SUBJECT: Resolution 2017-*048*, Accepting Equipment from the Southern Region
Emergency Medical Services Council, Inc. on Behalf of Nikiski Fire Service Area
(Mayor)

Southern Region Emergency Medical Services Council, Inc., ("Southern Region") is a nonprofit corporation that serves as a resource center for emergency medical response agencies located in low to moderate income, rural communities. Nikiski Fire Service Area ("NFSA") submitted a "Code Blue Phase 17" application to Southern Region for a binder lift kit and a monitor/defibrillator unit.

Southern Region approved NFSA's application for the equipment grant and will purchase the equipment on behalf of NFSA. NFSA is required to provide a local match of \$19,195. Funds are available in the service area's approved fiscal year 2018 budget to meet the match requirement. On April 12, 2017, the NFSA board approved receipt of the equipment and expenditure of the matching funds.

Chief Baisden will oversee grant requirements for equipment inventory and maintenance.
