Subject: On behalf of Surgery Center of Kenai

Dear Assembly Members,

I am writing to you today on behalf of my elderly father, Harold "Ike"

Fletcher. He has brought it to my attention that there is a group of citizens forming in order to ask for Central Peninsula Hospital to grant the Surgery Center of Kenai a transfer agreement. People with Medicare, Medicaid, and TriCare/VA will have the freedom of choice as to where they would like to be treated as a result of the agreement. As a borough-owned hospital, I know that the assembly has already discussed this before and taken votes on it. Well, it's coming back and I believe the Central Peninsula Hospital should not be a monopoly that is paid 25% more than a surgery center. I also believe in freedom of choice.

Can each of you please take time out of your busy day and reply to this email and tell me what your stance is? I would like to report good news to my father. By the way, not that it even matters, but we have been borough residents 50 years this month.

Cheers,

Danette "Dani" Kebschull
