. Collect and verify sales and calibrate market models annually. Review property records and values with property owners, review appeals and represent the borough before Board of Equalization.

Major Long Term Issues and Concerns:
 The department continues to fall short of the number of annual inspections needed to achieve a 5-year re-inspection cycle.

- FY2019 Accomplishments:**
- Field canvassed Ninilchik, Cooper Landing, Caribou Hills and remainder of Anchor Point.
 - Further refined land models for Kenai River, Sterling, Funny River and Homer. Completed sales analysis and created land models for South Soldotna, Kasilof River, Caribou Hills and Clam Gulch.

- FY2020 New Initiatives:**
- Implement Mobile Assessor solution to increase field production of property inspections.

Performance Measures

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Staff and Mileage				
Staffing History	12	12	14	14
	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Staff Miles Traveled	81,459	95,581	110,000	82,000

Priority/Goal: Market Value of All Taxable Property
Goal: Accurately and equitably value all real and personal property within the borough for ad valorem property tax purposes.
Objective: 1. Specify market models to enable mass appraisal
 2. Calibrate models annually to market value

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Real Property Assessment Roll				
Value (000's)	\$6,008,835	\$6,338,989	\$6,346,151	\$6,473,000
% Change From Prior Year	4.63%	5.49%	0.11%	2.00%

Priority/Goal: Maintain Equity of Assessment
Goal: Maintain an accurate description of all property within the Borough
Objective: 1. Conduct area-wide re-inspections with the goal of re-inspecting all property within the Borough on a 5-year cycle in accordance with Assembly Resolution 2003-008
 2. Calculate the number of properties to be inspected each year to achieve a 5-year cycle
 3. Identify & request in budget the resources necessary to complete the required number of re-inspections annually

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Inspections				
Improved Parcels	7,274	7,304	5,882	5,376
Vacant Parcels	671	679	3,456	3,303
Total Inspections	7,945	7,983	9,338	8,679

Assessing Appraisal - Continued

Priority/Goal: Respond to Property Owners' Requests for Review
Goal: Respond to owner's requests through informal review and BOE appeals
Objective: 1. Work to resolve disputes first informally
 2. Inspect appealed properties and review with owners in advance of hearing
 3. Defend assessed values at Board of Equalization

Measures:

Appeals	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Informal Review	925	1,580	906	1,200
Appeals Filed	184	783	317	400
Heard by Board of Equalization	14	79	29	36
Assessor Value Upheld	12	64	22	30

The numbers in the table above represent properties physically inspected onsite and sent for data entry in each of the listed areas. These numbers will not match those reported in previous years, which were estimates based upon the total number of properties in each canvass area. Other properties, primarily vacant land, will have also received updated descriptions and values based upon internal review using GIS, aerial photographs and other tools.

Line-Item Explanations

40110 Regular Wages. Staff includes: 1 Appraisal Manager, 1 Appraisal Analyst, 1 Principal Appraiser, 1 Lead Appraiser, 1 Senior Appraiser/Auditor, 3 Senior Appraisers, 1 Appraiser, 1 Senior Personal/Real Property Appraiser, 1 Personal Property Appraiser/Auditor, and 4 Appraisal Technicians.

42210 Operating Supplies. Increase due to ammunition cost for firearms safety training field staff.

42410 Small Tools & Equipment - Chair mats, measuring tapes, ice cleats, and clip boards.

43011 Contractual Services. Air/boat charter to inspect West Cook Inlet and Kachemak Bay areas not previously canvassed (\$47,700), and appraisal photo processing (\$1,560).

43110 Communications. Increase based on actual usage. Data plans for field iPads (\$285/month), and phone (\$140/month).

43210 Transportation/Subsistence. Travel related cost for appraisers working in the field and for training.

43260 Training. One continuing education course for each appraisal staff member. Staff firearms training for all.

43812 Equipment Replacement. Payment on Mobile Assessor software (\$8,230), and 10 tablets (\$1,993). See payment schedule below.

43920 Dues & Subscriptions. Increased due to 2 permanent positions being added in FY19. AAAO dues/certification and additional cost for digital version of Marshal & Swift cost tables.

48710 Minor Office Equipment. Scheduled replacement of 4 computers (3 standard at \$827 each; 1 high-end at \$1,551), 6 monitors (\$210 each), and 4 sound bars (\$25 each).

Department Function

Fund 100

General Fund

Dept 21110

Resource Planning Administration

Mission

Make sound use of the Borough's natural and human resources to establish a balanced and dynamic economy in a manner consistent with the public interest.

Program Description

Planning provides professional advice and information to the Planning Commission, Borough Assembly, and other departments for the purpose of assisting in the ongoing socioeconomic development of the Borough.

Major Long Term Issues and Concerns:

- Establish greater interdepartmental communication to help facilitated public inquires.
- Collect, analyze, and distribute, current and accurate information concerning population, land use, natural resources, and regulatory functions within the Borough.
- Provide information and assistance to other municipalities, local community groups, and the general public regarding subdivision regulations, local option zoning, land use regulations, and land use planning.
- Identify procedures to improve information sharing and problem solving between borough departments.

FY2019 Accomplishments

- Modified KPB chapter 14.08 Utility permitting fee schedule.

- Formed a working group to review and recommend changes to the Assembly in 21.29 Material Site Permitting.
- Completed the Kenai Peninsula Borough Comprehensive Plan rewrite.
- Assisted the Office of Emergency Management with the update of the KPB All Hazard Mitigation Plan.
- Completed the City of Homer Comprehensive Plan update as the official plan for that portion of the borough.
- Completed the SharePoint database conversion for Planning.

FY2020 New Initiatives:

- Evaluate changes to 3 AAC 306 of the State marijuana regulations.
- Assist GIS with the 2020 census.
- Modify Chapter 21.44 Local Option Zoning to allow for larger lots after formation.
- Update KPB Code Chapter 20, Platting.
- Continue to coordinate with the cities to establish an appeal process for their platting regulations
- Field verification and uniform address sign posting of Nikiski/Salamatof E-911 communities.
- Consulting with the River Center to identify data deficiencies in the SharePoint database system which tracks multi-agency permitting.

Performance Measures

- Priority/Goal:** Provide improved levels of service while finding ways to cut costs.
Goal: Obtain 100% address verification to all residents of the borough by 2020.
Objective: Place an address sign at each business and residence in the borough.
Objective: Ensure that all street names are not duplicated and properly posted.

Measures:

Description	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Street Name Changes (65% complete)	17	0	20	20
Target Completion	58%	58%	65%	100%

Department 21110 - Resource Planning Administration - Continued

Line-Item Explanations

40110 Regular Wages. Staff includes: 1 Planning Director, 1 Planner, 1 Code Compliance Officer, 1 Administrative Assistant (Planning), 1 Platting Officer, 1 Platting Specialist, 1 Platting Technician, .75 Addressing Officer and 1 Senior Clerk Typist.

40120 Temporary Wages - PC. Planning commissioners compensation (chairman: 1 x \$150/mgt. x 24 meetings = \$3,600 plus 12 commissioners x \$125/mtg. x 24 meetings = \$36,000).

40120 Temporary Wages. Addressing project, and temporary coverage for staff absences; EMPG Grant employee - (1/2 reimbursed to general fund).

42360 Vehicle Maintenance. Increased to include tire replacement for two vehicles (\$1,500).

43011 Contractual Services. Advisory planning commission budgets (\$5,000), code compliance and right of way surveys (\$10,000), and appeals record costs (\$3,000).

43210 Transportation/Subsistence. Travel to IRWA education classes, surveyor's conference, agency meetings, site visits and various miscellaneous meetings.

43210 Transportation / Subsistence PC. Transportation and subsistence for the planning commissioners. (13 commissioners x \$150 month x 12 months = \$23,400).

43310 Advertising. Increase based on actual usage in FY17 and FY18.

43812 Equipment Replacement Payments. Payment on various vehicles and equipment; see schedule below.

43931 Recording Fee. E-Recording fees for documents to be recorded in the Recording District.

48710 Minor Office Equipment. Purchase 2 computers (\$1,150 each) and 2 battery backups (\$400 each).

48720 Minor Office Furniture. Replace staff chairs (\$800), sit/stand stations (\$800), and shelving and storage (\$1,000).

60000 Charges (To) From Other Depts. Charges to the 911 Communications department for 95% of the wages and benefits of the Addressing Officer.

Equipment Replacement Payment Schedule

<u>Items</u>	<u>Prior Years</u>	<u>FY2019 Estimated</u>	<u>FY2020 Projected</u>	<u>Projected Payments FY2021-2023</u>

Resource Planning – Geographic Information Systems

Mission

The Geographic Information Systems (GIS) department provides map services, geographic data and support for the Kenai Peninsula Borough, it's cities, state, federal agencies and the public.

Program Description

GIS is responsible for producing emergency services map books, developing and maintaining internet based mapping, disseminating data, providing ad hoc mapping services, developing and maintaining spatial database applications, and providing spatial analysis to assist various borough departments, other agencies and the public toward making informed decisions.

Major Long Term Issues and Concerns:

- Funding to maintain expected level of GIS services to the public and other Borough Departments.
- Budgeting for acquisition of new satellite imagery.
- Budgeting for acquisition of new LiDAR data.
- Update and synchronization of E-911 databases.
- Proper training to continue to meet the mapping needs of the public and borough departments.

FY2019 Accomplishments

- Completed geospatial applications for floodplain determinations (River Center), Roads, and the Clerk's Office.
- Migrated and upgraded E-911 databases to a supported OS and SQL Server release on new SQL Server instance.
- Integrated spatial data to SQL Server for new Computer Aided Dispatch (CAD) software.
- Continuing update support of geospatial data at Road Service Area, Assessing, OEM, SPSCC and River Center.
- Finished parcel fabric pilot area (Seward Bear Creek).
- CES Fire Station 1 replacement committee and Kachemak-Selo school site selection – GIS support.
- Update Emergency Services Map books.

FY2020 New Initiatives:

- Deployment of ArcGIS Pro desktop software.
- Continue developing geospatial applications to increase efficiencies in other borough departments.
- Acquire very high resolution imagery funded by grants and other partner agencies.
- Geocortex Mobile Application Development (ongoing).
- Develop parcel fabric for the Kenai area.
- Continue development of ArcGIS Online Organization account and GIS web page.
- Continue to provide navigation-related data to commercial mapping vendors (Google, Apple, Here/NAVTEQ).

Performance Measures

Priority/Goal: Mapping service to the Kenai Peninsula Borough community for public safety.

Goal: Provide accurate and cost effective mapping products to all KPB departments and service areas as well as the public.

Objective: 1. Improve data and materials available for notifying and transmitting information to emergency service providers.

Measures:

Key Measures	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Emergency service map books distributed	25	163	280	45* *If no new imagery is acquired

Staffing	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Staffing history	4	4	4	4

Department Function

General Fund

Dept 11232

Resource Planning – Geographic Information Systems - Continued

Priority/Goal: Mapping service to the Kenai Peninsula Borough community.

Goal: To provide mapping services essential to the Kenai Peninsula Borough.

Objective: 1. Continue to support KPB departments for provision of public services.

Measures:

Key Measures	CY2017 Actual	CY2018 Actual	CY2019 Projected	CY2020 Estimated
169+ tax page updates resulting from new subdivision plats (182 subdivisions recorded, 273 deleted, parcels 409 new parcels created)	181	181	185	200
GIS Online Parcel Viewer(s) visits	N/A	379,600	380,000	385,000
Ad-Hoc Map Printing	N/A	46 records in sharepoint countless others not recorded	450	450

Commentary

The GIS web page continues to remain the most visited page on the Borough’s website. The internet map server averages 1,040 visitors a day (379,600 per year). GIS continues to help facilitate use of borough data to evaluate historical and projected future trends in planning for land use, economic development, and services and facility needs for many private and public agencies in the borough.

Dept 21135

Resource Planning - River Center

Mission

Provide staff and support facilities for the operation of the River Center (RC) to accomplish multi-agency permitting and education programs to conserve valuable fish and wildlife habitats and manage development in riparian and flood zones.

Program Description

Administer KPB 21.18, Anadromous Habitat Protection Ordinance, which establishes a 50 ft. Habitat Protection District (HPD) along specified water bodies; administer KPB 21.06, Floodplain Management, and promoting sound development in flood hazard areas; administer the Coastal Impact Assistance Program (CIAP) addressing coastal habitat issues.

Major Long-term Issues and Concerns

- Broaden outreach efforts and educational programs to proactively conserve anadromous fish habitats and to preserve wetland and floodplain function. Target audience includes property owners, contractors, realtors and other parties involved in development in regulated areas.
- Develop practical approach to existing and new developments along highly erodible riverbanks and coastal bluff areas where there is potential of mass failure.
- Address additions or deletions to the Alaska Department of Fish and Game (ADF&G) Anadromous Waters Catalog and evaluate whether updates are appropriate to the list of currently Borough-managed anadromous streams.
- Work with Federal Emergency Management Administration (FEMA) to update the floodplain maps of the middle Kenai River to increase accuracy and to provide a current computer model for the engineering analysis required for development in the floodway.
- Cost to contract out for engineering or hydrologist support for evaluation of hydraulic analysis submitted as required by FEMA for proposed floodway development projects.
- Increased maintenance costs for the 18-year-old River Center (RC) facility.

FY2019 Accomplishments

Personnel Management & Facility Management

- Continue to work on crowd-control strategies for use of public fishing platforms to reduce traffic congestion and riverbank damage, including installation of restroom facility for public use.
- Staff worked on the Incident Command Team (ICT) with 3 table top exercises and 2 ICT emergencies.
- Hosted an annual two-day Streambank Restoration Workshop for the public and other interested agencies.

- Worked with Federal and State agencies to increase our resource planning knowledge on the peninsula.
- Began monitoring of separate types of permits to follow trends within the Borough.
- Participated in Comprehensive Plan update workshops.
- Lowered electric costs to the River Center by changing outdoor lights to LED.

Permit Management

- Reviewed and issued approximately 547 permits.
- Ongoing work with IT to further streamline technical aspects of the permitting process and fully utilize efficiency and data management tools in SharePoint.

Coastal Zone Administration/Coastal Impact Assistance Program (CIAP)

- Worked closely with the Planning Department on permitting materials sites and with the Platting Department reviewing new plats.
- Worked with ADF&G to update the Kachemak Bay Critical Habitat Comp Plan.

Floodplain Administration

- Achieved annual recertification of the Community Rating System (CRS) from FEMA. Maintained rating that provides reduced flood insurance premiums to policy-holders in the regulatory floodplain.
- Education and outreach have led to an increase in permit applications and community involvement in Seward, Cooper Landing, Seldovia, Lowell Point and Anchor Point.
- Worked with GIS and IT departments to streamline and standardize the issuance of floodplain determinations.
- Continue to work with Seward Bear Creek Flood Service Area Board to reduce streambed sediment loading in residential areas. Streamlining dredging permit process.

Anadromous Waters Habitat Protection District Administration

- Increased collaboration with agencies and organizations on the southern peninsula on issues including bluff erosion, salmon and watershed research useful for land management and RC resources.
- Presented eighteen Conditional Use Permit (CUP) applications to the Planning Commission.
- In the absence of a Code Compliance Officer, the RC staff is currently working with 26 (8 HPD/12 FP) property owners to resolve violations.

Department Function

Fund 100

General Fund

Dept 21135

Resource Planning - River Center - Continued

FY2020 New Initiatives

- Continue developing additional efficiencies in SharePoint, including reporting functions and better data management.
- Inventory of structures within the floodway and HPD.

- Link GIS and SharePoint for annual queries spatially displaying permit locations by project type.
- Utilized wildfire break spruce trees to be stockpiled at the River Center for public use on streambank restoration projects.
- Work with State Park Rangers to get on the Kenai River twice a year.

Performance Measures

Priority/Goal: Timely, thorough and effective processing of permit applications.
Goal: Maintain high-quality customer service throughout permit process.
Objective: Provide for appropriate staff time to issue permits according to projected metrics, not to exceed 30 days.

Measures:

Permits Issued	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
50 ft. Habitat Protection District (HPD)	267	279	280	311

Elevation Certificates	18	3	15	20
Public Outreach Projects	6	4	6	6

Processing Time (days)	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
50 ft. Habitat Protection District (HPD)	30	18	10	20	15
Floodplain Management	30	22	15	25	20
Plat Reviews	12	2	2	2	2

		FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Staffing history		5	5	5	5

Commentary

River Center staff will be monitoring trends in floodplain development tracking elevation certificates and floodplain determinations as shown in Performance Measures. Staff will also be tracking public outreach to monitor new increases in permitting awareness.

Revenues

Reimbursement for shared operations and maintenance of the Donald E. Gilman facility are received annually from state agencies, estimated at \$50,000 for FY 2020.

Senior Citizens Grant Program

Department Function

Mission: The Kenai Peninsula Borough Code of Ordinances, Chapter 5.22, established the Senior Citizens Grant Program funding. To be eligible for the senior citizen program grant, a senior citizens center or adult day care center must be nonprofit, tax exempt, as well as operating and located within the Kenai Peninsula Borough. The eligible center may be sponsored by a city or recognized by the Kenai Peninsula Borough assembly or the Alaska Commission on Aging.

Organizations that receive funding shall administer those funds in accordance with the following regulations:

- Services are to be provided only to persons who are 60 years of age or older and their spouse.
- Services must be targeted to persons in greatest economic and social need.
- Transportation shall be provided to access services in the following order of priority:
 - Access to medical appointments, prescriptions, hospital, and essential (non-emergency) health services.
 - Access to nutrition and other essential support services;
 - Essential shopping and volunteers in services to older persons, disabled and children;
 - Job training and career education;
 - Attendance at senior organization meetings; and
 - Non-essential shopping, business; beauticians, cultural and educational purposes.

Each year the assembly shall determine the amount to be appropriated for the senior citizen centers and adult day care centers. Distribution of the program funds is based upon the latest census figures of election precincts and whether or not the organization previously participated in the program.

Population data from the 2010 Federal census is used in determining the allocation of the program funds. The FY2020 allocation is as follows:

	<u>No. of Seniors</u>	<u>% of Population</u>	<u>FY2020 Funding</u>
Anchor Point Seniors	625	7.34	\$ 44,869
Cooper Landing Seniors	260	3.05	18,665
Homer Seniors	1,848	21.71	132,668
Kenai Seniors	1,758	20.65	126,207
Nikiski Seniors*	738	8.67	52,981
Nililchik Seniors	369	4.33	26,491
Seldovia Seniors	150	1.76	10,770
Seward Seniors	658	7.73	47,238
Soldotna Seniors	1,266	14.87	90,886
Sterling Seniors	<u>841</u>	<u>9.88</u>	<u>60,376</u>
Total Senior Centers	8,513	100.00	\$611,151
Friendship Center –Homer			17,754
Forget-Me-Not Day Care			<u>33,045</u>
Total Senior Program			<u>\$661,950</u>
Transfer to Nikiski Seniors Service Area			<u>-52,981</u>
Total Funding not handled as a transfer			<u>\$608,969</u>

*Funding for the Nikiski Seniors is handled as a non-departmental transfer to their service area fund.

Business and Economic Development

Program Authority and Descriptions

Promoting the peninsula through economic development is within the authority of the borough and supported through the Kenai Peninsula Economic Development District, Alaska Small Business Development Center, and Kenai Peninsula Tourism Marketing Council as described below.

Alaska Statute AS 29.35.210(a)(8) authorizes the borough to provide for economic development on a nonareawide basis by ordinance. Economic development means private sector expansion that creates permanent jobs, adds to the borough's long-term tax base, and results in enhanced economic activity and quality of life for Borough residents.

Borough code 19.10 provides for the promotion of tourism for areas of the borough outside of the cities. The authority to provide for tourism promotion may be carried out by the borough administrative staff or by contract, by grants to nonprofit organizations established for tourism and economic development or by grants to municipalities having programs that can meet the needs of the Borough for its nonareawide program.

Contractual Services, EDD. The Kenai Peninsula Economic Development District (KPEDD) requests funding to support outreach, training and small business assistance; outcomes include:

- The annual Comprehensive Economic Development Strategy document provides an overview of demographics, community development, infrastructure business development, etc.
- Host the 2019 Kenai Peninsula Industry Outlook Forum. The education forum is designed to keep citizens, businesses and policy makers informed of the upcoming projects and economic development opportunities for the Kenai Peninsula.
- Manage the Business Innovation Center providing business plan development, bookkeeping, office management, market research, tenancy space, shared office services, and workforce development for new and expanding businesses resulting in lowered failure rate of small businesses.
- The Situations and Prospect of the Kenai Peninsula Borough report provides economic data, demographics, population growth, industry spotlights, municipality profiles, etc.

Funding for FY2020 is budgeted at \$75,000 to supplement KPEDD personnel costs.

Contractual Services, SBDC. The Alaska Small Business Development Center (SBDC), South West Region, requests funding to provide free support services to pre-venture, start-up or existing businesses; outcomes include:

- Support 70 long term clients, those receiving five or more hours of counseling and preparation.
- Provide 34 new business start-ups with comprehensive tools to succeed, including training through seminars, workshops or conferences, technical assistance of government assistance programs, loan programs or business plans, bookkeeping, licensing and permitting.
- Create 100 new jobs
- Provide 2,000 advising hours to businesses or individuals.

Funding for FY2020 is budgeted at \$75,000 to supplement personnel, travel, contractual, facilities and administrative costs.

Contractual Services. The Borough will be issuing an RFP to provide marketing for the Kenai Peninsula Borough on a nonareawide basis.

Funding for FY2020 is budgeted at \$75,000 to provide funding for advertising/marketing the Kenai Peninsula Borough.

Line-Item Explanations

43009 Contractual Services - EDD. Funding for the Economic Development District (EDD) who works closely with the Mayor's office and the Assembly on economic planning forums and preparation of the Borough's situation and prospect information.

43011 Contractual Services. In FY2020, the borough will be issuing an Request for Proposal to provide marketing for the Kenai Peninsula Borough on a non-area wide basis.

43011 Contractual Services - SBDC. Small Business Development Center contract (\$75,000). Program provides counseling and workshops for small businesses.

43021 Peninsula Promotion - KPTMC. Prior to FY2020, funding for marketing the Kenai Peninsula Borough as a prime destination for tourists on a non-area wide basis was provided by KPTMC.

Line-Item Explanations

Expenditures and transfers in the General Fund Non-Departmental budget are those which are not attributable to a specific activity or department.

40511 Other Benefits. Unemployment compensation payments for Borough General Fund Employees.

43510 Insurance Premiums. Property, liability, and other insurance coverage for the Borough's general fund.

50241 Transfer to School District Operations. The local effort required for the School District operating budget and in-kind services, which are maintenance, custodial, audit, insurance, and utilities.

50242 Transfer to Post-Secondary Education. Provide post-secondary education funding on an area wide basis to institutions that are a part of the University of Alaska system. Funding is restricted to operations and may only be used for instruction and the operations of facilities used to provide curriculum or programs offered within the Borough.

50264 Transfer to 911 Communications. Providing funding for 95% of the cost of the Addressing Officer and other cost not eligible to covered by the e911 surcharge.

50290 Transfer to Solid Waste. For the operations and management of the Solid Waste Department (\$7,797,970).

50308 Transfer to Debt Service. To cover the current portion of principal and interest on outstanding general obligation bonds for schools (\$3,783,886).

50400 Transfer to School Revenue Capital Projects. Funding for improvements at various schools (\$2,250,000).

60000 Charges (to) From other Departments. (\$741,208). Amount included in the operating budget of the Maintenance & capital projects departments expected to be charged to the general fund \$170,000 and indirect cost recovery from Borough capital projects and grants (\$280,000). An admin service fee is charged to the operating budget of service areas and various funds to cover a portion of costs associated with providing general government services (\$631,208).

For capital projects information on this department - See the Capital Projects section pages 340, 341-342, 348-349, 361-373.

Special Revenue Funds

Special revenue funds are established when there are legal requirements restricting specific resources to expenditure for specified purposes, which are not appropriately budgeted elsewhere. They are commonly used for voter-authorized services, grants, entitlements, and shared revenues. Kenai Peninsula Borough Special Revenue Funds are as follows:

Emergency Services

The Borough has eight (8) service areas, in which seven (7) were created by the voters, to prepare and respond to emergency situations within their respective service area boundaries. These services include fire protection, ambulance, search and rescue, and flood mitigation. Each service area has a separate board of directors and its own taxing jurisdiction although the Borough sets the mill rate and approves their budget.

The major source of revenues for each of these Service Areas is property taxes. Additional funding is provided through state grants, interest earnings and ambulance fees. A listing and summary of these service areas is shown below.

In addition to the Service Areas, the Borough's 911 department is included in this section.

Nikiski Fire Service – this service area provides fire protection, emergency medical and ambulance, and search and rescue for the Nikiski area and Cook Inlet. There are currently 21.75 permanent employees, and 30 volunteers.

Bear Creek Fire Service Area – this service area provides fire protection and first responder medical service for the area outside the City of Seward's city limits. This service area has 2 permanent employees and 30 volunteers.

Anchor Point Service Area – this service area provides fire protection, emergency medical and ambulance, and search and rescue for the Anchor Point, Nikolaevsk, and surrounding areas. This service area has 5 permanent employees and 40 volunteers.

Central Emergency Services (CES) – this service area provides fire protection, emergency medical and ambulance, and search and rescue for the Soldotna, Kasilof, Kalifornsky Beach, and Sterling areas. There are currently 44 permanent employees and 30 volunteers.

Central Peninsula Emergency Medical Service Area - this service area contracts with CES to provide ambulance and emergency medical for the residents residing in the area from Skilak Lake to Tustamena Lake and surrounding areas not covered by CES.

Kachemak Emergency Service Area – this service area provides fire protection, emergency medical and ambulance, and search and rescue for the areas surrounding the City of Homer and Kachemak City. This service area has 5 permanent full-time and 38 volunteers.

Eastern Peninsula Highway Emergency Service Area (EPHESA) – this service area provides fire protection, and emergency medical and ambulance services along the heavily traveled highway between various communities along the Seward Highway, the Sterling Highway, and the Hope Highway.

Seward Bear Creek Flood Service Area – this service area was formed to provide flood planning, protection and mitigation services to the residents of the service area, which covers the river drainage area of the City of Seward, Bear Creek, and Lowell Point. There are currently 1.5 permanent employees.

911 Communication Fund – this fund is set up to account for revenues and expenditures associated with operating the Borough's 911 service. The area of service served by this department includes the Kenai Peninsula Borough and the areas in the Municipality of Anchorage along the Seward highway up to McHugh Creek which includes Portage, Girdwood, and Bird Creek.

This page intentionally left blank.

Nikiski Fire Service Area

This Nikiski Fire Service Area was established on August 19, 1969 and was the first fire service area in the Borough. The seven-member board is elected for three-year terms. The service area provides fire protection, emergency medical services, and search and rescue capabilities to a population of 5,962 within a 5,480 square mile area that includes the Cook Inlet and major industrial complexes critical to the Borough.

Many of the 21.75 permanent employees, and 30 volunteer members are cross-trained to respond not only to fire and medical emergencies but also specialize in high angle, confined space, industrial firefighting, and cold water surface and dive rescue. Four fire stations are located within the service area. Two stations are located on the Kenai Spur Highway, at Milepost 17.9 and 26.5. The other two stations are located in Beluga and Tyonek. Members respond on average to 995 emergency calls a year.

The major source of revenue is property tax. Additional funding is provided through ambulance billing fees charged to users of the ambulances and interest income. The mill rate is 2.70 mills for fiscal year 2020.

Mission

The mission of the Nikiski Fire Department is to maintain the best trained, physically fit emergency response team in Alaska.
 Always Ready – Proud to Serve

Program Description

- The Nikiski Fire Department provides fire protection, emergency medical service, and rescue capabilities to a population of 6,000 citizens within a 5,480 square mile area that includes the Cook Inlet.
- Four fire stations located in the service area; two stations in Nikiski on the Kenai Spur Highway, one station in Tyonek, and one located in Beluga.
- The Department has 21.75 permanent employees, 30 volunteers, 7 elected fire board members.

Major Long Term Issues and Concerns:

- Maintain current staffing levels with the increased cost of providing emergency services, and increased call volume.
- Provide adequate levels of training to all members.

- Develop new programs to help incentives for volunteerism.
- Address patient care response for elderly population.

FY 2019 Accomplishments:

- Safe Work Environment - No firefighter injuries reported.
- Public safety dive rescue team training completed.
- Installed mobile data terminals in all response vehicles.
- Placed in service a new command vehicle, and a 2,000-gallon tanker/engine.

FY2020 New Initiatives:

- Complete construction for Station #3 located on Holt Lamplight to provide quicker emergency response, and to help reduce home owner's annual insurance costs.
- Continue needed repairs at Fire Station #1 that include exterior building maintenance, apparatus flooring, diesel exhaust removal system, and parking lot maintenance.
- Prepare and guide administrative staff for future growth consideration for the AK LNG project.

Performance Measures

Measures:

Staffing	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Full time staff	21.75	21.75	21.25	21.75
On-calls (FY2016 Transition to All Volunteers)	20.00	0	0	0
Volunteers (Nikiski, Beluga, and Tyonek)	7.00	7.00	30	30

Priority/Goal – Emergency Medical / Fire Rescue Training

Goal: Provide the highest level of emergency medical and fire certification training for all department members.

Objective: Continue to provide quality training that meets or exceeds NFPA and State of Alaska fire training standards.

Measures: Qualifications of the 19 uniformed employees (FTE's), 30 Volunteer members.

Certification levels	Chiefs (2 FTE's)	Captains (5 FTE's)	Engineers (8 FTE's)	Firefighters (4 FTE's)	Volunteers (25)	FY2019 Totals	FY2020 Totals

Priority/Goal - Emergency Medical / Fire Rescue Response

Goal: Respond to all emergency calls in a timely and safe manner, while providing the highest level of emergency services.

Objective: Reduce injuries; protect life, and property from emergency events such as fires, vehicle accidents, and natural disasters.

Measures: The fire department shall have the capability to deploy an initial full alarm assignment within an 8 minute travel time to 90 percent of the incidents (NFPA 1710).

Line-Item Explanations

40110 Regular Wages. Staff includes: 21.75 FTE's; 1 Chief, 1 Deputy Chief, 2 Senior Captains, 3 Captains, 8 Engineers, 4 Firefighters, 1 Mechanic, 1 Administrative Assistant and 3/4 Administrative Assistant.

40130 Overtime Wages/Stand-by Wages. Increased standby wages to more accurately show expenditures and to prepare for Station 3's opening.

42210 Operating Supplies. Decreased as Class B AAAF foam has been purchased.

42220 Fire/Medical/Rescue Supplies. Decreased due to discontinuance of certain medications, and newer technologies for patient care.

43011 Contractual Services. Physician sponsor contract (\$115,600), ambulance billing (\$21,500), Zoll Autopulse preventative maintenance (\$7,400), CAD maintenance (\$6,000); EMS training simulator maintenance (\$2,000), EMS/FF instructor fees (\$5,000), technical rescue class (\$10,000), Image Trend (\$3,680), Medevac services (\$7,500), Hurst rescue tool annual service (\$5,150), Computer Aided Dispatch Streetwise (\$4,000), annual radio PMIs (\$4,000), emergency E-dispatches (\$5,100), Station #3 graphics (\$1,000), Station #3 satellite (\$1,000), Operative IQ (\$4,200), U/L ladder/pump testing (\$6,910), Target Solutions (\$4,400), and Stryker power gurneys maintenance (\$10,000) and other small misc. contracts (\$24,688).

42310 Repair and Maint. Supplies. Increased due to increased costs for O2 and H2S sensors for gas monitors.

42360 Vehicle Supplies. Increased due to air filters and valve repair kits.

43014 Physical Exams. Annual physicals (\$14,625), X-Rays (\$2,500), vaccinations (\$3,000), drug testing (\$2,000), other and entry level exams (\$500), and exposure followups (\$2,750).

43110 Communications. Increased for cellular data for i-Pad services, Station #3 phones, and Station #3 phone line.

43210 Transportation. Course registrations and related training fees for annual Chief conference, EMS and firefighting related training and symposium.

43610 Utilities. Increased for Station #3. (HEA, Enstar, and Waste Mgmt.).

43780 Building Maintenance. Increased \$6,000 to cover KPB maintenance charges for Station #2's water and fire alarm systems.

48311 Machinery & Equipment. Increased due to Station #3 to include extractor (\$10,300), radios (\$10,000), gear dryer (\$9,000), router/switches (\$5,000), server (\$5,000), camera and switches (\$10,000).

48514 Firefighter / Rescue Equipment. Two thermal imager (\$16,000 each).

48515 Major Medical Equipment. Financial match for Code Blue EMS Child Simulator grant (\$8,000).

48710 Minor Office Equipment. Desktop (2) computers-Station #3 and (1) desktop for Station #2, (\$3,000), handheld radios (\$3,000), pagers (\$2,400), and satellite phone (\$1,250).

48720 Minor Office Furniture. Station 3 furniture to include: beds and headboards (\$3,597), 7 lounge chairs (\$6,200), entertainment ctr \$1,300, 4 TVs (\$3,200), chairs and tables (\$7,000), and washer/dryer (3,000).

48740 Minor Machines. Copier (\$7,000), oil evac pump (\$1,000), Station #3 phones, refrigerator, commercial washer/dryer (\$14,385), UPS rack (\$1,800), and various other equipment (\$1,200).

48750 Minor Medical Equipment. Zoll AED (\$5,000), 3 SPO2 child sensors (\$2,100 each), auto pulse bands (\$2,400), and miscellaneous small equipment (\$7,082).

48755 Minor Recreational Equipment. Station #3 exercise mirrors (\$300) and free weights/strength training equipment (\$4,500).

48760 Minor Fire Fighting Equipment. Fire hose replacement (\$1,000), main stream appliances (\$5,300), surface water rescue equipment (\$4,000), turnout gear (\$17,710), boot, gloves, helmets, shields, and face shields (\$8,826), Tyonek fire gear and turnouts (\$9,981) and various small equipment (\$13,183).

50441 Transfer to Capital Projects. Decreased \$100,000 annual transfer to long-term capital Projects fund to cover Station #3 startup expenses. See Capital Projects section of this document.

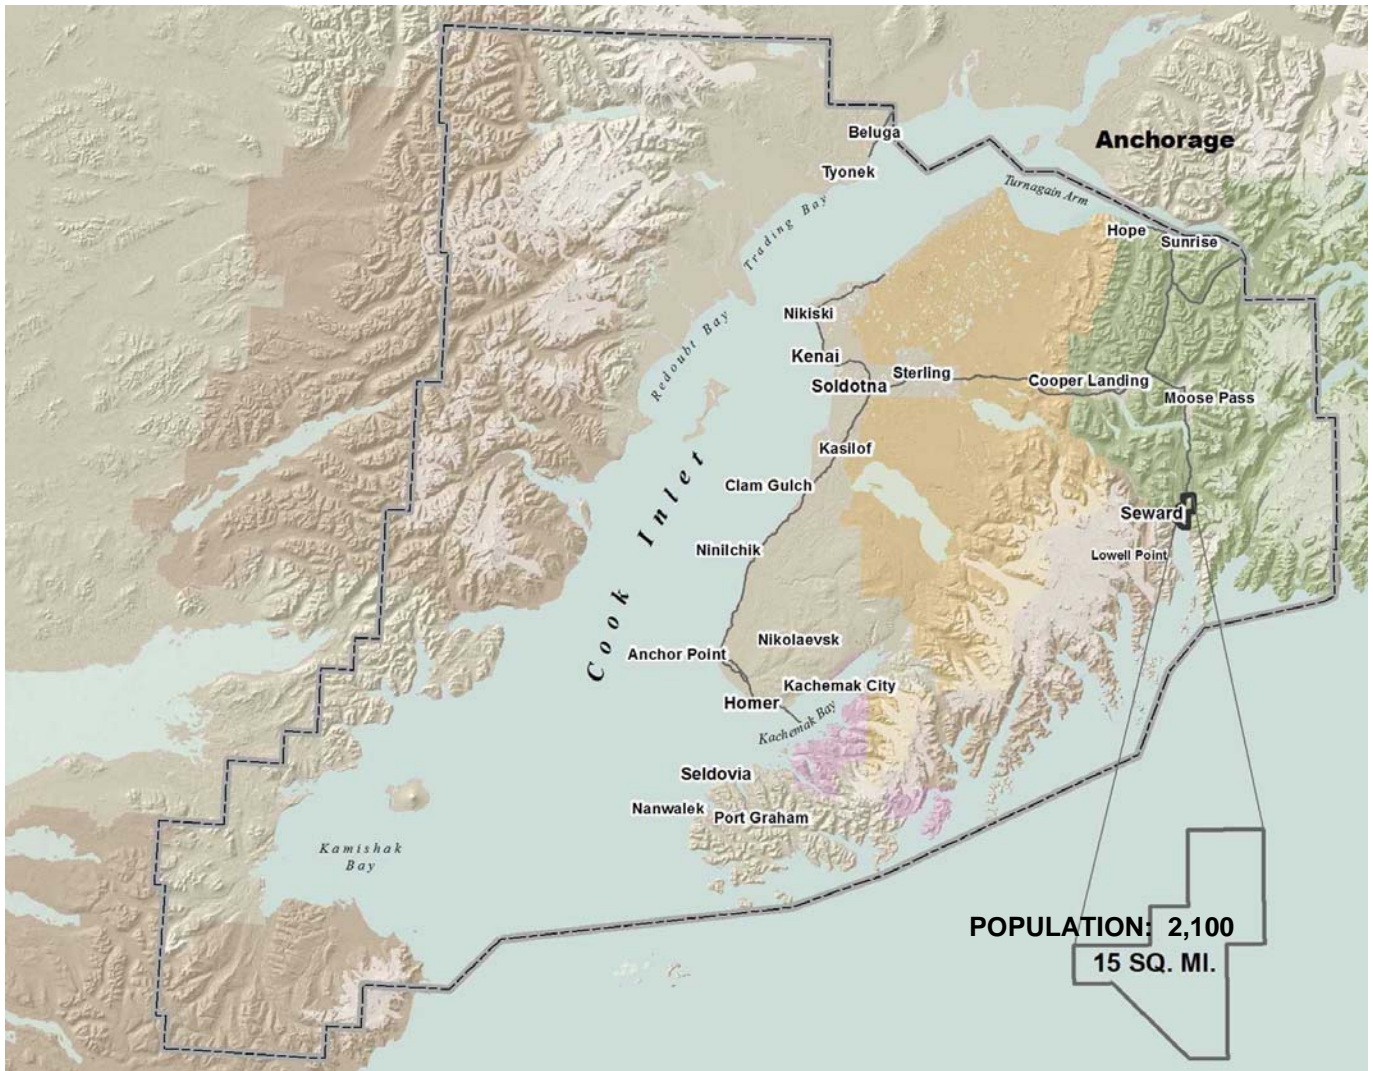

61990 Admin Service Fee. The administrative service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

Bear Creek Fire Service Area

This service area was created on January 25, 1977, to provide fire protection and limited ambulance service for the area outside the City of Seward's city limits. The department is staffed by two permanent employees and 30 volunteers. Five elected citizens serve on its board.

The fire station is located at 13105 Seward Highway just outside the City of Seward. Equipment consists of one rescue pumper, three tankers, one water supply unit, one brush truck, one ambulance, and one support truck.

Revenue is raised through property taxes. The mill rate is 3.25 mills for fiscal year 2020.

Bear Creek Fire Service Area

Dept 51210

Mission

Provide rapid emergency fire EMS and rescue response services to the residents and visitors of the Bear Creek Fire Service Area.

Program Description

The Bear Creek Fire service area provides support staff consisting of one part-time administrative assistant and one part-time fire chief to assist the Bear Creek Volunteer Fire & EMS, Inc. consisting of 28 volunteers in providing emergency response to the residents of BCFSa and the State of Alaska. The Service Area and volunteer group work cooperatively in providing firefighter training, community fire suppression, prevention education, rescue and emergency medical services.

Major Long Term Issues and Concerns:

- Increase training requirements for certification of volunteers in Firefighting and EMS.
- Increasing cost of equipment and apparatus replacement.
- Increased cost of building and ground maintenance and annual inspections for the multi-use facility.

FY2019 Accomplishments

- Scheduled monthly Q-CPR & 1st Aid certification for area residents
- Enhanced the Public Safety Education Program to include fire extinguisher training.
- Established Bear Creek Fire/EMS Auxiliary Team
- Trained 5 area ETT instructors which will enable the department to provide training on the East side of the Peninsula and save money on training costs.
- Hosted Haz-Mat A&O Course resulting in 3 additional members certified.

FY2020 New Initiatives/Goals:

- Expand EMS to EMT I Basic for all Volunteers
- BCFSa ability to be dispatched from Soldotna

Performance Measures

Priority/Goal: Public Safety

Goal: Volunteer recruitment and retention

- Objective:**
1. Continue with paid weekly training meetings for our volunteers
 2. Post on website and Facebook page notifying the public of up and coming activities, photos, training and events
 3. Post on electronic road sign

Measures:

Membership Numbers	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Proposed
Staffing history	1.5	1.5	2	2
Volunteer firefighters	28	28	30	30
Total number of new volunteer recruits	7	7	4	5

Priority/Goal: Public Safety

Goal: Fire Prevention Education

- Objective:**
1. Increased contact with the general public, through community activities, open house, and current Public Safety Programs.
 2. Continued efforts to educate children in fire prevention through increased involvement with schools.

Measures:

Fire Prevention & Education Functions	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Open houses/activities exposing general public to fire prevention education	1	5	7	10
In-school visits for fire prevention education	0	1	1	2
Smoke detector installation/evaluation	6	3	8	12
Community Q-CPR &/or 1 st Aid courses	11	22	25	30

Department Function

Fund 207

Bear Creek Fire Service Area - Continued

Dept 51210

Priority/Goal: Public Safety

Goal: Improved Response Times/Types

Objective: 1. To provide the appropriate training to the volunteers.
2. Increasing the number of available responders.

Measures:

Average Times & Types of Calls	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
First responding unit from time of call to enroute	11:50	10:40	10:30	6:00
Response time: from time of call to scene of incident – inside the Service Area	9:55	10:30	9:50	9:30
Response time: from time of call to scene of incident – outside the Service Area (Mutual Aid)	21:30	13:25	15:00	15:00
Total number of calls	178	141	150	175
Total number of EMS/Rescue calls	114	70	80	100
Total number of fire calls	15	17	20	20
Total number of other calls	16	11	20	25
Total number of cancelled in-route	33	43	30	30

Call Volume Vs. Responder Average	FY2017 Actual		FY2018 Actual		FY2019 Projected	
	Calls	Responders	Calls	Responders	Calls	Responders
Response/Aid provided by Bear Creek Fire SA						
Bear Creek Fire SA – Fire calls + other calls	38	13	37	11	40	11
Bear Creek Fire SA – EMS calls	114	5	70	5	80	5
Seward Fire - Automatic Aid given – fire calls	7	7	22	6	10	8
Lowell Point - Mutual Aid given - fire calls	3	5	4	6	5	8

Fund 207

Bear Creek Fire Service Area - Continued

Dept 51210

Priority/Goal: Public Safety

Goal: Standardized Level of Certification for Responders

- Objective:**
1. Establish Emergency Trauma Technician as a basic level of training for all volunteers.
 2. Expand Emergency Medical Services to an EMT-II level.
 3. Establish four levels of qualifications for all volunteers.

Measures:

Certified First Responders	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Volunteer first responders	28	29	30	30
ETT – Certifications	15	14	13	20
EMT-1 Certifications	6	10	10	12
Exterior Firefighter/ FFI / FFII & Fire Officer	17	19	23	27
Fire ground Support Personnel (Rehab, etc.)	11	9	7	3
Weekly Operational/Administrative & Non-Certified Training sessions days / hours	49 sessions 94 hrs.	82 sessions 248 hrs.	80 sessions 200 hrs.	90 sessions 240 hrs.
Additional Certified Firefighter & EMS Training sessions / hours	35 sessions 181 hrs.	26 sessions 133 hrs.	40 sessions 250 hrs.	50 sessions 300 hrs.

Commentary

The department administration, with the support of volunteers, will continue to build upon and foster the relationship with the service area board and assembly to move the service area ahead financially & as a vital community service.

Line-Item Explanations

40110 Regular Wages. Staff includes 1 Fire Chief and 1 Administrative Assistant.

Positions increased to full-time in FY2019 to cover 1/2 time EPHESA coordinator position which will be reimbursed through contract agreement with EPHESA.

42120 Computer Software. Computer software updates (\$315).

42210 Operating Supplies. Office supplies, ice cleats, safety glasses, AA/AAA/C size batteries, and pager batteries.

42263 Training Supplies. Firefighter I manuals & props (\$1,250), HazMat A&O manuals (\$400), EMT I manuals (\$1,390), ETT manuals (\$300). Increased due to cost of manuals.

42310 Repair/Maintenance Supplies. Annual supplies for boiler maintenance, landscaping, air compressor & equipment.

43011 Contractual Services. Medical directors program (\$14,740), voice notification program/eDispatch-increased due to membership rise (\$1,548), on-call maintenance and vehicle/small engine maintenance (\$5,000), low angle rescue & swift water rescue annual recertification course (\$3,300), pager maintenance (\$1,300), out-of-state background checks and DMV checks on perspective employees (\$500), radio frequency contract for DVRS (\$44), station fire alarm monitoring annual fee (\$420), and EMT I/Bridge course (\$2,400).

43014 Physical Examinations. Immunizations (\$2,500), and program for physical examinations - 8 per year (\$9,600).

43019 Software Licensing. Surveillance licensing software renewal (\$485), and Continuing Medical Education software (\$3,000).

43110 Communications. TLS network connectivity cost (\$5,184), cell phone stipend (\$900), land phone/fax increase due to additional phone line for fire alarm panel (\$1,700).

43210 Transportation/Subsistence. Travel to Alaska Fire Chief's Leadership Summit (\$2,868), EMS Symposium in Anchorage (\$1,641), quarterly medical director run review & leadership meetings (\$500), mileage and per diem for Chief and Administrative Assistant to travel to Soldotna & Anchorage for Emergency Medical Council, Chief, and training meetings (\$814).

43260 Training. Course registration and related training fees for attendance at the EMS Symposium in Anchorage (\$500), and Leadership Summit registration fees (\$700).

43720 Equipment Maintenance. Copier maintenance contract (\$800), SCBA compressor annual maintenance (\$2,000), extrication tools annual maintenance (\$1,300), and SCBA annual inspection, air quality testing for SCBA compressor (\$500), and radio maintenance (\$2,000). Increased due to omission of extrication tool annual maintenance in FY2019.

43780 Building/Ground Maintenance. Hauling and removal of snow, (\$8,720), annual boiler maintenance/inspections (\$3,324), annual fuel tank inspection (\$125), and evaluation of building controls/electronics by KPB maintenance (\$631).

43810 Rents and Operating Leases. Post office box rental (\$90).

43920 Dues & Subscriptions. Certifications for Firefighter I, HazMat awareness & Ops training, (\$750), Alaska Fire Chiefs Association membership (\$200), State of Alaska Firefighters Association Phoenix Chapter (\$300), State of AK Search and Rescue (\$250), apparatus registrations for SOA/DMV (\$100), certifications and recertification for EMT I and ETT (\$300), and various other membership dues & publications (\$174).

48710 Minor Office Equipment. Replacement of copier (\$2,140).

48750 Minor Medical Equipment. 10% match for Code Blue grant funds for a full body vacu-splint stretcher plus shipping (\$125).

48760 Minor Firefighting Equipment. 10% match for VFA grant funds for Wildland/sturtural tools plus shipping (\$1,500), 5% match for AFG Regional grant funds for Scott air packs plus shipping (\$6,400).

50342 Transfer to Debt Service. To cover the current portion of principal and interest for bonds issued in FY2013 to finance the construction of the multi-use facility.

50442 Transfer to Capital Projects. Annual transfer to fund long-term capital projects/replacement requirements. See capital projects section.

61990 Admin Service Fee. The admin service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

For capital projects information of this department - See the Capital Projects section - Pages 340, 343, 353, & 382.

Anchor Point Fire and Emergency Medical Service Area

Established in October 1983, this service area provides fire protection and emergency services in the Anchor Point area between Sterling Highway mileposts 144.5 and 165. The department is staffed by 5 full-time permanent employees, and 40 volunteers. Five service area residents are appointed by the Mayor and confirmed by the Assembly to serve on its board, each serving a three-year term.

The service area operates three engine/pumpers (one of which are housed in the satellite station in Nikolaevsk Village), one rescue truck, three pumper/tenders, three ALS ambulances (one of which is housed in the satellite station in Nikolaevsk Village), three utility vehicles (one of which is housed in the Nikolaevsk station), a wild land brush truck and a six-wheel ATV for wild land and beach access.

The major source of revenue is property tax. The mill rate is 2.75 mills for fiscal year 2020.

Anchor Point Fire & Emergency Medical Service Area

Dept 51410

Mission

Anchor Point Fire/EMS is committed to meet the needs and exceed the expectations of the citizens of our community with effective emergency and non-emergency services by protecting life and property through firefighter/EMS training, public fire education and fire prevention.

Program Description

Anchor Point Fire and Emergency Medical Service Area is responsible for providing fire suppression and rescue for protection of life and property and emergency medical services to a 214 square mile area which includes twenty miles of the Sterling Highway beginning in Happy Valley, all of the Old Sterling Highway and the majority of the North Fork Loop to include the village of Nikolaevsk, and a portion of the Cook Inlet.

Major Long Term Issues and Concerns:

- Continued volunteer recruitment and retention.
- Continued training of current volunteers and newly recruited members.
- Obtain funding to replace self-contained breathing apparatus.
- Replacement plan for aging apparatus and utility vehicles.
- Construction of Station 3 in Happy Valley.

- Obtain funds from State and Federal grants to construct a firefighter training facility in Anchor Point Service Area for South Peninsula service areas and volunteer departments. This would be a regional facility that would be centrally located in Anchor Point, that could be used jointly with KESA, Ninilchik Emergency Services, Homer Volunteer Fire Department and Alaska State Troopers.

FY2019 Accomplishments

Administration:

- Acquired 75' Ladder Truck which will enable us to reach heights not able to reach before, and will be able to provide flow water from an elevated position. This vehicle will also help in the next ISO rating period.
- Provided basic rope rescue training.
- Provided over 3000 man-hours of training to members of the Department.

Operations:

- Additional certifications of two (2) Firefighter II's and five (5) EMT I's.
- Continue to respond via automatic aid to assist Kachemak Emergency Services and Ninilchik Emergency Services.

FY2020 New Initiatives:

- Complete in-ground water tank capital project at north end of the service area.
- Reduce our community risk through continued training.
- Formalize Mutual and Automatic Aid agreements with the City of Homer Volunteer Fire Department.
- Continued training on ladder truck operations.

Performance Measures

Priority/Goal: Public Safety

Goal: Increase/maintain adequately trained volunteer personnel to respond to Emergency calls

- Objective:**
1. Recruit/Retain volunteers
 2. Provide Necessary Training (Fire/EMS)

Measures:

Department Volunteer Personnel	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
EMS trained	28	24	30	32
Fire trained	27	24	27	32

Line-Item Explanations

40110 Regular Wages. Staff includes: 1 Chief, 1 Deputy Chief, 1 Mechanic, and 2 Firefighter Technicians.

40120 Temporary Wages. Stipends for volunteer emergency responders.

40130 Overtime Wages. Overtime due to emergency responses by permanent employees.

43011 Contractual Services. Medical director contract-increased 3% (\$16,137), annual ground ladder testing (\$1,065), pump testing (\$2,200), annual nondestructive aerial testing (\$2,500), O2 cylinder maintenance (\$500), Image Trend (\$800), iamresponding call notification service (\$700), ambulance billing service (\$4,500), drug disposal services (\$250), and Service Area Board annual appreciation, training & retention banquet (\$3,000), cold water rescue training and instructor fees deferred from FY2019 (\$10,000), Phillips Monitor service contract (\$1,100), and Physio Control Lucas service contract (\$600), and eDispatches-new for FY2020 (\$1,548).

43019 Software Licensing. Security cameras software renewal (\$315), licensing for Ford diagnostic equipment (\$800).

43210 Transportation/Subsistence. Attendance at the Alaska EMS Symposium in Anchorage (\$3,964), Alaska State Firefighter Conference (\$8,025), and Fire Chief Summit in Juneau (\$1,516).

43260 Training. Alaska State Firefighter conference (\$1,750), EMS Symposium (\$1,500), annual training for EMT, Firefighter and Haz-Mat Ops classes (\$1,800), and Fire Chief's Conference (\$400).

43510 Insurance Premium. Increased premium for coverage for workman's compensation, property, liability, and other insurance.

43610 Utilities. Increased to adjust to current costs.

43920 Dues and Subscriptions. International Association of Fire Chiefs membership (\$255), Alaska Fire Chiefs Association membership (\$200), Kenai Peninsula Fire Chiefs Association membership (\$100), Alaska State Firefighters Association (\$500), Kenai Peninsula EMS membership (\$25), apparatus registrations for SOA/DMV (\$100), and various other membership dues & publications (\$115).

48710 Minor Office Equipment. Computer and monitors per 5 year scheduled replacement plan (\$1,790), laptop (\$1,183), 2 copier/printer/fax machines replacing outdated Bizhubs (\$3,000 each) and radio or communication equipment replacement for items that become damaged beyond repair (\$2,500).

48720 Minor Office Furniture. Continuation of replacement of desk and wall units for downstairs offices at Station 1 (\$3,000).

48740 Minor Machines & Equipment. Six iPads for apparatus and medic units (\$5,995), and other misc. equipment (\$1,150).

48750 Minor Medical Equipment. RAD 57 monitor (\$3,000), and misc. medical equipment that may become damaged during use (\$2,000).

48755 Minor Recreational Equipment. Treadmill and additional exercise equipment (\$3,000).

48760 Minor Fire Fighting Equipment. 4 sets of new turnout gear, helmets, boots, gloves and other related PPE per 10 year replacement plan (\$19,500), replacement of aging/expiring SCBA bottles 3 year replacement plan (\$10,000), VFA grant matching funds to purchase a wildland packs and fire shelters (\$1,536), and misc. minor fire equipment that may become damaged during use (\$5,000).

50444 Transfer to Capital Projects. Annual transfer to fund long-term capital projects/replacement requirements. See capital projects section of this document.

61990 Admin Service Fee. The admin service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

For capital projects information of this department - See the Capital Projects section - Pages 340, 343, 354 & 383.

Central Emergency Service Area

In October 1991, voters approved the unification of the Ridgeway/Sterling Fire Service Area, the Kalifornsky Fire Service Area, a portion of the Central Peninsula Emergency Medical Service Area, and fire powers from the City of Soldotna. Previously, these areas had been operating as Central Emergency Services under an intergovernmental agreement to provide fire and emergency medical services. At the October 2004 election voters elected to admit the more populated areas of the Central Peninsula Emergency Medical Service Area to this service area. A five-member joint operations board is elected by voters within the Central Emergency Service Area and the Central Peninsula Emergency Medical Service Area.

The staff includes 44 permanent employees and 30 volunteers. There are 8 fire stations, 5 staffed stations and 3 un-staffed sub-stations.

The mill levy for the service area is 2.85 for fiscal year 2020. Additional funding is provided by ambulance billing fees charged to users of the ambulances, and interest income.

Central Emergency Service Area

Dept 51610

Mission

Central Emergency Services (CES) will ensure that an effective and efficient organizational structure is maintained for the purpose of providing quality fire protection service delivery that includes fire suppression, EMS, rescue, public education and investigation.

Program Description

- CES serves a population of 24,196 citizens within a 2,200 square mile service area.
- CES operates five staffed stations and three unstaffed sub-stations.
- Staffing consists of 42 career, 2 support, and 30 volunteer personnel.

Major Long Term Issues and Concerns:

- Construction of a new Soldotna fire station to meet the operational needs of the growing community.
- Address long term funding and alternative funding in order to maintain and enhance current levels of fire protection and emergency services.
- Monitor trends throughout the fire service to improve efficiency and effectiveness.

FY 2019 Accomplishments:

Administration

- Transitioned to shared shop with Borough Maintenance for CES Fleet Maintenance Program.
- Added computer mobile data response mapping to responding fire apparatus and ambulances.
- Upgrade of the Computer Aided Dispatch (CAD) system and Fire station alerting system.

Operations

- Hosted child passenger safety technician certification course for new hires.
- Provided Alaska Firefighter 2 training and certification.
- Conducted Alaska Fire Apparatus Driver/Operator Training Course.
- Continued recruitment and training of volunteers for response and to support fire station staffing.
- Water Rescue Boat Operator Safety Course.
- Paramedic 2 (Advanced Level) training and certification.
- New water rescue boat purchased.

FY2020 New Initiatives:

- Develop "Standards of Coverage" documents with the assistance of GIS to assess current and future service level needs.
- Install new fire station alerting system to the five staffed fire stations.
- Design and purchase fire engine, pumper/tanker and ambulance.
- Complete the implementation of the fleet maintenance program to insure reliability and operational readiness of the emergency response vehicles.
- Continue certification of department drivers as Alaska Certified Fire Apparatus Driver Operators.
- Continue work with Borough Risk Management team to improve CES safety program to reduce the risk of injuries.

Performance Measures

FTE Staffing	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Full Time staffing history	40	41	44	44
Volunteers staffing history	45	35	21	30

Priority/Goal: Emergency Medical Services (EMS)

Goal: Ensure timely response and highest level of service per emergency medical response.

Objective: Provide advanced level EMS care on scene within 8 minutes 90% of the time. (NFPA 1710)

Measures:

EMS Response Time Analysis	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Average Response Time	9:00	9:20	9:19	9:30
% of Calls Under 8 Minute Response Time	62.6%	61.5%	64%	60.0%

Average Response Times All Calls	11:30	9:09	10:15	10:15
Total Call Volume	2,593	2,591	2,688	2,825
Annual Fire Loss (Property & Contents)	\$1,196,850	\$2,003,712	\$1,400,000	\$1,400,000

Commentary

CES priorities for FY2020 will continue to focus on identifying efficiencies in service delivery while maintaining the current level of service in fire suppression, rescue, EMS and fire prevention. Due to recent retirements and attrition, CES will need to focus on training a younger workforce. CES continues to see a large increase in the number of simultaneous calls that occur more frequently. There are several periods in which CES will have 4 calls at once, stretching the resources available. We are consistently faced with working structure fires and simultaneous medical emergency calls. This will be a challenge for the organization moving forward. CES has met recent struggles in recruiting and retention of volunteer responders. CES is also faced with increased maintenance for both response vehicles and aging facilities due to increasing calls for emergencies. The increased demand for services in the City of Soldotna, and surrounding area have long outpaced the operational capacity of the current Soldotna Fire Station, which is 63 years old. Plans for a new station continues to be a priority in order to meet the demands of the Service Area. The Central Peninsula's aging population and growing medical facility infrastructure, will ensure a steady increase in the need and reliance on emergency medical treatment and transport. The department has seen a steady increase in non-emergency related transports and lift assists that will continue to trend as the community ages.

Line-Item Explanations

40110 Regular Wages. Staff includes: Chief, Deputy Chief, Training Officer, Fire Marshal, 3 Captains, 33 Engineers, 2 Fire Technicians, 1 Mechanic, 1 Administrative Assistant.

42250 Uniforms. Increased for replacement of uniform shorts and sweatpants (\$4,000). Also includes shift shirts, pants, boots, and cold weather gear.

42410 Small Tools & Equipment. Decreased of (\$2,000) for purchase of hose rinsers. Increased (\$1,600) for purchase of floor mats.

43011 Contractual Services. Medical director contract (\$113,967), ambulance billing (\$37,000), UL aerial, ladder, pumper test (\$10,000), boat operations class instructor fees (\$7,380), paramedic refresher instructor fees (\$5,500), custodial services-OEM (\$3,500), bunker gear repair (\$2,225), medical director training and lab fees (\$3,868), online services (\$2,328), vehicle towing (\$500), and other miscellaneous small contracts (\$3,570), and added bunker gear rentals (\$1,900), and annual bond audits (\$750).

43019 Software Licensing. CAD Paging Interface (\$1,500), Smartboards software (\$16,000), Management System support software for billing support fire and EMS (\$19,000), Microsoft upgrades (\$2,500), narcotics tracking software changeover to new vendor (\$13,400), retain narcotics tracking software from old vendor during transition (\$14,000), security camera software renewal (\$1,700), personnel scheduling program (\$7,000), Streetwise CAD Software changeover to new vendor (\$6,500), retain Streetwise CAD Software from old vendor during transition (\$5,000), and various smaller software maintenance (\$1,884).

43210 Transportation and Subsistence. Increased for ASFA Fall Conference to Ketchikan for two (\$4,500), and Fire Mechanic School (\$1,500), also decreased AFCA Spring Conference to one attendee (\$1,988),

43260 Training. Course registrations and related training fees for annual Chief conference, EMS and firefighting related training and symposium. Reduced volunteer training scholarships and various training (\$3,475). Also includes course registrations and related training fees for annual Chief conference, EMS and firefighting related training and symposium.

43720 Equipment Maintenance. Copier maintenance (\$3,000), gas monitor calibration/repair (\$1,600), dive cylinder testing (\$1,800), I-Stat testing (\$4,850), lifepak maintenance contract (\$14,000), radio equipment maintenance (\$7,580), SCBA repairs (\$2,000), PowerCot service contract (\$7,500), and smaller maintenance items (\$3,400).

43750 Vehicle Maintenance. To fund chargeback fees for Borough Maintenance charged for fire and ambulance apparatus maintenance to be performed by Borough Maintenance personnel.

43780 Buildings/Grounds Maintenance. The addition of pump/clean drains (\$4,000), and increase to snowplowing at ERC (\$1,700).

43810 Rents and Operating Leases. Booth rentals for public education (\$80), oxygen cylinder rental (\$3,000), portable toilet rental for training site (\$3,400), propane tank rental (\$550), room rentals for training and awards (\$1,150), and tool rental (\$900).

43920 Dues and Subscriptions. Increase due to NFPA Codes Sub Renewal / Membership combined and increased (\$1,075).

48710 Minor Office Equipment. Scheduled replacement computers w/ monitors 2 @ (\$1,000 ea.).

48720 Minor Office Furniture. Couch/recliners (\$2,500), and station bed replacements (\$500).

48740 Minor Machines & Equipment. Gas detection and monitoring equipment (\$3,450) deferred from FY2019.

48760 Minor Firefighting/Rescue Equipment. Firefighting personal protective equipment (\$45,520), SCBA bottles (\$2,000), ice rescue suits (\$1,000), water rescue equipment (\$10,668), wildland fire equipment (\$10,500), and miscellaneous items (\$5,000).

50358 Transfer to Debt Service. Current portion of principal and interest for bonds issued in FY2007 to finance the construction of a new fire station in Kasilof and upgrades to the existing facility at the Funny River Station. In FY2016 bonds issued for new emergency response apparatus. It is anticipated that the remaining \$2.38M in authorized bonds will be issued in FY2021.

61990 Admin Service Fee. The admin service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

Central Peninsula Emergency Medical Service Area

Established in October 1981, this service area was formed to provide ambulance and emergency medical services for the residents of the Central Peninsula area of the Borough. At the October 1991 and 2004 elections, the most populated areas of this service area were consolidated into the Central Emergency Service Area. Ambulance service to the remaining portion is provided by Central Emergency Services, and the taxes collected in this area are transferred to the Central Emergency Service Area for payment of this service.

A five-member joint operations board is elected by voters within this service area and the Central Emergency Services Area to provide oversight of the joint operations of the two service areas. The mill levy for fiscal year 2020 is 1.00, which is the maximum allowed.

Line-Item Explanation

50211 Transfer to Central Emergency Services. Emergency medical services for the service area residents are provided by Central Emergency Services (CES), with compensation provided by the transfer of funds collected on the service areas one mill rate to CES (See CES for description of activity, pages 185-192).

This page intentionally left blank.

Kachemak Emergency Service Area

This service area was created on October 10, 2000, to provide fire protection and emergency medical service for the area surrounding the City of Homer and Kachemak City. The fire department is staffed by 5 permanent full-time employees and 38 volunteers. Five service area residents are appointed by the Mayor and confirmed by the Assembly to serve on its board, each serving a three-year term.

Revenue is raised through property tax. The mill rate is 2.60 mills for fiscal year 2020.

Additional funding is provided through ambulance billing fees and interest income.

Mission

To provide safe, effective, high quality and affordable fire suppression and emergency medical service to reduce the loss of life and property accomplished through the mandating and execution of proactive programs while promoting a positive and dependable environment for volunteers.

Program Description

KESA provides fire suppression, emergency medical and rescue services to a 214 square mile area surrounding the City of Homer on the South Kenai Peninsula.

Major Long Term Issues and Concerns:

- With multiple projects and increased call volume, funding is still an issue.
- Recruitment and retention of volunteers.
- Replacement for the 4,000 gallon tanker that is leaking is now an emergency.

FY2019 Accomplishments:

Administration

- Hired our first full-time Firefighter Technician.
- Efficiently and effectively responded to an increased call volume of 23% with less volunteers through strategic planning and positioning.
- Responded to 53% fire calls compared to the national average of 27%. Fire calls typically require more personnel on an event compared to EMS calls.
- Created Cooperative Agreement for Public Information with KBBi during emergency events.

FY2020 New Initiatives:

- Continue to recruit volunteers.
- Request/obtain funding for a 4,000 gallon tanker.
- Hold an EMT Bridge class.

Performance Measures

Priority/Goal: Fire and Emergency Medical Services

Goal: Timely response, professionalism, courtesy, knowledge displayed to emergency incidents in all areas

- Objective:**
1. Provide fire and emergency medical response on scene within 8 minutes of page for all areas.
 2. Continue to deliver professional services while leaving a positive impression and outcome to the customer
 3. Build on Strengths and ratify areas of deficiency.

Measures:

Average Response Times by Station	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Diamond Ridge	8	10	9	9	9
Fritz Creek/McNeil Canyon	8	7	7	7	7
Voznesenka / Razdolna	8	11	11	11	11

Call Volume Vs. Responder Average	CY2017 Actual		CY2018 Actual		CY2019 Projected	
	Calls	Responders	Calls	Responders	Calls	Responders

Kachemak Emergency Service Area - Continued

Dept 51810

Measures:

Kachemak Emergency Service Area Staffing	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Staffing history (FTE)	4.0	4.0	5.0	5.0
Volunteer firefighters	35	45	43	38

Priority/Goal: Increase service level for emergency medical response.

Goal: Establish program service area-wide for advance life support care in line with other advanced service areas within the Borough.

- Objective:**
1. Train responders to master new standing orders and increased medical procedures.
 2. Upgrade medical equipment and supplies to support standing orders.
 3. Complete expanded scope training enabling EMT's to perform new medical procedures and use new medications.
 4. Implement physician based trainings and training for each advanced EMT Level in order to maintain advanced level responders.

Measures:

	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Physician Based Training	15	9	3	6	16
EMT II Training	10	12	12	12	12
EMT III Training	10	12	12	12	12
ACLS Training	10	11	11	11	12
PALS Class	2	2	2	2	2

Priority/Goal: Increase service level for fire and rescue response

Goal: Establish program service area-wide for improved firefighting and rescue capabilities in line with other advanced service areas in the Borough.

- Objective:**
1. Improve fire officer staff and capabilities.
 2. Increase engineer staffing through training.
 3. Establish and train specialized crews.
 4. Acquire equipment to support fire, EMS, and search & rescue operations.

Measures:

	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Firefighter II/Officer Training	12	13	13	13	12
Engineer Training	10	6	6	6	6

Specialized Training including Rapid Intervention Team, Confined Space Rescue, High Angle Rescue, Fire Investigation	8	10	10	10	12
Wildland Fire Training	6	5	5	5	5

Commentary

KESA continues to provide leading edge service through implementing the latest in EMS and firefighting technology and best practices. The training and execution for Tele-medicine, on-scene blood analysis and respiratory therapy continues to save lives and reverse deteriorating conditions in numerous patients. Best practice and innovative systems have also paid off in firefighting practices. Houses that otherwise would have been a total loss in past years are being saved to the point where home owners can salvage valued possessions. Property owners are getting a significant savings on their insurance premiums with the drop in ISO ratings. The issue going forward is the ability to continue to provide this high level of service with the resources available, both human and financial. This continues to be the standard year to year.

Line-Item Explanations

40110 Regular Wages. Staff includes: Chief, Deputy Chief, Administrative Assistant, Mechanic, and Firefighter Technician.

40120 Temporary Wages. Increase due to change in stipend rate. For volunteer call-out. Wages used for project work by volunteers and in-house snow plowing.

42210 Operating Supplies. Increased due to run rate with the addition of Firefighter Technician position.

42220 Fire/Medical/Rescue Supplies. Decreased due to efficiencies in pharmaceuticals and other supplies. Medical supplies, firefighting supplies such as water from water haulers, fire ground tape, foam and other miscellaneous supplies.

42230 Fuel, Oils and Lubricants. Cost of fuel for apparatus. Increased due to additional fire responses and run rates.

42250 Uniforms. Increased due to the addition of the Firefighter Technician position.

42263 Training Supplies. Decreased due to Firefighter 1 class being held in FY2019 and not in FY2020.

42360 Motor Vehicle Repair Supplies. Decreased due to the condition of the fleet. Maintenance and repairs to fleet.

43011 Contractual Services. South Peninsula communications site installation-new (\$5,000), eDispatches management system (new) which replaces I am Responding system (\$1,375), medical director contract-increased 5% (\$16,137), laboratory director with CLIA (clinical laboratory improvement amendment) license (\$2,000), inventory and maintenance tracking system (\$6,000), Image Trend support (\$1,220), ambulance billing service (\$2,000), radio services (\$4,000), Phillips MRX service (\$935), turnout gear repairs (\$1,000), ISTAT maintenance (\$2,000), ladder testing (\$3,120), fire extinguisher service (\$650), and misc. small contracts (\$938).

43014 Physical Examinations Exams for volunteers which are conducted on a two-year cycle.

43019 Software Licensing. Increased for the MDT software.

43110 Communications: TLS pipe going to both stations, cellular data lines for the heart monitor to transmit tele-medicine to the hospital, and cellular data lines for the MDT's.

43210 Transportation/Subsistence. Attendance at conferences including Alaska EMS Symposium, Alaska Fire Investigators conference, Alaska Fire Chief conference, Alaska Fire conference, and volunteer meals.

43260 Training. Increase related to new training courses - JEMS, EPC, ACLS, Stop the Bleed training. Fees for various conferences including Alaska Firefighters conference, Alaska Fire Chiefs summit, Alaska EMS symposium, and misc. recertifications and training.

43510 Insurance Premium. Increased premium for coverage for workman's compensation, property, liability, and other insurance.

43810 Rents and Operating Leases. Repeater site rental (\$1,200), propane tank lease (\$123), O2 cylinder rental (\$425), and postage meter rental (\$320).

48514 Firefighter/Rescue Equipment. Increased to purchase a E-draulic tool 1 spreader (\$10,000).

48515 Medical Equipment. Increased to replace two obsolete defibrillator/monitors (\$33,500 each).

48710 Minor Office Equipment. Base radio for Station 2 purchase which was deferred again in FY2019 due to other priorities (\$5,000), continuing purchase of APX 1000's to complete phase out obsolete ICOM's (\$10,000), and a one-time purchase of iPads also deferred due to strategy change from Streetwise to New World CAD Software for MDT's (\$5,000).

48720 Minor Office Furniture. Decreased after one-time purchase of training furniture in FY2019.

48760 Minor Fire Fighting Equipment. 10 sets of turnout gear replacement not purchased in FY19 due to lower recruitment(\$23,070), and nozzles, adapters, tools and misc. equipment (\$8,000).

50264 Transfer to 911 Fund. To cover charges from the 911 fund for cost of operating the 911 call center.

50446 Transfer to KES Capital Projects Fund. Annual transfer to fund capital projects.

61990 Admin Service Fee. The admin service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

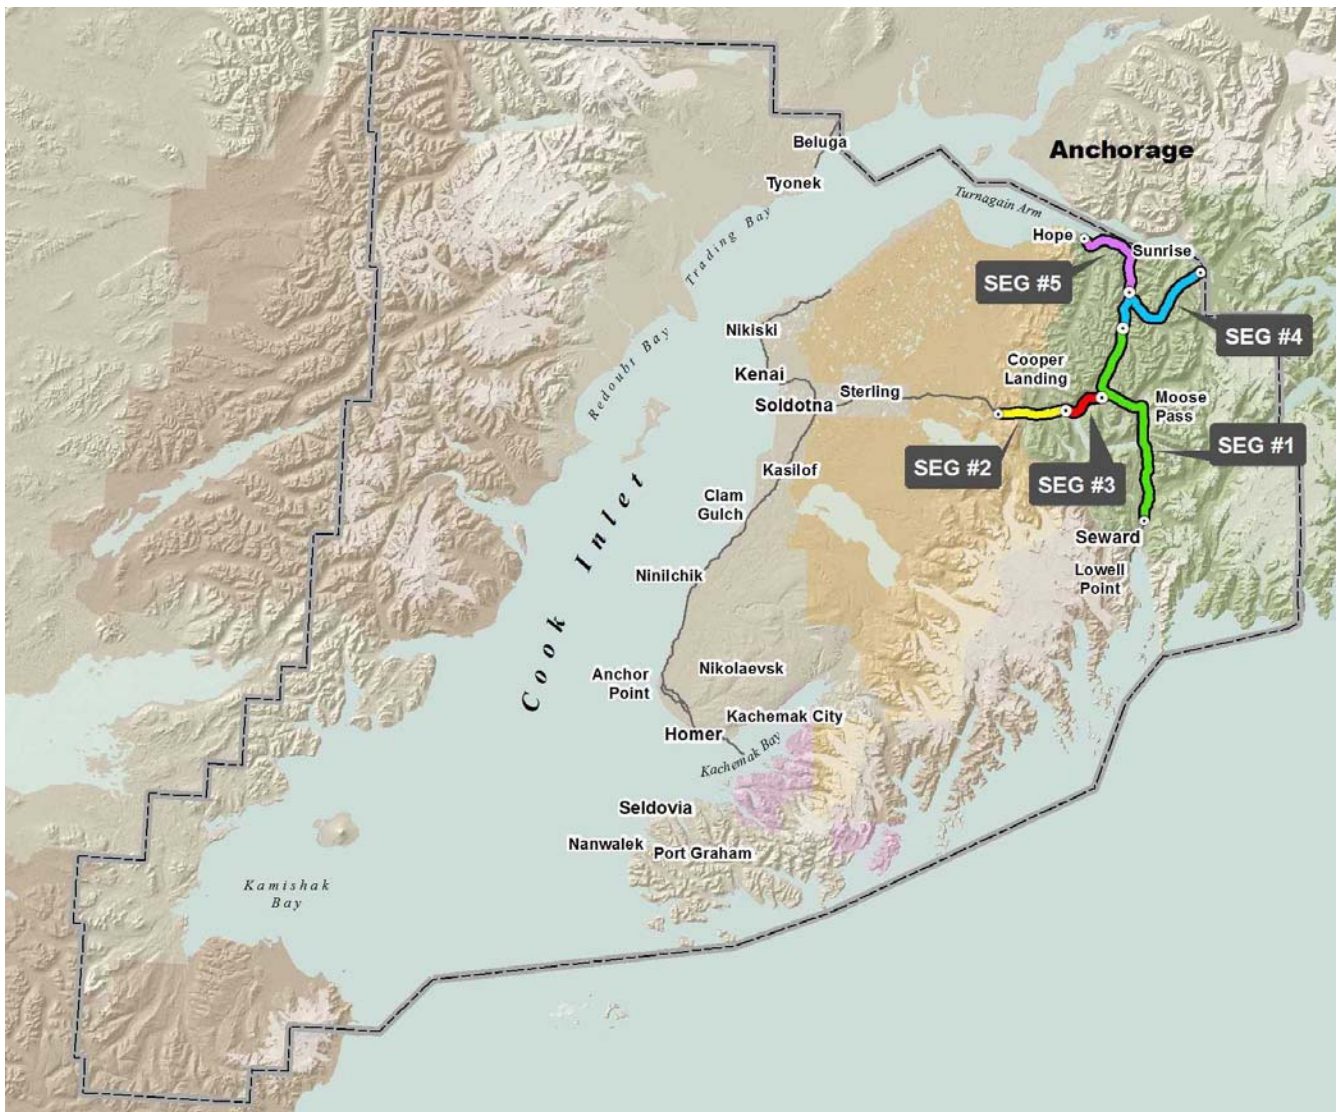

This page intentionally left blank.

Eastern Peninsula Highway Emergency Service Area

This service area was created on May 16, 2017, to provide fire protection and emergency services along the heavily traveled highways that serves as the sole road connections between various communities of the Kenai Peninsula and Turnagain Pass. The department is staffed by .50 contracted FTEs. Five Borough residents are appointed by the Mayor and confirmed by the Assembly to serve on its board.

The response area covered by the service area is between milepost 8.5 and 75 along the Seward Highway and between mile post 37 and 59 along the Sterling Highway and between milepost 0 and 13 along the Hope Highway near the communities of Hope, Cooper Landing, Moose Pass, and Seward. Emergency services will be contracted with community volunteer groups in the area.

The major source of revenue is a transfer from the General Fund utilizing the federal Payment in Lieu of Taxes (PILT) funds.

Eastern Peninsula Highway Emergency Service Area

Dept 51710

Mission

The mission of the Eastern Peninsula Highway Emergency Service Area is to provide consistent and coordinated response to incidents requiring fire and emergency medical services along heavily traveled highway corridor.

Program Description

- The Eastern Peninsula Highway Emergency Service Area provides fire protection and emergency medical services within the highway corridor between mileposts 8.5 - 75 Seward Highway, mile 0 – 13 Hope Highway, and mile 37- 58 of the Sterling Highway, consisting of 101.5 highway miles.
- The Service Area has .50 contracted FTE employees, and 5 appointed board members.

Major Long Term Issues and Concerns:

- Securing consistent, coordinated resources that can provide reliable responses to all emergencies along the highway corridor.
- Improving standardization, recruitment support and training opportunities.
- Managing available funding to best incentivize.

FY 2019 Accomplishments:

- Restructured the Service Area’s 5 contract segments.
- Assigned primary, secondary, & tertiary agency response in the restructured segment areas.
- Signed mutual aid agreement between Municipality of Anchorage and the Kenai Peninsula Borough.
- Prepared FY2019 contracts & extensions with 3 of the 5 agencies signed.

FY2020 New Initiatives:

- Provide 100% response coverage for all segments through contracts with local agencies.
- Improve radio communication in service area.
- Standardize dispatch notification to contracted agencies.
- Improve extrication capabilities throughout the service area.
- Evaluate second phase contracts based on performance and gap analysis.
- Develop metrics and an evaluation matrix to document effectiveness of the Service Area and contracted agencies.

Department 51710 - Eastern Peninsula Highway Emergency Service Area - Continued

Line-Item Explanations

42263 Training Supplies. To assist with minimum training requirements. ETT books (\$180), EMT I books (\$834), FF Essential books (\$456), and Emergency vehicle operator kits (\$425).

42310 Repair/Maintenance Supplies Shared expenses with BCFSa for annual supplies for boiler maintenance & landscaping.

43011 Contractual Services. Agency strengthening contracts (\$75,000), Agency performance stipends (\$143,487), contracted personnel (\$60,129), physician sponsor contract (\$10,000), ambulance billing (\$2,100), Medicare validation (\$2,500), standardize dispatch-voice notification program-eDispatch (\$2,796), shared expenses with BCFSa for fire alarm monitoring (\$84), pass-thru ambulance billing (\$56,800), and instructor provided training for extrication course (\$3,550), ETT course (\$1,500), EMT 1 course (\$2,400), and misc small contracts (\$7,604).

43019 Software Licensing Shared expenses with BCFSa for surveillance software license (\$15).

43110 Communications Shared expenses with BCFSa for TLS Internet (\$1,292) and land lines phone services (\$437).

43210 Transportation/Subsistence. Mileage reimbursement for personnel for board, budget, & quarterly reviews (\$1,990), mileage reimbursement for Chief of Emergency Services for board, budget, & quarterly reviews (\$2,314), and quarterly run review with sponsoring physician (\$500).

43510 Insurance Premiums. Coverage for workman's comp., property, liability, and other insurance.

43610 Public Utilities Shared expenses with BCFSa for electric, trash service, and heating fuel.

43720 Equipment Maintenance Shared expenses with BCFSa Konica Minolta (\$250).

43780 Building/Ground Maintenance Shared expenses with BCFSa for facility snow removal & sanding (\$187), and annual building fire extinguisher inspections (\$7).

43810 Rents and Operating Leases. Fee to use the Cooper Landing Hall for meetings.

48120 Office Equipment. Purchase and install a communications base station at Moose Pass Fire Station 2 to improve radio coverage in the slide mountain area (\$10,715).

48514 Fire Fighting/Rescue Equipment. Purchase 1 eDraulic 2.0 combi extrication tool for use by Cooper Landing Emergency Services (\$9,428).

48710 Minor Machines & Equipment Shared expenses with BCFSa for replacing copier (\$535).

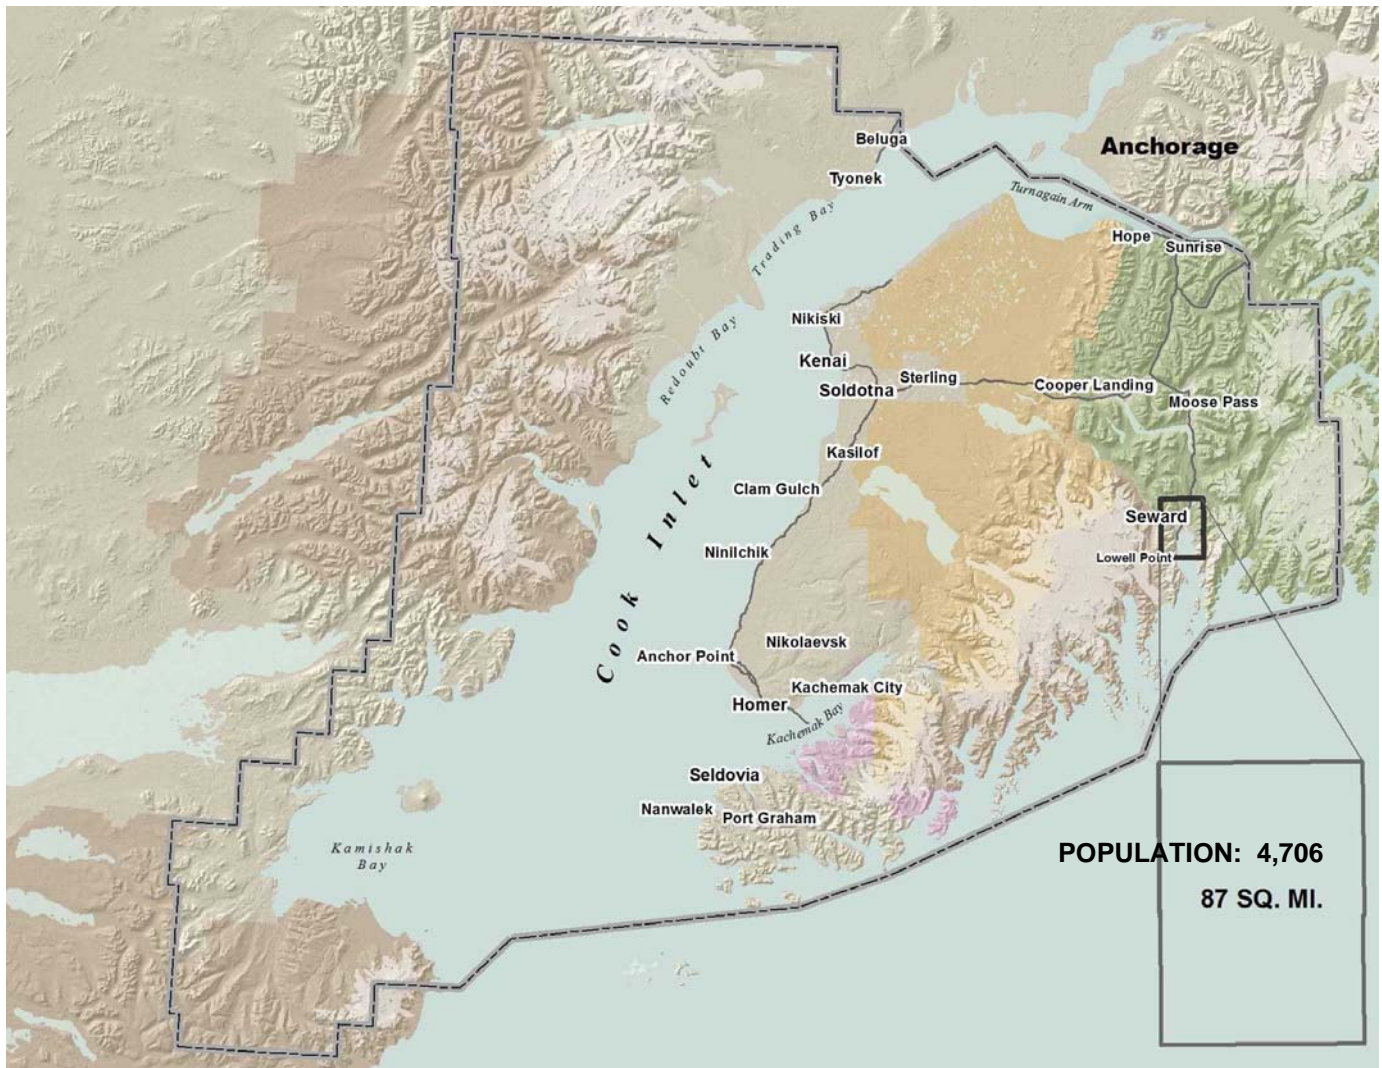

48760 Minor Fire Fighting/Rescue Equipment. Rescue 42 vehicle stabilizing kit to improve extrication capabilities throughout the service area for use by Cooper Landing Emergency Services (\$2,919).

Seward-Bear Creek Flood Service Area

Established in August 2003, this service area was established to provide flood planning, protection and mitigation services to the residents of the service area. The service area is overseen by an elected seven-member board, each serving one to three-year terms. The department is staffed by 1.5 permanent employees.

Revenue is raised through property tax. The mill rate is .75 mills for fiscal year 2020.

Seward/Bear Creek Flood Service Area

Dept 21212

Mission

The mission of the Seward/Bear Creek Flood Service Area is to provide flood planning, protection, and mitigation services in coordination with the appropriate agencies, to reduce the risk of flood damage to private and public property.

Program Description

The Flood Service Area is responsible for providing flood planning and mitigation services to the Seward/ Bear Creek community. The Board is tasked to determine flood planning needs and to advise and facilitate flood hazard reduction measures.

Major Long Term Issues and Concerns:

These could be addressed with a Planning grant to complete a watershed-wide Sediment Management Plan:

- The need for funding, partnerships, and plans for annual sediment and debris removal.
- Lack of areas outside the floodplain for gravel deposition or plans for utilization of removed debris.

SBCFSA requests assistance with these long term issues:

- The need for developable property outside the floodplain for residential housing and commercial expansion.
- Gaining site control at various critical flood mitigation sites within the service area, including Box Canyon Creek water diversion structure.
- Replacement or relocation of the Forest Road Bridge over Lost Creek in the Old Mill subdivision.

FY2019 Accomplishments

- In partnership with the US Army Corps of Engineers, SBCFSA/ KPB completed construction of a flood control revetment and recreational area for upper Salmon Creek.
- Completed 2019 Hazard Mitigation Plan Update.
- Completed armored embankment & channel restoration at the Clear & Salmon Creek confluence.
- Completed short-term mitigation project at Japanese Creek & Dieckgraeff Rd including channel & embankment restoration, road drainage ditch improvements, and culvert conveyance restoration.
- Received approval from Alaska State Department of Natural Resources for site-specific Sediment Management Plan on Sawmill Creek.
- Completed Emerging Situation repairs to address rapidly developing incidents at Clear and Sawmill Creeks.
- Completed channel and embankment restoration at four project sites: Lost, Kwechak, Sawmill & Box Canyon Creeks.

FY2020 New Initiatives:

- Apply for a Pre-Disaster Mitigation or Hazard Mitigation Planning Grant for a watershed-wide Sediment Management Plan to include streambed debris removal, deposition areas outside the floodplain, and plans for utilization of material.
- Partner with City of Seward and US Army Corps of Engineers to begin a feasibility study on Japanese Creek.
- Under FEMA Cooperating Technical Partner grant program, complete the Seward Mapped Flood Data Area (SMFDA) mapping and floodplain code update.

Performance Measures

Priority/Goal: Public Outreach and Education

Goal: Raise public awareness of floodplain risks, mitigation efforts, and national flood insurance program

- Objective:**
1. Send out educational mailing to all service area property owners
 2. Conduct Community Work Sessions/ Public meetings

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Number of bulk educational mailings	1	1	1	1
Number of community work sessions/ public meetings	2	2	2	2

Measures:

Staffing	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Service Area staffing history	.75	1.5	1.5	1.5
Water Resource Manager/ Project Manager (Interdepartmental Charge)	.40	N/A	N/A	N/A

Department Function

Fund 259

Seward/Bear Creek Flood Service Area - Continued

Dept 21212

Priority/Goal: Flood Mitigation

Goal: Prioritize, plan, and facilitate flood mitigation projects

Objective: 1. Obtain grant funding for risk assessment or mitigation projects
2. Complete in-stream and multi-agency mitigation projects

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Grant /Partnership mitigation funding applications	2	2	1	1
In-stream mitigation projects	2	3	4	3
Multi-agency mitigation projects	1	3	3	2

Commentary

In-progress and completed FY19 mitigation projects approved by the Service Area:

In-stream mitigation projects (% completed during FY19)

- Box Canyon Creek Water Diversion Structure Restoration (100%)
- Lost Creek Embankment & Channel Restoration (100%)
- Sawmill Creek Embankment & Channel Restoration (100%)
- Japanese Creek Channel & Culvert Restoration, Road Drainage Ditch Improvements (100%)

Multi-agency mitigation projects (% completed during FY19)

- Upper Salmon Creek Armored Revetment (100%)
- Clear Creek Armored Embankment & Channel Restoration (100%)
- Kwechak Creek Embankment & Channel Restoration (100%)
- City of Seward Second Avenue Culvert Optimization (20%)

Emerging situation projects (% completed during FY19)

- Sawmill Creek embankment breach (100%)
- Clear Creek channel restoration (100%)

Anticipated Supplemental Appropriations from Unrestricted Fund Balance	FY2020	FY2021	FY2022	FY2023	FY2024
FEMA Cooperating Technical Partner Grant Local Match					
Update of the Seward Mapped Flood Data Area (SMFDA) floodplain code and regulatory maps, including the collection and processing of LiDAR data and update to the KPB and City of Seward GIS parcel viewers. Grants to be awarded in September/October 2019.					
	\$50,000				
Sediment Management Projects					
Removal of streambed material (gravel, debris) from the active channel to maintain conveyance through existing infrastructure (culverts, bridges). *Partnership projects with match from other agencies expected.					
• Sawmill Creek	\$40,000*				
• Japanese Creek	\$50,000*				
• Kwechak Creek at Lost Creek Confluence	\$75,000				
• Lost Creek at Forest Road		\$35,000*			
• Salmon Creek at Nash Road			\$75,000*		
• Clear Creek at Salmon Creek Confluence				\$50,000	
• Spruce Creek					\$35,000

Department 21212 - Seward-Bear Creek Flood Service Area - Continued

Line-Item Explanations

40110 Regular Wages. Staff includes 3/4 time Service Area Program Lead and 3/4 time secretary.

42250 Uniforms. Rain jacket and boots for staff.

42410 Small Tools & Equipment. Garmin GPS with satellite emergency locator communication and binoculars for in-field work.

43011 Contractual Services. Channel and embankment maintenance (\$50,000), flood restoration/ repair (\$20,000), bank stabilization/ revetment projects (\$30,000), cooperative project with City of Seward (\$50,000), and emerging situations (\$10,000).

43210 Transportation/Subsistence. Increase due to mileage for in-field work in personal vehicle not included in past years (\$2,000), and increase for travel to out-of-state floodplain conferences (\$1,692). Also includes travel for meetings/training in Anchorage & Soldotna (\$1,047) and board meeting food allowance (\$720).

43260 Training. Registration fees for out-of-state conferences for staff (\$475). Floodplain management certification requires 16 continuing education credits every 2 years. Program Lead has been CFM since 2011.

43720 Equipment Maintenance. Copier agreement. Increase for additional printing needs.

43810 Rents & Operating Leases. Office space lease agreement (\$10,342), and post box fee (\$94).

43920 Dues & Subscriptions. Increase to add Secretary's Floodplain Manager's Certification, and two NORFMA and ASFPM floodplain managers memberships for training and support. Increase to add satellite communication subscription for in-field safety.

48720 Minor Office Furniture. Lateral file cabinet (\$500).

60000 Charges (To) From Other Depts. These are charges paid to the Purchasing & Contracting department for project management on some SBCFSA projects.

61990 Admin Service Fee. The admin service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, capital outlay and interdepartmental wage charges.

911 Communications

Dept 11255

Mission

Our mission is to enhance the quality of life of the Kenai Peninsula Borough citizens by serving as the communications link between the citizen and the public safety services.

Program Description

The Soldotna Public Safety Communications Center (SPSCC) is responsible for providing emergency and routine public safety radio, telephone, 9-1-1 and computer-aided dispatching services to multiple law enforcement, fire, and EMS agencies. We will strive to handle all 9-1-1 and other calls for service in a prompt, courteous, professional manner. We recognize that service is our one and only product and we share a common ongoing goal to provide it at the highest possible level. We recognize that our strength and success are tied directly to the unique contributions of each of us working in the spirit of cooperation and teamwork.

The costs shown are approximately 60% of the total cost of operating the 911 program for the Kenai Peninsula. The State of Alaska Department of Public Safety budgets and pays for the other cost.

Major Long Term Issues and Concerns

- Current governance structure of SPSCC.
- Contingency planning for Alaska State Troopers/DPS. moving personnel and services to Anchorage based dispatch center.

- 911 call taking software vendor is purchasing another company. They will be moving all of their clients to the new software suite. Unknown timing and hardware/software change needs and costs.

FY2019 Accomplishments:

- Trained four new hires (3 state/1 borough) throughout entire fiscal year.
- Completed dispatch remodel/console expansion from six to eight work stations and upgraded flooring.
- 911 Quality Assurance review and feedback of medical calls-cardiac arrest calls reviewed w/medical director.
- CAD upgrade to New World Enterprise-CAD build and employee training completed-station alerting.
- Participated in Community Resilience Fair-911 Education for children and adults.
- Implemented 911 employee recognition program for call of the month.

FY2020 New Initiatives:

- Coordinate with OEM and EPHESA for more efficient radio communications.
- Expand 911 education program-recruitment purposes.
- Establish fire call review committee-update and modify response plans in CAD Enterprise.
- Work with City of Kenai to establish 911 alternate site.
- Coordinate with OEM and SOA to install redundant microwave connection for backup.

Performance Measures

Priority/Goal: Public Safety Communications

Goal: To deliver the highest level of professional service to the public, emergency responders and external agencies.

Objective:

1. Answer 95% of all 9-1-1 calls within 15 seconds or less (NFPA 1221).
2. Answer 90% of all 9-1-1 calls within 10 seconds or less (internal goal).

Measure:

	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Average 9-1-1 time to answer	:10	:08	:08	:08	:08
Total 9-1-1 calls received		27,022	25,853	26,370	26,897
Wireless 9-1-1 calls		18,915 (70%)	18,614 (72%)	18,986 (72%)	19,365 (72%)
Wireline 9-1-1 calls		8,107 (30%)	7,239 (28%)	7,383 (28%)	7,531 (28%)
Average 9-1-1 call duration		2:37	2:33	2:33	2:33

Department 11255 - 911 Communications - Continued

Line-Item Explanations

40110 Regular Wages. Staff includes: 1 Communications Center Senior Manager, 3 Shift Supervisors, and 7 Public Safety Dispatchers, 1 Quality Assurance Specialist/Administrative Assistant, and 1 Emergency Management Technical Specialist (IT).

42310 Repair/Maintenance Supplies. 75% of cost for power module for ERC (75% = \$5,550) (the remaining 25% to be covered by OEM) and spare parts not under warranty or support (\$3,500), replacement for rack mounted UPS batteries for prism UPS (\$800).

42410 Small Tools. Purchase of dispatch headsets and bases (\$1,500), KVM switch replacements for call taking stations (\$650).

43011 Contractual Services. Payments to cities for E911 services (\$158,400), custodial (\$3,600), EMD sponsoring physician (\$15,500), new employee drug tests/background checks (\$200), telanguage services (\$150), KPB hosted EMD and EFD courses (\$6,000) redundant microwave connection to ALMR system in case of failure of primary connection (\$10,000).

43019 Software Licensing. MicroData technical support call handling annual maintenance (\$64,280), and 911 Datamaster ALL/GIS database software tech support and licensing (\$19,200), security camera software renewal, (\$160), CAD software maintenance (\$68,500), EMD, EFD, AQUA protocol software and cardset support and updates, additional two licenses (\$16,800) for City of Kenai (\$2,400), VMWare renewal foundation for 911 servers (\$5,900), Windows Server 2016 (\$5,000), SQL licensing for V Center (\$7,200), Equal Logic SAN support (\$2,100), Solarwinds software maintenance (\$350), AudioCodes Voice Gateways annual technical support & hardware support (\$6,500).

43110 Communications. Dedicated long distance circuits, trunks, and data lines and connectivity (\$118,358), TLS circuit at 20Mbps (\$5,520), cell phone stipend for IT Specialist (\$900), cell phone stipend for Senior Manager (\$900).

43210 Transportation/Subsistence. Travel costs and lodging for yearly conferences with subject matter pertaining to 911, public safety, and emerging technologies. Meal allowances per CBA for overtime.

43260 Training. Annual NAED Navigator conference for 911 Quality Assurance Specialist (\$940), NAED training for EMD/EFD certification/recertification (\$1,320), BLS (\$500), miscellaneous staff training (\$4,500).

43720 Equipment Maintenance. Radio Maintenance Contract (\$32,240) IBM hardware maintenance contract (\$1,060).

43780 Building/Grounds Maintenance. Grounds maintenance (\$1,000), and elevator maintenance (\$2,100), generator/building maintenance (\$9,500), and snow removal (\$2,500).

48120 Office Equipment. Cisco router and switch replacement (\$16,000), and install borough administrative phone lines when DPS/AK State Troopers move their phone lines to proposed Anchorage dispatch center (\$14,300).

48710 Minor Office Equipment. Audiocodes Mediant voice gateways x 3 software and hardware support (\$10,000), Equallogic SAN (\$385), replace seven workstations (\$8,900), touchscreen monitor replacements (\$4,500).

48720 Minor Office Furniture. Chair or furniture for dispatch break room (\$1,000).

60000 Charges (To) From Other Departments. These are charges from Resource Planning for 95% of the wages and benefits of the Addressing Officer responsible for all 911 addressing and database management. Reduced due to Addressing Officer going from full-time to 3/4 time.

Equipment Replacement Payment Schedule

Items	Prior Years	FY2019 Estimated	FY2020 Projected	Projected Payments FY2021-2023

Recreation Service Areas

The Borough has two (2) recreation service areas, the North Peninsula Recreation Service Area and the Seldovia Recreation Service Area. Each service area has a separate board of directors and its own taxing jurisdiction although the Borough sets the mill rate and approves their budget

The major source of revenue for each of these service areas is property tax. Additional funding is provided through user fees, state grants and interest earnings.

North Peninsula Recreation Service Area - this service area provides recreation services for the residents of Nikiski and Tyonek.

Seldovia Recreational Service Area - this service area provides recreational services for the residents of Seldovia.

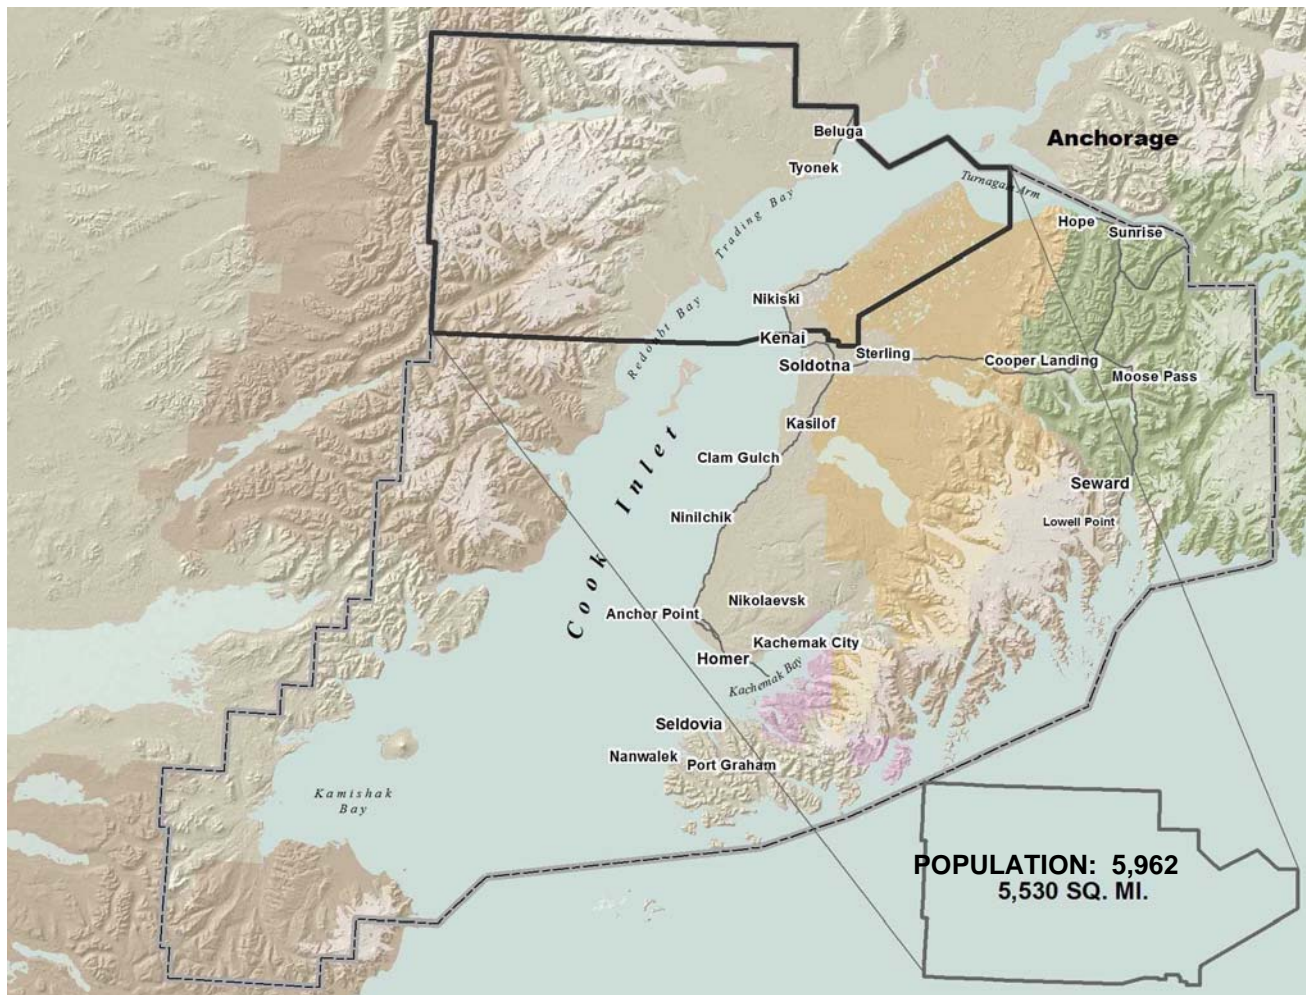

This page intentionally left blank.

North Peninsula Recreation Service Area

The recreation service area was formed to provide recreation services for the Nikiski and Tyonek area residents. Established in 1974, five elected members serve on its board. The service area has 9.5 permanent employees. Programs include basketball, volleyball, flag football, pickle ball, kickball, hockey, teen night, open gym activities, community classes and aquatic programs. The service area sponsors "Family Fun in the Midnight Sun" in June as a community wide event. The Boys & Girls Club of South Central Alaska is contracted to provide the recreation services for the Village of Tyonek.

Facilities in Nikiski, operated/owned by the North Peninsula Recreation Service Area, consist of an indoor swimming pool with waterslide, multipurpose fields, community playgrounds, covered natural ice rink, trail systems, skateboard park, racquetball courts with exercise area, disc golf course and a community center. The Nikiski Community Recreation Center (NCRC) currently houses a teen center, full swing golf simulator, gymnasium used for sporting activities and leagues, and banquet room and classroom/training spaces used for rentals for small and large group gatherings.

Revenues are derived primarily through property tax. The mill rate for fiscal year 2020 is 1.00 mills. Other revenues include facility user fees, program fees, and interest income.

Mission

To provide recreational opportunities for the public and promote health and safety through education, participation, and recreation. To maintain and operate recreational facilities and open spaces for recreational, educational, and civic purposes.

Program Description

NPRSA operates and maintains the following facilities: Nikiski Pool, Exercise Room with Racquetball/Wallyball Courts, Jason Peterson Memorial (JPM) Ice Rink, Nikiski Community Trails, Poolside Trails, Disc Golf Course, Multi-Purpose Fields, Community Playgrounds, Skate Park, and the Nikiski Community Recreation Center (NCRC).

Major Long Term Issues and Concerns:

- Maintain sustainable services and operations with the increased costs of providing those services.
- Potential impact of the Alaska Gas Development Corporation project in Nikiski.
- Challenges with expanding services/programs on a status quo budget.
- Continuous recruitment and utilization of volunteers for successful events and programs.
- Funding a sustainable long term capital improvement plan.
- Maintaining aging infrastructure.
- FY2020 & FY2021—the ability to provide substantial transfers to fund capital projects.
- FY2021-projected increased mill rate to support operations and future capital improvements.

FY2019 Accomplishments:

Administration

- Created a web-based email service for monthly electronic communication with members and public.
- Created an in-house reporting query to track temporary personnel hours.
- Created an electronic process/tracking for maintenance requests.
- Created an electronic process for daily supervisor reports.

Operations

- Leased office space to AGDC; additional revenue for service area.
- Replaced the Nikiski pool fire alarm system.
- Emergency replacement of the Nikiski pool septic system.
- Water safety course provided to all Nikiski North Star 3rd grade students.
- Addition of adult fitness and toddler classes, and new community-wide events.

FY2020 New Initiatives:

- Provide new membership opportunities for services, including a pool membership to non-service area members.
- Increase community awareness and partnerships within community. Seek sponsorships to offset costs.
- Continue to utilize NPRSA 10-year Master Plan to guide planning for services, programs and capital projects.
- Work with home school organizations and outside agencies to develop programs and foster relationships.
- Continue to offer more family-oriented community events, (i.e. "Music in the Park").
- Add more pre-school programs at the community center.

Performance Measures

Priority/Goal: Staff

Goal: Maintain appropriate staff levels for continued operations of programs and services.

- Objective:**
1. Evaluate permanent staff scheduling for efficient and effective operations of NPRSA facilities.
 2. Increase recruitment of volunteers for additional class and program instruction.

Measures:

Staffing History	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Permanent Staff	9.25	9.25	9.25	9.50	9.50
Temporary Staff (FTEs)	7.4	7.4	7.4	7.0	7.0
Total Staff Hours	31,000	33,004	33,000	32,500	33,000
Estimated # Volunteers / Volunteer Hours	600-800 / 900-1,200	562 / 973	696 / 1,280	570 / 1,020	610 / 1,180

Priority: Attendance/Participation—Admissions/Programs/Classes/Events/Reservations/Leagues/Memberships/Punch Cards

Goal: Increase participation and attendance of NPRSA facilities, programs and events.

- Objective:**
1. Local recruitment of more volunteers and community leaders to offer additional classes and services.
 2. Develop partnerships with schools and local community organizations to further optimize the delivery of services to the community.
 3. Increase public awareness of programs and facilities through schools, businesses and community organizations.

Measures:

Nikiski Pool- Attendance/Participation	Benchmark	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Admissions/Classes/Programs	25,000	24,635	26,917	25,000	25,000

Memberships / Punch Cards	1,500	1,236	1,315	1,400	1,500

Priority/Goal: Community Events

Goal: Enhance the services of NPRSA by providing additional community events and programs.

- Objective:**
1. Increase the number of new community events and programs annually.
 2. Develop special events to promote seasonal programming for aquatics and recreation.
 3. Collaborate with local organizations and businesses to offer diverse programs.

Measures:

Commentary

NPRSA will be required to make a substantial transfer from the operating fund balance to the capital projects fund to accomplish capital improvements in FY20 and FY21; specifically, for a roof replacement at the Nikiski Pool, replacement of the boiler and HVAC system at the Nikiski Community Recreation Center and replacement of the Nikiski Pool HVAC/BAS system (approx. \$1.7mil).

Additionally, the service area is projecting an increase to the mill rate beginning in FY21 to fund operating, maintenance and future capital improvements. The capital projects plan is guided by the 10-year master plan which was developed in 2017. This plan is comprehensive and had extensive community input into its development.

NPRSA has not adjusted the mill rate since 1993. During the last 26 years, NPRSA has been fiscally responsible, absorbed inflation, expanded services and programs, and maintained and expanded infrastructure. The following highlights some of the great services and improvements the service area has been able to accomplish over the years under the same mill rate:

- Covered the ice rink and constructed a maintenance facility to house the zamboni and rink equipment
- Created a recreation department, which began with hockey and since has grown in to many sports leagues, camps and programs. This includes kickball, youth and adult flag football, soccer, youth and adult basketball, youth and adult volleyball, recreation hockey and USA hockey leagues, dodgeball, summer and seasonal camps, sports camps, adult and youth pottery classes, fitness classes, arts and craft classes, community events, track meets, community runs, disc golf tournaments, wally- ball tournaments, coaching clinics, hoop shoot, tri-athlon, and so many more great programs.
- Acquired land for expanded and future use
- Constructed a fitness area and racquetball/wally ball courts
- Built and purchased equipment to create a skate park
- Upgrades to the Nikiski Pool filtration and disinfection systems
- Procured landscaping, trail grooming and maintenance equipment over the years
- Expanded the trail systems and developed an 18-hole disc golf course
- Adopted the vacant elementary school as the Nikiski Community Recreation Center. This has included substantial and continuous facility upgrades and renovations. The Nikiski Community Recreation Center is a great example of turning a borough liability into a borough asset. In addition to daily programs and services, the facility houses a teen center, library, fitness rooms, full swing golf simulator, banquet room and meeting space for community meetings and large group gatherings. This facility is also used as a polling location for local, state and federal elections.
- Completed the mitigation of spruce bark beetle trees around the Poolside Trails
- Created and built the Nikiski Community Playground
- Installed security cameras at facilities
- Upgraded facility software and transitioned to a point of sale system
- Replaced iron filters, chemical controllers and HVAC software
- Replaced the pool emergency intercom system
- Re-roofed the community center. Worked with community to create a mural for the community center.
- Replaced the gymnasium floor at the community center
- Replaced the septic system at the pool and the community center
- Amended the pool membership policy; providing more opportunities for service area residents to access the pool
- Replaced the fire alarm at the Nikiski Pool

This list is not all-inclusive, and does not include the increased costs of doing business over the years. A great deal has been accomplished over the years under a "status quo" budget and a 1.0 mill rate. The service area will no longer be sustainable under the current budget and must consider a mill rate increase in FY2021 to support continued maintenance and operations as well as future capital improvements.

Department 61110 - North Peninsula Recreation Administration - Continued

Line-Item Explanations

40110 Regular Wages. Staff includes: Director, Recreation Supervisor, Pool Supervisor, Maintenance Mechanic II, 1.75 Shift Supervisors, Admin Assistant, 1.25-Lifeguards, .5-time Instructor-Lifeguard, and General Maintenance Operator.

40120 Temporary Wages. The equivalent of 6.96 FTE's that work in a temporary capacity as lifeguards, instructors, dispatchers, clerks, recreation assistants and maintenance personnel.

42410 Small Tools & Equipment. Replacement of monitors (\$860), UPS back-ups (\$1250), chain saw (\$500), parts washer (\$450), air compressor (\$500), impact set (\$340), landscape hand tools (\$400) and other miscellaneous small tools (\$1,300).

43011 Contractual Services. Increase due to American Red Cross Audit/Inspection (\$2,300). Also includes contract with Boys & Girls Club to provide recreation services for the Village of Tyonek (\$14,000), Siemens Apogee/HVAC service contract (\$10,610), Liberty Screening (\$1,000), security/fire alarm monitoring and inspections (\$1,900), water testing (\$778), and miscellaneous smaller contracts (\$2,075).

43019 Software Licensing. Licensing for upgrades, tech support, backup of Companion Corp Library Software (\$299), Milestone (CCTV software) (\$1,070), and Sportsman SQL (\$2,336).

43210 Transportation/Subsistence. Travel to the Alaska Recreation and Parks Conference, the Alaska Afterschool Conference, in-state certification courses, and miscellaneous travel within borough.

43260 Training. In-state conference registration and certification course fees.

43510 Insurance Premium. Insurance premium for property, workman's compensation and liability.

43720 Equipment Maintenance. Copier/printer agreements and service contracts.

43780 Bldg/Grounds Maintenance. To support the community recreation center, pool, rink and all other service area grounds and facilities. Includes maintenance on aging facilities, and expenditures to replace iron filter controller (\$5,000), sand filter media (\$3,600) and security system at Nikiski Pool (\$2,800).

43810 Rents and Operating Leases. For minor equipment rentals (\$1,000), porta-potties (\$1,975), tank/rack rentals (\$695), and USPS Box (\$350).

43960 Recreation Program Expenses. Services needed for hockey and other sports programs that have been added to the service area programs/leagues.

48710 Minor Office Equipment. Scheduled replacement of 4 computers (\$3,241).

48740 Minor Machines & Equipment. Replacement of pool vacuum (\$5,000).

48755 Minor Recreation Equipment. Replacement of hockey equipment (\$2,500) and fitness spin bikes (\$4,000).

50459 Transfer. Transfer to capital project fund to support long term capital improvement plan.

61990 Admin Service Fee. The admin service fee is to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

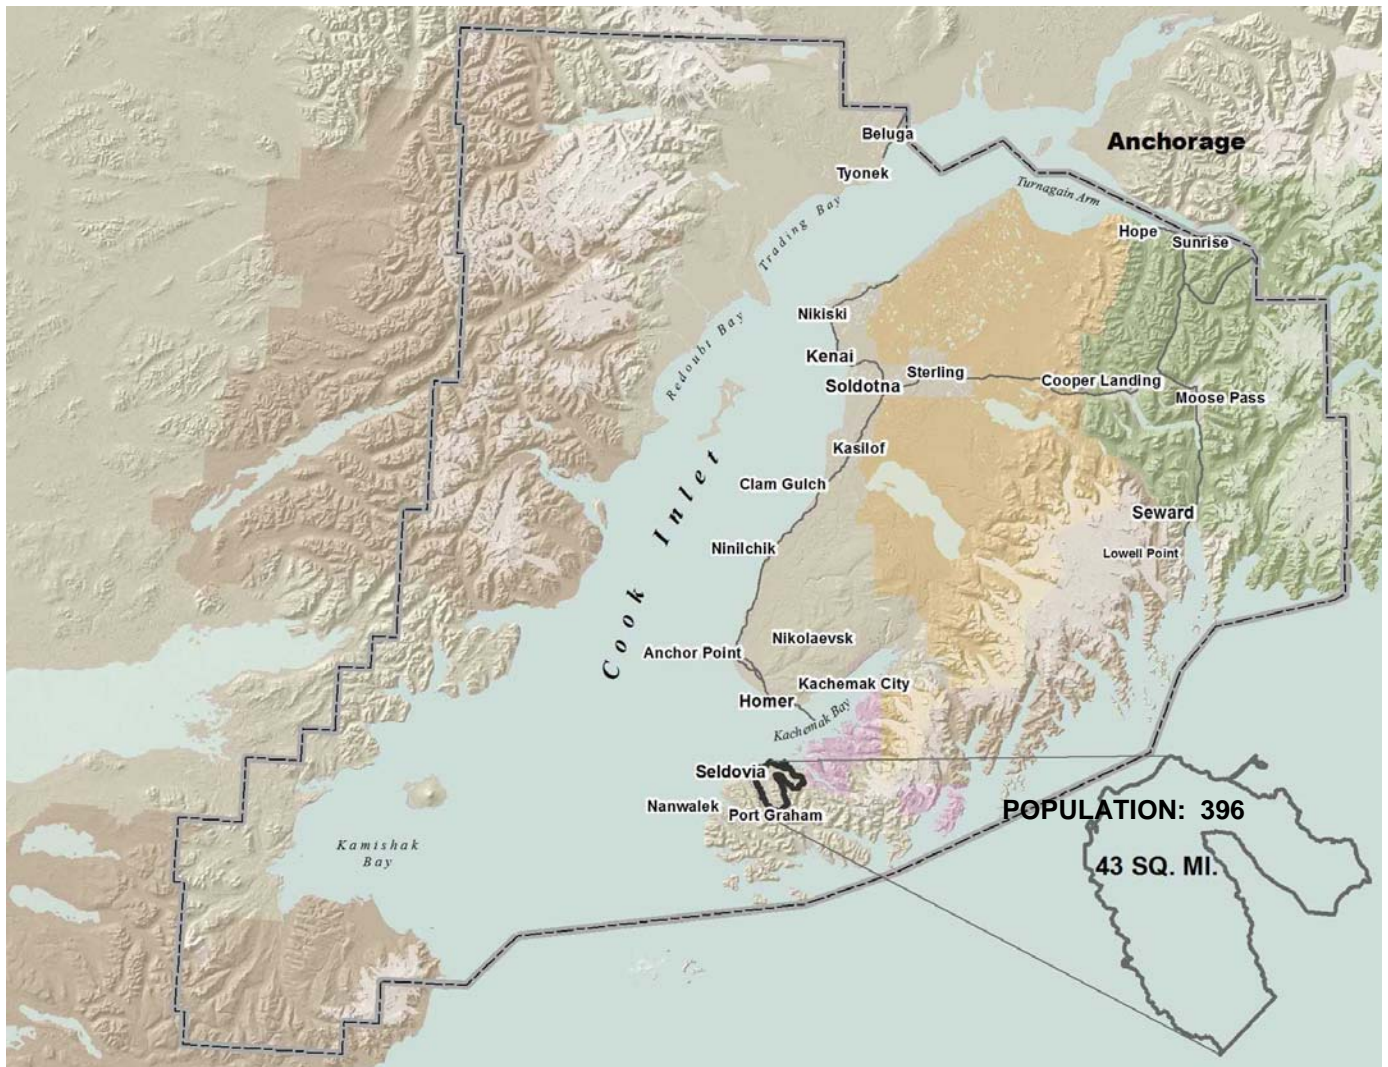

For capital projects information on this department - See the Capital Projects Section - Pages 340, 344, 357, & 387-390.

Seldovia Recreational Service Area

This service area was established on October 4, 2011 to provide recreational services for the Seldovia community. Five service area residents are appointed by the Mayor and confirmed by the Assembly to serve on its board and provide oversight of the operations, each serving a three-year term.

The Seldovia Recreational Service Area is based out of and utilizes the Sea Otter Community Center, formerly known as the Seldovia Community Center, located adjacent to Susan B. English School. Services to be provided may include but are not limited to senior citizens and youth programs, musical instruction and practice, accommodation of visiting schools during "Sea Week" and other Seldovia field trips, facility rental for organizations and individuals for meetings and celebrations, adult education, high speed internet access, community gatherings, karate instruction, arts and crafts instruction and facilitation, nature education and outdoor activities.

The major source of revenue is property tax. The mill rate for fiscal year 2020 is .75 mills.

Mission

To provide healthy, year round recreational activities the community can enjoy.

Program Description

Seldovia Recreational Service Area (SRSA) sponsors the Sea Otter Community Center (SOCC) which provides free or low-cost space for individuals and organizations to gather for community-wide events, youth-specific programming, community education classes, meetings, and private events. The SRSA Board also provides additional activities in the SA outside the SOCC – often in collaboration with other local organizations – with the intent of providing healthy, year round activities the community can enjoy.

Major Long Term Issues & Concerns:

- Provide programs, services, and special events that meet community expectations and reflect diverse community recreational needs while maintaining or lowering the mill rate.
- Establish youth programming that augments educational goals of local students.
- Develop and implement a better way to track program expenses. The current system does not provide enough details. The additional details would be useful for future budgeting conversations, and helpful for the facility Coordinator.
- Maintain and support current volunteer participation.
- Continue to increase community participation and utilization of the SOCC.
- Develop and implement new attendance tracking measures to better understand the community usage of the SOCC.

FY2019 Accomplishments

Administration:

- The Seldovia City Manager continues to work with the SRSA board to keep the coordinator accountable to both parties. Compiling not only participation of the public, but also of volunteer efforts through the SOCC.
- The new Facility Coordinator hired in July 2018 went through administrative training with the borough.
- Volunteers have been sought out and enlisted to help run and maintain programming and the space.

Operations:

- The Coordinator along with Volunteers run various afterschool programs, including French club, cooking club, art classes, sewing clubs, girls basketball, adult hikes, yoga and fitness programs.
- The SOCC has worked in partnership with the Local Tribe to facilitate preventative programming for school aged children in our community.
- Continued weekly/monthly programs that benefited a wide range of community members. These programs include travel and science lectures, afterschool programs yoga, other fitness programs and women's basketball.
- Hosted several dances, for high-school and middle-school students.
- Continued community partnerships with various none profit organizations such as The Seldovia Community Preschool, Ground Truth Trekking, the Wellspring Group, the Arts Council, along with various small business owners in the community.
- SOCC has maintained the Science series, introducing peninsula specific topics, and seeking to maintain an ongoing monthly dialogue and action plan. Actions are directed towards lowering individual carbon footprints, and educating community members on lower impact utility use.

FY2020 New Initiatives:

- Further train and develop the new Facility Coordinator hired July 2018.
- Continue the science programming to include other topics and workshops of community interest.
- Further develop youth services not offer by the Village Tribe focusing on middle and high school aged children.
- Develop additional on-site and off-site recreational activities.
- In partnership with the school administration, develop career education and vocational educational activities.
- Provide support to various non-profit community groups through program support and facility usage.
- Engage in practices that encourage more energy efficient use of the facility and provide information and support for these practices throughout the community.

Performance Measures

Priority/Goal: Number of patron visits and utilization of the facility.

Goal: Maintain the levels of participation and attendance at SOCC facility programs and events to maximize participant-hours use and track the number of hours the facility is being used by community members. FY 2020 will serve to establish a benchmark for the SOCC.

- Objective:**
1. Local recruitment of more volunteers and community leaders to offer additional classes and services.
 2. Maintain and develop new partnerships with local community organizations to optimize the delivery of services to the community.
 3. Document the time the facility is being used by community member to assist in managing the coordinator and ensuring maximum benefit to the SA.

Measures:

Line-Item Explanations

42120 Computer Software. Security software for 2 computers.

42210 Operating supplies. Increased to be more in line with actual expenditures.

42310 Repair/Maintenance Supplies. No repairs anticipated.

42410 Small Tools & Equipment. Small shovels and garden tools will be replaced.

42960 Recreational Supplies. Increased to provide supplies for consistent weekly programs for teens which will allow for more in-depth educational and constructive programs.

43011 Contractual Services. Contract with City of Seldovia for administrative, janitorial, and programming services for the Sea Otter Community Center (\$34,054), increased from previous year to reflect raise in hourly rate for the Coordinator and Janitor, and other small miscellaneous contracts (\$1,001).

43210 Transportation/Subsistence. Travel for training for the Facility Coordinator.

43510 Insurance Premium. Premium for coverage for workman's compensation, property, liability, and other insurance.

43780 Building/Grounds Maintenance. Reduced due to one-time expenditure in FY2019 for painting of interior of the facility .

43960 Recreational Program Expenses. Program expenses and travel expenses for speakers. This increase reflects a more active effort to bring educational and recreational presenters to the SOCC through the partnership with non-profit organizations and volunteers.

48710 Minor Office Equipment. Replace surge protectors throughout the facility.

61990 Admin Service Fee. The admin service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

Road Improvement Funds

The Road Service Area has four (4) funds; the Road Service Area Fund, the Engineer's Estimate Fund, the RIAD Match Fund, and the Road Service Area Capital Improvement Fund. A listing and summary of each fund is shown below.

The major source of revenue for Road Service Area Fund is property taxes, with additional funding provided through state grants and interest earnings. The road service area encompasses all areas outside the city limits of Soldotna, Kenai, Homer, Seward, Seldovia, and the area on the south side of Kachemak Bay. There are currently 6.5 permanent employees.

Road Service Area Fund – this fund provides summer and winter road maintenance on roads within the Road Service Area, administers the right-of-way permit system, administers a dust control program, and oversees the abandoned vehicle removal policy. This fund also provides funding to the Road Service Area Capital Project Fund, the Engineer's Estimate Fund, and the RIAD Match Fund. The Borough contracts out **all** road maintenance.

Engineer's Estimate Fund – this fund provides funding for preliminary engineering costs associated with estimating the total project cost for road improvement assessment districts pursuant to KPB 14.31 to assess viability.

RIAD Match Fund – this fund provides funding to defray costs associated with road improvement assessment districts. Borough policy allows for up to 50% funding for local or internal subdivision road improvements and up to 70% funding for improvement to collector roads.

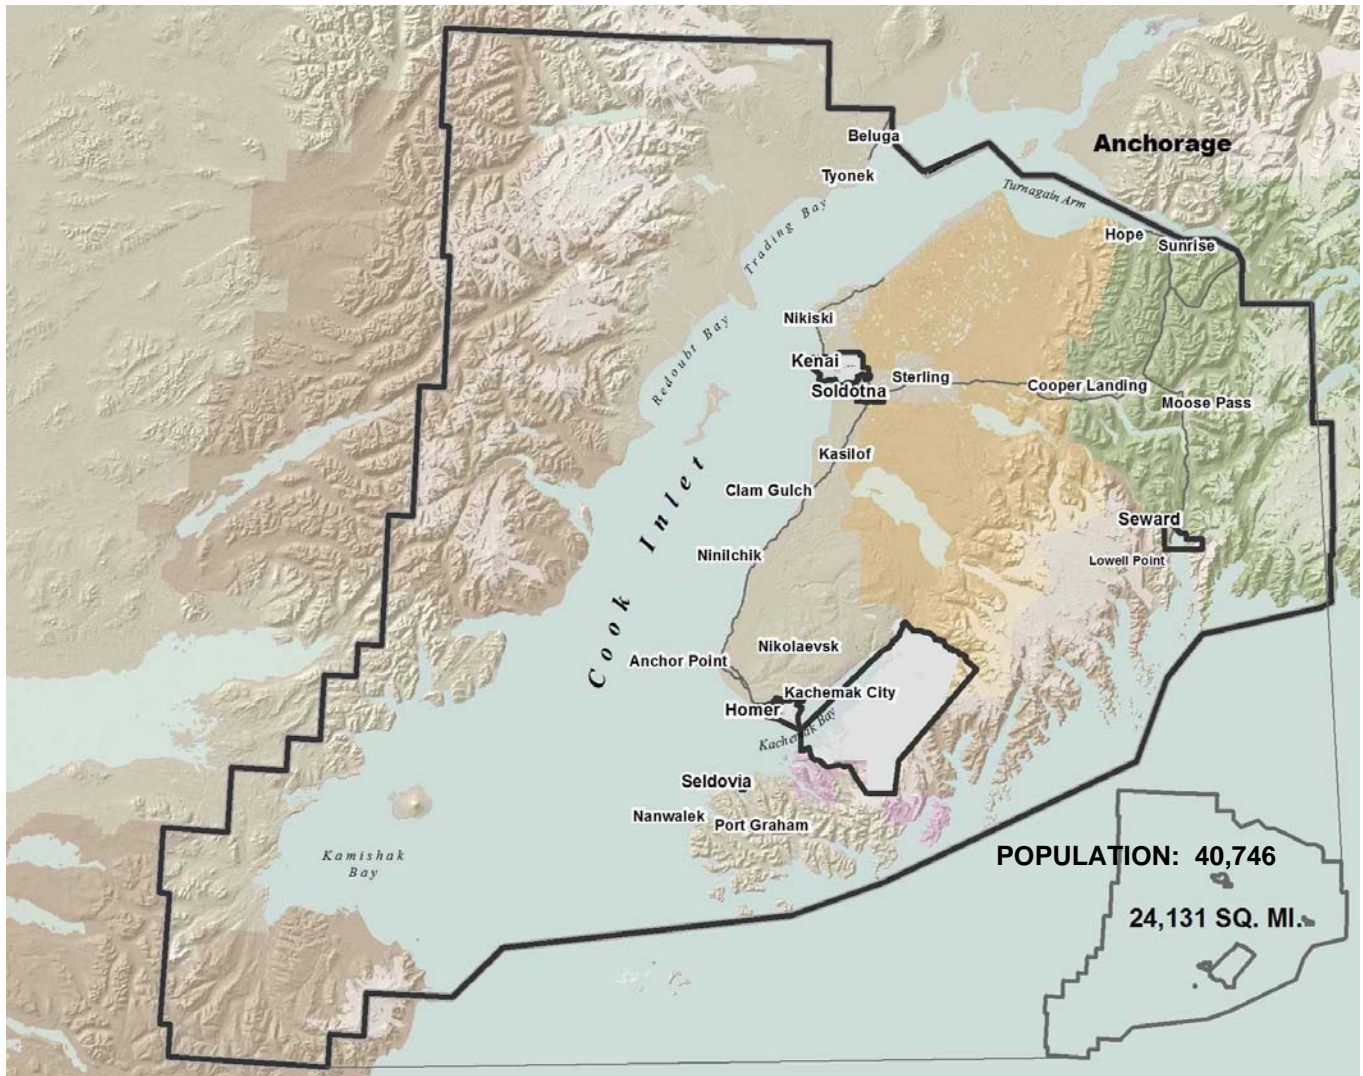

Road Service Area Capital Improvement Fund – this fund accounts for major repairs of Borough roads and is funded by contributions from the road service area operating fund, grants, and interest earnings. Detail expenditures of this fund is in the Capital Improvement Fund section of this document, see pages 340, 344-345, 358, and 391-392.

This page intentionally left blank.

Road Service Area

Four road maintenance service areas were established in 1982 after voter approval. During fiscal year 1991-92 the Borough Assembly consolidated the four areas into one borough-wide area for greater efficiency. A seven-member board, with at least one representative from each service area and two at-large members, is appointed by the Mayor and confirmed by the Assembly for three-year terms. The Roads Director and 5.5 staff members oversee the maintenance of over 646 miles (98% gravel and 2% paved) of roads within the Road Service Area.

The mill levy for fiscal year 2020 is set at 1.40 mills. Revenue is raised through property taxes.

Road Service Area

Dept 33950

Mission:

With funding available, provide the highest level of road maintenance possible for roads within the KPB Roads Service Area maintenance program, during ever-changing weather conditions across the service area.

Program Description:

- Winter road maintenance includes plowing snow, serration and/or sanding of ice-covered roads, thawing culverts to aid drainage, and maintaining the width of every travel way.
- Summer road maintenance includes grading and shaping roads, clearing brush, ditching, replacing lost gravel, placing culverts to improve drainage, applying dust control, making pavement repairs and other tasks as time and available funds allow.

Major Long Term Issues and Concerns:

- The depletion of state grant funds will require pursuing grant funding to address "end-of-life" pavement and the upgrade of poor condition, grandfathered roads.
- Address increased code compliance issues throughout the borough.
- Continue to secure qualified road maintenance contractors and closely monitor and report work performance.
- Sustain the current level of road maintenance while facing increasing costs and reduced budgets.
- Continue upgrading existing "grandfathered" roads with maintenance funds due to lack of capital funding.

FY2019 Accomplishments:

- Transferred management of CIP projects from RSA to Purchasing and Contracting.
- Revised contract language to ensure improved compliance with road maintenance contracts.
- Placed 10,950 yards of gravel with Gravel CIP funding, upgrading 19 Borough roads.
- Assisted in the response and repairs management of flood events in the eastern peninsula.
- Inventoried & inspected borough roads and bridges for damage after November's Earthquake.
- Work with Borough IT department to develop a Tier list database on the Borough share point.

- Worked with Purchasing and Contracting department to upgrade 15 roads through the capital improvement project program.
- Accepted 2 new roads (.21 miles) to the road maintenance program.
- Began compiling and scanning all historic capital improvement project plans and documents to the associated roads in the RSA tracking program.

FY2020 New Initiatives:

- Seek funding for repairs and replacement of pavement and create a long-term pavement maintenance program.
- Create an online catalog for compiling and scoring future capital improvement projects.
- Utilize social media to educate the public on RSA operations and projects, including an interactive mapping program showing exact location and description of impending projects.
- Work with Borough IT department to upgrade and improve the RSA website.
- Create on-line sign requests and permit applications to streamline the permitting process and to assist with public compliance.
- Improve cataloging and documenting maintenance concerns, new road improvements and road maintenance inspections utilizing GPS tracking and documentation software in the field.
- Consistent and rotational public service announcements and social media postings for snow placement, safety issues in right-of-ways, permit compliance and right-of-way obstructions.
- Update the information transferred into the Tier list database.

Road Service Area - Continued

Dept 33950

Performance Measures

Priority/Goal: Fiscal Health

Goal: Absorption of increased operating costs where possible to enable the department to stay within the current 1.4 mill funding level.

Objective: 1. Control public expense by maintaining current mill rate, and keeping expenditures as prudent as possible without reduction of current services.

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2020 Proposed
Staffing History	8	8	7.4	6.5
Mill Rate	1.4	1.4	1.4	1.4

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Number of miles maintained	645	645	646	646
Average Annual Total Cost -per road mile	\$ 9,537	\$ 9,660	\$ 9,881	\$ 9,970

Priority/Goal: Improve public service

Goal: Reduce customer complaint calls by ensuring maintenance service as timely as possible, and that the public is made better aware of adopted RSA maintenance policies.

Objective: 1. Improve roads through brushing, ditching, and other maintenance & capital projects to enhance safety, and reduce overall expenditures needed to care for borough roads.
2. Enhance Road Service Area public profile through improved public outreach.

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Calls Tracked in the Road Maintenance Program	2,180	2,586	2,662	2,400
Applied Calcium Chloride Application by Mile	235	248	233	232
Brushing by Mile	154	136	124	123
Right-of-Way Permits Processed	209	155	160	160

Line-Item Explanations

40110 Regular Wages. Staff includes: 1 Roads Director, 4 Road Inspectors, 1/2 Administrative Assistant, and 1 Secretary.

Reduce: Admin Assistant from full time to 1/2 time.
Reinstate: Director's wages to full -time after 60% reduction in FY2019
Delete: Roads Senior Manager position that was added in FY2019

40120 Temporary Wages. Temporary personnel will be used in fieldwork. Primary fieldwork will be sign installation, road brushing, tree removal, and culvert marker installation.

40130 Overtime Wages. Overtime while on call on the weekend, after normal business hours, after hour meetings, and sign installation.

42020 Signage Supplies. Signs purchased to replace damaged or vandalized signs.

42410 Small Tools and Equipment. Saws, hand tools, brush cutters, and other miscellaneous small tools.

43011 Contractual Services. Abandoned vehicle removal from Borough right-of-ways (\$26,000), survey, steam thaw, street sweep, striping, asphalt crack sealing and culvert clearing (\$60,000), and janitorial services (\$4,000).

43140 Postage and Freight. Higher number of certified letters being mailed.

43210 Transportation/Subsistence. Increased to provide new training for first aid and bear encounters. Travel for Road Service Area board members to board meetings, travel to Homer and Seward for road inspections and DOT training for road inspectors.

43951 Dust Control. Purchase and apply calcium chloride for dust control on gravel roads in the Borough.

43952 Road Maintenance. Provide general maintenance as well as brushing and ditching. Increased to reflect actual expenditures.

48710 Minor Office Equipment. Replace monitors (\$1,350), computer (\$1,150), and IPAD (\$500) in accordance with standard replacement schedule.

48720 Minor Office Furniture. Two chairs (\$500).

48740 Minor Machines and Equipment. Gas brush cutter (\$500).

50434 Transfer to Capital Projects Fund. Annual transfer to long-term capital projects fund. See capital project section of this document.

61990 Admin Service Fee. The admin service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

For capital projects information on this department - See the Capital Projects Section - Pages 340, 344-345, 358 & 391-392.

43011 Contractual Services. It is anticipated that two supplemental applications will be brought forward in FY20 as there are two large projects processed that will require an appropriation upon assembly approval of the project. Silver Weed St./Daisy Ave. RIAD intent to proceed has been submitted(\$242,916.06). Awaiting engineer's estimate for Rustic Ave.

This page intentionally left blank.

Education Special Revenue Funds

The Borough has two (2) Special Revenue Funds that have been established for school purposes: the School Fund and the Postsecondary Education Fund.

School Fund

The School Fund records activity associated with operational funding the Borough provides the Kenai Peninsula Borough School District. Operational funding for the FY2020 budget year is \$51,512,091.

Operational funding for the school district is appropriated as follows: \$40,463,667 for local effort and in-kind of \$11,048,424 consisting of \$7,773,247 for maintenance, \$90,000 for utilities, \$2,970,178 for property, liability insurance and worker’s compensation, \$95,790 for audit cost, and \$119,209 for custodial services. The Borough controls the budget for in-kind expenditures; local effort is controlled by the School District.

Revenue for the School Fund is provided by the Borough’s General Fund and is generated from sales tax, property taxes and other revenue sources. The Borough’s 3% sales tax is dedicated for schools.

In addition to operational funding, the Borough also provides funding of \$3,793,886 for school related debt of which \$0.00 is expected to be reimbursed from the State of Alaska, and \$2,250,000 for school district capital projects. Total funding provided for school purposes is \$57,555,977. Total funding for schools represent approximately **68.23%** of the Borough’s budget; sales tax revenues provide approximately **55%** of the Borough’s funding provided for schools, the balance comes from property taxes and other revenue sources.

Education

Postsecondary Education Fund

The Postsecondary Education Fund was set up to account for funding provided by the Borough to institutions that are part of the University of Alaska system. Borough voters approved funding for this program at an amount not to exceed the amount that would be generated by an areawide tax levy of .1 mills. Funding is restricted to operations and may only be used for instruction and the operations of facilities used to provide curriculum or programs offered within the Borough. Funds may not be used for capital improvements or construction of facilities.

Human Resources – Custodial Maintenance

Mission

The mission of the Custodial Division is to provide prompt and effective custodial services to the Main Borough building, the Risk Management and Human Resources annexes, the school district portables and the records center.

Program Description

This division provides janitorial services to the buildings located within the Binkley/Park Street complex.

Major Long Term Issues and Concerns:

Continued concerns about timely snow removal with limited staff at critical times.

FY2019 Accomplishments

- Continued to use internal shift coverage, school district temporary recruitment pool, flexible schedules and shift trades to cover short-term absences and special events.
- Continued to support late evening and overnight events hosted at the complex.

FY2020 New Initiatives:

- Review the current inventory of cleaning products to see if more environmental friendly products are available.

Performance Measures

Priority/Goal: Custodial Maintenance

Goal: In addition to regular custodial activities, timely response to all non-routine custodial requests.

- Objective:**
1. Timely response to requests may lower the risk of injury to employees and the public.
 2. Timely response may lower our overall maintenance costs.

Measures:

Percentage of Timely Response	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Custodial	99%	99%	99%	99%

Percentages gauged by number of complaints received by General Services.

Facilities Maintenance

Mission

Maintain Borough schools and administrative facilities to a level that provides a safe and secure environment for all occupants. Conduct comprehensive preventative maintenance programs that promote long system and equipment life. Manage and administer project upgrades that replace building components that are end of life and contribute to enhanced efficiencies or code compliance.

Program Description

The Kenai Peninsula Borough Maintenance Department is responsible for the repair and maintenance of the Kenai Peninsula Borough school facilities and select Borough buildings.

Major Long Term Issues and Concerns

- Increasing demand on the Borough and the Maintenance Department to protect the integrity of our aging facilities.
- Many critical systems and structure elements of the Borough are maintained well beyond their expected useful life. As a result, maintaining the safe and secure environment within our schools is becoming more difficult. Some of these systems are approaching a point where they are no longer supported by industry. The cost of supplies and services to maintain these elements within our facilities increases annually.
- While the current budget trend has been able to keep pace with basic maintenance, little headway has been made with respects to the replacement of many of our aged HVAC control systems. Funding of approximately \$5,000,000 would need to be identified to replace these systems.
- Additionally, facility security and intrusion management continues to be an important need for District and Borough facilities.

FY2019 Accomplishments

- Installation/replacement of the fire/monitoring systems at Port Graham (main building) and Susan B. English Schools.
- Continued district wide LED lighting improvements, focusing on exterior and large interior space illumination. Completions: SOHI, Tebughna, Homer High Commons.
- Completed replacement of the wooden gym floor at Homer Middle School as well as various area wide flooring replacements projects.
- Sand down & refinish of Soldotna High and Tustumena gym floors.
- Boiler replacements at Soldotna Prep and the Borough Administration Building.

- Relocation of a "portable" from Soldotna Prep to the Mountain View campus.
- Vet and select area wide card entry system.
- Design phase of waste-water systems project at McNeil Canyon Schools.
- Complete electronic conversion of print and O&M library (SharePoint reference accessible anywhere).

FY2020 New Initiatives

- Code compliant/monitored fire systems at the following facilities: Soldotna Elementary and Port Graham Teacherage.
- Generation/transfer upgrade at Susan B. English and, time/budget permitting, Redoubt Elementary.
- Moose Pass propane tank farm improvements.
- New fire monitoring system at Soldotna El.
- Complete boiler plant and rooftop fan replacements at Homer High School.
- HVAC improvements at Hope School, Tebughna, Tustumena and Seward Elem.
- Door replacements at Redoubt Elementary.
- Bathroom restoration at KCHS Vocational.
- Pool/Gym locker replacement at Seward High School.
- Continued upgrades to district wide intercom systems for improved paging, emergency notification and intrusion control (grant).
- Various lighting upgrade projects area-wide. Of note: North Star, Mountain View, Seward Elementary atrium LED. Susan B. English exterior. McNeal Canyon exterior and gym, Homer High Gym LED, and area-wide auditorium improvements.
- Card entry system installs at BAB and various district school facilities.
- Continue development of comprehensive "SharePoint" facility equipment inventory.

Facilities Maintenance - Continued

Performance Measures

Staffing History	FY2017 Actual	FY2018 Actual	FY2019 Actual	FY2019 Proposed
Maintenance staff	45	45	44.6	44.75

Performance Measures

Priority/Goal: Maintain Borough Schools and administrative facilities to a level that provides for a safe and secure environment.

Goal: Increase efforts to perform our duties in the most effective and efficient manner as possible.

- Objective:**
1. Monitor our programs to ensure efficiency through projects and upgrades.
 2. Use our work order program and technology to enable us to perform to a high level.
 3. Providing training to keep abreast of current codes and maintenance trends.
 4. Provide the best safety program to maintenance personnel; limiting time loss and liability.

Measures:

Work Order Requests	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Borough-wide	11,266	10,978	10,962	11,000

Commentary:

The Kenai Peninsula Borough Maintenance department strives to our facilities and has always been considered one of the finest organizations of its type in the state. In order to continue this trend, it is important to attract and hire the best staff possible. It is also important to continue to find sources of funding that support needed and required improvements to our aging facilities.

Line-Item Explanations

43023 Kenai Peninsula College (KPC). Funding to be used as follows:

Tuition Waiver. Funding provides a partial waiver for up to six credits/semester for high school juniors and seniors wanting to enroll in college classes. These students will be able take up to six credits/semester for five semesters (total of 30 credits equivalent to one full-time year attending college) beginning the fall semester when they become a junior. In Fall 2019, students will pay \$75/credit (regular lower division tuition is \$223/credit). The UA Board of Regents approved a 5% tuition increase for Fall 2019 at their May 2018 meeting (\$181,904).

Adult Basic Education/General Education Development. Funding provides personnel, travel, and support costs to make the ABE/GED program available throughout the Kenai Peninsula Borough, including Nikiski, Homer, Ninilchik, Tyonek, Seldovia, Port Graham and Nanwalek and other remote communities as needed (\$153,149)

Kenai River Campus Outreach	\$91,008
Kachemak Bay Campus Outreach	\$62,141

Courses at Resurrection Bay Extension Site, Seward. Funding provides courses in basic general requirements such as English, Psychology, Art, Communication, professional development courses and community interest courses (\$32,301).

Coordinator/Night Staffing, Kenai River Campus. Funding provides salary, benefits, and support for a 28 hour/week nine-month position. The night coordinator is trained in CPR, first aid, and AED operations (\$20,571).

Library Support, Kachemak Bay Campus. Funding provides 60% of the operational costs for a Library Technician. Funding also provides additional resources such as reference materials, books and databases (\$24,394).

Instructional Support Position-Kachemak Bay Campus. Funding provides an instructional support position for KBC faculty, staff and students utilizing Bay View Hall. This position provides sole instructional and administrative support as well as all test proctoring services (\$45,674).

Information/Registration Clerk, Kachemak Bay Campus. Funding provides 50% of the cost for staffing a full-time Information/Registration clerk for the Kachemak Bay campuses (\$33,439).

Tutors - Learning Centers. Funding provides tutors at both campuses. Academic tutoring is a critical retention tool that strengthens academic skills for at risk students in specific disciplines. Learning Center Tutors are either "peer" student or non-student tutors trained and qualified in their area of expertise (\$56,012).

Kenai River Campus	\$36,799
Kachemak Bay Campus	\$19,213

Developmental Student Advisor -Kenai River Campus. This position oversees and monitors the academic progress of all KPC students taking developmental level math and English courses, including outreach on a regular basis for those determined to be at-risk. Additionally, this person will review Accuplacer results (required placement test that all students must take) and advises them on what courses to select, based on their test results. Funding will also provide two part-time student employee positions to assist with scheduling and data retrieval, plus minimal funding for operational materials and resources (\$91,465).

Student Advisor, Kachemak Bay Campus. This position provides retention and student success activities, academic and financial aid advising and assistance with complying admissions, selecting classes and developmental academic plans (\$38,120).

Veterans Coordinator & Safety Officer. This position (40 hrs/week) is located on the Kenai River Campus. This person serves as the initial point of contact for active duty and veteran students attending KPC. The coordinator provides the initial in-take advising to military and veteran students with regards to the requirements and limitations on their benefits, and serves to facilitate these students' interactions with other KPC student services. The coordinator travels on at least a monthly basis to the Kachemak Bay Campus to meet with veteran students attending there, as well as attends VA meetings at UAA and around the state. The coordinator also serves as the KPC safety officer, providing a variety of campus safety briefings, ensuring OSHA compliance, a safe work environment, and safe equipment is used in the numerous laboratories. (\$76,928).

Recruiter. This dedicated recruiter position will design and develop programs to support the KPC recruitment plan, develop and deliver formal presentations to high school students, meet with prospective students and families regarding admission, enrollment, and academic requirements for KPC programs, and maintain positive contact with school counselors and community representatives. (\$35,339).

Peer Ambassador Scholars (new). This program is designed to improve KPC outreach to high school students considering their college opportunities, and will work in coordination with the Recruiter. Peer Ambassadors will be mature, outgoing, positive KPC students who have excelled both academically and in a variety of extracurricular activities. Peer Ambassadors will be the face of KPC to the college age demographic and will articulate the benefits of attending KPC to prospective students. They would be responsible for supporting college fairs, orientation activities, KPC tours, high school classroom visits and other high school activities such as application week or JumpStart registration. Ambassadors will be full time KPC degree seeking students in good academic standing. As compensation, each of the four Peer Ambassadors will receive a six credit hour tuition waiver each semester they are active in the program. (\$10,704).

General Government Special Revenue Funds

The Borough has two (2) General Government special revenue funds, with annual budgets, that were established for specified purposes due to legal requirements restricting specific resources for expenditure or which are not appropriately budgeted elsewhere. These funds are the Land Trust Fund and the Nikiski Senior Service Area Fund.

Land Trust Fund – this fund was established to account for all moneys accruing to the Borough in lieu of lands or from the use or sale of lands and to manage all Borough owned and municipal entitlement lands. The major sources of revenues are from land sales and interest earnings.

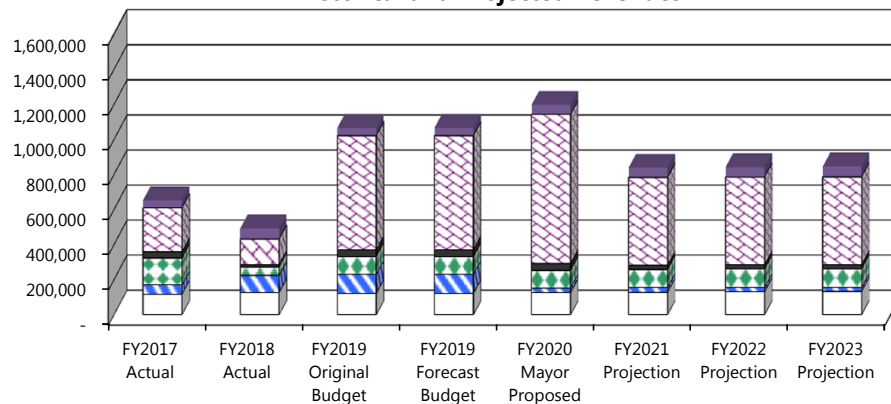

Nikiski Senior Service Area – the voters in the Nikiski and Tyonek area in 1993 created this service area. The purpose of the service area is to provide programs and services to seniors who live in the service area. The service area provides funding to the Native Village of Tyonek for Tyonek Senior Citizen programs, and to Nikiski Senior Citizens, Inc., a non-profit organization that provides meals, transportation, social activities, and information and referral. The major source of revenue is from property taxes.

Land Management Administration

Dept 21210

Mission

To make informed management recommendations, decisions, and actions on the borough's land inventory and natural resources in accordance with KPB Chapter 17.10 and the Kenai Peninsula Borough Comprehensive Plan with three primary operational objectives:

- 1) Acquire and hold land for the operations of the Kenai Peninsula Borough, including the school district and service areas.
- 2) Manage lands & natural resources for identified community needs and general social, environmental, and economic public benefits.
- 3) Create capacity for perpetuating the implementation of objectives 1 & 2.

Program Description

The Land Management Division is responsive to current and foreseeable land-based needs of the borough and its residents which are addressed through inventory, land planning, land acquisition, land use authorizations, resource management, land disposals, and public land information under the general powers authority of AS 29.35.010(8).

Major Long Term Issues and Concerns:

- Establishing policy and formalizing best practices.
- Establishing a facility management framework.
- Protecting KPB's interest in the municipal entitlement process.
- Establishing a centralized information management system for land program records.
- Public facing mapping of all borough land.
- Classification of all borough land.
- Development of a multi-year work plan based on land unit classification translated into unit specific management plans, and other operational objectives.
- Attaining productive, healthy, and sustainable soil and water management methods.
- Staffing succession, capacity, & AKLNG contingency staffing plans.
- Establishment of revenue program goals and strategies.

FY2019 Accomplishments

- Established a financial management structure for the Land Trust Fund, which articulated the purpose and intent for long term management, and provided a strategic framework for sustainable funding of operations (Ordinance 2018-29).
- Completed department level mapping of municipal entitlement final decisions in preparation for tax parcelization.
- Brought forward a proposal structure for the management of agriculture land.
- Designed a land management classification system to align with the structure of borough land management activities.
- Worked with Hilcorp Alaska LLC through land use permitting and easements to provide critical working space for pipelining across Cook Inlet.
- Implemented plans for independent access to Seward Rock Quarry and reclamation at Eagle Lake material site.
- Provided staff support to the Borough's Incident Management Team during fall flooding and 7.0 earthquake events.

FY2020 New Initiatives:

- Hold a fall tax foreclosure auction and over-the-counter land sale.
- Design land sale parcels with specific classifications using public input for spring land sale.
- Work with borough planners and advisory planning commissions to incorporate high impact borough land into neighborhood level planning structures including lands in Quartz Creek Subdivision within Cooper Landing.
- Conduct community level land planning in the Moose Pass Advisory Planning Commission Area, including approved and conditionally approved municipal entitlement lands.
- Implementation of agriculture land pilot project by working with individual operators.
- Continue working on tax parcelization of approved municipal entitlement lands and the development of campus management map services.

Priority/Goal: Land Acquisition

Goal: Support borough operations and community interests with appropriately located lands

Objective: To acquire lands meeting operational criteria for borough purposes; To acquire lands appropriate for inclusion in community land use planning including lands supporting public purposes, community expansion, resource management, recreation, and ecological values. To obtain patent to approved municipal entitlement grant lands.

Measures:

	Benchmark	CY2016 Actual	CY2017 Actual	CY2018 Actual	CY2019 Projected
Parcels acquired for KPB Purposes	N/A	0	2	0	2
Properties leased by KPB	N/A	18	18	17	16
Municipal entitlement acres received	2,350	0	218	0	300

Priority/Goal: Land disposal

Goal: To dispose of tax foreclosed, surplus, and community expansion lands guided by public processes.

Objective: To conduct disposal programs of appropriate surplus and planned lands. To periodically conduct tax foreclosure auctions.

Measures:

	CY2016 Actual	CY2017 Actual	CY2018 Actual	CY2019 Projected
Tax foreclosure parcels sold/retained	0/0	26/30	1/0	15/45
Parcels sold at market value	0	13	4	7
Deeds of trust outstanding	30	36	36	38

Priority/Goal: Land use authorizations and natural resource sales

Goal: To provide for appropriate uses of borough land and natural resources

Objective:

1. To orderly administer land authorization programs for special use of borough land
2. To offer borough gravel and hard rock resources in support of community and public project needs

Measures:

	CY2016 Actual	CY2017 Actual	CY2018 Actual	CY2019 Projected
Active land leases & Rent Agreements	30	33	32	34
Land use permits	33	32	37	33
Right-of-way utility permits	113	109	128	115
Easements granted	2	4	1	4
Small quantity gravel permits	9	14	11	12
Gravel volume all sites (cubic yards)	23,731	20,397	32,541	30,000
Hard rock volume (cubic yards)	4,490	1,226	4,200	4,500

Commentary:

Public information service volumes turned around from a 2017 low as traffic is up slightly with 6,517 customer requests served at the land management public assistance desk and 957 custom maps produced for the public.

Ordinance 2018-29 established the Land Trust Investment Fund and set forth a new financial management structure looking at short term operations, reoccurring revenue, long-term operational needs, and one-time revenues (sale of land). The ordinance additionally provided investment mechanisms including market and non-market financial investment portfolio options as well as internal land purchase financing as a form of investment with operational benefits. The Land Trust Investment Fund was capitalized with \$5.25 M from the Land Trust Fund balance in December 2018. The new financial management structure relies on a progressive increase in reoccurring revenues as well as Investment Fund growth through a combination of investment market returns and additional capitalization through future land sales. A transition period of 5 years was projected to stabilize the land trust fund, during which time a decrease in fund balance is expected and then recovery to sustain a level consistent with borough policy for fund balance. More explanation and projections are included in the legislative record for Ordinance 2018-29 available through the borough clerk's office.

Line-Item Explanations

40110 Regular Wages. Staff includes: 1 Land Management Officer, 2 Land Management Agents, 1 Land Management Technician III, and 1 Administrative Assistant.

40130 Overtime Wages. Overtime allotted for meetings and project administration.

42020 Signage Supplies. Installation and maintenance of informational and site identification signs at public uses sites, special management areas, resource management areas, and sale properties.

42210 Operating Supplies. Field supplies including stakes, grass seed and barrier fencing.

43011 Contractual Services. Access, vegetation management, and property improvements (\$20,000); resource management consulting & plans (\$50,000); Municipal Entitlement survey, mapping & consulting services (\$65,000); property inspection (\$10,000); materials testing (\$5,000); UAS imagery & ground control (\$30,000); Reclamation of 2 acres at Eagle Lake Material Site (\$16,500 -site reclamation account).

43100 Land Management Program Services: Preliminary investigative site work prior to land acquisitions including title report, appraisal, soil investigation, site inspection, environmental review, and survey.

43210 Transportation/Subsistence. Transportation for property inspections around the borough: meetings with land use applicants, boards, commissions and agency partners; and travel for professional training of department staff.

43260 Training. International Right-of-Way Association educational classes and professional development training; ArcGIS mapping trainings; AK surveying and mapping conference; and AK certified erosion and sediment control lead recertifications.

43310 Advertising. Publication and mailing of public notices and advertisements for land classifications, land sales and deed restriction modifications.

48710 Minor Office Equipment. Replacement of 1 desk computer with GIS station computer.

48720 Minor Office Furniture. Replacement chair and file cabinets (\$1,000).

48740 Minor Machinery & Equipment. Field tools and staking equipment (\$500).

49433 Plan Review/Permit Fees. ADEC storm water pollution prevention plan permit fees (\$730 each plan review).

61990 Admin Service Fee. The admin service fee is charged to service areas and various funds to cover a portion of costs associated with providing general government services. The amount proposed for FY2019 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

Equipment Replacement Payment Schedule

Items	Prior Years	FY2019 Estimated	FY2020 Projected	Projected Payments FY2021-2023
** 2016 SUV (replacement)	\$ 7,302	\$ 2,302	\$ 2,302	\$ 6,909

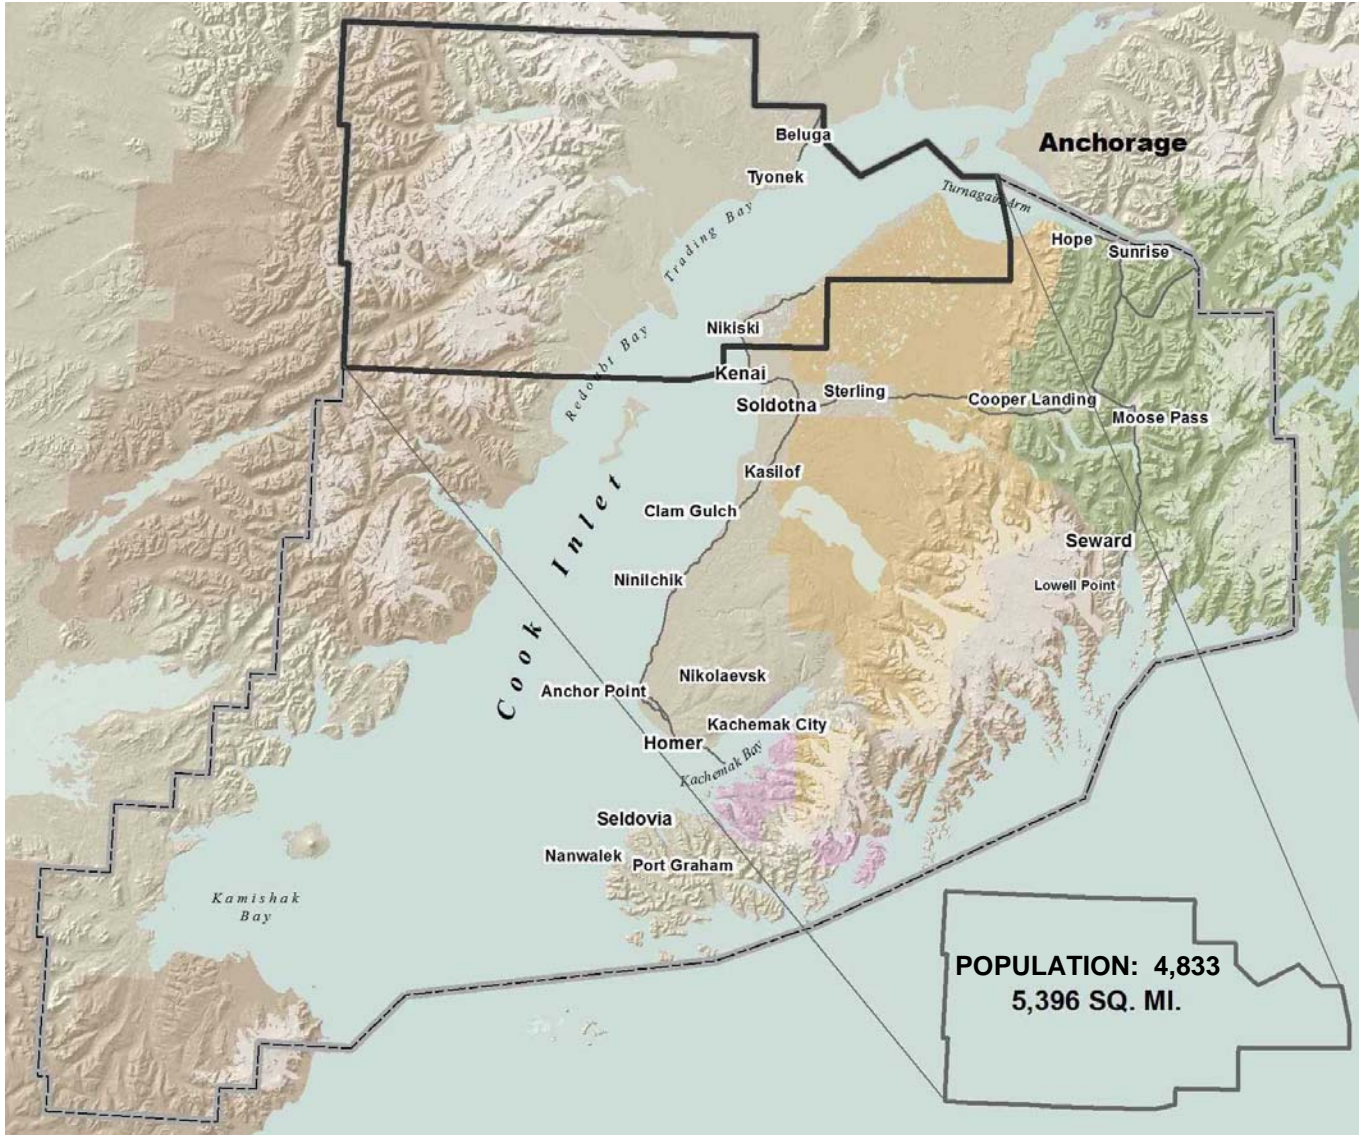

** Note an equal amount is being billed to Planning for this vehicle.

Nikiski Senior Service Area

Voters in the Nikiski area approved the formation of the Nikiski Senior Service Area in October 1993 to provide programs and services for the senior citizens within the service area. A five-member board of directors, elected by the voters in that service area, has the power to provide for these services and programs. The board members, who are qualified voters in the Borough and residents of the Nikiski Senior Service Area, serve staggered three-year terms.

Funding is provided by a mill rate levy not to exceed 0.20 mills on taxable property and by a portion of grant funds provided by the Kenai Peninsula Borough to all senior citizen groups within the Borough. The mill rate for FY 2020 is set at .20 mills.

Board Members

Nikiski Senior Service Area Revenues and Expenditures

Nikiski Senior Service Area Unrestricted Fund Balance

Department Function

Fund 280

Nikiski Senior Service Area

Dept 63190

Mission

To provide funding for programs and services which enhance the "aging in place" experience for all persons fifty-five and older.

Program Description

The Nikiski Senior Service Area provides meals, transportation, social services, state and area information, referral services, and programs for seniors in the service area.

Major Long Term Issues and Concerns

- Integrate into the long-range plan providing the needed level of services currently available to area seniors.
- Develop plans for providing services concurrently with increased community access to facilities.
- As our community changes, we are aware of the demographic changes and adapt accordingly.

FY2019 Accomplishments

The Service Area "Reimbursement Program" provides funding to the Village of Tyonek for meal delivery to the elders served Monday through Friday.

The Service Area provided funding to Nikiski Senior Services, Inc. which accomplished the following:

- In accordance with KPB Funding & Grants.
- Provides transportation to congregate meals.
- Providing exercise/movement classes on site.
- Providing social interaction with group classes & senior activities.
- Financial Officer completed housing certified occupancy & 40hrs of HUD & AHFC required reporting training.

- Executed successful fall fundraiser, & implemented first annual spring hawaiian fundraiser for NSC programs.
- Blood pressure checks via the Nikiski Fire Department available twice monthly.
- Received an "in kind gift" pickup truck from Conoco Phillips via grant for moving large objects.
- Partnership with Nikiski Neighbors on Community Projects such as the "Holiday Stocking" and "Mitten Tree" programs.
- Secured DEC food permit for food pantry.

FY2020 New Initiatives

With the funding provided, the Nikiski Senior Services, Inc. plans the following:

- Research grants and funding for new senior housing construction.
- Develop partnership with Nikiski High School in the form of scholarships.
- Expanding art & craft classes for seniors on site.
- Developing outdoor senior friendly recreation activities for seniors.
- Working with ACS to install tower for improved internet for Seniors, NSC Inc., and the community at large while creating new additional revenue for programs and services.
- Increase daily congregate meal participation.
- Communicate with local care coordinators to expand "Meals On Wheels" food delivery program.
- Expand transportation program for seniors in the area.
- Implement "Pen Pal" program with Nikiski North Star Elementary School students & Nikiski Seniors.
- Becoming an emergency shelter for the Nikiski community.

Performance Measures

Priority/Goal: Contain operational costs associated with increased senior participation. Meeting the needs of seniors' increasing services through staffing and operational changes.

Measures:

DELIVERED MEALS	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Congregate and Home delivered meals	14,700	13,000	16,000	18,000
Miles driven for meals delivery	10,660	9,000	9,500	10,000

Priority/Goal: Retain nutritional value of delivered meals and costs associated with increased meals of 1 to 2 X daily and increased client participation. Containing food and employee costs while providing necessary nutritional values.

Measures:

FOOD COSTS	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Costs of Goods	\$89,900	\$87,400	\$98,000	\$105,000

Solid Waste Fund

The Borough has one (1) Solid Waste fund with an annual budget. It was established for specified purposes due to legal requirements restricting specific resources for expenditure or which are not appropriately budgeted elsewhere.

Solid Waste Fund – this fund was established to account for activities of the borough's solid waste program. This program was being accounted for as a special revenue fund because less than 10% of its revenues come from user fees, 90% of its revenues are transferred from the Borough's General Fund. To comply with new GASB reporting requirements, this fund will be reported as part of the General Fund for reporting purposes. This fund will continue to be shown in the special revenue fund section for budgetary purposes.

This page intentionally left blank.

Kenai Peninsula Borough Solid Waste Fund

Mission:

The mission of the Kenai Peninsula Borough Solid Waste Department is to develop and implement solid waste programs and dispose of waste generated in the KPB in the most economically feasible and environmentally responsible manner in accordance with the KPB Code and with federal and state requirements.

Division Functions:

The Solid Waste fund was established to account for activities of the borough’s solid waste program.

The Solid Waste fund is made up of 5 divisions as follows; Administration; Central Peninsula Landfill; Seward Transfer Facility; Homer Transfer Facility; and Landfills, Hauling and Waste Program.

Solid Waste Administration – this division provides for the planning, design, development and operations of the solid waste facilities. This division is responsible for ensuring waste is managed in accordance with the Borough Code and state and federal requirements. This division also plans for the closure and post-closure requirements of borough landfills.

Central Peninsula Landfill – this division’s mission is to collect and dispose of waste, recycle to reduce waste requiring burial and to provide hazardous materials disposal. This facility is located in Soldotna.

Seward Transfer Facility – this division’s mission is to collect and transfer solid waste generated in the Eastern Peninsula to the Central Peninsula Landfill for disposal, manage inert waste with on-site burial, recycle to reduce waste requiring transport or burial and provide for proper hazardous material disposal. The operation at this facility is contracted out.

Homer Transfer Facility – this division’s mission is to collect and transfer solid waste generated in the Southern Peninsula to the Central Peninsula Landfill for disposal, manage inert waste with on-site burial, recycle to reduce waste requiring transport or burial and provide for proper hazardous material disposal. The operation at this facility is contracted out.

Landfills, Hauling and Waste Program – this division is responsible to collect, consolidate, and dispose of solid waste, recycle to reduce waste requiring burial, and provide for proper hazardous materials disposal. To provide integrated solid waste programs including the development, operations and maintenance of landfills in remote areas of the borough, eight waste drop box/transfer sites, 13 mobile recyclable collection stations, hazardous waste collection program, solid waste environmental monitoring and litter program. These programs are all contracted out.

Dept 32010

Administration

Program Description:

Plan, design, develop, and operate solid waste facilities and programs to ensure waste is managed in accordance with the Borough Code and with state and federal requirements. Provide an integrated solid waste program, including development, operations, and maintenance of five landfills, two inert waste monofill/landfills, one lined landfill/baling facility, five transfer facilities, eight waste drop-box/transfer sites, recycling and hazardous waste collection stations, environmental monitoring, and litter programs. Ensure feasible and cost-effective waste management and compliance with regulatory requirements. Plan for closure and post-closure requirements for all Borough landfills.

FY2019 Accomplishments:

- Promote awareness of waste disposal and diversion options in the business community.
- Advance the development of a waste to energy project at the Central Peninsula Landfill.
- Complete Ground Water Monitoring Quality Assurance Plans for all KPB Landfills.
- Update landfill closure / post-closure costs and timelines.

FY2020 New Initiatives:

- Advance development of waste to energy project at the Central Peninsula Landfill.
- Perform an internal cost analysis of solid waste facilities hauling operations.

Major Long Term Issues and Concerns:

Identified in each specific site.

Performance Measures

Priority/Goal: Provide disposal capacity for solid waste generated within the Borough in an environmentally sound and cost-effective manner.

Objective:
 1. Assess the amount of disposal capacity available at existing KPB landfills.
 2. When available disposal capacity equals ten years or less, initiate actions to arrange for sufficient capacity to accommodate present and projected KPB needs.

Measure: Input received from tonnage reports, etc.

Tool: Landfill capacity surveys, tonnage reports, Design Basis Report

Frequency: Annual, Tri-annual

Solid Waste Fund
Central Peninsula Landfill

Program Description:

To collect and dispose of waste, recycle to reduce waste requiring burial and provide for proper hazardous materials disposal.

Major Long Term Issues and Concerns:

- Development of a master plan for the current landfill footprint and surrounding borough properties.
- Design and construction of a bulkhead for the management of self-haulers' waste at CPL resulting in a more efficient management of waste at the CPL.
- Staffing levels to support landfill growth and increasing regulatory requirements.

FY2019 Accomplishments:

- As of January 2018, approximately 3,886 days without a loss time accident.
- Phase 3 C&D expansion project.
- Cell 3 construction completed

FY2020 New Initiatives:

- No loss time accidents.
- In-house excavation of Phase III inert waste cell.
- Develop and scrutinize re-use opportunities.

Performance Measures

Priority/Goal: Manage and operate the Central Peninsula Landfill in a manner that protects public health, safety and the environment. Assist in achieving other goals of the KPB Solid Waste Program.

Goal: Ensure compliance with ADEC and EPA laws and regulations regarding waste disposal and management.

- Objective:**
1. Monitor and manage leachate, groundwater, and landfill gas.
 2. Monitor and manage the closed landfill cap, slopes and surface vegetation.

Measure: ADEC site inspection report.

ADEC Annual Site Inspection Maximum Score	Benchmark	FY2017 435	FY2018 435	FY2019 435	FY2020 435
Annual Site Inspection Score	90% – 100%	431 / 435 – 99%	432 / 435 – 99.3%	432 / 435 – 99%	>90%

Priority/Goal: Maintain an efficient and well-run solid waste facility.

Goal: Ensure effective operation of public facility.

Objective: Provide necessary personnel to maintain a well-run operation

Department 32122 - Central Peninsula Landfill - Continued

Line-Item Explanations

40110 Regular Wages. Staff includes: Landfill Manager, Lead Landfill Operator, 1.5 Landfill Operator I, 2 Landfill Operator II, 1 Landfill Operator/General Maintenance Mechanic, 1 Landfill Operator/Mechanic, 2 Landfill laborer/operator, and 1 Scale Attendant Clerk.

42210 Operating Supplies. Purchase of antifoaming agent related to leachate evaporator operations (\$30,250), miscellaneous items and supplies (\$22,000).

42230 Fuels, Oils & Lubricants. Increase due to some cost increase and additional equipment usage.

42310 Repair/Maintenance Supplies. Parts and supplies for maintaining operational equipment, thermal evaporator and leachate management operations, baler operations, waste oil heater, dumpster repairs, plumbing and electrical systems (\$80,000); repair supplies including welding, painting, building supplies (\$20,000).

42360 Motor Vehicle Repair Supplies. Parts and supplies for maintaining heavy equipment, rolling stock (\$7,250); foam-filled tire replacement for Wheeled Loader (\$25,000).

43011 Contractual Services. Contract services include recycle hauling (\$2,500), repair, maintenance, and diagnostic analysis of instrument data equipment, leachate management systems, leachate analysis, SWPPP analysis, baler, and rolling stock (\$25,215), truck scale recertification and repair (\$8,000), professional services for ADEC annual geotechnical stability analysis of waste mass (\$7,000); lined cell topographic capacity survey (\$7,000) storm water sampling analysis (\$3,360) leachate sampling analysis (\$2,100), new employee HR screening (\$1,000).

43015 Water/Air Sample Testing. Water and air sampling / testing required to comply with EPA and ADEC regulations (\$71,760).

43095 Solid Waste Closure/Post-Closure. Annual amount funded toward landfill closure and post-closure activities (\$571,910).

43600 Project Management Funding required to support KPBB Project Managers effort to develop capital construction costs. (\$5,000)

43610 Utilities. Energy needs associated with the anticipated evaporation of approximately 2,000,000 gallons and facility utilities (\$380,000).

43780 Building/Grounds Maintenance. Road maintenance (\$2,500), fire suppression system / fire alarm / security cameras / lighting / HVAC maintenance & repair (\$14,000), overhead door maintenance (\$9,000) miscellaneous facility maintenance (\$12,000).

48710 Minor Office Equipment. Replace failing radio communications equipment (\$3,000)

49433 Plan Reviews. ADEC permitting and plan review fees (\$11,819).

Fund 290 Dept 32150	Department Function Solid Waste Fund Seward Transfer Facility
--	--

Program Description:

To collect and transfer solid waste generated in the Eastern Peninsula to the Central Peninsula Landfill in Soldotna for disposal, manage inert waste with on-site burial, recycle to reduce waste requiring burial and provide for proper hazardous materials disposal. The operations of this site are outsourced to a private contractor.

Major Long Term Issues and Concerns:

- Flooding / road maintenance issues with Dimond Blvd., the access road to the transfer facility.

FY2019 Accomplishments:

- Expanded Monofill
- Cover material acquisition from Japanese Creek flood plain.
- Enhanced public outreach by partnering with Seward regarding sustainable waste reduction and recycling techniques.
- Divert latex paint from the Hazardous Household Waste Collection events.

FY2020 New Initiatives:

- Divert additional waste streams.
- Promote Dimond Blvd road maintenance agreement with the City of Seward.
- Public Outreach, including waste reduction techniques.

Performance Measures

- Priority/Goal:** Provide appropriate service to the Eastern Peninsula in the area of solid waste management.
- Objective:** Manage the Eastern Peninsula solid waste operations including, but not limited to, providing the following services:
1. Four (4) Hazardous Waste Collection days per year.
 2. Containers for recyclables and special collections.
 3. Collection of batteries for recycling.

Measures:

Homer Transfer Facility

Program Description:

To consolidate, transport and manage waste generated in the Southern Peninsula, recycle to reduce waste requiring burial, and provide for proper hazardous materials disposal.

Major Long Term Issues and Concerns:

- Long-term management of inert waste after closure of inert existing waste monofill.
- Acquisition of cover material.

FY2019 Accomplishments:

- Finalize Phase II Landfill Closure timeline.
- Manage fill plan to maximize utilization of air space.
- Perform public outreach with an emphasis on waste reduction techniques.

FY2020 New Initiatives:

- Begin Phase II Closure of the MSW Landfill.
- Begin burying inert waste in new Phase II monofill.
- Apply alternate cover techniques in Phase II monofill.

Performance Measures

Priority/Goal: Manage and operate the Homer Landfill in a manner that protects the public health, safety and the environment. Assist in achieving other goals of the KPB Solid Waste Program.

Goal: Ensure compliance with ADEC and EPA laws and regulations regarding waste disposal and management.

- Objective:**
1. Continue to monitor and manage leachate, groundwater, and landfill gases.
 2. Continue to monitor and manage slopes and subsurface vegetation.

Measures:

Landfills, Hauling and Waste Programs

Program Description

Collect, consolidate, and dispose of solid waste, recycle to reduce waste requiring burial and provide for proper hazardous materials disposal. Provide an integrated solid waste program, including the development, operations, and maintenance of landfills in Seldovia, Port Graham, Nanwalek, Beluga and Tyonek; eight waste drop-box/transfer sites; three transfer sites (Kenai, Nikiski, Sterling); 13 mobile recyclable collection stations; hazardous waste and used oil collection programs; solid waste environmental monitoring; and litter program.

Major Long Term Issues and Concerns:

- Unattended sites.
- Long-term solid waste management in communities where the Borough does not own property for landfill development.

FY2019 Accomplishments:

- Terminate ADEC mandated 30-year post-closure care at the Sterling Special Waste Site.
- Public outreach related to preventing and/or reducing waste generation.
- Advance Nanwalek Landfill expansion plans.
- Advance Port Graham landfill expansion development strategy.

FY2020 New Initiatives:

- Partner with Alaska Native Tribal Health Consortium (ANTHC) in our development and expansion of the Nanwalek and Port Graham Landfills.
- Expand and construct the Funny River Transfer site that is uniform in design and functionality as other KPB Transfer sites.

Performance Measures

Priority/Goal: The Borough recognizes disposal of hazardous waste is critical to sound solid waste management.

Goal: Maximize collection and disposal of household hazardous waste.

- Objective:**
1. Provide and promote 16 hazardous waste collection events.
 2. Develop a public education program intent on teaching hazardous waste reduction techniques. These public education programs can be tied into the actual collection events.

Measures:

Hazardous Waste Collection Events	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Central Peninsula Landfill	8	8	8	7
Homer Landfill	4	4	4	4
Seward Transfer Facility	4	4	4	4

Hospital Service Areas

The Borough has two (2) hospital service areas, the Central Kenai Peninsula Hospital Service Area and the South Kenai Hospital Service Area.

The major source of revenue for the hospital service areas is property taxes, with additional funding provided through state grants and interest earnings. Powers granted by the voters authorize these service areas to construct, maintain and operate a hospital, and to provide other health care or health facilities within the service areas jurisdiction. Both service areas support hospitals and long-term care facilities.

Only the expenditures budgeted by the service area appears within this budget document. Each hospital prepares a separate operating and capital budget, which is approved by the operating board of each respective entity. The comprehensive annual financial report is done on a combined basis, and copies are available from each respective hospital.

Central Kenai Peninsula Hospital Service Area – this service area encompasses the area from Tyonek to Hope to Clam Gulch. Operation of the Central Peninsula Hospital (the hospital), including Heritage Place (a long-term care facility purchased in 2006) has been contracted out to Central Peninsula Hospital Inc. Prior to FY2011, Service Area funding was used to pay debt service, capital expenditures, an operating subsidy for an alcohol and drug treatment program, an operating grant for a sexual abuse program, and for operating expense of the service area board. Starting in FY2011, the hospital has provided the necessary funding for debt service, capital expenditures, and all operating cost including property insurance.

South Kenai Peninsula Hospital Service Area – this service area encompasses the area from south of Clam Gulch to Homer to Kachemak City to Halibut Cove. Operation of the South Peninsula Hospital has been contracted out to South Peninsula Hospital Inc. Service Area funding is currently being used to pay debt service, capital expenditures, and for operating expense of the service area board.

This page intentionally left blank.

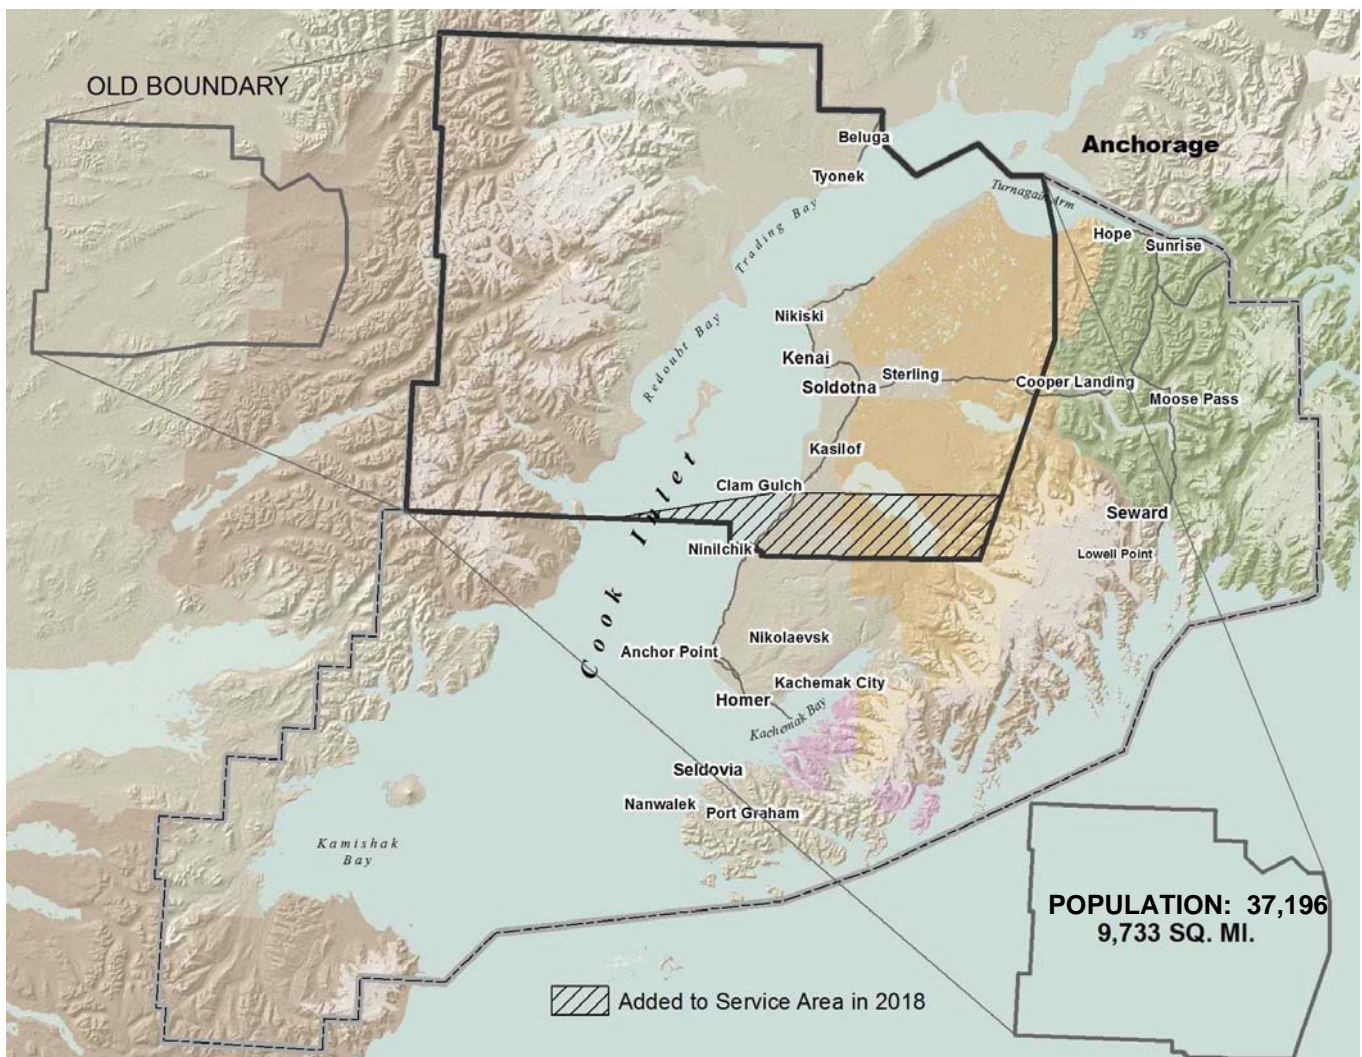

Central Kenai Peninsula Hospital Service Area

Established in April of 1969, this was the first service area in the Borough. Its purpose is to provide a hospitalization facility for residents in the Central Peninsula area. Management of the hospital is contracted out to, CPGH, Inc., a non-profit entity. The CPGH, Inc. board hires an independent CEO to manage its operations.

Effective July 1, 2016 with the enactment of Ordinance 2016-11, the Kenai Peninsula Borough Assembly has oversight of the Service Area.

In the October 2018 election, voters from the southern peninsula approved moving the service area boundaries. This created the requirement to continue to assess a mill rate against parcels that were a part of the previous service area boundaries for both the Central Peninsula Hospital Service Area and the South Peninsula Hospital Service Area and no longer a part of the new service area boundaries to pay for bonded indebtedness. Parcels that were a part of the service area at the time of the vote to approve each bond must continue to pay the debt service while it is outstanding. Central Peninsula Hospital Service Area debt service is currently paid for with Hospital operational monies, therefore no mill is currently being levied for debt service.

Service area taxes have provided for debt service requirements, equipment purchases, construction, auditing costs, and board expenses. The mill rate for fiscal year 2020 is 0.01 mills.

Central Kenai Peninsula Hospital Service Area Revenues and Expenditures

Central Kenai Peninsula Hospital Service Area Unrestricted Fund Balance

Department Function

Fund 600

Central Kenai Peninsula Hospital Service Area

Dept 81110

Mission

Meet the changing health care needs of the residents of the Service Area.

Program Description

Provide funding for payment of debt service, purchase of capital equipment, operational expenses of a hospital, operating cost of the Service Area and other health care related items within the Service Area.

Major Long Term Issues and Concerns:

- Governance of CPH.

FY2019 Changes:

- In the October 2018 election, voters approved moving the South Peninsula Hospital Service Area boundaries. This expanded the boundaries of Central Peninsula Hospital Service Area and created the requirement to continue to assess a mill rate against parcels that were a part of the previous South Peninsula Hospital Service Area boundaries and are now a part of the Central Peninsula Hospital Service Area boundaries to pay for bonded indebtedness. These parcels were a part of the South Peninsula Hospital Service Area at the time of the vote to approved each bond and participated in elections that approved bonded indebtedness, therefore they must continue to pay the debt service while it is outstanding.

Performance Measures

Priority/Goal: Effective Governance

Goal: Provide funding for payment of debt service, capital expenditures, and other related hospital expenses

Objective: Providing funding as needed to supplement revenue generated from hospital operations for payment of debt service, capital purchases and other related hospital expenses

Measures:

	FY2017 Actual	FY2018 Projected	FY2019 Projected	FY2020 Estimated
Mill rate	.01	.01	.01	.01
Property tax revenue	\$55,612	\$57,227	\$57,254	\$59,011

Priority/Goal: Effective Governance

Goal: Provide funding for payment of debt service, capital expenditures, and other related hospital expenses

Objective: Providing funding as needed to supplement revenue generated from hospital operations for payment of debt service, capital purchases and other related hospital expenses

Line-Item Explanations

43012 Audit Services. As required by Alaska Administrative Code 45.010 and in conformance with Alaska State Statute 29.35.120. Anticipated contract increase due to renewal of audit service contract.

43510 Insurance Premium. Premium for property insurance coverage; workman's compensation, liability, and other insurance requirements are required to be met by the Operator (CPGH, Inc.) per the Lease and Operating Agreement.

50360 Debt Service Fund. Debt service on GO bonds issued in the amount of \$49.9 million in FY2004 and revenue bonds issued in the amount of \$41.3 million between FY2014 and FY2016, and \$28.9M in FY2018..

61990 Admin Service Fee. The admin service fee is charged to service areas and departments to cover a portion of costs associated with providing general government services. The amount proposed for FY2019 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

For capital projects information on this department - See the capital projects section - Page 340 & 359.

South Kenai Peninsula Hospital Service Area

Established in April of 1969, the service area was formed to provide hospitalization and medical services to the residents of Homer and the surrounding areas. The nine-member board is elected and is responsible for the level of services provided and, to that end, must be responsible to the electorate for the amount of taxes necessarily raised to provide such services. The Service Area Board works in conjunction with a separate operating board to oversee the hospital. The hospital is located in Homer.

In the October 2018 election, voters approved moving the service area boundaries. This created the requirement to continue to assess a mill rate against parcels that were a part of the previous service area boundaries and no longer a part of the new service area boundaries to pay for bonded indebtedness. These parcels were a part of the service area at the time of the vote to approved each bond and participated in elections that approved bonded indebtedness, therefore they must continue to pay the debt service while it is outstanding.

Service area taxes fund the hospital's debt service requirements, equipment purchases, capital improvements, major repairs, and board expenses. The mill rate for fiscal year 2020 is 2.30.

South Kenai Peninsula Hospital Service Area

Dept 81210

Mission

Meet the health care needs of the residents of the Service Area.

Program Description

Provide funding for payment of debt service, purchase of capital equipment, operational expenses of a hospital and other health care related items within the Service Area.

Major Long Term Issues and Concerns:

- Changing health care industry and the impact the Accountable Care Act will have on the Service Area and Hospital.
- Changes in Medicare/Medicaid reimbursement rates for the hospital.

FY2019 Accomplishments:

- Funding provided for \$1.7 million in capital expenditures.
- Funding provided for community health needs assessment.

FY2020 New Initiatives:

- In the October 2018 election, voters approved moving the service area boundaries. This created the requirement to continue to assess a mill rate against parcels that were a part of the previous service area boundaries and no longer a part of the new service area boundaries to pay for bonded indebtedness. These parcels were a part of the service area at the time of the vote to approved each bond and participated in elections that approved bonded indebtedness, therefore they must continue to pay the debt service while it is outstanding.
- Mail informational brochures to service area residents regarding services provided by SPH.
- Support and develop addiction services.

Performance Measures

Priority/Goal: Effective Governance

Goal: Provide funding for payment of debt service, capital expenditures, and other related hospital expenses.

Objective: Providing funding as needed to supplement revenue generated from hospital operations for payment of debt service, capital purchases and other related hospital expenses.

Measures:

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Mill rate	2.30	2.30	2.30	2.30
Property tax revenue	\$4,026,425	\$4,498,925	\$4,516,213	\$4,718,232

Priority/Goal: Effective Governance

Line-Item Explanations

43011 Contractual Services. Community needs assessment coordination (\$45,000), secretarial services (\$10,000), support and develop addiction services (\$30,000), and Kachemak Bay Family Planning (\$15,000).

43012 Audit Service. As required by Alaska Administrative Code 45.010 and in conformance with Alaska State Statute 29.35.120.

43260 Training. Fees for Service Area Board Members to attend training and board member education.

43410 Printing. Educational brochures to taxpayers promoting SPH services.

50361 Transfer to Debt Service Fund. All debt issued prior to fiscal year 2020 has been presented in a different fund, to allow for taxpayers in the previous boundaries, that voted on prior debt issuances, to support the debt service outside of the operational service area funds.

50491 SKPH-Capital Projects Fund. Transfer to capital projects fund for equipment and major remodel expenditures.

61990 Admin Service Fee. The admin service fee is charged to service areas and departments to cover a portion of costs associated with providing general government services. The amount proposed for FY2020 is 2.5% of the personnel, supplies, services, and capital outlay budgets.

For capital projects information on this department - See the capital projects section - Pages 340, 345-346, & 360.

Debt Service Funds

The Borough's Debt Service Funds, pages 333-336, are used to accumulate monies for payment of general obligation bonds issued for construction, improvements, and equipping of public facilities throughout the Borough and for debt issued for the purchase of equipment. The following debt service funds have activity:

School Debt Service Fund

This fund was set up to account for debt issued for construction and capital improvement to various schools located in the Borough. Bond payments are paid from the Borough's General Fund tax levy and from the State of Alaska, which reimburses the Borough for up to 70% of debt service expenditures on school bonds approved after June 30, 1983. The current outstanding issues are as follows:

- 20 year bonds issued August 2003 for the construction of a new middle school in Seward, in the amount of \$14,700,000. The outstanding balance as of July 1, 2019 is \$3,530,000.
- 20 year bonds issued December 2010 for roof repairs at various schools, in the amount of \$16,865,000. The outstanding balance as of July 1, 2019 is \$11,225,000.
- 20 year bonds issued November 2013 for roof repairs at various schools and Homer high school field project, in the amount of \$20,860,000. The outstanding balance as of July 1, 2019 is \$17,335,000.

Solid Waste Debt Service Fund

This fund was set up to account for debt issued for construction, capital improvement, and equipment at Borough landfill sites. Bond payments are paid from the Borough's General Fund tax levy.

- 6 year bonds issued April 2017 for construction of cell 3 and equipment purchases at the Central Peninsula Landfill, in the amount of \$5,405,000. The outstanding balance as of July 1, 2019 is \$3,770,000.

Central Emergency Services Debt Service Fund

This fund was set up to account for debt issued for construction, capital improvement, and equipment for the Central Emergency Service (CES) Area. Bond payments are paid from the CES tax levy. The current outstanding issue is as follows:

- 20 year bonds issued June 2006, for constructing and equipping a station in Kasilof and upgrading the Funny River station in the amount of \$2,500,000. The outstanding balance as of July 1, 2019 is \$1,065,000.
- 15 year bonds issued February 2016, for purchasing emergency response vehicles in the amount of \$2,465,000. The outstanding balance of as of July 1, 2019 is \$2,040,000.

Central Kenai Peninsula General Hospital Service Area Debt Service Fund

This fund was set up to account for debt issued for construction, capital improvement, and equipment at the Central Peninsula Hospital. Bond payments are paid from the Central Kenai Peninsula General Hospital Service Area tax levy (if needed), and from operating revenues of the hospital. The current outstanding issue is as follows:

- 20 year bonds issued December 2003, for expansion and remodel of the current hospital in the amount of \$47,985,000. The outstanding balance as of July 1, 2019 is \$15,615,000.

Central Kenai Peninsula General Hospital Service Area Debt Service Fund (continued)

- 15 year revenue bonds issued February 2014, for engineering, design, construction and equipping a Specialty Clinic Building in the amount of \$32,490,000. The total outstanding balance as of July 1, 2019 is \$23,225,000, with \$4,735,000 (taxable) and \$18,490,000 (tax-exempt).
- 8 year revenue bonds issued June 2015, for equipping the Specialty Clinic Building in the amount of \$3,200,000 (taxable). The outstanding balance as of July 1, 2019 is \$1,643,000.
- 7 year revenue bonds issued June 2016, for equipping the Specialty Clinic Building in the amount of \$3,050,000 (taxable). The outstanding balance as of July 1, 2019 is \$1,840,000.
- 20 year revenue bond issued November 2017 for design and construction of obstetrics facilities, cardiac catheterization laboratory and related projects at Central Peninsula Hospital in the amount of \$28,955,000 (tax-exempt). The outstanding balance as of July 1, 2019 is \$28,060,000.

South Kenai Peninsula General Hospital Service Area Debt Service Fund

This fund was set up to account for debt issued for construction, capital improvement, and equipment at the South Peninsula Hospital. Bond payments are paid from the South Kenai Peninsula General Hospital Service Area tax levy. The current outstanding issues are as follows:

- 20 year bonds issued September 2003, for Phase II expansion of the hospital in the amount of \$10,290,000. The outstanding balance as of July 1, 2019 is \$3,240,000.
- 20 year bonds issued August 2007, for Phase III expansion of the hospital in the amount of \$14,555,000. The outstanding balance as of July 1, 2019 is \$7,850,000.
- 15 year bonds issued April 2017, for planning, designing, construction, and equipping of facilities at the South Peninsula Hospital and Homer Medical Center in the amount of \$4,500,000. The outstanding balance as of July 1, 2019 is \$4,060,000.

Bear Creek Fire Service Area Debt Service Fund

This fund was set up to account for debt issued for planning and design, property acquisition, construction, capital improvement, and equipping of the Bear Creek Fire Service Area Public Safety Building. Bond payments are paid from the Bear Creek Service Area tax levy. The current outstanding issue is as follows:

- 20 year bonds issued March 2013, for constructing and equipping a station in Bear Creek Fire Service Area in the amount of \$1,215,000. The outstanding balance as of July 1, 2019 is \$955,000.

Kenai Peninsula Borough

FY2020 Budget Capital Improvement Program

Introduction

The Capital Improvement Program (CIP) is a projection of the Borough's capital investments plan over a five-year period. Capital investments normally involve major projects that have long useful lives. The CIP is both a fiscal and planning device that allows the Borough to monitor all capital project costs, funding sources, department responsibilities, and timing which will allow the Borough to maintain its assets at a level adequate to protect its capital investments and to minimize future maintenance and replacement cost.

The first year of the Capital Improvement Plan (CIP) organizes all known, non-routine capital needs based on priority, potential costs, financing options, and future budgetary effects. The capital items typically have useful life of five years or longer and a cost of \$20,000 or more. The CIP matches capital costs with financing sources in order to provide long term planning for projects with significant financial impact. Reoccurring capital costs or one-time projects under \$20,000 are typically included in the annual operating budgets of the General Fund or Special Revenue Funds and are not part of the CIP.

The Capital Project section has overviews of capital requests submitted by Departments and Special Revenue Funds. These requests represent projected needs of these departments and Special Revenues funds of the next five years.

The operating and capital budgets are closely dependent upon one another. The operating budget must cover financing, maintaining and operating new facilities that are built under the capital budget. In addition, the operating budget must pay principal and interest payments on all debt related projects.

The CIP contained herein includes five years of projected needs. The first year of the program will be become the capital budget for which project money will be authorized. The remaining four years of the CIP will serve as a financial plan for capital investments. This financial plan will be reviewed each year as the CIP is updated and prepared.

Organization of the CIP

The CIP is broken into six sections. The first section shown below describes the various funds that have been set up for the CIP. The second section also shown below is a summary of the funding sources. The third section is an Expenditure Summary for the Fiscal Years 2020 through 2024 and is on page 340. The fourth section is a listing of the projects being funded for the current fiscal year and starts on page 341. The fifth section consists of a detail five-year summary for each fund and starts on page 348. The sixth section is individual capital improvement project detail for General Government and Service Areas (not including hospitals) and starts on page 361.

Capital Project Funds

The Borough has two functional categories for which capital project funds have been created; one category that serves the general government, and a second category that serves service areas and other voter authorized programs.

General Government capital project funds have been set up to account for school projects funded by the general government, projects funded by bond proceeds, general government capital projects, 911 communication projects, resource management projects, and solid waste projects.

Service area capital project funds have been set up for Nikiski Fire Service Area, Bear Creek Fire Service Area, Anchor Point Fire and Emergency Medical Service Area, Central Emergency Service Area, Kachemak Emergency Service Area, North Peninsula Recreation Service Area, Road Service Area, Central Kenai Peninsula Hospital Service Area, and South Kenai Peninsula Hospital Service Area.

Summary of funding sources

With the exception of capital projects that are funded from bond proceeds, the major source of revenue for each capital project fund is property taxes in the form of a transfer from each individual oversight fund. Additional funding is provided through state and federal grants, and interest earnings.

**Kenai Peninsula Borough Capital Project Funds
Expenditure Summary
Fiscal Years 2020 Through 2024**

	FY2020 Mayor Proposed	FY2021 Projected	FY2022 Projected	FY2023 Projected	FY2024 Projected
<u>General Government:</u>					
School Revenue	\$ 2,250,000	\$ 11,484,930	\$ 8,000,000	\$ 4,250,000	\$ 4,000,000
* General Government (1)	325,930	98,000	65,000	40,000	79,000
911 Communication	175,000	-	-	-	-
* Solid Waste (1)	1,732,525	317,000	50,000	835,737	6,393,810
<u>Service Areas:</u>					
Nikiski Fire	350,000	450,000	575,000	375,000	375,000
Bear Creek	10,820	400,000	578,900	195,000	35,350
Anchor Point Fire and Emergency Medical	60,000	1,700,000	695,000	350,000	-
Central Emergency Services	1,150,000	2,620,000	11,800,000	675,000	1,175,000
Kachemak Emergency	20,000	205,000	530,000	400,000	250,000
North Peninsula Recreation	957,000	982,000	535,000	440,000	135,000
Roads	2,558,175	2,208,200	2,324,500	2,331,500	603,375
* Central Kenai Peninsula Hospital (2)	10,130,000	4,648,650	1,445,000	15,730,000	-
South Kenai Peninsula Hospital	3,002,714	1,865,000	2,160,000	37,500,000	-
Total Expenditures	\$ 22,722,164	\$ 26,978,780	\$ 28,758,400	\$ 63,122,237	13,046,535
* Funded through Equipment Replacement Fund (1)	(1,387,930)	(315,000)	(115,000)	(70,000)	(472,810)
Less Central Kenai Peninsula Hospital (2)	(10,130,000)	(4,648,650)	(1,445,000)	(15,730,000)	-
Total Appropriations	\$ 11,204,234	\$ 22,015,130	\$ 27,198,400	\$ 47,322,237	\$ 12,573,725

* (1) Expenditures for these funds include an appropriation in the Equipment Replacement Fund. This is being shown for informational purposes only. See page 415 for additional information.

* (2) Expenditures for these funds are not being appropriated through the budget process and are being shown for informational purposes only. See the individual worksheets for additional information.

Kenai Peninsula Borough Capital Project Funds Detailed Project Descriptions

School Revenue Capital Projects

Area wide ADA upgrades (project cost \$75,000)

These funds will be used to upgrade various facilities to comply with ADA requirements. Priority is based on condition and need. Project #400.78050.20782.49999.

Area-wide asbestos removal and repair (project cost \$75,000)

These funds will be used to remove asbestos contained in flooring, building materials, and insulation. Project #400.78050.20756.49999.

Area-wide doors and entries (project cost \$100,000)

This is a multi-year project to replace deteriorated exterior doors and entries resulting in decreased energy costs and lower maintenance cost. Covers exterior and pool area doors. Project # 400.78050.20728.49999.

Area-wide electrical and lighting upgrades (project cost \$125,000)

These funds are required for replacement of existing lamps and ballasts with more efficient devices, and will include planning and designing for upgrades to parking lot lighting and for adding or upgrading electrical services. Additional funds may be requested for site specific projects generated from planning and design. When completed, this project will lower school district utility bills. Project #400.78050.20758.49999.

Area-wide elevator upgrades (project cost \$50,000)

These funds are required to upgrade elevators throughout the district. Will primarily be utilized to replace or upgrade door openers and main controls on elevators that are having operation issues due to age and available repair parts. Project #400.78050.20803.49999

Area-wide flooring replacement upgrades (project cost \$125,000)

Annual funding for upgrading flooring throughout the school district, including gym floors, working in conjunction with asbestos abatement funds, where applicable. Projects consist of replacing the carpet and flooring material at district-wide areas identified during site visits. Project #400.78050.20755.49999.

Area-wide generator and associated hardware upgrades (project cost \$50,000)

These funds are required in order to continue replacing and upgrading the generators, transfer switches and switch gear for district use. These projects will allow the Maintenance department to experience fewer call outs and repairs to antiquated equipment that has outlived their useful life. Project #400.78050.20860.49999.

Area-wide HVAC/DDC/Boiler upgrades and repairs (project cost \$875,000)

Funds to be utilized in order to replace and/or upgrade various systems relating to facility control, heating generation and distribution. To include: DDC head-in, control peripherals, boilers, hydronic system support components and facility air distribution components. Replacements, improvements and modifications will reduce maintenance costs and improve energy efficiency at district facilities. Project #400.78050.20801.49999.

Area-wide locker upgrades (project cost \$75,000)

These funds will be used to purchase and install hall and locker room lockers throughout the Borough. Project decision is based on priority relating to condition and need. Project #400.78050.20855.49999.

Area-wide playground upgrades (project cost \$75,000)

These funds will be used to remove old and damaged play structures at schools and replace with new. Funds would also be utilized to make improvements to resilient materials. Priority is based on condition and need, as determined by area wide inspections. Project #400.78050.20780.49999.

Area-wide portables and outbuildings (project cost \$75,000)

Funds utilized to support the transport of portable structures from one facility to another or to provide resources for large scale improvements. Qualifying improvements to include: replacements of systems such as: roofs, windows/doors, or furnaces, or repairs to structural deficiencies. Funds may also support the construction of new onsite structures if a need is determined. Project #400.78010.20851.49999.

Area-wide security and safety improvements (project cost \$100,000)

Funds to be utilized for the replacement of obsolete and/or non-code compliant life safety systems and for the implementation of an area wide school district card entry system. The systems together will provide for improvements to both security and life-safety. Project #400.78050.20856.49999.

Area-wide water quality improvements (project cost \$100,000)

Replacement of water/waste-water treatment/conditioning systems at various location and installation of water conservation fixtures. This project will improve water quality and reduce water consumption. Project #400.78050.20759.49999.

General Government

Mobile Assessor Software and Tablets (project cost \$114,580)

Implementation of the Mobile Assessor application will create efficiencies by allowing the appraisal staff to make direct updates to property records in the field. This will reduce staff time spent in preparation of paper files and forms carried out into the field on a daily basis and will directly increase the amount of field hours spent by staff while conducting canvassing and routine inspections. In addition to there being less preparation time spent in the office, use of the mobile application will also decrease the time spent at each property by providing staff the ability to quickly make minor updates to properties on site. Project # 705.94910.20E07.49999 and #705.94910.20E08.49999.

Records management software (project cost \$70,000)

The software provides the borough with a solution to upgrade its record keeping of physical and electronic records in a more up-to-date and efficient manner, while also providing document management workflows that assist with archiving records of all dispositions. Project #705.94910.20E04.49999

IT Virtualization cluster tier II (2) replacement (project cost \$39,000)

This is the 2nd phase of the KPB Virtual Server Host replacement. Three of six servers were replaced in FY2016. This phase will replace the other 3 servers. Project #705.94910.20E03.49999

Incident Command Vehicle for OEM (project cost \$56,350)

This project replaces the current command vehicle for the Office of Emergency Management and updates the technology available. The IC unit replaces a current 2003 pickup that is not ideally suited for the needs of an Incident Command vehicle. The new vehicle will be an SUV type with modifications to include radio communications, electronics, and storage/workspace to be able to manage the initial stage of incidents, command field teams, or assist emergency service areas as requested. Project #705.94910.20E05.49999

Radios for OEM (project cost \$26,000)

Replace four end-of-life Motorola radios. OEM owns approximately 35 two-way radios in which all have stopped being supported and parts are not available. Project #705.94910.20E06.49999

Large format scanner/printer for Planning (\$20,000)

Replace the existing large format scanner that has become a maintenance problem. Large format is necessary due to the size of plats that must be copied and distributed. Project #705.94910.20E11.49999

Solid Waste

Funny River Transfer Site expansion (project cost \$670,525)

Expand the current Funny River transfer site so that the transfer site is uniform in design and functionality as other KPB transfer sites. Project # 411.32570.20FUN.49999.

Wheeled Scraper/Loader (project cost \$900,000)

This project is intended to replace the piece of earth moving equipment at our regional landfill. This equipment is critical to our day to day waste management operations. Additionally, this equipment is needed to satisfy ADEC mandated requirement of placing daily cover material (soil) on municipal waste. This purchase will replace the discontinued model 2007 615C Cat scraper. We anticipate replacing this with a new model that has 50% more hauling capacity, product link electronic monitoring and warranty coverage. Project #705.94910.20E09.49999.

Roll-off Truck (project cost \$162,000)

This project is intended to replace the roll-off truck that's primary purpose is to transport municipal solid waste disposed by the public to the active working face on a daily basis. Its secondary role is to provide redundancy to our roll-off truck that is needed for leachate management. The roll-off truck being replaced is 14 years old, 2005 International. This roll-off truck was originally purchased and used at the Homer landfill until August 2013. This roll-off truck is considered to have the most significant mechanical issues in our roll-off inventory that will need to be addressed. Project #705.94910.20E10.49999

Nikiski Fire Service Area

CPR Devices/Defibrillators (project cost \$125,000)

This project is intended to provide high quality CPR to the public when needed. The LUCAS Chest Compression System provides benefits to cardiac arrest patients by delivering high-quality chest compressions even under difficult conditions and for extended periods of time. The LUCAS Chest Compression System is recommended in the International CPR Guidelines as an adjunct to manual CPR when high-quality manual CPR is difficult or hazardous for Emergency responders to perform. This device provides consistent chest compressions with minimal interruptions. Project # 441.51110.20411.49999.

Emergency Response Vehicle (project cost \$75,000)

This project is intended to replace an aging piece of Emergency Response equipment. The truck bed of the old unit has rusted through and is now in need of replacement. The old unit will be repurposed as a Forestry Response vehicle by purchasing a skid unit and pump. The new Emergency Response unit would be housed at Station #3 and be equipped with a plow. Project # 441.51110.20412.49999.

Enclosed Conex Carport for Vehicle/Equipment Storage (project cost \$150,000)

This project is intended to provide covered storage for vehicles, tires, and extra equipment that are now stored outside in differing weather conditions to include the purchase of one (1) more conex. This conex unit will ensure vehicles and equipment are kept in good condition, thus providing a savings for the service area. Project # 441.51110.20413.49999.

Bear Creek Fire Service Area

Turnout gear, boots, and helmets (project cost \$10,820)

NFPA 1851 sets the standard for the life of turnout gear as ten years from the date the garment was manufactured to the date the garment is retired. Replacement of 4 sets of turnouts, 4 pairs of boots & 4 helmets will bring us in compliance of NFPA 1851. Project # 442.51210.20421.49999.

Anchor Point Fire & Emergency Medical Service Area

Command Vehicle (project cost \$60,000)

This Command Vehicle purchase will be used as Command Two (AP Deputy Chief). This new command vehicle will be used as an incident command unit and will carry all the equipment needed to assist the incident commander. This is the second phase in replacing Anchor Point's Fire/EMS aging utility vehicles. Project # 444.51410.20441.49999.

Central Emergency Services

CES Station 1 Land acquisition (project cost \$900,000)

The current CES Soldotna Fire Station #1 was originally built in 1957 with additions added to meet response demands in 1961, 1971 and 1981. The current station and staging area has far exceeded useful life and operational capacity. A Site Selection Committee was established to find a suitable site to meet the operational needs for relocating the CES Soldotna Fire Station. This project would be to purchase the land for a new CES Soldotna Fire Station. Project #443.51610.20461.49999.

Ambulance (project cost \$250,000)

This ambulance is part of the scheduled replacement for the K-Beach station, replacing the current ambulance. As a result of the purchase, a reserve ambulance will be placed into surplus. This new ambulance will lower maintenance costs with new gas motors, replacing the diesel engines. Also, the new technology hydraulic suspension system, replaces the air suspension systems that were prone to frequent mechanical failure, costly repairs and unnecessary out of service time. Project #443.51610.20462.49999.

Kachemak Emergency Services

ATV Rescue/Brush Unit (project cost \$20,000)

KESA received a wildland skid unit for use on an ATV through our Members Association who received a grant. We have been running with only 1 ATV brush unit out of Station 1. The response time is too long for one unit to respond to 214 square miles. We have the wildland skid unit in hand but need the ATV to mount it on. Project #446.51810.20481.49999.

North Peninsula Recreation Service Area

Nikiski Community Recreation Center Gymnasium lighting (project cost \$62,000)

This project will replace area lighting in the gym area, to include retrofit of thirty-eight (38) 250-watt metal halide fixtures and emergency lights to LED fixtures. The new LED fixtures will have a life of 50,000 hours which is two and half times more than the existing fixtures and will no longer require ballast replacement. This will reduce maintenance and bulb replacement. Additionally, the new fixtures are estimated to use 60% less energy than the existing system. Project #459.61110.20451.49999.

NPRSA Fitness equipment (project cost \$75,000)

The North Peninsula Recreation Service Area is in the process of remodeling the community center to create a larger and more functional fitness area and weight room. This is a project that has been in the capital improvements plan and is in the NPRSA 10-year Master Plan. Providing additional fitness opportunities will meet requested needs of the community. The new equipment will replace some existing older pieces of equipment, but will primarily add various free weight stations, circuit training stations, cardio equipment and numerous other fitness apparatus. Project #459.61110.20452.49999.

Nikiski Community Recreation Center furniture/furnishings (project cost \$60,000)

To accommodate many of the services provided, furniture and furnishings for the community center are required. These include such items as tables, chairs, podiums, speakers, desks, cabinets, table & chair carts, a/v carts, projector screens and various other furnishings. Project #459.61110.20453.49999.

NPRSA Tractor/Mower (project cost \$35,000)

Purchase a John Deere Tractor Zero Turn Mower for landscaping and trail maintenance. The Service Area has a tremendous amount of grounds, fields, trails and disc golf course to landscape and maintenance each summer. This equipment will create efficiencies in landscaping operations and maintenance labor. This is a one-time purchase and not expected to have a financial impact on the operating budget in subsequent years. Project #459.61110.20454.49999.

NPRSA Pool Boiler Replacement and HVAC System (project cost \$725,000)

The existing boiler system, an old Birchfield, was converted from a coal burner to a natural gas burner; and has well exceeded its useful life by thirty plus years. Half of the building's system currently operates with antiquated pneumatic controls and a 40-year+ old air compressor. The other half is manually controlled and monitored in each room individually. The system is inefficient with no redundancy and does not adequately supply the entire building. It is difficult to almost impossible to find replacement parts for the existing antiquated system. The replacement of the boiler and HVAC with upgraded systems is necessary to provide an efficient automated system that will stabilize maintenance and repair costs. Project #459.61110.20455.49999

Road Service Area

Inspector Vehicle (project cost \$39,175)

The new truck will be used to replace a 2010 Chevy 1500 in the RSA fleet. The new truck will be driven by the North/East Area Road Inspector for inspections and day-to-day work throughout the Northern and Eastern parts of the borough. The truck the North/East Area Road Inspector is currently using will replace the 2010 Chevy 1500 the director drives for his inspections and day-to-day work throughout the borough. Project #434.33950.20431.49999.

Borough-wide Gravel Project (overall project cost: \$200,000)

Gravel road projects for FY 19 proposes replacing lost material on a number of roads, including the following: Neighbors Road, Beach Drive, Ellen Street, Sunset Street, School Avenue, Silverberry Avenue, Louis Huber Avenue, and Corabin Road.
Project #434.33950.20GRV.49999.

Basargin Road (estimated project cost \$1,155,000)

Basargin Road is 31,000 feet long and is located off East End Road in Homer. Due to the length of the road, it is being upgraded in sections. This project is approximately 7,000 feet and will widen the road, replace poor road material, improve drainage and add gravel capping.
Project #434.33950.S8BSG.49999.

Walters Street, Wilderness Lane, Sarah Street, Frontier Lane (estimated project cost \$1,006,500)

The roads are located off East End Road in Homer. Project will address right-of-way issues, improve drainage, widen roads, add grader turnarounds, replace poor road material, and add a gravel capping. Project #434.33950.S7WAL.49999.

Roosevelt Circle (estimated project cost \$137,500)

This road is located off of K-Beach Road and Skyline Drive in Soldotna. Project will improve drainage, replace poor material, add gravel capping, and improve the grader turnaround.
Project #434.33950.W6ROC.49999.

Warranty funding (estimated project cost \$20,000)

This project is intended to fund the warranty portion of grant funded projects that are completed in FY2020.
Project #434.33950.20WRT.49999.

South Kenai Peninsula Hospital Service Area

Shelled space remodel (project cost \$1,412,500)

New shelled space is part of MFP meant to create work space for business administration and create efficiencies. This is for new construction and drawings scheduled to take place over the course of FY20.
Project # 491.81210.20SHB.48516.

CT Scanner (project cost \$931,314)

Would replace 12-year-old GE 64 slice CT scanner that is outdated technology and nearing end of life. New CT scanner would be 128 slice Siemens. Lower radiation dose, improved image quality; faster scan times, holds larger patients.
Project # 491.81210.20SHC.48516.

HIS Server replacement (project cost \$114,894)

Current servers and appliances are at end of life summer 2019. These servers house our critical applications for business admin and clinical including HER and accounting.
Project # 491.81210.20SHD.48516.

Steris 1E (project cost \$111,737)

Current system requires service frequently; it does not fill properly, and is worn out. Need replaces to allow team to clean scoped properly. Project # 491.81210.20SHE.48516.

Fire Alarm upgrade (project cost \$105,000)

Current system is 18 years old and now obsolete. It presents a life safety issue. At that time, it was put in as a temporary fix as the original system failed. Project # 491.81210.20SHF.48516.

Micro Analyzer (project cost \$86,670)

Current analyzer is 10 years old. Not up to date on latest technology. Has failed a CLIA survey due to not identifying some organisms correctly. New analyzer will improve efficiency, turn-around-time, and improved consistency between techs.
Project # 491.81210.20SHG.48516.

Re-key Hospital Doors (project cost \$48,225)

Currently, there are too many different keys with no current rand master or master key.
Project # 491.81210.20SHH.48516.

Stryker Drill Platform (project cost \$40,358)

Currently have one new saw and the old saw is 10 years old. Two saws are needed. Trading in older platform.
Project # 491.81210.20SHJ.48516.

Van (project cost \$36,500)

Currently in use is a 1995 van. The vehicle has been breaking down more frequently. Repairs are costly and parts are getting harder to find. Cleaning services are provided for 9 outbuildings located beyond hospital.
Project # 491.81210.20SHK.48516.

Virtual Server Replacement (project cost \$24,000)

Current server will be 6 years old summer of 2019. It is at end of life and requires replacement.
Project # 491.81210.20SHL.48516.

Blast Chiller for Nutrition Services (project cost \$20,000)

This equipment is needed to comply with State and Federal food safety requirements. Current process requires having to ice bath hotel pans of processed foods on carts, roll them into coolers, and monitor them with time and temperature every hour for proper cool down.
Project # 491.81210.20SHM.48516.

Glidescope (project cost \$19,433)

Used to assist with difficult intubation. Current Glidescope is at end of life. New Glidescope will include a pediatric wand. Currently having to borrow from emergency department, but need one readily available for the OR at all times.
Project # 491.81210.20SHN.48516.

Bladderscan (project cost \$15,375)

Current system is no longer functional and too old to repair. The parts and service have expired or no longer available. No bladder scanning equipment available at the hospital, but is needed since used often for diagnostics for ER/AC/OB.
Project # 491.81210.20SHP.48516.

Advanta2 Bed System (project cost \$15,278)

Requesting two new beds. System includes base frame, nurse call, TV, lighting, etc. These will replace two beds that are 20+ years old.
Project # 491.81210.20SHQ.48516.

EFI Total Gym Power Tower (project cost \$9,195)

The current Power Tower is no longer working. Biomedical has worked on it, but the company no longer carries parts for it anymore. The equipment is for used on a daily basis for multiple rehabilitation treatments.
Project # 491.81210.20SHR.48516.

Bloodbank Centrifuge (project cost \$7,320)

Current system was purchased 15+ years ago. The company has discontinued marketing and providing service.
Project # 491.81210.20SHS.48516.

Blood Plasma Thawer (project cost \$4,915)

Current system has difficulties with moisture and will shut down if the sensors go off. The equipment will not go back into service until it is cleaned and thoroughly dried. Turn-around-time for plasma and cryoprecipitate is critical since it is used in trauma situations.
Project # 491.81210.20SHU.48516.

Description (Justification and Explanation)

There is asbestos present in many of our facilities constructed prior to 1984. While much has been removed throughout the years, a considerable amount remains. The majority of material consists of fairly stable, low risk "non-friable" materials. The ACBMs (asbestos containing building materials) are normally encountered as a result of a improvement projects, such at locker or flooring replacements, or minor renovation projects. There is also a moderate amount higher risk materials such as: TSI (Thermal Systems Insulation) and structural fire protective coatings. It is the goal of the Maintenance Department to work toward eventual complete abatement of higher risk ACBMs at all Borough facilities. The removal of lower risk materials will be primarily based on projects that impact the existing materials. Areas of abatement are governed by impacting projects and decisions made by the Borough Safety and Asbestos Coordinator. Funds will be utilized for the removal of asbestos on the following priority basis: level of risk, as encountered and as allowable by funding.

Impact on Annual Operating Budget

Total	\$ 100,000	\$ 100,000	\$ 100,000	\$ 100,000	\$ 100,000	\$ 500,000

Description (Justification and Explanation)

The Borough maintains more than forty schools borough wide. Each facility contains multiple maintained entry/exit points. Throughout many years of service the systems begin to deteriorate to a state beyond repair. Contributing factors are: high use, abuse that cannot be tracked as vandalism, obsolescence and corrosion relating to weather, salt use and present environmental factors. Some of the door systems in the highest need are those located in the pool areas. These areas present additional challenges due to humidity and the presence of corrosive chemicals. Needed replacements are prioritized based on work order demand, along with observation walk-throughs. The availability of these funds are important due to the high cost of the door replacements, and in some cases, replacement of the entire store front.

Impact on Annual Operating Budget

Personnel		Projects initiated utilizing these funds result in a reduction in maintenance costs associated with repairs and lower district utility bills.

Total	\$ 125,000	\$ 125,000	\$ 125,000	\$ 125,000	\$ 125,000	\$ 625,000

Description (Justification and Explanation)

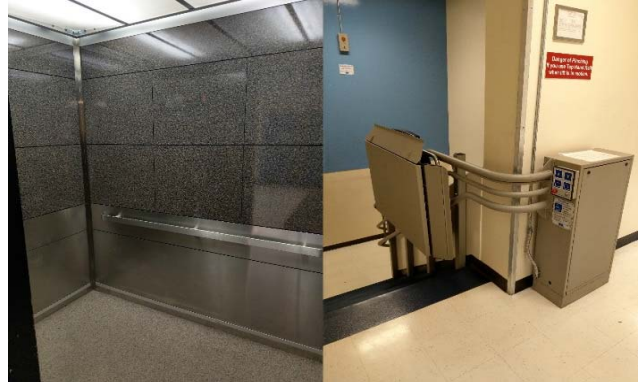

The Kenai Peninsula Borough Maintenance Department oversees one hundred and ninety-five School District buildings which include: 42 schools, 46 support buildings, 77 storage buildings. They repair and maintain 2,500 motors, 80 scoreboards, 800 battery pack emergency lights and over 40,000 light fixtures. Funds are needed to replace existing lamps and ballasts with more efficient devices, planning and design for upgrades to parking lot lighting, and for adding or upgrading other electrical devices and services. As projects are completed at the various schools across the borough, savings to the KPB School District are seen in a reduction to their utility bills. Current projects include replacing older generation and failed ballasts with improved energy efficient programmable types. The replacements will last longer and require less maintenance. The fluorescent fixture lighting upgrades are approaching completion. Forward, interior projects will focus on the replacement of high consumption lamps, scaled lighting in some areas where possible (scaled lighting dims lamps at times when natural ambient light is available) and selected system upgrades to large horsepower pumps and fan units. For exterior projects, LED lighting upgrades will begin, which will result in substantial utility savings, while producing a higher quality of light. Funds for these projects have been appropriated on an annual basis during the budget process.

Impact on Annual Operating Budget

Personnel		Upgrades to the lighting and electrical systems will generate utility savings due to the reduction in kilowatt usage.

Description (Justification and Explanation)

The flooring funds are utilized for replacing all flooring types throughout the school district. Additionally, the fund is utilized to accomplish contracted refurbishment/replacement of gym floor surfaces. When refurbishing, the surface is completely sanded, game lines are laid out, painted, then the entire surface is refinished. A standard wood floor has 2-3 sanding/resurface cycles. Based on wood depth and condition, replacement may be necessary. When selecting flooring projects, safety concerns rate as the highest priority. The focus then turns to condition assessment. Selected projects are prioritized based on annual district wide site walkthroughs. The use of flooring funds may work in conjunction with asbestos abatement funds where asbestos is encountered as a result of the flooring replacement.

Impact on Annual Operating Budget

Emergency generator at Kenai Central Auditorium

	FY 2020	FY 2021	FY 2022	FY 2023	FY 2024	Five Year Total
Design (Engineering)						
Construction/Equipment	\$ 50,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 250,000
Other (Specify)						
Total	\$ 50,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 250,000

Description (Justification and Explanation)

Of the various sites that the Borough Maintenance Department oversees, there are sixty-five electrical generation systems which are serviced by Borough Maintenance staff. Forty-five of these systems are housed at school sites with the remainder at service area, law enforcement facilities or locations related to emergency notification. Most of the systems are defined as "stand-by", but some carry the higher classification of "emergency" systems. In either case the generators produce crucial power, providing for the protection of facility (building heating and control, egress lighting and safety monitoring systems). Additionally many of the facilities are utilized as shelter sites in emergencies. The use of these funds are intended for the replacement of systems that supply power to School District facilities. There are several factors that necessitate the replacement of these generation systems such as cooling system corrosion, wear and, most commonly, obsolescence. The most prevalent issue faced, when maintaining these systems, is obsolescence. Most maintenance repair concerns can be met if there is availability of parts. In some cases we are facing the need to replace a well maintained and operational genset due to the critical nature of the system, in combination with an inability to repair if the equipment were to fail. A new factor results from the supply of gas to the South Peninsula. Replacement decisions will still be primarily based on state of repair and obsolescence. The KBPM Electrical Department in cooperation with the Automotive Department, have built a prioritized system replacement list. The goal is to replace two systems annually until the borough arrives at a state where none of its school facility gensets are in obsolescence. Continuation of these replacement funds is very important to maintain readiness of these critical power systems.

Impact on Annual Operating Budget

Personnel		Upgrades to facility generation systems will provide savings to the Borough, relating to system efficiency, and costs associated with maintenance/repair.

Total	\$ 1,225,000	\$ 75,000	\$ 75,000	\$ 75,000	\$ 75,000	\$ 1,525,000

Description (Justification and Explanation)

Funds to be utilized in order to replace and/or upgrade various HVAC systems and devices. The Borough is in a difficult position relating to much of its HVAC system equipment and control. Many system components are approaching, or are well beyond design life expectation. Further complication results from component obsolescence. Dissolving industry support of much of our old equipment is making service ever more difficult. Particular areas of challenge are Direct Digital Control (DDC) and boiler systems. Many of our DDC's were installed in the 1980's. Factory support for these systems has long vanished. Third party support and component availability is following suit. Our strategy is incremental replacement at individual facilities, hereby improving and stabilizing those sites, while providing a spare parts inventory for other still active old systems. For boiler systems we do experience some obsolescence and degradation (some appliances are 60-70 years old) the main motivation is energy efficiency. Upgrade to modern high efficiency equipment nets energy savings that quickly recoups project costs. It will then continue to provide future savings benefit over current equipment energy consumption. Inclusive in this funding are systems relating to facility control and overall heating generation and distribution. To include: DDC head-in, control peripherals, boilers, hydronic system support components and facility air distribution components. Replacements, improvements and modifications will reduce maintenance costs and improve energy efficiency at district facilities.

Impact on Annual Operating Budget

School Revenue Fund Capital Improvement Project

Project Name	Playground Upgrades	
Priority	Medium	
Department - Service Area	School Maintenance	
Total Funding	\$75,000	
Project Manager	Scott Griebel	
Project Location	KPB schools - area wide	
Funding Source/ Project Number	Local 400.78050.20780.49999	

	FY 2020	FY 2021	FY 2022	FY 2023	FY 2024	Five Year Total
Design (Engineering)						
Construction/Equipment	\$ 75,000	\$ -	\$ 75,000	\$ -	\$ 75,000	\$ 225,000
Other (Specify)						
Total	\$ 75,000	\$ -	\$ 75,000	\$ -	\$ 75,000	\$ 225,000

Description (Justification and Explanation)

Funds provide for area wide improvements to outdoor play areas, relating to safety, code and simple replacement of end of useful life equipment. Priority considerations recently have been to focus on improvements to resilient surfaces surrounding existing equipment (code defined, low impact surfaces). Additionally, based on condition and need, some play elements may need to be replaced as well. Decisions are made based on quarterly inspections of individual site equipment.

Impact on Annual Operating Budget

Personnel		These projects will not result in any substantial savings to annual operational cost

School Revenue Fund Capital Improvement Project

Project Name	Portables and Out Buildings	 <p style="text-align: center; font-size: small;">Portable classrooms placed at Soldotna Prep</p>
Priority	Medium	
Department - Service Area	School Maintenance	
Total Funding	\$75,000	
Project Manager	Scott Griebel	
Project Location	Kenai Middle School	
Funding Source/ Project Number	Local 400.78010.20851.49999	

	FY 2020	FY 2021	FY 2022	FY 2023	FY 2024	Five Year Total
Design (Engineering)						
Construction/Equipment	\$ 75,000	\$ 75,000	\$ 75,000	\$ 75,000	\$ 75,000	\$ 375,000
Other (Specify)						
Total	\$ 75,000	\$ 75,000	\$ 75,000	\$ 75,000	\$ 75,000	\$ 375,000

Description (Justification and Explanation)

Funds are utilized to support the transport of portable structures from one facility to another or to provide resources for large scale improvements. Qualifying improvements include replacements of systems such as: roofs, siding, windows/doors, furnaces, or repairs relating to structural deficiencies. Funds may also support the construction of new onsite structures if a need were determined. The priority for the fund is to support site redeployment, based on District needs. If no need develops, the funds would be utilized to support system improvements (roofs, doors, windows, siding, heating) to existing units; many of which are in need.

Impact on Annual Operating Budget

Personnel		If utilized for improvements, resulting projects would result in the reduction of both maintenance cost and utility spend related to energy efficiency.

Other (Specify)						
Total	\$ 100,000	\$ 100,000	\$ 150,000	\$ 100,000	\$ 150,000	\$ 600,000

Description (Justification and Explanation)

Funds will provide for the replacement and addition of obsolete, non-functional and/or non-code compliant life safety systems, such as: Fire monitoring, intercom and the addition of access control. Primary priorities for the Borough are fire monitoring relating to code compliance and needed improvements to facility paging systems. The intercom/bell notifications systems in many school facilities are obsolete and temperamental in function. The paging systems are an integral part of most site security protocols. Their operability is of paramount importance during potential incident. An equal and parallel goal is the improvement of the Districts ability to control and manage facility egress and intrusion and facilitate lock-down. It is proposed to implement a district wide card entry system. Such system will allow for the securing of all currently unsupervised points of egress, while supporting the requisite flow of staff and students throughout the campus. Additionally, it will eliminate the need for the issuance of physical keys to the majority of staff, contractors and user groups. Issued access cards will be much simpler and efficient to manage.

Impact on Annual Operating Budget

Personnel		Fire system projects will impact annual budgets if the replaced facility system is not a currently monitored system (monitoring fees). Otherwise, the labor impacts will be minimal. Security projects will result in an increased labor demand, as they introduce a large number of additional equipment components and a system management role.

Other (Specify)						
Total	\$ 100,000	\$ 50,000	\$ 25,000	\$ 25,000	\$ 25,000	\$ 225,000

Description (Justification and Explanation)

Throughout the Borough the majority of school facilities receive their water supply from an onsite well sources. Due to the number of users served by these systems, they are formally regulated by the DEC. Some of the sites have a contaminant presence at the "point of use" which surpasses the "maximum contaminant level" (MCL) allowable by federal regulation. In some instances the contaminant is directly from the source water. Others sites may have clean source water with a PH issue that causes corrosion in the piping system. This can result in the tested presence of lead or copper that must be dealt with. In these instances, the source water must be treated in order to maintain a safe drinking water supply to occupants. Depending on the type of treatment required the process can be quite costly. For this reason the Borough has also begun to implement conservation measures that better limit consumption of plant treated and metered city water sources. This has primarily been accomplished by the replacement of use fixtures, that both use less water and have improved reliability. Continuation of these funds is important in order to achieve a reliable level of safe water supply to school facility occupants and to deal with what is forecast as pending compliance challenges forward. Funds will be utilized for both design solutions and project implementation.

Impact on Annual Operating Budget

Personnel		These projects will result in a reduction in maintenance costs while providing a slight energy and public utility savings to the KPB School District.

General Government Capital Improvement Project

Project Name	Mobile Assessor Software & Tablets	
Priority	High	
Department - Service Area	Assessing Appraisal	
Total Funding	\$76,780	
Project Manager	Assessor / Assessment Admin Mgr	
Project Location	Assessing - Appraisal	
Funding Source/ Project Number	Equipment 705.94910.20E06.49999	Replacement 705.94910.20E07.49999

	FY 2020	FY 2021	FY 2022	FY 2023	FY 2024	Project Total
Assessing mobile software	\$ 102,550					\$ 102,550
Assessing mobile tablets (10)	12,030					12,030
Total	\$ 114,580	\$ -	\$ -	\$ -	\$ -	\$ 114,580

Description (Justification and Explanation)

The Assessment Appraisal division has consistently failed to meet the borough code mandated 5-year reinspection cycle for updating and inspecting properties within the boundaries of the Kenai Peninsula Borough. Current staffing compared to the number of parcels has proved inefficient to meet this requirement for the past 15 years and staff continues to fall further behind in attaining the required number of annual inspections. The number of parcels in the borough continues to increase annually resulting in the proportionate number of parcels to staff to increase.

Implementation of the Mobile Assessor application will create efficiencies by allowing appraisal staff to make direct updates to property records in the field. This will reduce staff time spent in preparation of paper files and forms carried out into the field on a daily basis and will directly increase the amount of field hours spent by staff while conducting canvassing and routine inspections. In addition to there being less preparation time spent in the office, use of the mobile application will also decrease the time spent at each property by providing staff the ability to quickly make minor updates to properties on site.

It is anticipated that over time the efficiency of appraisal staff making direct updates to property records in the field may eliminate the need for some support staff in the administrative division and possibly reduce the amount of field staff required to meet the inspection cycle.

Impact on Annual Operating Budget

Personnel	\$ -	The one-time implementation costs for set-up, configuration, and training as well as the cost to purchase mobile tablets for field staff will increase the operating budget \$10,223 for 10 years under the equipment replacement fund payments. Licensing and support costs will increase the department operating budget annually \$17,325. In addition, the use of tablets in the field will increase the usage of data and the cost of the data plans will increase the operating budget.

Construction						
Equipment	\$ 56,350					\$ 56,350
Other (Specify)						
Total	\$ 56,350	\$ -	\$ -	\$ -	\$ -	\$ 56,350

Description (Justification and Explanation)

This project replaces the current command vehicle for the Office of Emergency Management and updates the technology available. The IC unit replaces a current 2003 pickup that is not ideally suited for the needs of an Incident Command vehicle. The new vehicle will be an SUV type with modifications to include radio communications, electronics, and storage/workspace to be able to manage the initial stage of incidents, command field teams, or assist emergency service areas as requested.

Impact on Annual Operating Budget

Personnel		By replacing the current F350, fuel economy will significantly improve resulting in a cost savings in that line item. The vehicle will require periodic maintenance and repairs as it is in service, however it is expected that this will ultimately be a reduction in the operating budget as less maintenance is required for newer vehicles, and warranty coverage will be available for the next few years.

Description (Justification and Explanation)

This project is intended to replace the piece of earth moving equipment at our regional landfill. This equipment is critical to our day to day waste management operations. Additionally, this equipment is needed to satisfy ADEC mandated requirement of placing daily cover material (soil) on municipal waste. This purchase will replace the discontinued model 2007 615C Cat scraper. The usage of this piece of equipment has increased, travel distances continue to increase as the landfill expands. We anticipate replacing this with a new model that has 50% more hauling capacity, product link electronic monitoring and warranty coverage.

Impact on Annual Operating Budget

Personnel		We anticipate the after effect of this purchase will result in operational efficiencies.

Total	\$ 62,000	\$ -	\$ -	\$ -	\$ -	\$ 62,000

Description (Justification and Explanation)

The Nikiski Community Recreation Center building is nearly 60 years old and requires repairs and upgrades. The gymnasium lighting is made up of thirty-eight (38) large antiquated metal halide lamps and four emergency fixtures. The lamps are inefficient and require regular maintenance and bulb replacement.

This project will replace area lighting in the gym area, to include retrofit of thirty-eight (38) 250-watt metal halide fixtures and emergency lights to LED fixtures. The new LED fixtures will have a life of 50,000 hours which is two and half times more than the existing fixtures and will no longer require ballast replacement. This will reduce maintenance and bulb replacement. Additionally, the new fixtures are estimated to use 60% less energy than the existing system.

Impact on Annual Operating Budget		
Personnel	\$ -	This project is expected to decrease energy usage and reduce maintenance costs for the lighting in the gymnasium. Additionally, it will provide for more even and adequate lighting in the gym area.

Total	\$ 75,000	\$ -				\$ 75,000

Description (Justification and Explanation)

The North Peninsula Recreation Service Area is in the process of remodeling the community center to create a larger and more functional fitness area and weight room. This is a project that has been in the capital improvements plan and is in the NPRSA 10-year Master Plan. Providing additional fitness opportunities will meet requested needs of the community.

The new equipment will replace some existing older pieces of equipment, but will primarily add various free weight stations, circuit training stations, cardio equipment and numerous other fitness apparatus.

Impact on Annual Operating Budget

Personnel	\$ -	This project is a one-time replacement/purchase and will have no impact on future budgets. The end result is a larger and more functional fitness/weight center to meet the needs of the community. These additional opportunities should result in increased revenue for the service area.

Description (Justification and Explanation)

The Nikiski Community Recreation Center is an educational and recreational facility that currently provides a home for a teen center; youth, adult and family programs; sports leagues; gymnasium; golf simulator; camps; kitchen; and a meeting place for community meetings and banquets. Programs offered (not all inclusive): after school and evening programs for youth, teens and adults, coaching clinics and sports camps for youth and adults, fitness classes, arts and crafts classes, instructional and training classes and community CPR /First Aid, CERT and various other community classes. The facility serves as the central location for public and/or community meetings as well as a polling location for municipal, state and federal elections.

To accommodate many of the services provided, furniture and furnishings for the community center are required. These include such items as tables, chairs, podiums, speakers, desks, cabinets, table & chair carts, a/v carts, projector screens and various other furnishings.

Impact on Annual Operating Budget

Personnel	\$ -	This project is a one-time purchase and will have no impact on future budgets. The end result is a more functional community center that meets the needs of the services provided. These added accommodations should result in increased revenue and attendance from community center rentals and meetings.

Total	\$ 725,000	\$ -				\$ 725,000

Description (Justification and Explanation)

The North Peninsula Recreation Service Area (NPRSA) has planned to replace the boiler and HVAC System at the Nikiski Community Recreation Center (NCRC).

The boiler and HVAC system are original to the building's construction in the early 1960's, placing the age of the system at almost 60 years old. The existing boiler system, an old Birchfield, was converted from a coal burner to a natural gas burner; and has well exceeded its useful life by thirty plus years.

Half of the building's system currently operates with antiquated pneumatic controls and a 40-year+ old air compressor. The other half is manually controlled and monitored in each room individually. The system is inefficient with no redundancy and does not adequately supply the entire building. It is difficult to almost impossible to find replacement parts for the existing antiquated system. The replacement of the boiler and HVAC with upgraded systems is necessary to provide an efficient automated system that will stabilize maintenance and repair costs.

Impact on Annual Operating Budget

Personnel	\$ -	This project should result in better building efficiency and operations. Additionally, it should stabilize repair and maintenance costs and provide an efficient automated system.

Description (Justification and Explanation)

A number of roads became the Kenai Peninsula Borough's responsibility upon its formation in 1964, but there was no coherent mechanism in place to address road construction or even upkeep. In 1982, borough voters created four separate KPB Road Service areas (and agreed to fund through a small mill levy). Each service area had its own board of directors, and road service consisted mostly of wintertime plowing and the occasional summer grading. In 1991, to help provide efficiency and consistency in management, the Borough Assembly incorporated those four areas into one borough-wide Road Service Area (RSA) with five regions: Central, West, North, South, and East.

In the early days, there were no established construction standards, yet there were many miles of roads earmarked for maintenance. Not surprisingly, poorly built roads initially taken on by the RSA have required intensive work to remain passable year-round.

In 1986, the RSA board adopted (and the Borough Assembly approved by ordinance) minimum road construction standards, establishing that any road not already RSA maintained had to meet these standards. While this helped to ensure that newly constructed roads would have a more reasonable maintenance cost, it did not solve the existing problem of the expense of maintaining hundreds of poorly constructed roads in desperate need of improvement. Many roads "grandfathered" into the maintenance system need gravel upgrades, widening, paving, signage, repair, and realignment. Without these improvements, it is a serious challenge for the RSA to keep these roads safe and passable for residents (and tourists visiting our communities each year). The expense required to maintain a substandard road is far higher than for roads meeting borough construction standards.

The RSA has established objective criteria to identify priority construction projects for rebuilding and upgrading as many roads as possible with available funding. These projects range from correcting basic safety and access problems to complete upgrade and paving on others. In FY19, the legislative grants that have funded capital improvement projects since 2008 were exhausted. Capital improvement projects are now solely funded by tax dollars.

Internal Service Funds

These funds are used to account for a government’s business-type activities supported, at least in part, by fees or charges. These services are not rendered to the general public but are for other governmental units within the Borough, i.e. the service areas, individual funds and departments, and the school district. The following funds have been established:

	<u>Page #</u>
Combined Revenues and Expenses	395
Insurance and Litigation Reserve Fund	396

The Borough and School District are self-insured and the Insurance and Litigation Reserve Fund is used to account for the provision of insurance for the Borough, not including health insurance. All funds requiring insurance coverage make contributions to this fund in amounts equal to their proportional share of the total cost of insurance. Additionally, the fund maintains reserves for litigation contingencies, insurance contingencies, and self-insurance deductible requirements.

Health Insurance Reserve Fund	408
--	-----

The Borough is self-insured for health insurance and the Health Insurance Reserve Fund is used to account for the costs of the Borough’s employee health insurance plan. The reserve fund will accommodate the smoothing of plan cost variances by allowing the variances to be applied over multiple year’s premiums. In years where the plan costs do not equal budgeted amounts for premiums in all borough funds, the amount over/under will be recovered/refunded in subsequent years through increases/decreases in plan premiums. This process will eliminate large year-end supplemental appropriations or unspent budget amounts in the Borough’s and Service Area’s operating funds.

Equipment Replacement Fund	412
---	-----

The Equipment Replacement Fund is used to finance the major purchases of user departments. Departments are charged an annual fee over the expected life of the vehicle or piece of equipment. This manner of financing major purchases eliminate the substantial impact such purchases would otherwise have on annual operating budgets.

Risk Management

Dept 11234

Administration

Mission

The Risk Management Department works to protect the Kenai Peninsula Borough (KPB) and Kenai Peninsula Borough School District's (KPBSD) assets by identifying, analyzing and mitigating against the consequences of accidental losses and claims. The Risk Management Department serves as a resource for protecting the health, safety, and well-being of KPB and KPBSD employees and property through continuous efforts to reduce the frequency, severity and associated cost of risk and risk-related claims through continuous education, analysis, active participation and communication.

Program Description

The Risk Management Department coordinates the insurance program for the KPB and KPBSD, manages Workers' Compensation claims, and consults with the KPB, Service Areas, and the KPBSD on loss prevention, safety, and environmental compliance programs.

Major Long Term Issues and Concerns:

- Increasing medical costs throughout the State of Alaska.
- Continuing variances in market conditions and related regulatory changes will likely continue to affect the cost of procuring excess insurance for the KPB, the Service Areas and the KPBSD.
- Presumptive disability statutes continue to impact risk avoidance for emergency services organizations.
- Environmental programs may continue to be affected by federal and state regulatory changes.
- Maintenance coverage of KPB aging facilities.

FY2019 Accomplishments

- Completed required FEMA Training and serve as active members of the KPB Incident Management Team.
- Removed hazardous waste from several schools and disposed of through the Household Hazardous Waste (HHW) Program.
- Fire service area risk mitigation planning and program implementation.
- Continued team development and cross training efforts.
- Consolidated the custodial in-services training to work within the new time constraints.
- Revised the KPB's Emergency Action Plan (EAP).
- Conduct PPE Hazard Assessments of Central Peninsula Landfill operations.

FY2020 New Initiatives:

- KPB Emergency Action Plan training and implementation of drills on Borough campus.
- Continue involvement and training in the KPB's IMT.
- Conduct PPE Hazard Assessments for the KPB and KPBSD.
- Pursue engineering recertification of CPL's SPCC Plan.
- Complete Water Rights Applications for K-Beach Elementary, Sterling Elementary and KPB Shop/Poppy.
- Complete LCIP inspections for all KPB owned properties (this includes KPBSD properties).
- Work with ADEC and KPB Maintenance to continue improving drinking water and waste water systems.
- Update annual training requirements within the FirstNet Learning Management System (LMS).
- Research and select EHS Software for Risk Management.
- Update Risk Management's Records Retention schedule.
- Build out and populate a Certificate of Insurance tracking system within SharePoint.

Line-Item Explanations

40110 Regular Wages. Staff includes: Risk Manager, Safety Manager, Environmental Manager and an Administrative Assistant.

42263 Training Supplies. Safety, Environmental, and Claims to continue upgrading outdated regulatory training material and provide for ongoing updates.

43011 Contractual Services. 50% of AMLJIA TPA Agreement (\$17,500), EHS Software (\$25,000), MSDS online program (\$10,000), HTF SPCC Plan Update (\$5,000), Guardian Security (\$1,200), and other contracts (\$9,800).

43019 Software Licensing. Annual maintenance cost for new Environmental Health Safety software.

43210 Transportation/Subsistence. Travel to KPB&SD facilities for site visits, safety audits, and tank inspections. Continued education for all members of Risk Management

43260 Training. Continued education (in-State) for all members of Risk Management and the AMLJIA PERMS Conference.

48710 Minor Office Equipment. Replace two (2) computer monitors (\$550) for the Safety Manager.

60000 Charges (To) From Other Depts. Allocation of risk management administration costs to insurances provided by the fund: (50%) Workers Compensation, (20%) Property Insurance, and (30%) General Liability.

Fund 700 Dept 11236	Department Function Risk Management Workers' Compensation
--	--

Program Description

- As required under the Alaska Workers' Compensation Act, Workers' Compensation is a program that requires employers to pay medical costs and lost wages in the event an employee becomes injured or ill due to working conditions. The Risk Management Department is responsible for complying with the Alaska Workers' Compensation Act by administering a compliant and comprehensive self-insurance program. This includes identifying and mitigating to the extent possible, the hazards that could cause injury to the visiting public, students, and employees; and analyzing, managing, and processing claims.
- Our program serves to educate supervisors about our Workers' Compensation obligations and actions, and about providing accommodations to returning employees in temporary transitional work to help reduce time away from work and increase productivity.
- The program utilizes an electronic reporting system to track employee injuries and costs of medical treatment and other actions connected with employee workers' compensation claims.

Major Long Term Issues and Concerns:

- Increasing cost of claims, primarily due to high cost of medical treatment and litigation in the State of Alaska.

- Presumptive disability statutes continue to impact risk avoidance for emergency services organizations.
- Aging workforce both at the KPB and KPBSD.

FY2019 Accomplishments

- Continued improvement with the incident reporting process and tracking mechanism have allowed for detailed claims analysis, identification of more hazardous locations, and areas needing increased Risk Management presence.

FY2020 New Initiatives:

- Cross training and improved functionality within the Risk Management Department to increase field presence and in-person investigation of workers' compensation claims for both the KPB and KPBSD.
- Continue working with high-risk locations and positions to provide focused information and training with the goal of reducing preventable injuries and accidents.
- Educate client group on parameters requiring risk management incident investigations.
- Develop and share informal after-action communications (Safety Bulletins) to department leadership in both the KPB and KPBSD.
- In-depth investigations for all recordable incidents.

Risk Management

Dept 11237

Property

Program Description

Property Insurance including claims is for coverage of the buildings, contents, emergency equipment and vehicles of the Borough, School District, and Service Areas.

Major Long Term Issues and Concerns

- Aging properties throughout the Borough resulting in increased frequency and cost of repairs.
- Every growing costs to bring existing facilities to current building code requirements.

FY2019 Accomplishments

- Initiated a comprehensive review and evaluation of the Kenai Peninsula Borough (KPB) property schedule.
- Identified appraisal activities needed in the upcoming fiscal year focusing on high exposure and high value properties. This will help confirm and update insurance values for all KPB owned properties.

FY2020 New Initiatives

- Completed appraisal activities with our carrier focusing on the high exposure and high value properties to confirm and/or update insurance values for all KPB properties.
- Analyze and evaluate coverage needs for remodeled or new KPB properties and structures within last year.
- Increased investigations of property claims over \$5,000.
- Develop and share informal after-action communications (Safety Bulletins) to department leadership in both the KPB and KPBSD.
- Complete project of migrating property and risk allocation spreadsheet data to multi-user platform and input information into SharePoint.
- Update the KPB&SD Property Schedule to accurately reflect owned properties, structures, and locations.

Performance Measures

	FY2017 Actual	FY2018 Actual	FY2019 Projected	FY2020 Estimated
Number of claims	59	63	111	100
Average Claim Cost (including auto, property and vandalism)	\$2,050	\$16,935	\$8,360	\$9,115

Line-Item Explanations

43011 Contractual Service. Anticipated increase in broker fee for AMLJIA (\$3,000), however there has been an overall decrease due to reallocation of charges through the allocation of department 11234.

43511 Fire & Extended Coverage. Estimated cost for property, auto, boiler, and machinery premiums including potential increases. Covers KPBSD, KPB, and Service Area buildings and vehicles.

43999 Claim Reserves. To cover estimated costs of self-insured losses for property losses. Estimate based on a 5-year average of actual property losses.

60000 Charges to Other Depts. Allocation of Risk Management Administration costs to insurances provided by the fund; (50%) Workers Compensation, (20%) Property Insurance, and (30%) General Liability.

Fund 700 Dept 11238	Department Function Risk Management Liability
--	--

Program Description

Administered by the Risk Management Department, the liability insurance program covers the Kenai Peninsula Borough (KPB) and Kenai Peninsula Borough School District (KPBSD) for risks imposed by lawsuits and other similar claims.

Major Long Term Issues and Concerns:

- The KPB and KPBSD’s exposures, loss ratio, and overall costs continue to present challenges in securing reasonably priced excess insurance.
- Increased litigation costs for exceedingly more complex claims.

- Presumptive disability statutes continue to impact risk avoidance for emergency services organizations.

FY2019 Accomplishments

- Enhanced tracking capabilities using technology improvements for internal loss control.

FY2020 New Initiatives:

- Go out to market to obtain competitive insurance coverage quotes that meet or exceed our current coverage while maintaining, or reducing costs.

Medical, Prescription, Dental & Vision

Program Description

This fund provides payment of Borough employees healthcare expenses (medical, prescriptions, dental, and vision) as well as claims administration and other benefit plan expenses.

Major Long Term Issues and Concerns:

- Rising cost of health care benefits, changing compliance issues and administrative requirements under the Affordable Care Act.
- Continued rise in pharmaceutical costs on the national market.
- High cost of health care services in Alaska.

FY2019 Accomplishments

- Added AFOC (Anchorage Fracture and Orthopedic Center), as a Pacific Health Coalition’s partner.
- Implemented the BridgeHealth program with a cost savings of \$34K as of February 2019.
- Provided IRS required form 1095’s to Borough Employees by the prescribed deadline.
- Employee and family Coalition health fairs offered in Soldotna and Homer.

FY2020 New Initiatives:

- Conduct a comprehensive review of options in preparation for CBA negotiations.
- Increase communications to employees of cost savings programs such as BridgeHealth.
- Focus on prescription plans that increase cost savings.

Performance Measures

Priority/Goal: Health Insurance Plan Delivery

Goal: To provide appropriate, economical health coverage for our employees

- Objective:**
1. To decrease our per-employee cost by implementing effective utilization controls in plan design
 2. To decrease our cost per employee by engaging in provider contracts
 3. To continue to explore partnering with other organizations to benefit from economies of scale
 4. While decreasing overall costs, to continue to provide appropriate healthcare coverage for our employees and their families.

Measures:

Key Measures	FY16 Actual	FY17 Actual	FY18 Estimated	FY19 Projected	FY20 Projected
Monthly Cost per Employee (net of employee contributions)	\$1,739	\$2,060	\$1,954	\$1,976	\$2,054

Commentary

The cost of employee health care continues to be a major expense for the Borough, and the cost of health care delivery in Alaska continues to rise – with the Employer-Payers carrying the bulk of the load. The Borough will work this year to engage new-to-market strategies and vendor relationships with a goal of realizing the most cost benefit possible while delivering required coverage levels.

Equipment Replacement Fund Retained Earnings

Department Function

Fund 705

Equipment Replacement Fund

Dept 94910

Administration

Mission

To provide a funding mechanism for departments to purchase vehicles and other equipment with the cost to be recaptured over time.

Program Description

This is a revolving fund which provides funding for user departments to purchase vehicles and equipment. The purchases are then recaptured through an annual billing process for the original cost of the vehicle or equipment plus accrued interest. The fund also provides an extended rental option for vehicles that have exceeded their original useful life of 5 years. The repayment and rental schedule is designed to recapture the original cost, depreciation and inflation factor within the life of the asset. This will replenish the fund resources in order to facilitate the scheduled replacement of vehicles and equipment.

Major Long Term Issues and Concerns:

- The expected useful life of vehicle and equipment extending beyond the life cycles currently being assigned.
- Having adequate equity and uncommitted retained earnings to fund any unanticipated expenditure requests that departments may have.

FY2019 Accomplishments

- Purchase vehicles and equipment for various departments within the borough.

FY2020 New Initiatives

- Purchase vehicles and equipment for various departments within the borough.

Performance Measures

Priority/Goal – Asset acquisition and funding

Goal: Provide funding mechanism for Borough Departments to purchase vehicles and equipment.

Objective: Continue to provide funding for vehicle and equipment purchases through annual billings amounts.

Measures:

Purchases	FY2017 Actual	FY2018 Projected	FY2019 Estimated	FY2020 Estimated
Vehicle purchases	2 / \$62,686	4 / \$120,000	2 / \$41,000	4 / \$141,000
Equipment purchases	8 / \$361,610	2 / \$69,100	4 / \$195,500	16 / \$1,159,030
Software purchases	1 / \$25,200	3 / \$666,484	-	1 / \$102,550

Department Total	\$ 511,648	\$ 678,206	\$ 650,000	\$ 650,000	\$ 650,000	\$ - 0.00%

Line-Item Explanations

43916 Equipment Depreciation. The Equipment Replacement Fund Policy requires assets of this fund be depreciated on a 7 to 15 year life cycle. Depreciation is the allowance provided for the reduction in value of the asset, usually by use or age.

Details of FY2019 Equipment Replacement Purchases

GLOSSARY OF KEY TERMS

Accrual Basis - The basis of accounting under which the financial effects of a transaction and other events and circumstances that have cash consequences for the governmental entity are recorded in the period in which those transactions, events and circumstances occur, rather than only in the periods in which cash is received or paid by the entity.

Adopted Budget - Refers to the budget amounts as originally approved by the Kenai Peninsula Borough assembly at the beginning of the year and also to the budget document which consolidates all beginning of the year operating appropriations and new capital project appropriations.

Annual Budget - A budget developed and enacted to apply to a single fiscal year.

Appraise - To estimate the value, particularly the value of property. If the property is valued for taxations, the narrower term "assess" is substituted.

Appropriation Ordinance - The official enactment by the borough assembly establishing the legal authority for the borough administrative staff to obligate and expend resources.

Assess - To establish an official property value for taxation.

Assessed Valuation - The valuation set upon all real and personal property in the borough that is used as a basis for levying taxes. Tax-exempt property is excluded from the assessable base.

Assessment Roll - With real property, the official list contains the legal description of each parcel of property and its assessed valuation, as well as the name and address of the last known owner. With personal property, the assessment roll contains the name and address of the owner, a description of the personal property and its assessed value.

Audit - A systematic collection of the sufficient, competent evidential matter needed to attest to the fairness of management's assertions in the financial statements or to evaluate whether management has efficiently and effectively carried out its responsibilities. The auditor obtains this evidential matter through inspections, observation, inquiries and confirmations with third parties.

Automatic Aid: A plan developed between two or more fire departments for immediate joint response on first alarms. Defines area of response and defines what will respond, including initial response vehicle and manning.

Available Fund Balance - The difference between fund assets and fund liabilities of governmental and proprietary fund types that is not reserved for specific purposes.

Basis of Accounting - A term used to refer to when revenues, expenditures, expenses, and transfers - and the related assets and liabilities - are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the nature of the measurement, on either the cash or accrual method.

Bond - Most often, a written promise to pay a specified sum of money, called the par value or principal, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate. The difference between a note and bond is that the latter is issued for a longer period and requires greater legal formality.

Bond Ordinance - An ordinance authorizing a bond issue.

Budget - A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Sometimes the term "budget" designates the financial plan presented to the appropriating governing body for adoption, and sometimes, the plan finally approved by that body.

Budgetary Control - The control or management of a government or enterprise in accordance with an approved budget to keep expenditures within the limitations of available appropriations and available revenues.

Budget Document - The official written statement prepared by the borough's administrative staff to present a comprehensive financial program to the borough assembly. The first part provides overview information, together with a message from the budget-making authority, and a summary of the proposed expenditures and the means of financing them. The second consists of schedules supporting the summary. These schedules show in detail the past years' actual revenues, expenditures and other data used in making the estimates. The third part is composed of personnel and salary schedules, the chart of accounts, and a glossary.

Capital Improvement Plan - A plan that identifies: (a) all capital improvements which are proposed to be undertaken during a five fiscal year period; (b) the cost

GLOSSARY OF KEY TERMS

estimate for each improvement; (c) method of financing each improvement; and (d) the recommended time schedule for each project.

Capital Projects - Projects which purchase or construct fixed assets. Typically, a capital project encompasses a purchase of land and/or the construction of a building or facility.

Capital Projects Funds – Funds established to account for financial resources to be used for the acquisition or construction of major capital facilities (other than proprietary and trust funds).

Component Unit – A separate government unit, agency or nonprofit corporation that is combined with other component units to constitute the reporting entity in conformity with GAAP.

Comprehensive Annual Financial Report (CAFR) - The official annual report of a government. It includes: (a) the five combined financial statements in the combined statement-overview and their related notes and (b) combining statements by fund type and individual fund and account group financial statements prepared in conformity with GAAP and organized into a financial report pyramid. It also includes support schedules necessary to demonstrate compliance with finance-related legal and contractual provisions, required supplementary information, extensive introductory material and detailed statistical sections.

Contingency - Those funds included in the budget for the purpose of providing a means to cover minor unexpected costs during the budget year.

Contractual Services - Items of expenditure from services the borough receives primarily from an outside company.

Debt Service Funds – Funds established to account for the accumulation of resources for and the payment of, general long-term debt principal and interest that resulted from the issuance of bonds.

Deficit - The excess of expenditures over revenues during an accounting period, or in the case of proprietary funds, the excess of expenses over revenues during an accounting period.

Department – The borough administration is divided into departments. While a department may refer to a single activity, it usually indicates a grouping of related activities.

Depreciation – In accounting for depreciation, the cost of a fixed asset, less any salvage value, is prorated over the estimated service life of the asset. Each period is charged with a portion of the cost. Through this process, the entire cost of the asset less the salvage value is ultimately charged off as an expense.

Division – A major organization unit within a department. Usually divisions are responsible for carrying out a major component of the department.

Employee Benefits – Contributions made by the borough to designated funds to meet commitments or obligations for employee fringe benefits. Included is the borough's share of costs for social security and the various pension, medical, and life insurance plans.

Encumbrances – Commitments related to unperformed contracts, in the form of purchase orders or contracts, for goods or services. Used in budgeting, encumbrances are not expenditures or liabilities, but represent the estimated amount of expenditures that will result if unperformed contracts in process are completed.

Enterprise Fund - A proprietary fund established to account for operations that are financed and operated in a manner similar to private business enterprises. In this case the intent of the governing body is that the expenses including depreciation of providing goods as services to the general public on a continuing basis be financed or recovered primarily through user charges. Included in this category are two hospitals.

Expenditure - Decreases in net financial resources. Expenditures include current operating expenses, requiring the present or future use of net current assets, debt service and capital outlays, and inter-governmental grants, entitlements and shared revenues.

Expenses - Outflows or other using up of assets or incurrence of liabilities (or a combination of both) from delivering or producing goods, rendering services or carrying out other activities that constitute the entity's ongoing major or central operations.

Fiduciary Fund Types - The trust and agency funds used to account for assets held by a government unit in a trustee capacity or an agent for individuals, private organizations, other government units and/or other funds.

Financial Resources - Cash and other assets that, in the normal course of operations, will become cash.

GLOSSARY OF KEY TERMS

Fiscal Year - The twelve-month period to which the annual operating budget applies and at the end of which a government determines the financial position and results of its operations. The borough's fiscal year extends from July 1 to the following June 30.

Fixed Assets - long-lived tangible assets obtained or controlled as a result of past transactions, events or circumstances. Fixed assets include buildings, equipment, and improvements other than buildings and land.

Foreclosure - The seizure of property as payment for delinquent tax. Ordinarily, property foreclosed is sold to liquidate delinquent tax, but on occasion governments retain possession for their own needs.

Function - A group of related activities aims at accomplishing a major service for which a government is responsible.

Fund - A fiscal and accounting entity with a self-balancing set of accounts in which cash and/or other financial resources, all related liabilities, and residual equities, or balances, and changes therein, are recorded and segregated to carry on specific activities or attain certain objectives in accordance with special regulations, restrictions or limitations.

Fund Balance - The difference between fund assets and fund liabilities of governmental and similar trust funds.

Fund Balance Appropriated - The amount of fund balance budgeted as a revenue source.

Fund Categories - Funds used in governmental accounting are classified into three broad categories: governmental, proprietary and fiduciary.

Fund Type - The three broad fund categories of governmental accounting are subdivided into seven fund types. The seven fund types are: general, special revenue, debt service, capital projects, enterprise, internal service, and fiduciary.

General Fund - A type of governmental fund used to account for revenues and expenditures for regular day-to-day operations of the borough, including the school district, which is not accounted for in specific purpose funds. The primary sources of revenue for this fund are local taxes and federal and state revenues.

Generally Accepted Accounting Principles (GAAP) - Uniform minimum standards and guidelines for financial account and reporting. They govern the form and content of the financial statements of an entity. GAAP

encompass the conventions, rules and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general applications, but also detailed practices and procedures. GAAP provide a standard by which to measure financial presentations.

Governmental Fund Types - Funds used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities - except those accounted for in the proprietary funds and fiduciary fund. Under current GAAP, there are four governmental fund types: general, special revenue, debt service and capital projects.

Grants - Contributions or gifts of cash or other assets from another government or other organization to be used for a specified purpose, activity or facility. Typically, these contributions are made to local governments from the state and federal governments.

Interfund Transfers - Amounts transferred from one fund to another fund. This includes reimbursements, residual equity transfers and operating transfers.

Intergovernmental Revenues - Revenues from other governments in the form of grants, entitlements, or shared revenues or payments in lieu of taxes.

Internal Service Fund - A proprietary fund type used to account for the financing of goods or services provided by one department of a government to other departments.

Investment - Securities held for the production of income in the form of interest in compliance with the policies set out by the borough code of ordinances.

Landfill Closure/Postclosure - Funds used for municipal solid waste landfill closure and postclosure care costs that are required to be incurred by federal, state, or local laws or regulations.

Levy - To impose taxes, special assessments or service charges for the support of government activities. Also used to denote the total amount of taxes, special assessments or service charges imposed by a government.

Liabilities - Debt or other legal obligations, arising from present obligations of a particular entity, to transfer assets or provide services to other entities in the future as a result of past transactions or events.

GLOSSARY OF KEY TERMS

Measurement Focus - The accounting convention that determines (1) which assets and which liabilities are included on a government's balance sheet and where they are reported there, and (2) whether an operating statement presents information on the flow of financial resources (revenues and expenditures) or information on the flow of economic resources (revenues and expenses).

Mill - A measure of the rate of property taxation, representing one one-thousandth of a dollar of assessed value.

Mill Rate - The tax rate on property, based on mill(s). A rate of 1 mill applied to a taxable value of \$100,000 would yield \$100 in tax.

Modified Accrual Basis of Accounting - A basis of accounting in which revenues and other financial resources are recognized when they become susceptible to accrual, that is when they are both "measurable" and "available to finance expenditures of the current period." "Available" means collectible in the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recognized when the fund liability is incurred except for (1) inventories of materials and supplies that may be considered expenditures either when purchased or when used, and (2) prepaid insurance and similar items that may be considered expenditures either when paid for or when consumed. All governmental funds, expendable trust funds and agency funds are accounted for using the modified accrual basis of accounting.

Mutual Aid: Reciprocal assistance by emergency services under a prearranged plan. Not an automatic response, but a requested response. Request identifies resources requested and manning. Does not need to be a defined area but generally is between adjacent entities or those relatively close in proximity of each other.

Non-Departmental - Refers to a group of governmental activities, which are not associated with and cannot be allocated to any particular department.

Ordinance - A formal legislative enactment by the legislative body which, if not in conflict with any higher form of law, has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Revenue raising measures, such as the imposition of taxes, special assessments and service charges, universally require ordinances.

Other Financing Sources - Increase in current financial resources that is reported separately from revenues to avoid distorting revenue trends.. Governmental fund general long-term debt proceeds, land lease payments, land sale payments, proceeds from the sale of fixed assets, operating transfers in, service charges, and fees for governmental services.

Performance Measures - Specific quantitative productivity measures of work performed within an activity or program. Also, a specific quantitative measure of results obtained through a program or activity.

Personnel Services - Items of expenditures in the operating budget for salaries and wages paid for services performed by borough employees, including employee benefit costs such as the borough's contribution for retirement, social security, and health and life insurance.

Program - Group activities, operations or organizational units directed to attaining specific purposes or objectives.

Property Tax - A tax levied on the assessed value of property.

Proprietary Funds - A type of fund that accounts for governmental operations that are financed and operated in a manner similar to private business enterprises. Proprietary fund types used by the borough include the enterprise and internal service funds.

Purchase Order - A document authorizing the delivery of specified merchandise or the rendering of certain services for a stated estimated price. Outstanding purchase orders at the end of the fiscal year are called encumbrances.

Replacement Cost - The amount of cash or other consideration that would be required today to obtain the same asset or its equivalent.

Retained Earnings - An equity account reflecting the accumulated earning of an enterprise or internal service fund.

GLOSSARY OF KEY TERMS

Revenue - Increases in the net current assets of a governmental fund type other than expenditure refunds and residual equity transfers. General long-term debt proceeds and operating transfers are classified as 'other financing sources' rather than as revenues. Increases in the net total assets of a proprietary fund type other than expense refunds, capital contributions, and residual equity transfers. Operating transfers, as in governmental fund types, are classified separately from revenues.

Sales Tax - State legislation allows local governments to levy a sales tax on retail sales in its jurisdiction. The borough currently levies and collects 3% on all taxable retail sales and also collects 3% sales tax on behalf of the cities located within the borough.

Self-Insurance - The retention by an entity of a risk of loss arising out of the ownership of property or from some other cause, instead of transferring that risk to an independent third party through the purchase of an insurance policy. It is sometimes accompanied by the setting aside of assets to fund any related losses.

Single Audit - An audit performed in accordance with the single audit act of 1984 and the office of management and budget (OMB) circular a-128, audits of state and local governments. The single audit act allows or requires governments (depending on the amount of federal assistance received) to have one audit performed to meet the needs of all federal grantor agencies.

Special Revenue Fund - A fund used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) that are legally restricted to expenditure for specified purposes.

Tax Levy - The total dollar amount of tax that optimally should be collected based on tax rates and assessed values of personal and real properties.

Tax Exemptions

\$10,000 Volunteer Firefighter/EMS Provider – Exempts \$10,000 of assessed value of the home of an active volunteer firefighter or EMS provider. Maximum of 2 per household allowed. This exemption is also recognized by the cities of Soldotna, Seward, Homer and Kachemak.

Homeowner - Available to any Borough resident who owns their own home and occupies it as their permanent place of residence. The exemption is a maximum of \$50,000 assessed value of the home and the land on which it sits. The cities of Kenai, Soldotna, Seward, and Seldovia do not recognize this exemption; the City of Homer recognizes a \$20,000 exemption.

\$100,000 Personal Property – Exempts the first \$100,000 of personal property owned by a taxpayer, excluding motor vehicles, aircraft and watercraft.

\$300,000 Senior Citizen - Available to any Borough resident, who is at least 65 years old, owns and occupies their home as their primary residence and permanent place of abode, and qualifies for a PFD. The State exempts up to \$150,000 of their total assessment. The Borough exempts an additional \$150,000. If a senior citizen lives inside city boundaries, the city only recognizes the exemption to \$150,000 value. The amount of exemption is proportional to the seniors' ownership and/or use of the property.

Agriculture Deferment - Mandated by the State of Alaska, this deferment is available to people whose farmlands produce a minimum of 10% of their annual income. Qualifying property shall be assessed on the basis of full and true value for farm use.

ANCSA Native - Exempts property deeded to Alaskan native corporations under the Alaska Native Claims Settlement Act.

Cemetery - Exempts properties owned by a non-profit entity and used exclusively for cemetery purposes.

Charitable - Exempts properties owned by non-profit organizations that are used exclusively for charitable purposes.

Community Purpose - Exempts property of an organization not organized for business or profit-making purposes and used exclusively for community purposes.

Conservation Easement Deferment - To secure this deferment, the property owner of land subject to a conservation easement created under AS 34.17 must apply annually by May 15th. The Assessor shall maintain records valuing the land for both full and true value and value subject to the easement.

Disabled Resident - Available to any disabled resident who has been determined to be totally disabled by the US Social Security Program or other government alternative to Social Security. Qualified applicants receive a tax credit up to \$500 of borough tax and \$250 of City of Kenai tax.

Disabled Veteran - Granted to honorably discharged veterans of the US armed forces who have a service connected disability rating of 50% or more. The State exempts up to \$150,000 of their total assessment. The borough exempts the remainder. If a disabled veteran lives inside city boundaries, the city only recognizes the exemption to \$150,000 value. The amount of exemption is proportional to the veteran's ownership and/or use of the property, up to the full value of the property.

Economic Development Property - Exempts up to 50% of the assessed value (general fund levy only) of property that is used for economic development for 5 years (effective FY2020).

Electrical Cooperative - Exempts property held by electricity producing cooperatives.

Government - Completely exempts all City, Borough, State, and Federal properties from taxation.

Habitat Protection - Provides tax credits as partial reimbursement for habitat protection and restoration project expenses to promote the health of designated anadromous waters within the borough. One half of the tax on land for 3 years following completion of the approved project or until all costs are recovered, whichever comes first.

Hospital - Exempts properties owned by nonprofit organizations and used exclusively for hospital purposes.

Tax Exemptions

Housing Authority - Granted in accordance with rules governing the Housing and Urban Development Authority and subject to a Cooperation Agreement with the borough.

Mental Health Trust - Exempts Mental Health Trust property from taxation as a branch of state government.

Multi Purpose Senior Center – Exempts a parcel which has a multi-purpose senior center developed and operated by a nonprofit corporation.

Native Allotment - BIA holds in trust and issues to native individuals a restricted deed for homestead purposes, which expressly states that the land is inalienable and nontaxable until otherwise provided by Congress.

Religious - Exempts properties owned by non-profit organizations that are used exclusively for non-profit religious purposes.

River Restoration and Rehabilitation – Exempts all or part of the improvement value for 4 years when the improvement meets the criteria defined for habitat protection and restoration along the river.

Educational – Exempts property owned by non-profit entities and used exclusively for non-profit educational purposes.

Vessel Exclusion - Vessels having a homeport location outside the Borough, but are brought into the Borough solely for lay-up or repair, are not deemed to have established taxable situs. This exclusion does not apply to city tax.

Armed Forces Organization - Exempts property of a non-business organization or its auxiliary composed entirely of persons with 90 days or more of active service in the armed services of the United States.

University - Exempts property owned by the University of Alaska as a branch of state government.

Miscellaneous Demographics

Area

25,600 square miles. The Kenai Peninsula Borough (KPB) lies directly south of Anchorage, the State's principal population center. The waters of the Gulf of Alaska and Prince William Sound border the borough on the south and east with the dramatic Chigmit Mountains of the Alaska Range rimming the borough to the west. The Cook Inlet divides the borough into two land masses. The peninsula itself encompasses 99 percent of the borough's population and most of the development. The Kenai Mountains run north and south through the peninsula, contrasting to the lowlands lying to their west. The west side of the Inlet is sparsely inhabited, with the village of Tyonek being the largest populated settlement. The boundaries of the borough encompass a total of 25,600 square miles, of which 15,700 square miles are land. In comparison, the total land mass of the borough equals that of Massachusetts and New Jersey combined. However, the total borough population is less than 1/400th of that same area.

Population

The Alaska Department of Labor & Workforce Development (AK DOL & WD) prepares annual population estimates for Alaska. Estimates include Armed Forces member serving in Alaska, but excludes seasonal populations. The KPB's population as of July 2018 is estimated at 58,471, a 4.8% increase from the 2010 Census.

Median Age

The KPB's median age increased from 36.3 years, as of the 2000 census, to 40.6 years as of the 2010 census. Alaska's median age was 33.8 years while the U.S. was 37.2, per the 2010 Census. The KPB median age is estimated at 40.6 years.

Median Income

The most current information on median income from the State of Alaska DOL & WD, is for 2017, when the Alaska per capita personal income was \$47,831 and the KPB per capita personal income was \$49,800, while the U.S. per capita personal income was \$53,697.

Unemployment Rate

The KPB's annual average employment data for 2018 is as follows: average labor force 26,658; average number employed 23,214; the average number unemployed 3,444 for an unemployment rate of 7.7%. The average unemployment rate is a better indication of the economy due to the vast number of seasonal employment. New oil and gas discoveries have helped ward off expected employment declines. Oil and gas are of major importance to the economy, in part due to the high wages that prevail in the industry. In spite of a downturn in prices related to increased competition from farmed salmon, seafood harvesting and processing remain a central part of the region's economy.

Education

The Kenai Peninsula Borough School District consists of 44 schools in a variety of configurations: elementary, middle and secondary schools, small K-12 schools with fewer than 100 students and various combinations of age groupings. The student population is approximately 8,681 and the school bus system transports over 2,500 students daily, traveling more than 7,700 miles per day. In addition to the public school system, several private schools operate within the KPB. Four of these schools provide K-12 education while the others provide services to students ranging from pre-school through eighth grade. Post secondary education opportunities include the Kenai Peninsula College, which has three campuses in the Borough and operates as part of the University of Alaska System. The campuses are located in the central region near Soldotna, the Southern region in Homer and on the east side of the peninsula in Seward. The Alaska Vocational-Technical Center, located in Seward, also offers post-secondary training with a focus on industrial, technical and nursing curriculums.

(1) The Borough's General Fund maximum mill rate and approved rate.

(2) Overlapping rates are those of the first class cities located within the Borough. The mill rates shown consist of two components: the mill rate for the operating entity and the mill rate for special districts, which include fire and emergency response, higher education, and local support for hospitals.

(3) The mill rate for the special district, the Post Secondary Fund, was combined into the Operating fund mill rate.

Note: Details regarding the Borough's outstanding debt can be found in the notes to the financial statements

- (1) For fiscal years 2003-2011 Business-type activities debt is for the South Peninsula Hospital Service Area and Central Peninsula Hospital Service Area and is debt of the Service Areas, not the Primary Government.
- (2) Other Governmental Fund-type debt is for the Central Emergency Services Service Area and is debt of the Service Area not the Primary Government.
- (3) Due to overlapping taxing jurisdictions, the Debt Per Capita of the Area-Wide must be combined with each overlapping Service Area to determine the total Debt Per Capita within each Tax Code Area.
- (4) Personal income data is provided by the Bureau of Economic Analysis; <http://www.bea.gov>.
- (5) In fiscal year 2012 the Borough adopted GASB Statement 61, which changed accounting and financial reporting for CPH and SPH. These units were previously presented as Business-Type Activities, a Blended Component units.
- (6) Assessed values and Tax exempt values represent only those values/exemptions provided by the Borough. It does not include those values/exemptions provided by federal or state requirements. Population data can be found in Table XIV

Note: Borough code requires a revaluation of all property no less than every 5 years, current average is approximately every 7 years. Figures in this table have been revised from the FY05 CAFR to exclude state and federal exemptions previously included.

(1) Assessed values and Tax exempt values represent only those values/exemptions provided by the Borough. It does not include those values/exemptions provided by federal or state requirements.

(2) Increase in real property exempt amount due to increase of residential exemption from \$20,000 to \$50,000 in FY15.

Source: Data is provided by the Kenai Peninsula Borough's Assessing Department. Does not include federal and state exempt property.
