How long have you lived in the area served by this service area?

50 years

What knowledge, experience, or expertise will you bring to this board?

I have owned or worked the past 40 years for construction/excavation/road maintenance/road building contractors. I have managed Borough contracts from the Contractor end. I have strong accounting skills. When Len Bunts changed the billing process years ago to be by the road, I devised a way to simplify the billing process. I believe a modified version of that billing process is still being used today.

Have you, or do you currently, serve on other Kenai Peninsula Borough commissions, boards or task forces?

No, I have however served on several non-profit boards including KPEDD and Peninsula Winter Games and am currently serving on the Whittier Manor Condo Association Board
