#### Shared Fisheries Business Tax Program - Cook Inlet Fisheries Management Area

In order for the Kenai Peninsula Borough to participate in the FY16 Shared Fisheries Business Tax Program, the Borough Assembly must submit a resolution indicating the adoption of an alternative method for allocation of the FY16 available funding. If the municipalities within each fisheries management area choose not to select the alternative method, it would then become necessary to gather and submit data on actual cost impacts of commercial fishing within each designated area. Given the relatively small amount of funds available, this approach would not be cost effective. A resolution adopting the alternative method is attached for your approval.

The Kenai Peninsula Borough is located in the Cook Inlet Fisheries Management Area. The municipalities located in this area include Anchorage, Homer, Kenai, Kenai Peninsula Borough, Kachemak, Seldovia, Seward, and Soldotna. The FY16 program total allocation to be received by the borough is expected to be about \$5,562.
