**Subject:** Nikiski FD - Raft purchase

Lori, Mark, and Carl,

Thanks for helping the department purchase life rafts that will be used to support rescue operations in the Cook Inlet.

I'll make sure to take pictures and publicize the donation locally with the media.

A Hilcorp logo on the raft or bag should not be an issue.

Attached is our W-9.

Please let us know if you need anything else.

Good Morning Chief –

Mark Hall contacted me in hopes that Hilcorp could help Nikiski Fire get new life rafts. I talked with the offshore team and we are happy to provide \$3500 to fund the purchase of a raft. We appreciate the dedication of the Nikiski fire team and are happy that we can help you acquire the best available equipment. Of course I have to ask if our logo can be on it somewhere?? Either way, we're glad to help.

Please note that I will need a W9 to get a check cut for the expenditure.

LN ☺
