**MIKE NAVARRE
BOROUGH MAYOR**

TELESCOPIC BLEACHERS MANUFACTURER STANDARDIZATION POLICY FOR THE KENAI PENINSULA BOROUGH MAINTENANCE DEPARTMENT

The borough maintenance department has recognized a need to standardize telescopic bleachers to help reduce spare parts, training and maintenance costs and to increase productivity and operational safety. The maintenance department maintains a large number of telescoping bleachers at various school facilities throughout the borough. The majority of telescopic bleachers are manufactured by Hussey Seating Company and share many replacement components with their current Maxam-26 line.

The maintenance department is authorized to standardize their telescopic bleacher systems purchases to those manufactured by Hussey Seating Company provided purchases are made using competitive purchasing procedures to obtain the best possible prices. This can be done by using governmental cooperative purchasing agencies or other means as defined in KPB Chapter 5.28. -- Procurement and Purchasing.

This policy shall expire five years after assembly approval in resolution 2017-____ unless altered or extended by the assembly.

Date

Mike Navarre, Mayor

First adopted ___/___/17, resolution 2017-____.
