RE: Resolution 2019-014, Supporting the 2020 Census Complete Count
(Mayor, Ogle)

Recently the U.S. Census Bureau partnership specialist for this region in Alaska contacted the borough administration regarding involvement in the 2020 Census ("Census"). The Census Bureau is gearing up and reaching out to communities all over the country to motivate and encourage people to participate in the Census. Tim Dillon, Director of the Kenai Peninsula Economic District, has offered to help spearhead the efforts to promote participation in the Census.

This resolution is intended to help begin the process of bringing the upcoming Census to the attention of borough residents and encourage participation and promotion by all members of the borough communities.

Your support of this resolution would be appreciated.
