**PLAT APPROVAL**

THIS PLAT WAS APPROVED BY THE KENAI PENINSULA BOROUGH PLANNING COMMISSION AT THE MEETING OF \_\_\_\_\_, 2025.

AUTHORIZED OFFICIAL \_\_\_\_\_

**NOTES**

- BUILDING SET BACK: A BUILDING SET BACK OF 30 FT. IS REQUIRED FROM ALL STREETS RIGHTS-OF-WAY UNLESS A LESSER STANDARD IS APPROVED BY RESOLUTION OF THE APPROPRIATE PLANNING COMMISSION.
- THE FRONT 10 FEET OF THE 30 FOOT BUILDING SETBACK AND THE ENTIRE SETBACK WITHIN 5 FEET OF THE SIDE LOT LINES IS ALSO A UTILITY EASEMENT.
- NO PERMANENT STRUCTURE SHALL BE CONSTRUCTED OR PLACED WITHIN A UTILITY EASEMENT WHICH WOULD INTERFERE WITH THE ABILITY OF A UTILITY TO USE THE EASEMENT.
- THIS PLAT MAY BE SUBJECT TO:
  - A BLANKET EASEMENT GRANTED TO HOMER ELECTRIC ASSOCIATION RECORDED AUGUST 4, 1961 IN BOOK 7 PAGE 33 KRD.
  - RESTRICTIVE COVENANTS RECORDED SEPTEMBER 22, 1998 IN BOOK 540 PAGE 843 KRD. THE KENAI PENINSULA BOROUGH WILL NOT ENFORCE COVENANTS, EASEMENTS, OR DEED RESTRICTIONS PER KPB 21-4008(VI).

**WASTEWATER DISPOSAL**

THE EXISTING PARENT SUBDIVISIONS WERE APPROVED BY THE KENAI PENINSULA BOROUGH (APRIL 28, 1998 & APRIL 11, 2005) AND THIS SUBDIVISION IS LIMITED TO MOVING ONE OR MORE LOT LINES WITHOUT INCREASING THE NUMBER OF DEVELOPABLE LOTS, WHILE MAINTAINING A MINIMUM OF 20,000 SQUARE FEET OF CONTIGUOUS AREA, AS DESCRIBED IN KPB 20.40.040(A)(4)(AL) FOR EACH LOT AFFECTED BY THE LOT LINE MOVEMENT PER KPB 20.40.020(1)(C). WASTEWATER TREATMENT AND DISPOSAL SYSTEMS MUST MEET THE REGULATORY REQUIREMENTS OF THE ALASKA DEPARTMENT OF ENVIRONMENTAL CONSERVATION.

---

**STAFF REPORT**

**Specific Request / Purpose as stated in the petition:** To vacate the 10 foot right-of-way and cul-de-sac per Lake View Terrace #3, Phase 2 (KN 1998-47) and 30 foot right-of-way per Steadman Subdivision (KN 75-45).

**Notification:** The public hearing notice was published in the July 4, 2025 issue of the Peninsula Clarion and the July 3, 2025 issue of the Homer News as part of the Commission's tentative agenda.

The public notice was posted on the Planning Commission bulletin board at the Kenai Peninsula Borough George A. Navarre Administration building. Additional notices were mailed to the following with the request to be posted for public viewing.

Library of Soldotna

Post Office of Sterling

Twenty-nine certified mailings were sent to owners of property within 300 feet of the proposed vacation. Fourteen receipts had been returned when the staff report was prepared.

10 public hearing notices were emailed to agencies and interested parties as shown below;

State of Alaska Dept. of Fish and Game  
State of Alaska DNR  
State of Alaska DOT  
State of Alaska DNR Forestry  
Central Emergency Services

Seward Bear Creek Fire Service Area  
Alaska Communication Systems (ACS)  
ENSTAR Natural Gas  
General Communications Inc, (GCI)  
Homer Electric Association (HEA)

**Legal Access (existing and proposed):**

The proposed right-of-way to be vacated is Herbert Way and is located between St. Theresa Road and Steadman Street.

St. Theresa Road is located near milepost 88 of the Sterling Highway, a state-maintained road, and connects to Herbert Way on the west side. Steadman Street intersects with Herbert Way from the east.

When the plat to complete the vacation is complete the lots will continue to have legal access by Blakester Court on the south and Steadman Street to the east. Blakester Court is a 50-foot constructed cul-de-sac which connects to St. Theresa Road to the west. St. Theresa road is a partially borough-maintained road, transitioning to a privately maintained road approximately 683 feet north of Blakester Court, at the point where it turn off to Edgington Rd. Steadman Street is a 60-foot partially borough-maintained road ending approximately 270 feet north of Herbert Way, then converting to a privately maintained road as it continues south.

No dedications are proposed by the plat finalizing the vacation.

No section line easements affect the subject area.

The block is defined by existing roads: Panoramic Drive to the north, Steadman Street to the east, Flower Ave to the south, St. Theresa Road to the west, and the Sterling Highway connecting the block to the northwest. Multiple cul-de-sacs are present in the area: Miss Vanessa Court to the northwest, O'Grady Court and McGavin Court to the north and Blakester Court to the south, complying with KPB 20.30.170 block length requirement. Vacating Herbert Way will not affect the block due to the existing cul-de-sacs.

|                          |                                                                                                              |

| SOA DNR-DMLW             | No Comments                                                                                                  |

**Site Investigation:**

According to the KPB GIS Contours layer, steep slopes appearing to exceed 20% exist to the east and west ends of Herbert Way. The contours have been shown on the preliminary plat with grades over 20% shaded.

No wetlands are present in the subject area per the KWF Wetlands Assessment.

The KPB River Center Reviewers confirmed the area is not within a Flood Hazard Area or Habitat Protection District. Therefore, no notes from KPB 20.30.280 will be needed.

|                         |                                                                                                                                                                                                                                                                                       |

|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

**Staff Analysis:**

In 1975, Steadman Subdivision (KN 75-45) subdivided the southern portion of land and dedicated 30-feet to Harbin Avenue. Lake View Terrace # 3, Phase 2 (KN 98-47) subdivided the northern portion of land in 1998 and dedicated an additional 10-feet to Harbin Avenue on the east and a partial cul-de-sac bulb to the west. In 2017, the Planning Commission adopted a street naming resolution (SN 2017-02) to rename this portion of Harbin Avenue to Herbert Way.

The adjacent parcels will continue to have legal access by Blakester Court to the south and Steadman Street to the east.

Herbert Way is currently undeveloped and due to the steep terrain to the east and west, future construction of the road is not the most feasible. Steadman Street to the east and Blakester Court to the south provide the most feasible access to the affected parcels.

The Surveyor has stated that there is an agreement that once vacated, the right-of-way is proposed to be combined with Lot 9, Steadman Subdivision Jessica Addition (KN 2005-73) and Lot 6, Lake View Terrace #3 Phase 2 (KN 98-47). **Staff recommends** the agreement be provided with the plat submittal to finalize the vacation.

The vacation sketch submittal shows the proposed plat finalizing the vacation. The plat has not been submitted to the Planning Department. Once a complete application has been received and reviewed, it will be scheduled for review by the Plat Committee.

Steadman Subdivision (KN 75-45) granted a 5-foot clearing easement adjacent to Harbin Avenue on the south. Steadman Subdivision Jessica Addition (KN 2005-73) granted a 10-foot utility easement adjacent to all street rights-of-way and carried forward the previous 5-foot clearing easement.

Lake View Terrace #3 Phase 2 (KN 98-47) granted a 10-foot utility easement adjacent to Harbin Avenue on the north.

Staff reached out to the Surveyor and received confirmation that the associated utility easements are to be vacated with the right-of-way. **Staff recommends** the surveyor include this in the label depicting the vacation and in the legal description of the plat submittal.

#### **20.65.050 – Action on vacation application**

- D. The planning commission shall consider the merits of each vacation request and in all cases the planning commission shall deem the area being vacated to be of value to the public. It shall be incumbent upon the applicant to show that the area proposed for vacation is no longer practical for the uses or purposes authorized, or that other provisions have been made which are more beneficial to the public. In evaluating the merits of the proposed vacation, the planning commission shall consider whether:
1. The right-of-way or public easement to be vacated is being used;  
**Surveyors' comments:** Herbert Way has no driveways or roads built inside of the ROW. There are no known utilities in the existing Herbert Way ROW.  
**Staff comments:** Herbert Way is currently undeveloped. KPB Roads Department, SOA DNR, HEA and GCI provided no objections to vacating the right-of-way.
  2. A road is impossible or impractical to construct, and alternative access has been provided;  
**Surveyors' comments:** The terrain at the intersection of the existing Herbert Rd & St. Theresa rights-of-way has significant slope gradients (-29%) that present major challenges for standard road construction. Based on preliminary site analysis and contour data, portions of the right-of-way exceed typical slope tolerances for road development, creating safety, engineering, and cost feasibility concerns.  
**Staff comments:** Steadman Street to the east and Blakester Court to the south provide the most feasible access to the affected parcels.
  3. The surrounding area is fully developed and all planned or needed rights-of-way and utilities are constructed;

**Surveyors' comments:** Owner of Lot 6 Lake View Terrace #3 Phase 2 also owns Lot 9 Steadman Subdivision Jessica Addition. Herbert Way ROW bisects the two lots. The owner would like to consolidate the lots.

**Staff comments:** The parent plats granted utility easements adjacent to the rights-of-way which will be carried forward on the plat finalizing the vacation. Steadman Street to the east and Blakester Court to the south provide the most feasible access to the affected parcels.

4. The vacation of a public right-of-way provides access to a lake, river, or other area with public interest or value, and if so, whether equal or superior access is provided;

**Staff comments:** Herbert Way does not provide access to public lands.

5. The proposed vacation would limit opportunities for interconnectivity with adjacent parcels, whether developed or undeveloped;

**Staff comments:** Vacating Herbert Way will not affect the block due to the existing cul-de-sacs. Steadman Street to the east and Blakester Court to the south provide the most feasible access to the affected parcels.

6. Other public access, other than general road use, exist or are feasible for the right-of-way;

**Staff comments:**

7. All existing and future utility requirements are met. Rights-of-way which are utilized by a utility, or which logically would be required by a utility, shall not be vacated, unless it can be demonstrated that equal or superior access is or will be available. Where an easement would satisfactorily serve the utility interests, and no other public need for the right-of-way exists, the commission may approve the vacation and require that a utility easement be granted in place of the right-of-way.

**Surveyors' comments:** There are no known utilities in the existing Herbert Way ROW.

**Staff comments:** HEA and GCI provided no objections to vacating the right-of-way.

8. Any other factors that are relevant to the vacation application or the area proposed to be vacated.

**Surveyors' comments:** Owners have an agreement that the Herbert ROW vacated lands will be added to the parcels owned by Scott Brown. Owner of Lot 6 Lake View Terrace #3 Phase 2 also owns Lot 9 Steadman Subdivision Jessica Addition. Herbert Way ROW bisects the two lots. The owner would like to consolidate the lots.

A KPB Planning Commission decision denying a vacation application is final. A KPB Planning Commission decision to approve the vacation application is subject to consent or veto by the KPB Assembly, or City Council if located within City boundaries. The KPB Assembly, must hear the vacation within thirty days of the Planning Commission decision.

The Assembly will hear the vacation at their scheduled August 5, 2025 meeting.

If approved, Steadman Subdivision Jessica Addition 2025 Replat will finalize the proposed right of way vacations. At this time, the plat has not been submitted.

**KPB department / agency review:**

|            |                                                                                                                                                                                                                                                                                                         |

**STAFF RECOMMENDATIONS**  
**CORRECTIONS / EDITS**

*Add corrections to be made to drawing as noted*

- Add the associated utility easements to the depiction label of the vacation and to the legal description on the plat.
- Add all owners of record to the drawing for both parcels.

**RECOMMENDATION:**

Based on consideration of the merits as per KPB 20.65.050(D) as outlined by Staff comments, Staff recommends **APPROVAL** as petitioned, subject to:

1. Consent by KPB Assembly.
2. Compliance with the requirements for preliminary plats per Chapter 20 of the KPB Code including a submittal to and approval by the Plat Committee.
3. Grant utility easements requested by utility providers.
4. Submittal of a final plat within a timeframe such that the plat can be recorded within one year of vacation consent (KPB 20.65.050(I)).

**KPB 20.65.050 – Action on vacation application**

**H. A planning commission decision to approve a vacation is not effective without the consent of the city**

council, if the vacated area to be vacated is within a city, or by the assembly in all other cases. The council or assembly shall have 30 days from the date of the planning commission approval to either consent to or veto the vacation. Notice of veto of the vacation shall be immediately given to the planning commission. Failure to act on the vacation within 30 days shall be considered to be consent to the vacation. This provision does not apply to alterations of utility easements under KPB 20.65.070 which do not require the consent of the assembly or city council unless city code specifically provides otherwise.

- I. Upon approval of the vacation request by the planning commission and no veto by the city council or assembly, where applicable, the applicant shall have a surveyor prepare and submit a plat including the entire area approved for vacation in conformance with KPB 20.10.080. Only the area approved for vacation by the assembly or council may be included on the plat. The final plat must be recorded within one year of the vacation consent.
- J. A planning commission decision denying a vacation application is final. No reapplication or petition concerning the same vacation may be filed within one calendar year of the date of the final denial action except in the case where new evidence or circumstances exist that were not available or present when the original petition was filed.
- K. An appeal of the planning commission, city council or assembly vacation action under this chapter must be filed in the superior court in accordance with the Alaska Rules of Appellate Procedure.

The 2019 Kenai Peninsula Borough Comprehensive Plan adopted November, 2019 by Ordinance No. 2019-25. The relevant objectives are listed.

*Goal 3. Preserve and improve quality of life on the Kenai Peninsula Borough through increased access to local and regional facilities, activities, programs and services.*

- *Focus Area: Energy and Utilities*
  - o *Objective A - Encourage coordination or residential, commercial, and industrial development with extension of utilities and other infrastructure.*
    - *Strategy 1. Near – Term: Maintain existing easements (especially section line easements) in addition to establishing adequate utility rights of way or easements to serve existing and future utility needs.*
    - *Strategy 2. Near – Term: Maintain regular contact with utility operators to coordinate and review utility easement requests that are part of subdivision plat approval.*
    - *Strategy 3. Near – Term: Identify potential utility routes on Borough lands.*
- *Housing*
  - o *Objective D. Encourage efficient use of land, infrastructure and services outside incorporated cities by prioritizing future growth in the most suitable areas.*
    - *Strategy 1. Near – Term: Collaborate with the AK Department of Transportation, incorporated cities within the borough, utility providers, other agencies overseeing local services, and existing communities located adjacent to the undeveloped areas that are appropriate for future growth, to align plans for future expansion of services to serve future residential development and manage growth.*

*Goal 4. Improve access to, from and connectivity within the Kenai Peninsula Borough*

- *Focus Area: Transportation*
  - o *Objective B. Ensure new roads are developed in alignment with existing and planned growth and development.*
    - *Strategy 2. Near – Term: Establish subdivision codes that dictate road construction standards to accommodate future interconnectivity and/or public safety.*
    - *Strategy 3. Near – Term: Identify areas of anticipated growth to determine future access needs.*

# PLAT APPROVAL:

This subdivision plat was approved by the  
Kenai Peninsula Borough Planning Commission  
at the meeting of April 11, 2005

Kenai Peninsula Borough by Max J. Best  
Authorized Official

SCALE: 1" = 1 mile  
VICINITY MAP

**CERTIFICATION OF OWNERSHIP AND DEDICATION**  
We hereby certify that we are the owners of the property shown and described hereon, and that we hereby adopt this plan of subdivision and by our free consent dedicate all right of ways to public use and grant all easements to the use shown.

D. R. Jones  
Darren R Jones

Becky Jones  
Becky Jones

**NOTARY'S ACKNOWLEDGEMENT**  
Subscribed and sworn before me  
this 4 day of August 2005  
for: Darren R Jones  
Becky Jones

Patricia Hartley  
Notary Public for Alaska  
My commission expires March 7, 2009

## NOTES:

1. A building setback of 20ft. is required from all street right of ways unless a lesser standard is approved by resolution of the appropriate planning commission.
2. Roads must meet the design construction standards established by the Borough in order to be considered for certification and inclusion in the road maintenance program.
3. The existing power line is center line of an electrical distribution line easement. No structures permitted in panhandle portion of lot 5.
4. The front 10 feet of the 20 foot building setback and the entire setback within 5 feet of the side lot lines is a utility easement. No permanent structure shall be constructed or placed within the utility easement which would interfere with the ability to use the easement.
5. Wastewater Disposal: Soil conditions, water table levels, and soil slopes in this subdivision have been found suitable for conventional onsite wastewater treatment and disposal systems serving single-family or duplex residences, and meeting the regulatory requirements of the Kenai Peninsula Borough. Any other type of onsite wastewater treatment and disposal system must be designed by a professional engineer registered to practice in Alaska, and the design must be approved by the Alaska Department of Environmental Conservation.

# NOTES

- Proposed land uses are recreational, residential, institutional, and commercial.
- Setbacks: A setback of 20 feet is required from all street frontage unless otherwise noted or shown. Setback is approved by resolution of the appropriate Planning Commission.
- No point access to State maintained ROWs is permitted unless approved by the State of Alaska Department of Transportation.

The front 10 ft of the building setback is also a utility easement. No permanent structure shall be constructed or placed within a utility easement which would interfere with the utility's ability to use the easement.

- WASTEWATER DISPOSAL:** Soil conditions for Lots 11, 13, 17 and 18 within this subdivision have been found unsuitable for conventional wastewater treatment and disposal systems. Plans for a typical alternative wastewater disposal system for use on lots in this subdivision are included in the Engineer's Subdivision and Site Report and are available from Kenai Peninsula Borough. All alternate waste wastewater treatment and disposal systems must be designed by a professional engineer registered in Alaska, and the design must be approved by the Alaska Department of Environmental Conservation prior to construction.

**WASTEWATER DISPOSAL:** Soil conditions, water table levels, and site slopes for the remaining lots within this subdivision have been found suitable for conventional waste wastewater treatment and disposal systems serving single-family or duplex residences and meeting the regulatory requirements of the Kenai Peninsula Borough. Any other type of waste wastewater treatment and disposal system must be designed by a professional engineer, registered in practice in Alaska, and the design must be approved by the Alaska Department of Environmental Conservation.
