MEMORANDUM

TO: Brent Johnson, Assembly President
Kenai Peninsula Borough Assembly Members

FROM: Robert Ruffner, Planning Director 

DATE: June 13, 2023

RE: Section Line Easement Vacation
Vacate the 66-foot section line easement along the east lot boundary of Lot 1,
Hollywood Kennedy Gibbons 2006 Addition, Plat HM 2007-108

In accordance with AS 29.40.140, no vacation of a Borough right-of-way and/or easement may be made without the consent of the Borough Assembly.

During their regularly scheduled meeting of June 12, 2023 the Kenai Peninsula Borough Planning Commission granted approval of the proposed section line easement vacation, vacating the 66-foot section line easement along the east lot boundary of Lot 1, Hollywood Kennedy Gibbons 2006 Addition, Plat HM 2007-108 by unanimous vote (11-Yes, 1-Absent) based on the means of evaluating public necessity established by KPB 20.65. This petition is being sent to you for your consideration and action.

A draft copy of the unapproved minutes of the pertinent portion of the meeting and other related materials are attached.

Staff report given by Platting Manager Vince Piagentini.

Chair Brantley opened the item for public comment.

Todd Travis; 31150 Sterling Highway, Anchor Point, AK 99556: Mr. Travis is a neighboring landowner and wanted to know exactly how much of the section line easement in the area was going to be vacated. He wasn't opposed to the vacation but he was concerned that it might affect the view on his property.

Platting Manager Piagentini replied section line easements belong to the State and they will determine how much of the section line would be vacated which could be different that what is being requested by the applicant.

Mr. Travis then asked how would the land from the section line easement vacation be allotted, would it be split between himself and the other landowner? Planner Julie Hindman replied section line easements are easements that the land is subject to. The determination of who gets the use of that land back is the location of the easement on the property. It appears that this section line easement vacation request is encumbered by the applicant's parcel, which is Lot 1.

Hugh (Unclear); P.O. Box 1118, Anchor Point, AK 99556: Hugh asked for clarification on the approval process. Chair Brantley explained the approval process for section line easements.

Seeing and hearing no one else wishing to comment, public comment was closed and discussion was opened among the commission.

MOTION: Commissioner Gillham moved, seconded by Commissioner Venuti to approve the vacation as petitioned based on the means of evaluating public necessity established by KPB 20.65, based on staff recommendations, and subject to the 5 conditions as set forth in the staff report.

Hearing no objection or further discussion, the motion was carried by the following vote:

STAFF REPORT

Specific Request / Purpose as stated in the petition:

Lot 1, Hollywood Kennedy Gibbons 2006 Addition (HM2007-108) is a narrow lot with existing access along its entire west boundary by way of the Sterling Highway, and along its south boundary by way of Long Gone Avenue. A 33 foot right-of-way (Catch Up Street) along the east side of the section line was vacated by the HM 2006-108 plat, but the section line easement on both sides remained. A house was constructed within the easement on the west side of the section line.

The section line easement has not been constructed. It is not used for access to this or any of the adjoining lots. An overhead powerline exists along a portion of the east edge of the 33 foot section line easement within section 23. There is a 20 foot wide electrical distribution line easement centered on the overhead powerline per note 5 of HM 2006-108.

Vacation of this portion of the section line easement would not prevent or alter access to any of the adjoining lots, which all have functional access from existing rights-of-ways. The alternate route in accordance with AS 19.30.410 and/or AAC 51.065 is by way of the Sterling Highway adjoining the west edge of Lot 1.

Notification: The public hearing notice was published in the June 7th issue of the Clarion as part of the Commission’s tentative agenda.

The public notice was posted on the Planning Commission bulletin board at the Kenai Peninsula Borough George A. Navarre Administration building. Additional notices were mailed to the following with the request to be posted for public viewing.

Library of Anchor Point

Post Office of Anchor Point

Sixteen certified mailings were sent to owners of property within 300 feet of the proposed vacation. Eleven receipts had been returned when the staff report was prepared.

Public hearing notices were sent by regular mail to fifteen owners within 600 feet of the proposed vacation.

Seventeen public hearing notices were emailed to agencies and interested parties as shown below;

State of Alaska Dept. of Fish and Game
 State of Alaska DNR
 State of Alaska DOT
 State of Alaska DNR Forestry
 Anchor Point Advisory Planning Commission

 ENSTAR Natural Gas

Legal Access (existing and proposed):

Legal access to the property is by state maintained Sterling Highway on the west and Long Gone Avenue to the south. Sterling Highway is a varied width right-of-way, but is 100 feet from centerline directly adjacent to the property. Long Gone Avenue is a 60 foot right-of-way. Vacation of the section line easement will have no effect on the access to the property. The lots to the east have access from Long Gone Avenue to the south or Whiskey Gulch Street further to the east.

No new dedication is being proposed with this vacation request.

The section line easement has an overhead power line constructed through it on the easterly side of the property with a 20 foot electrical distribution line easement centered over it. This easement was dedicated on Hollywood Kennedy Gibbons 2006 Addition HM 2007-108.

Staff Analysis:

Lot 1 Hollywood Kennedy Gibbons 2006 Addition HM 2007-108 was created from Government Lot 1 Section 22 lying east of the Right-of-way of the Sterling Highway and a vacation of a portion of the right-of-way of Catch Up Street located in the NE1/4 of Section 22 all in Township 4 South, Range 15 West, SM HRD, State of Alaska. To the east are Lots 1-A, 2-A through 2-D of Hollywood Kennedy Gibbons Addition HM 2007-108 located in the NW1/4 of Section 23, Township 4 South, Range 15 West SM HRD, State of Alaska.

20.65.050 – Action on vacation application

- D. The planning commission shall consider the merits of each vacation request and in all cases the planning commission shall deem the area being vacated to be of value to the public. It shall be incumbent upon the applicant to show that the area proposed for vacation is no longer practical for the uses or purposes authorized, or that other provisions have been made which are more beneficial to the public. In evaluating the merits of the proposed vacation, the planning commission shall consider whether:
1. The right-of-way or public easement to be vacated is being used;
Staff comments: The easement does not appear to be in use.
 2. A road is impossible or impractical to construct, and alternative access has been provided;
Staff comments: There is a house built in the easement blocking use, alternate access is from Sterling Highway.
 3. The surrounding area is fully developed and all planned or needed rights-of-way and utilities are constructed;
Staff comments: Lots to the east are developed and have their own access already in use with no interruption shown by the vacation.
 4. The vacation of a public right-of-way provides access to a lake, river, or other area with public interest or value, and if so, whether equal or superior access is provided;
Staff comments: Does not provide access to a public area.
 5. The proposed vacation would limit opportunities for interconnectivity with adjacent parcels, whether developed or undeveloped;
Staff comments: All lots have existing access.
 6. Other public access, other than general road use, exist or are feasible for the right-of-way;
Staff comments: Road use is not feasible.
 7. All existing and future utility requirements are met. Rights-of-way which are utilized by a utility, or which logically would be required by a utility, shall not be vacated, unless it can be demonstrated that equal or superior access is or will be available. Where an easement would satisfactorily serve the utility interests, and no other public need for the right-of-way exists, the commission may approve the vacation and require that a utility easement be granted in place of the right-of-way.
Staff comments: No requests at the time of writing this report.
 8. Any other factors that are relevant to the vacation application or the area proposed to be vacated.
Staff comments:

The petition presented to the Kenai Peninsula Borough Planning Commission is a state managed easement. Per KPB 20.65.020, the Planning Commission does not have the authority to vacate easements under state jurisdiction. The planning commission will be providing a recommendation to the state on this easement petition. The vacation of this public easement vacation will be under the jurisdiction of the state and the final decision rests with the state.

A recommendation to approve the vacation will be subject to consent or veto by the Kenai Peninsula Borough Assembly. The petition to vacate is tentatively scheduled for the June 20, 2023 Assembly meeting.

A Planning Commission decision recommending denial will not require a hearing by the Kenai Peninsula Borough Assembly.

If approved, a Section Line Easement Vacation Plat may finalize the proposed section line easement vacation. Per KPB Code 20.10.080, if the sole purpose of the plat is to depict an area approved for vacation the plat does not require review by the planning commission. It will be reviewed as a final plat by the Planning Department.

-

KPB 20.65.050 – Action on vacation application

- H. A planning commission decision to approve a vacation is not effective without the consent of the city council, if the vacated area to be vacated is within a city, or by the assembly in all other cases. The council or assembly shall have 30 days from the date of the planning commission approval to either consent to or veto the vacation. Notice of veto of the vacation shall be immediately given to the planning commission. Failure to act on the vacation within 30 days shall be considered to be consent to the vacation. This provision does not apply to alterations of utility easements under KPB 20.65.070 which do not require the consent of the assembly or city council unless city code specifically provides otherwise.
- I. Upon approval of the vacation request by the planning commission and no veto by the city council or assembly, where applicable, the applicant shall have a surveyor prepare and submit a plat including the entire area approved for vacation in conformance with KPB 20.10.080. Only the area approved for vacation by the assembly or council may be included on the plat. The final plat must be recorded within one year of the vacation consent.
- J. A planning commission decision denying a vacation application is final. No reapplication or petition concerning the same vacation may be filed within one calendar year of the date of the final denial action except in the case where new evidence or circumstances exist that were not available or present when the original petition was filed.
- K. An appeal of the planning commission, city council or assembly vacation action under this chapter must be filed in the superior court in accordance with the Alaska Rules of Appellate Procedure.

The 2019 Kenai Peninsula Borough Comprehensive Plan adopted November, 2019 by Ordinance No. 2019-25. The relevant objectives are listed.

Goal 3. Preserve and improve quality of life on the Kenai Peninsula Borough through increased access to local and regional facilities, activities, programs and services.

- *Focus Area: Energy and Utilities*
 - o *Objective A - Encourage coordination or residential, commercial, and industrial development with extension of utilities and other infrastructure.*
 - *Strategy 1. Near – Term: Maintain existing easements (especially section line easements) in addition to establishing adequate utility rights of way or easements to serve existing and future utility needs.*
 - *Strategy 2. Near – Term: Maintain regular contact with utility operators to coordinate and review utility easement requests that are part of subdivision plat approval.*
 - *Strategy 3. Near – Term: Identify potential utility routes on Borough lands.*
- *Housing*
 - o *Objective D. Encourage efficient use of land, infrastructure and services outside incorporated cities by prioritizing future growth in the most suitable areas.*
 - *Strategy 1. Near – Term: Collaborate with the AK Department of Transportation, incorporated cities within the borough, utility providers, other agencies overseeing local services, and existing communities located adjacent to the undeveloped areas that are appropriate for future growth, to align plans for future expansion of services to serve future residential development and manage growth.*

Goal 4. Improve access to, from and connectivity within the Kenai Peninsula Borough

- *Focus Area: Transportation*

- *Objective B. Ensure new roads are developed in alignment with existing and planned growth and development.*
 - *Strategy 2. Near – Term: Establish subdivision codes that dictate road construction standards to accommodate future interconnectivity and/or public safety.*
 - *Strategy 3. Near – Term: Identify areas of anticipated growth to determine future access needs.*

Petition to Vacate Section Line Easement
Public Hearing Required

Upon receipt of complete application with fees and all required attachments, a public hearing before the Planning Commission will be scheduled. The petition with all required information and attachments must be in the Planning Department at least 30 days prior to the preferred hearing date. By State Statute and Borough Code, the public hearing must be scheduled within 60 days of receipt of complete application.

The Kenai Peninsula Borough is advisory to the State of Alaska Department of Natural Resources regarding Section Line Easement Vacations. The State of Alaska has the final authority regarding vacation of Section Line Easements.

Initially, a sketch may be included with the vacation petition for review by the Planning Commission. After the Planning Commission takes action on the vacation, a Section Line Easement Vacation Plat must be prepared by a licensed land surveyor. The plat will be processed in accordance with KPB 20.10.080. Platting authority is vested in the Planning Director.

- Checkboxes for: \$500 non-refundable fee to help defray costs of advertising public hearing; City Advisory Planning Commission; Are there associated utility easements to be vacated?; Are easements in use by any utility company?; Width of easement proposed to be vacated must be shown on the sketch; Submit three copies of plat or map showing area proposed to be vacated.

Has the section line easement been fully or partially constructed?
Is the section line easement used by vehicles / pedestrians / other?
Is alternative right-of-way being provided?

The petitioner must provide reasonable justification for the vacation. Reason for vacating:
See attached Submittal Letter

The petition must be signed (written signature) by owners of a majority of the land affected by the section line easement proposed to be vacated. Each petitioner must include address and legal description of his/her property.
