RE: Ordinance 2021-____, Authorizing a Negotiated Lease at Fair Market Value with Edward and Kathleen Martin, dba Cozy Inn, in Kenai for a Parking Area (Mayor)

Ed and Kathleen Martin have applied for a negotiated lease of borough-owned land for a parking area adjacent to their property. The Martins' stated purpose is to operate their property for housing students undergoing job training in a local construction academy. In order to serve their customers and meet the zoning requirements of the City of Kenai (City), they would need 16 parking spaces that they do not have space for on the land that they own.

The adjacent borough-owned land is classified as residential and is zoned by the City as Rural Residential. A use as a parking area would require compliance with City zoning regulations and the applicants are willing to go through the permitting processes.

The area being proposed measures 130' of frontage along Lawton Drive and 194' from the center of the street, the north 50' of which is a section line easement serving Lawton Drive. The net area is approximately 0.43 acres after subtracting the Lawton Drive section line right-of-way. A City storm water drain easement (30'wide) also crosses the lease area, but may be compatible with the simple surface use of parking.

The KPB Planning Commission will hold a public hearing on August 9th and will forward its recommendations to the assembly.

The initial appraised rental value will also be reported to the assembly as soon as it is available. Your review and consideration of this ordinance is appreciated.
