**DATE:** April 21, 2016

**SUBJECT:** Resolution 2016-024, A Resolution Accepting a Medical Gurney from the Southern Region Emergency Medical Services Council, Inc. on behalf of Anchor Point Fire and Emergency Medical Service Area (Mayor)

Southern Region Emergency Medical Services Council, Inc., ("Southern Region") is a nonprofit corporation that serves as a resource center for emergency medical response agencies located in low to moderate income, rural communities. Anchor Point Fire and Emergency Medical Service Area (APFEMSA) submitted a "Code Blue Phase 14" application to Southern Region for a power-cot, medical gurney.

Southern Region approved APFEMSA's application and will purchase the gurney on behalf of APFEMSA. APFEMSA is required to provide a ten percent match. Funds are available in the service area's approved FY16 budget to meet the match requirement. On April 16, 2014 the APFEMSA board approved acceptance of the equipment and expenditure of the matching funds.

Al Terry, APFEMSA Fire Chief, will oversee grant requirements for equipment inventory and maintenance.
