Failure on the part of the lessee to substantially complete the development plan of the land or to not be consistent with the proposed use and terms and conditions of the lease within two years of the anniversary date of said lease shall constitute grounds for cancellation.

16. Termination. No improvements may be removed during the time in which the contract is in default.

In the event Lessee breaches any provisions prohibiting the release of hazardous chemicals, hazardous materials or hazardous waste upon the property, and fails to immediately terminate the operation causing such release upon notice from KPB, then KPB may immediately terminate this lease agreement without notice to Lessee prior to the effective date of the termination.

liable for any damages therefor. Entry or re-entry by KPB shall not be deemed an acceptance of surrender of the contract.

20. Removal or Reversion of Improvements upon Termination of Lease.

Improvements on the property owned by Lessee shall, within ninety (90) calendar days after the termination of the agreement, be removed by Lessee; provided such removal will not cause injury or damage to the land; and further provided that the Mayor, or Planning Director when applicable, may extend the time for removing such improvements in cases where hardship is proven.
