## **I BACKGROUND and OBJECTIVES**

### **A. Public Services and Facilities**

#### 1. *Education*

Moose Pass currently has a Borough elementary school for grades K through 8 and has approximately 45 students. The community has expressed strong support for maintaining the current grade levels including junior high. The Moose Pass Parent Advisory Committee has reserved the option of participating in the Seward Middle School Concept Plan. This option would give families who choose to send their children to Seward, a program they would approve. The community favors expansion of the school when necessary. The current building is paid for, but may not meet future needs as enrollment increases. In the 1991 survey, the community did not support the option of choosing a new school site. The school continues to be a focus for community functions.
