MIKE NAVARRE  
BOROUGH MAYOR

### MEMORANDUM

**TO:** Dale Bagley, Assembly President  
Members, Kenai Peninsula Borough Assembly

**THRU:** Mike Navarre, Mayor *mn*

**FROM:** Craig Chapman, Finance Director *CC*

**DATE:** September 3, 2015

**SUBJECT:** Ordinance 2015-19-13, An Ordinance Appropriating \$654,807 from the CPGH, Inc. Plant Replacement and Expansion Fund to Replace and Upgrade Equipment in Three Operating Rooms at Central Peninsula Hospital

Central Peninsula General Hospital, Inc. (Hospital) has identified numerous pieces of equipment in three of its four operating rooms (OR) that are in need of replacement as the equipment has reached the end of its useful life. The fourth OR does not need this equipment since it was only opened a few years ago.

The equipment scheduled for replacement includes OR lights, datascopes, boom arms for monitors and cameras for laparoscopic surgery. In addition, integration into the hospital electronic medical records system is needed.

The Hospital received quotes and demonstrations from three separate companies and selected Stryker Communications as the vendor. Stryker was able to provide the best experience for the OR staff during demonstrations and ultimately offered the lowest priced equipment. An added benefit is that this equipment matches equipment in the fourth OR so the Hospital will go from three different brands to one and it will be standardized across all four operatories.

Sufficient funds are available in the Central Peninsula Hospital Plant Replacement and Expansion fund to support this project.
