RE: Resolution 2021-021, Approving a Mutual Aid and Operational Plan
Between Seward Bear Creek Fire Service Area and Moose Pass
Volunteer Fire Company (Mayor)

This resolution would approve the attached mutual aid agreement and the operational plan between Bear Creek Fire Service Area and the Moose Pass Volunteer Fire Company for fire and emergency response services.

Mutual aid agreements allow for specific resource requests between the agencies to assist each other with emergency responses. Assistance is through the provision of resources as set out in the agreements and operational plans.

The agreements are for mutual aid response of fire and emergency medical resources and personnel, and will continue in effect per the terms of the agreement unless earlier terminated. The resolution would allow the operational plans, which detail specific response procedures, to be modified in the future without assembly approval as long as changes do not conflict with the basic elements of the mutual aid agreement.

Your consideration is appreciated.
