RE: Ordinance 2022-05, Amending KPB 2.34, Risk Management Office, to Change the Title of the Claims Manager to Risk Manager and Clarify the Current Operations of the Office of Risk Management (Mayor)

Within the past five years, the Office of Risk Management has gone through several organizational changes. The purpose of these changes is to improve communication and coordination between the Risk Manager, Safety Manager, Environmental Compliance Manager, and the Administrative Assistant.

This ordinance would amend KPB 2.34 to clarify and more accurately reflect the current operations of the Risk Management office.

Your consideration of this ordinance is appreciated.
